**No. 42 of 2018.**

I assent.

HALIMAH YACOB,  
*President.*  
*31 October 2018.*

(LS)

An Act to amend the Electricity Act (Chapter 89A of the 2002 Revised Edition).

Be it enacted by the President with the advice and consent of the Parliament of Singapore, as follows:

**Short title and commencement**

1. This Act is the Electricity (Amendment) Act 2018 and comes into operation on a date that the Minister appoints by notification in the *Gazette*.

**Amendment of section 2**

2. Section 2 of the Electricity Act is amended —

(a) by deleting the words “section 64(3) or 98(2)” in the definition of “Appeal Panel” and substituting the words “section 65”;

(b) by deleting paragraph (a) of the definition of “earthworks” and substituting the following paragraphs:

“(a) any act of excavating earth, rock or other material (by whatever means);

(aa) any act done on, in or under the ground in connection with —

(i) any work for or relating to the construction, reconstruction, extension, renovation, alteration, demolition or repair of any building, road, railway, bridge, viaduct, flyover, sewer or sewerage works;

(ii) any work for or relating to the laying, inspecting, repairing or renewing of any main, pipe, cable, fitting or other apparatus;

(iii) any soil investigation work; or

(iv) such other works as are usually undertaken by a person carrying on business as a contractor in the construction industry or as a professional civil or structural engineer;”;

- 
- 
- (c) by deleting the words “earth rod” in paragraph (c) of the definition of “earthworks” and substituting the words “bar, rod, pole, picket”;
- (d) by deleting paragraph (a) of the definition of “electrical installation” and substituting the following paragraph:
- “(a) any electric line, supply line or electrical plant —
- (i) of a transmission licensee for the transmission of electricity; or
- (ii) of a generation licensee for the generation of electricity;”;
- (e) by deleting the definition of “electricity cable” and substituting the following definition:
- ““electricity cable” means a length of insulated single conductor or of 2 or more such conductors, whether or not the conductor or conductors are provided with an overall covering for mechanical protection, and —
- (a) all other apparatus or devices connected to the conductor or conductors, as the case may be (including by any remote or wireless means); and
- (b) any data communication cable used to monitor or control the transmission of electricity;”;
- (f) by inserting, immediately after the definition of “market support services licensee”, the following definitions:
- ““meter” means any device for measuring the flow of electricity;

“meter installation” means any meter and, if so equipped, its associated equipment, apparatus, device and installation, including any self-contained meter transformers, wiring, seal, meter test terminal block, test links, fuses, lamps, data recorders, circuit breakers, and communication modems required to provide remote access to the metered data so that readings from the meter can be taken;”;  
and

(g) by deleting the words “by a transmission licensee” in the definition of “transmission system”.

### **Amendment of section 6**

3. Section 6(1) of the Electricity Act is amended —

(a) by deleting the word “or” at the end paragraph (f); and

### **Amendment of section 9**

4. Section 9(1) of the Electricity Act is amended —

(a) by deleting the word “or” at the end of paragraph (f); and

(b) by deleting the full-stop at the end of paragraph (g) and substituting the word “; or”, and by inserting immediately thereafter the following paragraph:

“(h) for the purpose mentioned in paragraph (h) of section 6(1), carry on such activity relating to electricity as may be specified in any order made under that paragraph.”.

---

---

**Amendment of section 10**

5. Section 10 of the Electricity Act is amended by inserting, immediately after the words “for the purpose of allowing the consumer”, the words “(if the consumer remains a contestable consumer under section 41(1))”.

**New section 20A**

6. The Electricity Act is amended by inserting, immediately after section 20, the following section:

**“Connections to electrical plants**

**20A.**—(1) The Authority may direct any electricity licensee (*E*) to allow a transmission licensee to connect any electrical plant or electric line of the transmission licensee, to any of *E*’s electrical plants, if the Authority considers the connection necessary —

(a) in the public interest; or

(b) to ensure the security and reliability of the supply of electricity to the public.

(2) For the purpose of subsection (1), the direction may —

(a) require *E* to allow the transmission licensee to enter the premises of *E* for the purposes of making and maintaining the connection, and not to do or suffer to be done anything which may prevent the transmission licensee from making and maintaining the connection; and

(b) require *E* and the transmission licensee to enter into an agreement after the connection under paragraph (a) has been made, within the time specified in the direction, for the purpose of maintaining the connection and reasonably compensating *E* for any loss suffered as a result of the connection,

and *E* and the transmission licensee must comply with a direction under subsection (1) to the extent that it relates to either of them.

(3) If *E* and the transmission licensee are unable to agree on the terms for any matter so as to be able to enter into an agreement in accordance with a requirement under subsection (2)(b), either *E* or the transmission licensee may request the Minister to establish an Appeal Panel under section 65 to determine the reasonable terms for that matter.

(4) The decision of the Appeal Panel under subsection (3) must include a date on which *E* and the transmission licensee are treated as having entered into an agreement comprising —

(a) (if any) the terms agreed between *E* and the transmission licensee; and

(b) the terms determined by the Appeal Panel,

and *E* and the transmission licensee are treated as having entered into an agreement with each other as from that date on all such terms.

(5) The direction of the Authority under subsection (1) is revoked as from the date mentioned in the Appeal Panel's decision under subsection (4) to the extent the decision is inconsistent with that direction.

(6) Nothing in subsection (4) prevents *E* and the transmission licensee from varying or terminating the agreement treated as entered into under that subsection.”.

### **Amendment of section 28**

7. Section 28(1) of the Electricity Act is amended by inserting, immediately after the words “in force,” the words “all or any of”.

### **Amendment of section 29**

(b) omits to do anything required to prevent any damage to any such submarine electric line or electricity cable,

shall be guilty of an offence and shall be liable on conviction to a fine not exceeding \$2 million or to imprisonment for a term not exceeding 5 years or to both.”.

### **Repeal and re-enactment of section 87**

**25.** Section 87 of the Electricity Act is repealed and the following section substituted therefor:

---

---

**“Unauthorised use of electricity**

**87.—(1)** Any person who —

- (a) dishonestly or fraudulently abstracts, uses, consumes or diverts any electricity supplied by an electricity licensee;
- (b) alters or tampers with any part of any meter or meter installation supplied by an electricity licensee for registering the quantity of electricity supplied to any person or premises;
- (c) does any thing that compromises or adversely affects the ability or proper operation of any meter or meter installation supplied by an electricity licensee, in duly registering the quantity of electricity supplied to any person or premises; or
- (d) causes or permits any other person to engage in conduct mentioned in paragraph (a), (b) or (c),

shall be guilty of an offence.

(2) A person who is guilty of an offence under subsection (1)(a), (b), (c) or (d) shall be liable on conviction to one or both of the following:

- (a) a fine that is the total of —
  - (i) an amount not exceeding \$50,000; and
  - (ii) an amount equal to 3 times the value of electricity —
    - (A) abstracted, used, consumed or diverted in the commission of the offence under subsection (1)(a), or caused or permitted to be so abstracted, used, consumed or diverted in the commission of the offence under subsection (1)(d), as the case may be; or

(B) supplied as a result of the commission of the offence under subsection (1)(b), (c) or (d), as the case may be;

(b) imprisonment for a term not exceeding 3 years, and, in the case of a continuing offence, to a further fine not exceeding \$250 for every day or part of a day during which the offence continues after conviction.

(3) The value of the electricity abstracted, used, consumed, diverted or supplied as mentioned in subsection (2)(a)(ii), may be determined based on the amount of such electricity fairly and reasonably estimated after comparing records (as are appropriate and available) of electricity usage before, during and after the abstraction, use, consumption, diversion or supply.

(4) If, in any proceedings before a court for an offence under subsection (1)(b) or (d), it is alleged that a person altered or tampered with any part of any meter or meter installation mentioned in subsection (1)(b), and it is proved —

(a) that, at the time of the alleged conduct —

- (i) a device or wire was attached to, or was in the vicinity of, the meter or meter installation (or any part of the meter or meter installation) for the purpose of altering the index of the meter or meter installation or preventing the meter or meter installation from duly registering the quantity of electricity supplied;
- (ii) the covering of the meter or meter installation had a hole which is not a result of ordinary wear and tear;
- (iii) any seal fastened by an electricity licensee to any part of the meter or meter installation was damaged, removed or changed;

- 
- 
- (iv) any paint or other chemical compound applied by an electricity licensee to or on any screw, component or mechanism of any part of the meter or meter installation was damaged or removed or altered in its chemical composition; or
  - (v) the position or arrangement of any test link on a meter terminal test block of the meter installation was changed or altered; and
- (b) that the person had, at the time of the alleged conduct, custody or control of the meter or meter installation, then the person is presumed, until the contrary is proved, to have so altered or tampered with the meter or meter installation.”.

### **Amendment of section 93**

**26.** Section 93 of the Electricity Act is amended by deleting subsection (3).

### **Amendment of section 98**

**27.** Section 98 of the Electricity Act is amended —

- (e) by deleting subsections (3) and (4) and substituting the following subsections:

“(3) Any person who makes an appeal to the Minister must provide such information and documents as the Minister requires (whether for the purpose of deciding if an Appeal Panel should be established or for determining the appeal) and in such manner and within such period as may be specified by the Minister.

(4) The Minister may determine an appeal under this section —

- (a) by confirming, varying or reversing any decision or direction of the Authority;
- (b) (if applicable) by amending any code of practice or standard of performance issued or approved by the Authority to which the appeal relates; or
- (c) by directing the Authority to reconsider its decision or direction,

and the Minister’s decision is final.

(5) Subsection (4) applies whether the appeal is lodged with or made to the Minister before, on or after the date of commencement of section 27(e) of the Electricity (Amendment) Act 2018.

(6) The Minister may make regulations prescribing —

- (a) the time and manner in which an appeal must be made under this section; and
- (b) the procedure to be adopted in determining any appeal under this section.”.

### **New section 100A**

**28.** The Electricity Act is amended by inserting, immediately after section 100, the following section:

---

---

**“Payment into Consolidated Fund**

**100A.** All composition sums collected by the Authority under section 93 and all financial penalties collected by the Authority under this Act, must be paid into the Consolidated Fund.”.
