## No. S 380

### ENDANGERED SPECIES (IMPORT AND EXPORT) ACT (CHAPTER 92A)

### ENDANGERED SPECIES (IMPORT AND EXPORT) ACT (AMENDMENT OF SCHEDULE) (NO. 2) NOTIFICATION 2021

In exercise of the powers conferred by section 28 of the Endangered Species (Import and Export) Act, the Minister for National Development makes the following Notification:

#### Citation and commencement

1. This Notification is the Endangered Species (Import and Export) Act (Amendment of Schedule) (No. 2) Notification 2021 and comes into operation on 22 June 2021.

#### Amendment of Part 1 of Appendices of Schedule

2. Part 1 of the Appendices of the Schedule to the Endangered Species (Import and Export) Act is amended —

(a) by deleting sub-heading A and the item in taxon XI relating to “PASSERIFORMES” under the heading “CLASS AVES (BIRDS)” and substituting the following sub-headings and items:

|     |                                            |
|-----|--------------------------------------------|
| “ A | Alaudidae (Larks)                          |
| 1.  | <i>Alauda arvensis</i><br>(Ukraine)        |
| 2.  | <i>Galerida cristata</i><br>(Ukraine)      |
| 3.  | <i>Lullula arborea</i><br>(Ukraine)        |
| 4.  | <i>Melanocorypha calandra</i><br>(Ukraine) |

|      |                                |  |    |
|------|--------------------------------|--|----|
| A(1) | Atrichornithidae (Scrub-birds) |  |    |
| 1.   | <i>Atrichornis clamosus</i>    |  | ”; |

(b) by inserting, immediately before item 1 under sub-heading C (“Emberizidae (Cardinals, tanagers)”) in taxon XI relating to “PASSERIFORMES” under the heading “CLASS AVES (BIRDS)”, the following items:

|     |  |  |                                         |    |
|-----|--|--|-----------------------------------------|----|
| 1A. |  |  | <i>Emberiza citrinella</i><br>(Ukraine) | ”; |
| 1B. |  |  | <i>Emberiza hortulana</i><br>(Ukraine)  |    |

(c) by deleting items 1 and 2 under sub-heading E (“Fringillidae (Finches)”) in taxon XI relating to “PASSERIFORMES” under the heading “CLASS AVES (BIRDS)” and substituting the following items:

|    |                            |                            |                                          |  |
|----|----------------------------|----------------------------|------------------------------------------|--|
| 1. |                            |                            | <i>Carduelis cannabina</i><br>(Ukraine)  |  |
| 2. |                            |                            | <i>Carduelis carduelis</i><br>(Ukraine)  |  |
| 3. | <i>Carduelis cucullata</i> |                            |                                          |  |
| 4. |                            |                            | <i>Carduelis flammea</i><br>(Ukraine)    |  |
| 5. |                            |                            | <i>Carduelis hornemanni</i><br>(Ukraine) |  |
| 6. |                            |                            | <i>Carduelis spinus</i><br>(Ukraine)     |  |
| 7. |                            | <i>Carduelis yarrellii</i> |                                          |  |

|     |  |  |                                                  |
|-----|--|--|--------------------------------------------------|
| 8.  |  |  | <b><i>Carpodacus erythrinus</i></b><br>(Ukraine) |
| 9.  |  |  | <b><i>Loxia curvirostra</i></b><br>(Ukraine)     |
| 10. |  |  | <b><i>Pyrrhula pyrrhula</i></b><br>(Ukraine)     |
| 11. |  |  | <b><i>Serinus serinus</i></b><br>(Ukraine)       |

”;

(d) by deleting items 5 to 12 under sub-heading I (“Muscicapidae (Old-world flycatchers)”) in taxon XI relating to “PASSERIFORMES” under the heading “CLASS AVES (BIRDS)” and substituting the following items:

“

|     |  |                                   |                                               |
|-----|--|-----------------------------------|-----------------------------------------------|
| 5.  |  |                                   | <b><i>Erithacus rubecula</i></b><br>(Ukraine) |
| 6.  |  |                                   | <b><i>Ficedula parva</i></b><br>(Ukraine)     |
| 7.  |  | <b><i>Garrulax canorus</i></b>    |                                               |
| 8.  |  | <b><i>Garrulax taewanus</i></b>   |                                               |
| 9.  |  |                                   | <b><i>Hippolais icterina</i></b><br>(Ukraine) |
| 10. |  | <b><i>Leiothrix argentea</i></b>  |                                               |
| 11. |  | <b><i>Leiothrix lutea</i></b>     |                                               |
| 12. |  | <b><i>Liocichla omeiensis</i></b> |                                               |
| 13. |  |                                   | <b><i>Luscinia luscinia</i></b><br>(Ukraine)  |

|     |                                  |  |                                                |
|-----|----------------------------------|--|------------------------------------------------|
| 14. |                                  |  | <i>Luscinia megarhynchos</i><br>(Ukraine)      |
| 15. |                                  |  | <i>Luscinia svecica</i><br>(Ukraine)           |
| 16. |                                  |  | <i>Monticola saxatilis</i><br>(Ukraine)        |
| 17. | <i>Picathartes gymnocephalus</i> |  |                                                |
| 18. | <i>Picathartes oreas</i>         |  |                                                |
| 19. |                                  |  | <i>Sylvia atricapilla</i><br>(Ukraine)         |
| 20. |                                  |  | <i>Sylvia borin</i><br>(Ukraine)               |
| 21. |                                  |  | <i>Sylvia curruca</i><br>(Ukraine)             |
| 22. |                                  |  | <i>Sylvia nisoria</i><br>(Ukraine)             |
| 23. |                                  |  | <i>Terpsiphone bourbonensis</i><br>(Mauritius) |
| 24. |                                  |  | <i>Turdus merula</i><br>(Ukraine)              |
| 25. |                                  |  | <i>Turdus philomelos</i><br>(Ukraine)          |

”;

(e) by inserting, immediately after sub-heading I (“Muscicapidae (Old-world flycatchers)”) in taxon XI relating to “PASSERIFORMES” under the heading “CLASS AVES (BIRDS)”, the following sub-heading and item:

|   |      |                               |                                     |
|---|------|-------------------------------|-------------------------------------|
| “ | I(1) | Oriolidae (Old-world orioles) |                                     |
|   | 1.   |                               | <i>Oriolus oriolus</i><br>(Ukraine) |

”;

- (f) by inserting, immediately after sub-heading J (“Paradisaeidae (Birds of paradise)”) in taxon XI relating to “PASSERIFORMES” under the heading “CLASS AVES (BIRDS)”, the following sub-heading and item:

“

|      |                |  |                                |
|------|----------------|--|--------------------------------|
| J(1) | Paridae (Tits) |  |                                |
| 1.   |                |  | <i>Parus ater</i><br>(Ukraine) |

”;

- (g) by inserting, immediately after sub-heading M (“Sturnidae (Mynas, starlings)”) in taxon XI relating to “PASSERIFORMES” under the heading “CLASS AVES (BIRDS)”, the following sub-heading and item:

“

|      |                       |  |                                             |
|------|-----------------------|--|---------------------------------------------|
| M(1) | Troglodytidae (Wrens) |  |                                             |
| 1.   |                       |  | <i>Troglodytes troglodytes</i><br>(Ukraine) |

”;

- (h) by inserting, immediately after item 2 under sub-heading G (“Emydidae (Box turtles, freshwater turtles)”) in taxon V relating to “TESTUDINES” under the heading “CLASS REPTILIA (REPTILES)”, the following item:

“

|     |  |  |                                      |
|-----|--|--|--------------------------------------|
| 2A. |  |  | <i>Emys orbicularis</i><br>(Ukraine) |
|-----|--|--|--------------------------------------|

”; and

- (i) by deleting items 1 to 3 under sub-heading B (“Bufonidae (Toads)”) in taxon I relating to “ANURA” under the heading “CLASS AMPHIBIA (AMPHIBIANS)” and substituting the following items:

“

|    |                                    |  |  |
|----|------------------------------------|--|--|
| 1. | <i>Altiphrynoides spp.</i>         |  |  |
| 2. | <i>Amietophrynus channingi</i>     |  |  |
| 3. | <i>Amietophrynus superciliaris</i> |  |  |

”.

---

---

**Amendment of Part 2 of Appendices of Schedule**

3. Part 2 of the Appendices of the Schedule to the Endangered Species (Import and Export) Act is amended by deleting the words “any derivative thereof” in annotation 13 and substituting the words “any derivatives thereof, except finished products packaged and ready for retail trade”.

Made on 17 June 2021.
