- (d) is no longer in a position to carry out the duties of a registered professional engineer effectively in Singapore; or
- (e) while being a director, a manager or an employee of a licensed corporation, or a partner, a manager or an employee of a licensed partnership or limited liability partnership, had failed to take reasonable steps to prevent the corporation, partnership or limited liability partnership from acting in a manner (other than as described in section 37(1)(f)) which would warrant the Board revoking any licence granted to the corporation, partnership or limited liability partnership or imposing a penalty under section 37(2),

the Disciplinary Committee may exercise one or more of the powers mentioned in subsection (2).

[27/2005; 36/2017]

(2) The powers that the Disciplinary Committee may exercise for the purposes of subsection (1) are as follows:

expenses of and incidental to any proceedings against him or her under this Part.

[27/2005; 36/2017]

(4) Where the Disciplinary Committee finds that the registered professional engineer has not been convicted or guilty of any of the matters mentioned in subsection (1)(a) to (e), the Disciplinary Committee must order that the complaint or information be dismissed.

[27/2005]

(5) The costs and expenses mentioned in subsection (3) include —

- (b) any reasonable expenses that the Board may pay to witnesses; and
- (c) any reasonable expenses that are necessary for the conduct of proceedings before the Disciplinary Committee,

and the General Division of the High Court has jurisdiction to tax those costs and any such order for costs is enforceable as if it were made in connection with a civil action in the General Division of the High Court.

[27/2005; 40/2019]

(6) The Registrar must serve on the registered professional engineer concerned a notice of the order made by the Disciplinary Committee.

[27/2005]

(7) Subject to subsection (8), an order mentioned in subsection (2) does not take effect until the expiry of 30 days after the order is made.

[27/2005]

(8) On making an order mentioned in subsection (2)(a) or (b), the Disciplinary Committee, if satisfied that removing the name of the registered professional engineer concerned from the register of professional engineers or suspending him or her from practice (as the case may be) is necessary for the protection of members of the public or would be in the best interests of the registered professional engineer, may order that the Registrar immediately remove his or her

name from the register or suspend him or her from practice, as the case may be.

[27/2005]

(9) An order under subsection (8) takes effect from the time the order is made.

[27/2005]

(10) While any order of suspension from practice made under subsection (2)(b) remains in force, the person to whom the order applies is not, for the purposes of this Act, to be regarded as having in force a practising certificate, but immediately on the expiry or annulment of such order, his or her privileges under this Act are revived as from the date of expiry or annulment.

[27/2005]

(11) For the purposes of subsection (1)(e), a registered professional engineer is not to be deemed to have taken reasonable steps to prevent the doing of any act by a licensed corporation, partnership or limited liability partnership unless he or she satisfies the Disciplinary Committee that —

- (a) the act was done without his or her knowledge;
- (b) he or she was not in a position to influence the conduct of the corporation, partnership or limited liability partnership in relation to its action; or
- (c) he or she, being in such a position, exercised all due diligence to prevent the corporation, partnership or limited liability partnership from so acting.

[27/2005]

(12) In this section, references to acts done by a licensed corporation, partnership or limited liability partnership include references to omissions to act and to a series of acts or omissions to act.

[27/2005]

[27/2005; 40/2019]

(2) There is no appeal from the decision of the General Division of the High Court.

[27/2005; 40/2019]

(3) In any appeal to the General Division of the High Court against a decision mentioned in section 50(2), (3) or (4), the General Division of the High Court is to accept as final and conclusive any finding of the Disciplinary Committee relating to any issue of ethics or standards of professional conduct unless such finding is in the opinion of the General Division of the High Court unsafe, unreasonable or contrary to the evidence.

[27/2005; 40/2019]

(4) Despite anything in section 50, where a person has appealed to the General Division of the High Court against an order mentioned in section 50(2) or (3), the order does not take effect unless the order is confirmed by the General Division of the High Court or the appeal is for any reason dismissed by the General Division of the High Court or withdrawn.

[31H

[27/2005; 40/2019]
