Committee thinks fit in respect of the costs and expenses of and incidental to any proceedings against him under this Part.

(4) Where the Disciplinary Committee finds that the registered architect has not been convicted or guilty of any of the matters referred to in subsection (1)(a) to (e), the Disciplinary Committee shall order that the complaint or information be dismissed.

(5) The costs and expenses referred to in subsection (3) shall include —

(a) the costs and expenses of any advocate and solicitor appointed by the Board for proceedings before the Disciplinary Committee;

(b) such reasonable expenses as the Board may pay to witnesses; and

(c) such reasonable expenses as are necessary for the conduct of proceedings before the Disciplinary Committee,

and the High Court shall have jurisdiction to tax such costs and any such order for costs shall be enforceable as if it were made in connection with a civil action in the High Court.

(6) The Registrar shall serve on the registered architect concerned a notice of the order made by the Disciplinary Committee.

(7) Subject to subsection (8), an order referred to in subsection (2) shall not take effect until the expiration of 30 days after the order is made.

(8) On making an order referred to in subsection (2)(a) or (b), the Disciplinary Committee, if satisfied that to remove the name of the registered architect concerned from the register of architects or to suspend him from practice, as the case may be, is necessary for the protection of members of the public or would be in the best interests of the registered architect, may order that the Registrar immediately remove his name from the register or suspend him from practice, as the case may be.

(9) An order under subsection (8) shall take effect from the time the order is made.
(10) While any order of suspension from practice made under subsection (2)(b) remains in force, the person to whom the order applies shall not for the purposes of this Act be regarded as having in force a practising certificate but immediately on the expiry or annulment of such order, his privileges under this Act shall be revived as from the date of expiry or annulment.

(11) For the purposes of subsection (1)(e), a registered architect shall not be deemed to have taken reasonable steps to prevent the doing of any act by a licensed corporation, partnership or limited liability partnership unless he satisfies the Disciplinary Committee that —

(a) the act was done without his knowledge;

(b) he was not in a position to influence the conduct of the corporation, partnership or limited liability partnership in relation to its action; or

(c) he, being in such a position, exercised all due diligence to prevent the corporation, partnership or limited liability partnership from so acting.

(12) In this section, references to acts done by a licensed corporation, partnership or limited liability partnership include references to omissions to act and to a series of acts or omissions to act.

(13) Every penalty imposed under an order by a Disciplinary Committee under subsection (2) shall be recoverable as a debt due to the Board.

Appeal against order by Disciplinary Committee

31H.—(1) Any person aggrieved by a decision of the Disciplinary Committee referred to in section 31G(2), (3) or (4) may, within 30 days after the service on him of the notice of the order, appeal to the High Court against the order.

(2) There shall be no appeal from the decision of the High Court.

(3) In any appeal to the High Court against a decision referred to in section 31G(2), (3) or (4), the High Court shall accept as final and conclusive any finding of the Disciplinary Committee relating to any
issue of ethics or standards of professional conduct unless such finding is in the opinion of the High Court unsafe, unreasonable or contrary to the evidence.

(4) Notwithstanding anything in section 31G, where a person has appealed to the High Court against an order referred to in section 31G(2) or (3), the order shall not take effect unless the order is confirmed by the High Court or the appeal is for any reason dismissed by the High Court or withdrawn.

**Conviction final and conclusive**

31I. In any proceedings under this Part in relation to the conviction of a registered architect for a criminal offence, the Minister, the Board, an Investigation Committee, a Disciplinary Committee, and the High Court on appeal from any order of a Disciplinary Committee, shall accept his conviction as final and conclusive.

**Service of documents**

31J. Any notice, order or document required or authorised to be served under this Part shall be deemed to be sufficiently served —

(a) by delivering a copy thereof personally or by leaving it with some adult person at the last known place of residence or business of the person on whom it is to be served; or

(b) by sending it by registered post addressed to the person on whom the notice is to be served at his address as stated in the appropriate register.
