[35/2014]

(12) A notice to a public accountant under subsection (9) or (11) is to be sent to the public accountant at his or her residential address unless it appears to the Registrar that service at that address may be ineffective to bring it to the public accountant's notice, in which case it may be sent to any other last known address of that public accountant.

[35/2014]

(13) Where —

- (a) the Registrar discloses and makes available for public inspection the particulars of a public accountant's residential address under subsection (8); or
- (b) a Registrar appointed under any other ACRA-administered Act discloses and makes available for public inspection under that Act the particulars of a public accountant's residential address under a provision of that Act equivalent to subsection (8),

that public accountant is not, for a period of 3 years after the date on which the residential address is disclosed and made available for public inspection, allowed to maintain an alternate address under subsection (2).

[35/2014]

(14) Nothing in this section applies to any information lodged or deemed to be lodged with the Registrar before 3 January 2016 or prevents such information from being disclosed or from being made available for public inspection or access.

[35/2014]

(15) Nothing in this section prevents the residential address that is lodged with the Registrar under this Act, or is transmitted to the Registrar by the Commissioner of National Registration under section 11 of the National Registration Act 1965 from —

- (a) being used by the Registrar for the purposes of any communication with the public accountant;

[35/2014]

(16) Any person aggrieved by the Registrar's decision under subsection (8) may, within 30 days after the date of receiving the notice under subsection (11), appeal to the General Division of the High Court which may confirm the decision or give such directions in the matter as seem proper or otherwise determine the matter.

[35/2014; 40/2019]

(17) For the purposes of this section —

- (a) “ACRA-administered Act” means the Accounting and Corporate Regulatory Authority Act 2004 and any of the written laws specified in the Second Schedule to that Act; and
- (b) a public accountant can be located at an address if he or she may be physically found at the address after reasonable attempts have been made to find the public accountant at the address.

[35/2014]

13.—(1) Unless the Oversight Committee or the Registrar allows otherwise, a public accountant who desires to renew his or her certificate of registration upon its expiry must, at least one month before the date of the expiry, submit his or her application for the renewal to the Oversight Committee in such form or manner as the Oversight Committee may require.

(2) An application under subsection (1) must be accompanied by —

- (a) the prescribed fee; and

14.—(1) Every public accountant must, whenever there is any change in his or her name, residential address or any other of his or her relevant particulars as recorded in the Register of Public Accountants, notify the Registrar of such change within 30 days thereof in such manner as the Oversight Committee may require.

[35/2014]

(2) Any person who, without reasonable excuse, fails to comply with subsection (1) shall be guilty of an offence and shall be liable on conviction to a fine not exceeding \$1,000.

(3) Where the public accountant has changed his or her residential address and has made a report of the change under section 10 of the National Registration Act 1965, the public accountant is to be taken to have informed the Registrar of the change of residential address in compliance with subsection (1).
