(5) An adjudicator must —

(8) The parties to an adjudication must comply with any requirement made or direction issued by the adjudicator in accordance with this section.

(9) An adjudicator's power to determine an adjudication application is not affected by the failure of —

- (a) the respondent to provide a payment response or lodge an adjudication response; or
- (b) any of the parties to comply with the adjudicator's call for a conference of the parties or any other requirement made or direction issued by the adjudicator,

and in the event of any such failure, the adjudicator may determine the application on the basis of the information and documents available to the adjudicator.

(10) The determination of an adjudicator on any adjudication application must be in writing.

Determination of adjudicator

(3) In determining an adjudication application, an adjudicator must disregard any part of a payment claim or a payment response related to damage, loss or expense that is not supported by —

- (a) any document showing agreement between the claimant and the respondent on the quantum of that part of the payment claim or the payment response; or
- (b) any certificate or other document that is required to be issued under the contract.

[47/2018]

(4) Subject to subsection (5), in determining an adjudication application, an adjudicator may only have regard to the following matters:

[47/2018]

(7) If, in determining an adjudication application, an adjudicator has determined in accordance with section 7 —

- (a) the value of any construction work carried out under a construction contract; or
- (b) the value of goods or services supplied under a contract,

the adjudicator (or any other adjudicator) must, in any subsequent adjudication application that involves the determination of the value of that work or of those goods or services, give the construction work or the goods or services (as the case may be) the same value as that previously determined unless the claimant or respondent satisfies the adjudicator concerned that the value thereof has changed since the previous determination.

(8) If the determination of an adjudicator contains —

- (a) a clerical mistake;
- (b) an error arising from an accidental slip or omission; or
- (c) a defect of form,

the authorised nominating body must refer the adjudication review application to a person who is on the register of adjudicators established under section 28(4)(a) and whom the authorised nominating body considers to be appropriate for appointment as the replacement review adjudicator or a replacement member of a panel of review adjudicators to determine the adjudication review application in place of the review adjudicator or member of a panel of review adjudicators in paragraph (a) or (b), as the case may be.

- (a) permission of the court to enforce the adjudication determination is refused under section 27;

[Act 25 of 2021 wef 01/04/2022]

- (b) the dispute is finally determined by a court or tribunal or at any other dispute resolution proceeding; or
- (c) the dispute is settled by agreement of the parties.

(2) An adjudication review determination under section 19(7)(a) has effect as if it were an adjudication determination for the purposes of this Act.

(3) This section does not affect the right of any party to challenge an adjudication determination or an adjudication review determination in any proceeding before a court or tribunal or in any other dispute resolution proceeding.

Payment of adjudicated amount

22.—(1) Where, in relation to an adjudication application, the adjudicator has determined that the respondent must pay an adjudicated amount to the claimant, then except as provided in subsection (2) and section 18(3), the respondent must pay that amount —

- (a) within 7 days after the adjudicator’s determination is served on the respondent; or
- (b) by the date on which the adjudicated amount is determined by the adjudicator to be payable,

whichever is the later.

[47/2018]

(2) Where a respondent is required in consequence of the adjudication determination to pay an adjudicated amount to the claimant, and the claimant is entitled under section 18(2) to lodge an application for the review of the adjudication determination, the respondent must pay that amount —

[47/2018]

PART 5

MEASURES TO ENFORCE PAYMENT OF ADJUDICATED
AMOUNT

Consequences of not paying adjudicated amount

23.—(1) Where a respondent fails to pay the whole or any part of the adjudicated amount to a claimant in accordance with section 22, the claimant may do either or both of the following:

- (a) serve a written notice on the respondent of the claimant's intention to exercise a lien under section 25 on goods supplied by the claimant to the respondent under the contract concerned that are unfixed and which have not been paid for;
- (b) serve a written notice on the respondent under section 26 of the claimant's intention to suspend carrying out construction work or supplying goods or services under the contract concerned.

(2) Without limiting subsection (1), where a party to an adjudication fails to pay the whole or any part of the adjudicated amount to any other party in accordance with section 22, the aggrieved party may apply for and enforce the adjudication determination as if it were a judgment debt in accordance with section 27.

Direct payment from principal

24.—(1) Where a respondent fails to pay the whole or any part of the adjudicated amount to a claimant in accordance with section 22, the principal of the respondent may pay the whole or any part of the outstanding amount in accordance with the procedure set out in subsection (2).

(2) The procedure by which the principal may make payment to the claimant is as follows:

- (a) the principal must serve a notice of payment on the claimant stating that direct payment must be made, and serve a copy thereof on the respondent and the owner (if the principal is not the owner);

- (b) the respondent must, if the respondent has paid the adjudicated amount to the claimant, show proof of such payment to the principal and the owner (if the principal is not the owner) within 2 days after receiving the notice mentioned in paragraph (a);
 - (c) if the respondent fails to show proof of payment in accordance with paragraph (b), the principal is entitled to pay the whole or any part of the outstanding amount of the adjudicated amount to the claimant.
- (3) Where the principal is a licensed housing developer under the Housing Developers (Control and Licensing) Act 1965 with a Project Account opened under section 9 of that Act, the claimant is not entitled to exercise the lien under section 25 or suspend work or supply under section 26 for 21 days after being served the notice of payment under subsection (2)(a) by the principal, unless the principal had previously defaulted on any payment to the claimant under this section in relation to the same contract.
- (4) Any payment by the principal under this section —
- (a) may be treated by the principal as payment to the respondent in reduction (by the amount of the payment) of any amount that the principal owes, or may in future owe, to the respondent in connection with the construction work, or the goods or services, concerned; or
 - (b) may be recovered by the principal as a debt due from the respondent.
- (5) Where the principal has paid the whole or any part of the adjudicated amount under this section, the subsequent setting aside of the relevant adjudication determination does not affect any rights conferred on the principal under this section.

Lien on goods supplied

25.—(1) Subject to the provisions of this Act, the claimant has a lien on goods supplied by the claimant to the respondent under the contract concerned that are unfixated and which have not been paid for.

- (2) The lien under subsection (1) subsists if, and only if —
- (a) the claimant has served on the respondent the notice mentioned in section 23(1)(a);
 - (b) a copy of the notice has been served by the claimant on the principal (if known) and the owner concerned;
 - (c) 7 days have elapsed since the notice was served on the respondent, the principal (if known) and the owner, or since the last of them was served the notice; and
 - (d) the claimant has not been paid the adjudicated amount.
- (3) The lien under subsection (1) does not give the claimant any priority over the liens on the goods existing before the date on which the firstmentioned lien arises.
- (4) The claimant has no rights to exercise the lien mentioned in subsection (1) —
- (a) if the goods concerned are owned by a person other than the claimant or the respondent; or
 - (b) during the period mentioned in section 24(3).

Right to suspend work or supply

26.—(1) Subject to the provisions of this Act, a claimant may suspend the carrying out of construction work, or the supply of goods or services, under a contract if, and only if —

- (a) the claimant has served on the respondent the notice mentioned in section 23(1)(b);
 - (b) a copy of the notice has been served by the claimant on the principal (if known) and the owner concerned;
 - (c) 7 days have elapsed since the notice was served on the respondent, the principal (if known) and the owner, or since the last of them was served the notice; and
 - (d) the claimant has not been paid the adjudicated amount.
- (2) During the period of suspension exercised in accordance with subsection (1) —

- (a) the claimant is not liable to the respondent, the principal or the owner for any loss or damage suffered by the respondent, the principal or the owner (as the case may be) or by any person claiming through or under the respondent, the principal or the owner; and
 - (b) the respondent, the principal and the owner have no claim against the claimant for any loss or damage suffered as a result of the suspension, but the principal and the owner may recover liquidated damages or any other remedy from the respondent pursuant to any contract or under any law.
- (3) If the claimant, in exercising the right to suspend the carrying out of construction work or the supply of goods or services in accordance with subsection (1), incurs any loss or expenses as a result of the removal by the respondent from the contract of any part of the work or supply —
- (a) the respondent is liable to pay the claimant the amount of any such loss or expenses; and
 - (b) any such loss or expenses may be recovered by the claimant as a debt due from the respondent.
- (4) Where a claimant has suspended the carrying out of construction work or the supply of goods or services under a contract in accordance with subsection (1), the claimant must resume such work or supply within 3 days after being paid the adjudicated amount.
- (5) Where a claimant has suspended the carrying out of construction work or the supply of goods or services under a contract in accordance with subsection (1), and —
- (a) the principal, who is a licensed housing developer under the Housing Developers (Control and Licensing) Act 1965 with a Project Account opened under section 9 of that Act, has served a notice of payment under section 24(2)(a) on the claimant; and
 - (b) the principal has not previously defaulted on any payment to the claimant under section 24 in relation to the same contract,

the claimant must resume such work or supply within 3 days after being served the notice of payment under section 24(2)(a).

(6) The claimant is liable to pay for any loss or damage suffered by the respondent or the principal as a result of any failure to resume carrying out construction work or supplying goods or services (as the case may be) under subsection (4) or (5).

(7) Any period of suspension under subsection (1) must be disregarded in computing for the purposes of any contractual time limit the time taken, by the party exercising the right of suspension or by a third party (other than the respondent), to complete any construction work or the supply of any goods or services directly or indirectly affected by the exercise of the right of suspension.

(8) Where the contractual time limit mentioned in subsection (7) is set by reference to a date rather than a period, the date must be adjusted accordingly.

Enforcement of adjudication determination as judgment debt, etc.

27.—(1) An adjudication determination made under this Act may, with permission of the court, be enforced in the same manner as a judgment or an order of the court to the same effect.

[Act 25 of 2021 wef 01/04/2022]

(2) Where permission of the court is so granted, judgment may be entered in the terms of the adjudication determination.

[Act 25 of 2021 wef 01/04/2022]

(3) An application for permission to enforce an adjudication determination may not be filed in court under this section unless it is accompanied by an affidavit by the applicant stating that the whole or part of the adjudicated amount has not been paid at the time the application is filed.

[Act 25 of 2021 wef 01/04/2022]

(4) If the affidavit mentioned in subsection (3) indicates that part of the adjudicated amount has been paid, the judgment is to be for the unpaid part of the adjudicated amount.

(5) Where any party to an adjudication commences proceedings to set aside the adjudication determination or the judgment obtained

pursuant to this section, that party must pay into the court as security the unpaid portion of the adjudicated amount that that party is required to pay, in such manner as the court directs or as provided in the Rules of Court, pending the final determination of those proceedings.

(6) The grounds on which a party to an adjudication may commence proceedings under subsection (5) include, but are not limited to, the following:

- (a) the payment claim was not served in accordance with section 10;
- (b) the claimant served more than one payment claim in respect of a progress payment, otherwise than permitted under section 10;
- (c) the payment claim was in respect of a matter that has already been adjudicated on its merits in proceedings under this Act;
- (d) the adjudication application or the adjudication review application was not made in accordance with the provisions of this Act;
- (e) the adjudicator failed to comply with the provisions of this Act in making the adjudication determination;
- (f) the adjudication determination requires the claimant to pay an adjudicated amount to the respondent;
- (g) a breach of the rules of natural justice occurred in connection with the making of the adjudication determination;
- (h) the making of the adjudication determination was induced or affected by fraud or corruption.

[47/2018]

(7) A respondent may not commence proceedings under subsection (5) on any ground if the objection to support that ground was not included in the respondent's adjudication response, unless —

- (a) the circumstances of the objection to support that ground only arose after the respondent lodged the adjudication response with the authorised nominating body; or
- (b) the respondent could not reasonably have known of those circumstances when lodging the adjudication response with the authorised nominating body.

[47/2018]

(8) Without affecting a court's powers under any other written law or rule of law, a court may, in any proceedings under subsection (5) —

- (a) set aside an adjudication determination in whole or in part;
- (b) remit the whole or any part of the adjudication determination to the adjudicator;
- (c) correct in the adjudication determination any clerical mistake, error arising from an accidental slip or omission, or a defect of form; and
- (d) award costs to any party to an adjudication.

[47/2018]

(9) Where the court makes an order of remission under subsection (8)(b) —

- (a) Parts 4 to 7 apply, with the necessary modifications, to the determination of the remitted issues by the adjudicator, as if the remitted issues were issues in an adjudication that commenced on a date specified by the court in the order; and
- (b) the adjudicator's determination of the remitted issues has effect as if it were an adjudication determination for the purposes of this Act.

[47/2018]
