10.—(1) This Part shall apply only to any development (including any staged development) for which planning permission is granted (whether before, on or after the date of commencement of this Part) for strata subdivision after completion of any building comprised in the development.

(2) For the purposes of this Part and Part V, an owner developer shall be deemed to have sold a lot or proposed lot in his development if —

- (a) by an agreement in writing, conditional or otherwise (but not an agreement referred to in section 13), he has agreed to convey, transfer, assign or otherwise dispose of his estate or interest in the lot or proposed lot to another person for valuable consideration or otherwise; or
- (b) by any deed or instrument (but not a deed or an instrument referred to in section 13), he has conveyed, transferred, assigned or otherwise disposed of his estate or interest in the lot or proposed lot.

Schedule of strata units must be accepted by Commissioner before sale can start

11.—(1) The owner developer of a development (including any staged development) shall not sell any lot or proposed lot in the development with a share value unless a schedule of strata units or an amended schedule of strata units, as the case may be, showing that share value of the lot or proposed lot has been filed with and accepted by the Commissioner under this section.

(2) *Where a schedule of strata units has been filed and accepted by the Commissioner in respect of any staged development, the owner developer of the staged development shall also not sell any lot or proposed lot in any stage of the staged development subsequent to the initial stage unless he files an amended schedule of strata units under section 12 showing —*

- (a) the adjusted share value of each lot or proposed lot comprised in the first stage and any preceding stage of the staged development of the parcel; and*
- (b) the proposed share value to be allotted to each lot or proposed lot comprised in that subsequent stage of the staged development,*

and the Commissioner accepts that amended schedule of strata units under this section.

(3) Every schedule of strata units and amended schedule of strata units shall be filed with the Commissioner in the prescribed form and manner and be accompanied by the prescribed fee.

(4) *In the case of a staged development, the schedule of strata units to be filed with the Commissioner shall also include —*

- (a) the proposed share value of each lot or proposed lot comprised in the first stage of the staged development;*
- (b) the range of aggregate provisional share values for all future development lots in each subsequent stage of the staged development;*
- (c) a description of the parcel, identifying the future development lots therein, and so much of the proposed development that is warranted development and so much (if any) of the proposed development that is an authorised proposal; and*
- (d) the proposed staged development contract subject to which the staged development shall be carried out.*

(5) The Commissioner may accept a schedule of strata units filed under this section, or an amended schedule of strata units filed under section 12, if and only if he is satisfied that the proposed share values

or range of proposed share values allotted to all the lots or proposed lots in the schedule of strata units or the amended schedule of strata units, as the case may be, are allocated in a just and equitable manner.

(6) *Without prejudice to subsection (5), in the case of a staged development, the Commissioner may accept an amended schedule of strata units filed under section 12 in respect of or on account of any subsequent stage of a staged development if and only if —*

- (a) *the aggregate share values of all lots or proposed lots comprised in the first and any preceding stage of the staged development; plus*
- (b) *the total of the proposed share values to be allotted to all lots or proposed lots in that subsequent stage of the staged development,*

is not more or less than the aggregate of share values (including the range of provisional share values referred to in subsection (4)(b)) accepted by the Commissioner under this section.

(7) Within 6 weeks after any schedule of strata units or amended schedule of strata units for a development is filed with the Commissioner, the Commissioner shall either —

- (a) notify the owner developer concerned in writing of his acceptance of that schedule; or
- (b) notify the owner developer concerned that he rejects that schedule, stating his reasons for objecting to the allocation of share values therein.

(8) Every contract for the sale of any lot or proposed lot in a development shall be deemed to include a term that the owner developer of the development has agreed to sell an undivided share in the land on which the lot or proposed lot is or is to be erected with a value or, in the case of a lot or proposed lot in a staged development, within a range of share values, determined in accordance with the proposed share values or proposed range of share values, as the case may be, assigned to each lot or proposed lot shown in the schedule of strata units or amended schedule of strata units, as the case may be, for the development last accepted by the Commissioner before the execution of that contract.

Schedule of strata units not to be changed once accepted

12.—(1) Where a schedule of strata units for a development has been filed and accepted by the Commissioner under section 11, the owner developer of the development shall not make any change to any share value in the schedule of strata units, the area of any lot or proposed lot in the development or any part of the common property or limited common property, if any, of the development unless he has filed an amended schedule of strata units with the Commissioner and the Commissioner accepts that amended schedule of strata units.

(2) *Where a schedule of strata units has been filed and accepted by the Commissioner in respect of any staged development, the owner developer of the staged development shall not make any change to the share value of any lot or proposed lot in any stage of the staged development unless he files with the Commissioner an amended schedule of strata units showing —*

- (a) *the adjusted share value (if any) of each lot or proposed lot comprised in the first and any preceding stage of the staged development; and*
- (b) *the proposed share value to be allotted to each lot or proposed lot comprised in that stage of the staged development,*

and the Commissioner accepts that amended schedule of strata units under section 11.

(3) Subsections (1) and (2) shall apply even where the owner developer of the development —

- (a) *intends to change the area of any lot or proposed lot within the development which has not been sold and such change does not result in a different aggregate share value for the development;*
- (b) *intends to effect a minor adjustment to the share value assigned to any lot or proposed lot within the development that has been sold, being an adjustment necessitated by an increase or shortfall in the area of the lot or proposed lot after it has been surveyed on its completion; or*

- (c) intends otherwise to change the share value assigned to any lot or proposed lot within the development with the consent of the purchaser of that lot or proposed lot.

(4) Without prejudice to subsections (1), (2) and (3), where a schedule of strata units for a development has been filed and accepted by the Commissioner under section 11, the share value assigned to any lot or proposed lot in the development in that schedule of strata units may be altered —

- (a) before the lot or proposed lot is sold if and only if such alteration does not result in a different aggregate share value (including the range of provisional share values referred to in section 11(4)(b), if any) for the development;
- (b) after the lot or proposed lot is sold only with the consent of the purchaser thereof, unless the alteration to the share value is a minor adjustment necessitated by an increase or shortfall in the area of the lot or proposed lot after it has been surveyed on its completion, or the alteration is within the range of share values accepted by the Commissioner under section 11.

Exceptions to section 11 prohibition

13.—(1) Section 11(1) and (2) shall not apply —

(9) A management corporation may borrow moneys and secure the repayment thereof and of any interest in such manner as may be agreed upon by the management corporation and the lender, otherwise than by charging the repayment on the common property.

(10) A management corporation shall —

(a) cause proper books of account to be kept in respect of moneys received or expended by the management corporation showing the items in respect of which the moneys were received or expended; and

(b) cause to be prepared, from the books referred to in paragraph (a), a proper statement of accounts of the management corporation in respect of each period commencing on the date the management corporation was constituted or the date up to which the last previous such statement was prepared and ending on a date not earlier than 4 months before each annual general meeting.

Management corporation to determine contributions by subsidiary proprietors

39.—(1) The management corporation shall, from time to time at a general meeting, determine the amounts which are reasonable and necessary to be raised by contributions for the purpose of meeting its actual or expected liabilities incurred or to be incurred within the period (not exceeding 12 months) specified in the determination in respect of —

 - (d) the acquisition of movable property; and
 - (e) such other liabilities expected to be incurred at a future time where the management corporation determines in a general meeting that the whole or part thereof should be met from its sinking fund.
- (3) If the management corporation becomes liable to pay any moneys that it is unable to pay immediately, the management corporation shall determine that amount to be raised by contributions.

(4) A determination made by a management corporation under subsection (1) or (2) may specify that the amounts to be raised for the purposes therein referred to shall be raised by such regular periodic contributions as may be specified in the determination.

Contributions by subsidiary proprietors

40.—(1) A management corporation may levy the contributions determined by it in accordance with section 39(1) or (2) or 41, and the contributions referred to in section 39(3), by serving on the subsidiary proprietors notice in writing of the contributions payable by them in respect of their respective lots.

(2) Subject to sections 41 and 108(3), the contributions levied by a management corporation in respect of each lot shall be payable by the subsidiary proprietors in shares proportional to the share value of their respective lots.

(3) If, at the time a person becomes a subsidiary proprietor of a lot, another person is liable in respect of the lot to pay a contribution levied under this section or section 41, the subsidiary proprietor shall, subject to section 47(3), be jointly and severally liable with the other person for the payment of the contribution and interest on the contribution.

(4) A person who has ceased to be a subsidiary proprietor of the lot shall only be liable to pay the contribution levied under this section or section 41 and which was unpaid at the time he ceased to be a subsidiary proprietor, plus the interest accruing on the unpaid contribution until such time as it is paid.

(5) Without affecting the liability of the subsidiary proprietor of a lot in respect of any contribution levied under this section or section 41, where a mortgagee is in possession (whether by himself or any other person) of a lot, he shall be liable jointly and severally with the subsidiary proprietor of the lot which he is in possession —

- (a) for any contributions to a management fund or sinking fund by regular periodic instalments;
- (b) for any other contribution if notice in writing of the levy of the contribution has been served on him; and

(c) for interest on any of those contributions.

(6) Any contribution levied under this section or section 41 —

(a) shall become due and payable to the management corporation without any deduction whatsoever in accordance with the decision of the management corporation to make the levy;

(b) if not paid within 30 days when it becomes due and payable, shall bear interest at the rate determined by the management corporation and such interest shall accrue from the expiry of 30 days after the date when the contribution becomes due and payable unless the management corporation determines in a general meeting (either generally or in a particular case) that any unpaid contribution shall bear no interest; and

(c) may, together with such interest due, be recovered as a debt by the management corporation in any court of competent jurisdiction.

(7) Any interest paid under subsection (6) shall form part of the fund to which the contribution belongs.

(8) Any contribution levied by a management corporation under this section or section 41 shall be deemed to be money payable under a contract for the provision of services and a management corporation may lodge a claim for the payment of such contribution with a Small Claims Tribunal in accordance with the provisions of the Small Claims Tribunals Act (Cap. 308).

(9) Where any contribution or interest thereon levied under subsection (6) is not paid within 30 days when it becomes due and payable, the management corporation may serve a written demand on the subsidiary proprietor of the lot in respect of which the contribution is levied.

(10) Without prejudice to subsection (8), a subsidiary proprietor who fails to pay any contribution or interest due and owing to a management corporation within 14 days from the date of service of any written demand referred to in subsection (9) shall be guilty of an offence and shall be liable on conviction to a fine not exceeding

\$10,000 and, in the case of a continuing offence, to a further fine not exceeding \$100 for every day or part thereof during which the contribution or interest or both remain unpaid after conviction.

(11) The court before which a conviction for an offence under subsection (10) is had may, in addition to such fine, order the subsidiary proprietor to pay to the management corporation the amount of any contribution together with any interest thereon or any interest certified by the management corporation to be due from such person at the date of his conviction, and such amount shall be recovered according to any written law for the time being in force for the recovery of fines.

(12) In this section, “subsidiary proprietor” includes —

- (a) a mortgagee in possession and the person for the time being receiving the rent of the lot, whether as agent or trustee or as receiver, or who would receive the rent if the lot were let to a tenant; and
- (b) the person whose name is included in the Valuation List referred to in the Property Tax Act (Cap. 254) as the owner of the lot for the purposes of that Act.

Additional or variation of contributions

41.—(1) Notwithstanding section 40(2), the contributions payable by the subsidiary proprietor of a proposed lot shall, during the period when any building consisting of that proposed lot is being erected and is not yet completed, be reduced by 75%.

(2) For the purposes of subsection (1), a building consisting of a proposed lot shall be deemed to be completed when a temporary occupation permit is issued for any proposed lot in the building.

(3) Notwithstanding section 40(2), a management corporation may, subject to the approval of the Commissioner under subsection (4), levy additional contributions on the subsidiary proprietor of any lot —

- (a) where a lot has been subdivided into 2 or more lots and the management corporation will incur additional expenditure in maintaining the facilities or common property, whether

or not new facilities or new common property arise from the subdivision of the first-mentioned lot;

- (b) where any change of use in respect of a lot has been approved by the competent authority without any alteration to the common property; or
- (c) where improvements in or upon the lot have been effected for the benefit of the subsidiary proprietor thereof in accordance with section 37.

(4) The Commissioner may approve the levy of any additional contribution under subsection (3) if and only if he is satisfied that the additional contribution is not inadequate, excessive and unreasonable.

(5) The Commissioner shall give any subsidiary proprietor concerned an opportunity of being heard before giving his approval for any additional contribution to be levied under subsection (3).

(6) Notwithstanding section 40(2), where any common property is altered or any structure is erected on the common property giving rise to a change in use of the common property by or in respect of any lot, the management corporation may, pursuant to a comprehensive resolution, levy contributions to the management fund and sinking fund on any subsidiary proprietor of such lot using any one or more formula different from that in section 40(2).

(7) A copy of every comprehensive resolution referred to in subsection (6) shall be filed by the management corporation concerned with the Commissioner within 7 days after its passing.

(8) Notwithstanding section 40(2) but subject to subsections (1), (3) and (6), a management corporation may, pursuant to resolution by consensus, levy contributions to the management fund or sinking fund on all or any of its subsidiary proprietors based on any other method.

(9) A management corporation may, by special resolution, determine (either generally or in a particular case) the amount or percentage less of a contribution levied that a subsidiary proprietor may pay in the following circumstances:

- (a) if the contribution is paid to the management corporation before the date it becomes payable; or

- (b) for contributions payable by instalments — if the contribution is paid in full on or before the date specified in the notice for payment in full, or if the contributions are paid in another way stated in the resolution.

Contributions payable before first annual general meeting

42.—(1) Where the first annual general meeting of a management corporation constituted in respect of a strata title plan has not yet been convened, the subsidiary proprietor of each of the lots in the strata title plan shall, starting from the date of the management corporation is constituted, pay to the management corporation any sum which has been approved by the Commissioner under section 18 as the amount payable for the maintenance of the subdivided building and the common property.

(2) The sum referred to in subsection (1) shall be deemed to be the amount determined by the management corporation as the contributions payable by the subsidiary proprietors to the management fund of the management corporation.

Recovery of contribution from sale of lot

43.—(1) Where —

- (a) an amount is recoverable by the management corporation from the subsidiary proprietor of a lot under section 30; or
(b) any contribution is levied under section 40 or 41,

and such amount or contribution remains unpaid on the expiry of a period of 30 days after the management corporation has served a written demand for the amount or contribution, that amount or contribution, including any interest thereon (if any), shall constitute a charge on the lot in favour of the management corporation upon lodgment of an instrument of charge by the management corporation with and the registration thereof by the Registrar of Titles.

(2) Upon registration of the instrument of charge by the Registrar of Titles —

- (a) the management corporation shall, subject to subsection (3), have the power of sale and all other

powers relating or incidental thereto as if such management corporation is a registered mortgagee; and

- (b) the amount or contribution due (including interest thereon) shall be subject to all statutory charges of any public authority over the lot and to all encumbrances registered or notified prior to the date of lodgment of that instrument of charge except that in the case where a prior registered mortgagee or chargee has sold the lot in exercise of his power of sale, the registered charge of the estate or interest of the lot when transferred to a purchaser by the mortgagee or chargee shall not be over-reached by the exercise of the power of sale by the mortgagee or chargee of a prior registered mortgage or charge.

(3) The management corporation shall not proceed to sell the lot under subsection (2)(a) unless —

- (a) a special resolution has been passed by the management corporation to have the lot sold;
- (b) a notice of the intended sale has been published once in one or more daily newspapers approved by the Registrar of Titles;
- (c) during the period of 6 weeks after the date of such publication, no payment has been received for the amount or contribution due (including interest thereon) and the cost of publication specified in paragraph (b) as well as any other necessary incidental charges; and
- (d) there is no legal action pending in court to restrain the management corporation from proceeding with the sale.

(4) Where a transfer of any lot has been made by the management corporation in the exercise of its power of sale as a chargee under subsections (2) and (3) and lodged with the Registrar of Titles for registration —

- (a) such transfer shall not be accepted for registration unless there has been lodged with the Registrar of Titles —

-
-
- (i) a certified true copy of the special resolution of the management corporation authorising the exercise of its power of sale with the seal of the management corporation affixed thereto in the presence of 2 members of the council of the management corporation;
 - (ii) a copy of every publication containing the notice referred to in subsection (3)(b); and
 - (iii) a statutory declaration made by the members of the council of the management corporation referred to in sub-paragraph (i) jointly stating that the amount or contribution and interest due thereon, including all necessary incidental charges owing to the management corporation as at the date of the contract for the sale of the lot, have not been paid and that there is no legal action pending in court to restrain the management corporation from proceeding with the sale of the lot; and
- (b) neither the person who purchased the lot from the management corporation nor the Registrar of Titles shall be concerned to inquire into the regularity or validity of the sale or transfer.
- (5) Where an instrument of charge has been registered against a lot under this section, the subsidiary proprietor of the lot shall —
- (a) upon payment of the whole amount or contribution due (including interest thereon) and any necessary or incidental charges (including legal costs) to the management corporation before it has exercised its power of sale conferred by this section, be entitled to an instrument of discharge executed and acknowledged by the management corporation as to the receipt of such payment; and
 - (b) upon registration of the instrument of discharge or, in the event of the management corporation refusing to execute a discharge, an order of court declaring that the lot shall be discharged from the charge, the lot shall be freed from the charge constituted under this section.

(6) For the purpose of registration of a charge, discharge or transfer under this section, the Registrar of Titles may dispense with the production of the relevant duplicate subsidiary strata certificate of title issued under the Land Titles (Strata) Act (Cap. 158).

(7) Notwithstanding section 80 of the Land Titles Act (Cap. 157) and section 15 of the Registration of Deeds Act (Cap. 269), where further contributions and interest thereon are due to the management corporation after the registration of an instrument of charge under this section, or where the management corporation has incurred or become liable for any reasonable legal costs and reasonable expenses incurred in connection with the collection or attempted collection of the unpaid amount or contribution or further amount or contribution, such amount or contribution due (including interest thereon) and such legal costs and expenses shall rank in priority to any other claims as if the amount or contribution were due at the date of the registration of the charge.

(8) A charge under subsection (2) shall continue in force until all the amount or contributions (including interest thereon) and the legal costs and expenses, as the case may be, secured by the charge have been paid.

(9) This section shall not affect the rights and powers conferred on the management corporation by sections 30 and 40 to recover the amount or contribution due and all interest thereon including any legal costs and incidental charges necessarily incurred for the recovery of the amount or contribution in respect of any lot as a debt from the subsidiary proprietor of, or his successor in title to, the lot.

(10) In this section, “public authority” means the Government, the Collector of Land Revenue, the Comptroller of Property Tax, and any other person, corporation or body, authorised or empowered by any written law to attach, sell or acquire land compulsorily.

(a) for —

- (i) the rebuilding of the subdivided building or its replacement by a similar building in the event of its destruction; and
- (ii) the repair of damage to, or the restoration of the damaged portion of, the subdivided building in the event of its being damaged but not destroyed,

so that, in the case of destruction, every part of the rebuilt building or the replacement building and, in the case of damage, the repaired or restored portion, is in a condition no worse nor less extensive than that part or portion or its condition when that part or portion was new; and

- (b) for the payment of expenses incurred in the removal of debris and the remuneration of architects and other persons whose services are necessary as an incident to the rebuilding, replacement, repair or restoration;

“subdivided building” includes —

- (a) subsidiary proprietors’ improvements and subsidiary proprietors’ fixtures forming part of the subdivided building other than paint, wallpaper and temporary wall, floor and ceiling coverings;
- (b) a building consisting entirely of common property; and
- (c) anything prescribed as forming part of a building for the purposes of this definition,

but does not include —

- (i) fixtures removable by a lessee at the expiration of a tenancy; or
- (ii) anything prescribed as not forming part of a subdivided building for the purposes of this definition.

Insurance of subdivided buildings

70.—(1) Unless otherwise directed by a resolution by consensus, the management corporation constituted in respect of a strata title plan shall insure every subdivided building shown in the strata title plan and keep the building insured under a damage policy.

(2) A damage policy may provide that, instead of the work and the payments specified in the definition of “damage policy” in section 69 being carried out or made upon the occurrence of any of the events specified in that definition, the liability of the insurer shall, upon the occurrence of any such event, be limited to an amount specified in the policy that is not less than an amount calculated in the prescribed manner.

Further insurance by management corporation

71.—(1) In addition to insurance effected by a management corporation under section 70, the management corporation shall effect insurance —

- (c) against the possibility of the subsidiary proprietors becoming jointly liable by reason of a claim arising in respect of any other occurrence against which the management corporation pursuant to a special resolution decides to insure.

(2) Insurance effected under subsection (1)(b) shall be for a cover of such amount as the management corporation determines that is not less than an amount prescribed by the regulations.

(3) A management corporation may insure any property which it is not required to insure under this Act and in which it has an insurable interest.

(4) For the purposes of a policy of insurance effected under subsection (1)(b), the common property shall be deemed to be vested in the management corporation.

(5) Regulations made under this Act may vary the amount of minimum cover required by subsection (2) for insurance effected under subsection (1)(b).

(6) A subsidiary proprietor may bring against the management corporation of which the subsidiary proprietor is a member any action that the subsidiary proprietor may have brought against the management corporation if the subsidiary proprietor had not been a member of the management corporation.

(7) Where an insurer of a management corporation admits a claim by the management corporation based on an act or omission by a subsidiary proprietor who is a member of the management corporation, the insurer shall not have a right of subrogation in relation to the subsidiary proprietor based on that act or omission unless it was proved that the act or omission is wilful.

Insurance by subsidiary proprietor

72.—(1) Nothing in this Part shall limit or affect any right of a subsidiary proprietor to effect insurance.

(2) Insurance effected by a subsidiary proprietor shall not affect, and shall not be taken into consideration in determining, the amount payable to a management corporation under a contract of insurance entered into between it and an insurer under this Part, notwithstanding anything in that contract of insurance.

Insurance of mortgaged lot

73.—(1) A contract of insurance may be entered into by a subsidiary proprietor in respect of damage to his lot in a sum equal to the amount secured at the date of the contract by mortgages of and charges affecting his lot and where such a contract is in force —

-
-
- (a) subject to the terms and conditions of the contract —
- (i) any payment to be made under that contract by the insurer in respect of damage shall be made to the mortgagees and chargees whose interests are noted thereon in order of their respective priorities; and
 - (ii) the amount of the payment shall be the amount stated in the contract, the amount of the loss, or an amount sufficient at the date of the loss, to discharge mortgages of and charges affecting the lot, whichever is the least amount;
- (b) where the amount so paid by the insurer equals the amount necessary to discharge a mortgage of the lot, the insurer shall be entitled to an assignment of the mortgage; and
- (c) where the amount so paid by the insurer is less than the amount necessary to discharge a mortgage of the lot, the insurer shall be entitled to a sub-mortgage of that mortgage to secure the amount so paid on terms and conditions agreed upon as provided in subsection (2) or, failing agreement, on the same terms and conditions as those contained in the mortgage.

(2) For the purposes of subsection (1)(c), any insurer and mortgagee may at any time, whether before or after a contract of insurance referred to in subsection (1) has been entered into by a subsidiary proprietor, agree upon the terms and conditions of the sub-mortgage.

(3) A contract of insurance entered into as referred to in subsection (1) shall not be liable to be brought into contribution with any other such contract of insurance except another such contract of insurance which —

74. Subject to any order made under section 77 or 78 of the Land Titles (Strata) Act (Cap. 158) (relating to the termination of a strata subdivision scheme), where a management corporation receives payment of moneys from an insurer in respect of destruction of or damage to a subdivided building, those moneys shall immediately be applied by the management corporation in rebuilding, replacing, repairing or restoring the subdivided building, as the case may require.

Insurable interest of management corporation

75. A management corporation shall be deemed to have an insurable interest in the subject-matter of any contract of insurance entered into by it under this Division.

- (a) which is intended for strata subdivision; and
- (b) in respect of which the approval for its building work plans is granted on or after the commencement of this Division.

(2) Notwithstanding subsection (1), this Division may apply to such other parcel, or other class of parcels, comprised in a strata title plan as the Minister may, by order published in the *Gazette*, extend the application of this Division to.

(3) The Minister may prescribe in the order under subsection (2) such other transitional, incidental and consequential matters arising from the extension of this Division to any parcel not referred to in subsection (1).

(4) Every order made under subsection (2) shall be presented to Parliament as soon as possible after publication in the *Gazette*.

Limited common property and subsidiary management corporations allowed

77.—(1) Subject to subsection (3), a strata title plan may have limited common property and one or more subsidiary management corporations only for the purpose of representing the different interests of —

- (a) subsidiary proprietors of residential lots and subsidiary proprietors of non-residential lots;
- (b) subsidiary proprietors of non-residential lots —
 - (i) if they use their lots for significantly different purposes; or
 - (ii) if the lots of some of these subsidiary proprietors are comprised in a building that is physically detached from other lots in the strata title plan, the creation of any limited common property to represent the interests of these subsidiary proprietors will not adversely affect the use or enjoyment of the lots of the other subsidiary proprietors and the conditions prescribed, if any, for this purpose are satisfied; or
- (c) subsidiary proprietors of different types of residential lots.

(2) For the purposes of subsection (1)(c), lots are of different types if they fall within the criteria prescribed in regulations.

Creation, etc., of limited common property

78.—(1) Common property comprised or to be comprised in a strata title plan may be designated as limited common property —

- (a) where the common property is part of a parcel referred to in section 76(1) —
 - (i) by the owner developer thereof by a designation on the strata title plan for that parcel when that strata title plan is filed with the Chief Surveyor; or
 - (ii) by the management corporation constituted in respect of that strata title plan pursuant to a comprehensive

resolution and in accordance with subsection (2)(b);
or

- (b) where the common property is part of a parcel referred to in an order made under section 76(2) — by the management corporation constituted in respect of that strata title plan pursuant to a comprehensive resolution and in accordance with subsection (2)(b).

(2) Subject to subsection (3), common property comprised or to be comprised in a strata title plan shall be designated as limited common property —

- (a) in the case of designation by the owner developer under subsection (1)(a), by a designation on the strata title plan filed with the Chief Surveyor for that parcel that —
- (i) describes the limited common property or identifies or defines the boundaries or area of the limited common property on that strata title plan; and
 - (ii) specifies each lot comprised in that strata title plan whose subsidiary proprietors are entitled to the exclusive benefit of the limited common property; or
- (b) by a comprehensive resolution passed by the management corporation constituted in respect of that strata title plan that —
- (i) describes the limited common property or identifies or defines the boundaries or area of the limited common property on the strata title plan;
 - (ii) specifies each lot comprised in that strata title plan whose subsidiary proprietors are entitled to the exclusive benefit of the limited common property; and
 - (iii) is filed with the Chief Surveyor.

(3) For the avoidance of doubt, the designation of limited common property by an owner developer under subsection (1)(a)(i) or by a comprehensive resolution under subsection (2)(b) —

- (a) need not require an amendment to any strata title plan; and

- (b) need not identify or define the area of the limited common property provided that the designation or (as the case may be) resolution prescribes a method of identifying or defining the limited common property.

(4) Any designation of common property as limited common property —

- (a) by an owner developer of a parcel to be comprised in a strata title plan shall take effect only when the management corporation is constituted for that strata title plan under the Land Titles (Strata) Act (Cap. 158); or
- (b) by comprehensive resolution under subsection (2)(b) shall take effect only when the comprehensive resolution is filed with the Chief Surveyor.

(5) Any designation of common property as limited common property by an owner developer may only be removed or amended in accordance with subsection (6) or (7) or section 84.

(6) The management corporation constituted for any common property subject to a strata title plan and any subsidiary management corporation constituted for limited common property subject to the same strata title plan may accept and execute such documents to alter any boundary between their common property and limited common property, respectively, if —

- (a) the management corporation, pursuant to a comprehensive resolution under subsection (2)(b), determines to alter the boundary between its common property and the limited common property; and
- (b) the subsidiary management corporation, pursuant to a comprehensive resolution under subsection (2)(b), also determines to similarly alter the boundary between its common property and the limited common property.

(7) Subject to subsection (8), a subsidiary management corporation constituted for any limited common property subject to a strata title plan and any other subsidiary management corporation constituted for other limited common property subject to the same strata title plan may, without affecting the boundaries of their respective limited

common properties with the common property within that strata title plan, accept and execute such documents to amalgamate their respective limited common properties or alter any boundary between their respective limited common properties within the strata title plan if —

- (a) the first-mentioned subsidiary management corporation, pursuant to a comprehensive resolution under subsection (2)(b), determines —
 - (i) to alter the boundary between its limited common property and the other subsidiary management corporation's limited common property; or
 - (ii) to amalgamate its limited common property with the other subsidiary management corporation's limited common property and to merge both subsidiary management corporations to constitute a single subsidiary management corporation for the amalgamated limited common property, seized of, holding and possessing all rights and interests and subject to all liabilities and obligations of the amalgamating subsidiary management corporations; and
- (b) that other subsidiary management corporation, pursuant to a comprehensive resolution under subsection (2)(b), also determines similarly —
 - (i) to alter the boundary between its limited common property and the other subsidiary management corporation's limited common property; or
 - (ii) to amalgamate its limited common property with the other subsidiary management corporation's limited common property and to merge both subsidiary management corporations to constitute a single subsidiary management corporation for that amalgamated limited common property, seized of, holding and possessing all rights and interests and subject to all liabilities and obligations of the amalgamating subsidiary management corporations.

(8) Nothing in subsection (7) shall authorise any subsidiary management corporation to amalgamate its limited common property in a manner that is contrary to section 77.

(9) For the avoidance of doubt, the Chief Surveyor shall not be taken to warrant or certify the correctness of the boundaries of any limited common property or the validity of the creation of such limited common property by his accepting any comprehensive resolution or any accompanying plan showing the boundaries or containing a description of that limited common property.

(2) After the creation of any limited common property, the management corporation shall retain its powers and duties in matters concerning common property.

(3) The subsidiary management corporation shall have the same powers and duties as the management corporation with respect to any matter that relates solely to the limited common property designated for the exclusive benefit of all subsidiary proprietors comprising the subsidiary management corporation except the powers under section 34(1)(a), (3) and (5), sections 35, 37, 46 and 86 and Division 6 of this Part, and unless expressly otherwise provided, the provisions of this Part shall apply, with the necessary modifications, to

(7) For the purposes of subsection (6), a subsidiary management corporation shall have the same insurable interest in its limited common property as the management corporation has in property contained within common property.

(8) Notwithstanding any other provisions of this Act, a subsidiary management corporation for any limited common property comprised in a strata title plan may manage and maintain —

- (a) any common property within that same strata title plan; or
- (b) any other limited common property of another subsidiary management corporation within that strata title plan,

- (b) in respect of any matter that relates solely to that limited common property or subsidiary management corporation.

(2) A subsidiary management corporation may make by-laws relating to the limited common property designated for the exclusive use of all the lots in the subsidiary management corporation.

(3) Any order made under subsection (1), except an order made with respect to the exercise or performance of, or the failure to exercise or perform, a power, duty or function conferred or imposed by this Act or the by-laws, may provide for the payment of damages not exceeding an amount that may be ordered by a District Court if the dispute had been the subject of civil proceedings in that Court.

(4) For the purposes of this section, where a management corporation or subsidiary management corporation has a discretion as to whether or not to exercise or perform a power, duty or function conferred or imposed on it by this Act or the by-laws, it shall be deemed to have refused or failed to exercise or perform that power, duty or function only if it has decided not to exercise or perform that power, duty or function.

(5) For the purposes of subsection (4), where an application is made to a management corporation or subsidiary management corporation to exercise a discretion referred to in that subsection, and the management corporation or subsidiary management corporation, does not, before the expiration of 2 months after the making of the application —

- (a) exercise or perform a power, duty or function in accordance with the application; or

- (b) inform the applicant that it has decided not to exercise or perform that power, duty or function in accordance with the application,

the management corporation or subsidiary management corporation, as the case may be, shall be deemed to have decided not to exercise or perform that power, duty or function.

(6) Nothing in subsection (1) shall empower a Board to make an order with respect to the exercise or performance of, or the failure to exercise or perform, a power, duty or function of a management corporation or subsidiary management corporation where that power, duty or function may, in accordance with any provision of this Act or the by-laws, only be exercised or performed pursuant to a unanimous resolution, a special resolution, a 90% resolution, a comprehensive resolution or a resolution by consensus.

(7) An order in respect of any matter dealt with in any other section in this Part shall not be made under this section.

(8) In any proceedings under this section with respect to any alleged defect in a lot or in any common property or limited common property situated immediately (whether wholly or partly) above another lot or any common property or limited common property, it shall be presumed, in the absence of proof to the contrary, that the defect is within that lot or common property or limited common property, as the case may be, above if there is any evidence of dampness, moisture or water penetration —

- (a) on the ceiling that forms part of the interior of the lot, common property or limited common property, as the case may be, immediately below; or

Order to convene meetings

102.—(1) A Board may, on application and if it considers it to be in the interest of the management corporation or subsidiary management corporation, as the case may be, make an order appointing a person nominated by the applicant (and who has consented to that nomination) to convene —

- (a) a meeting of the management corporation or subsidiary management corporation, as the case may be, if, after the first annual general meeting —
 - (i) there is no council or executive committee; or
 - (ii) the council or executive committee, as the case may be, does not appoint a person to fill the vacancy or vacancies in any office of that council or executive committee and have not convened a general meeting of the management corporation or subsidiary management corporation, as the case may be, for that purpose; or
- (b) a meeting of the council of a management corporation or the executive committee of a subsidiary management corporation, as the case may be, if there is not elected a chairperson, secretary and treasurer of the council or executive committee after the first meeting of the council of the management corporation or the executive committee of the subsidiary management corporation, as the case may be,

for the purpose of electing or appointing a person or persons to fill the vacancy or vacancies in that office or those offices.

(2) Without prejudice to subsection (1), where a default is made by a management corporation or subsidiary management corporation in holding any general meeting (other than the first annual general meeting), a Board may, on application, order the management corporation or subsidiary management corporation, as the case may be, to convene a general meeting.

(3) Any meeting ordered under subsection (1) or (2) shall be convened and held within such time as is specified in the order.

(4) A meeting held under subsection (1)(b) shall be taken to be held by the council of the management corporation or the executive committee of the subsidiary management corporation, as the case may be.

(5) An order made under this section may include such ancillary or consequential provisions as the Board thinks fit.

(6) If an order under this section so provides —

(a) invalidate any resolution of, or election held by, the persons present at the meeting; or

(b) refuse to invalidate any such resolution or election.

(2) A Board shall not make an order under subsection (1) refusing to invalidate a resolution or election unless it considers —

(a) that the failure to comply with the provisions of this Act did not prejudicially affect any person; and

- (b) that compliance with the provisions of this Act would not have resulted in a failure to pass the resolution, or have affected the result of the election, as the case may be.

Order where voting rights denied or due notice of item of business not given

104.—(1) Where, pursuant to an application by a person under this section, a Board is satisfied that a particular resolution would not have been passed at a general meeting of a management corporation or subsidiary management corporation but for the fact that the applicant —

- (a) was improperly denied a vote on the motion for the resolution; or
- (b) was not given due notice of the item of business pursuant to which the resolution was passed,

the Board may order that the resolution be treated as a nullity on and from the date of the order.

(2) An application for an order under subsection (1) may not be made after 21 days after the date of the meeting at which the resolution was passed.

(3) Where —

- (a) an order under subsection (1) is made in respect of a resolution making a by-law amending, adding to or repealing another by-law; and

(b) the by-law made pursuant to that resolution is in force,

the by-law shall, subject to its having been or being amended, added to or repealed under section 32, 33 or 82, as the case may be, have force and effect on and from the date the order is so made to the same extent as it would have had if the resolution had not been passed.

Order revoking amendment of by-law

105.—(1) Where, pursuant to an application by any person entitled to vote at a meeting of the management corporation or subsidiary management corporation (including both a first mortgagee and a

mortgagor of a lot), a Board considers that, having regard to the interest of all subsidiary proprietors in the use and enjoyment of their lots or the common property or (as the case may be) limited common property, an amendment or repeal of a by-law or addition of a new by-law should not have been made or effected, the Board may order that the amendment be repealed, that the revoked by-law be revived or that the additional by-law be repealed.

(2) When making an order under subsection (1) in respect of an exclusive use by-law referred to in section 33 or 82 (in relation to limited common property), a Board may direct the payment by the management corporation or subsidiary management corporation, as the case may be, of compensation to the subsidiary proprietor of the lot referred to in the by-law.

(3) A payment ordered to be made under subsection (2) is recoverable by the subsidiary proprietor as a debt in a court of competent jurisdiction.

Order invalidating purported by-law

106. Where, pursuant to an application by a person entitled to vote at a meeting of the management corporation or subsidiary management corporation (including both a first mortgagee and a mortgagor of a lot), a Board considers that a management corporation or subsidiary management corporation, as the case may be, did not have the power to make a by-law purporting to have been made by it, the Board may make an order declaring the by-law to be invalid.

Order varying certain rates of interest

107. Where, pursuant to an application by a subsidiary proprietor or a mortgagee in possession, a Board considers that the management corporation or subsidiary management corporation to which the application relates has determined an unreasonable rate as the rate of interest chargeable for the late payment of a contribution levied under section 40(6) or 79, as the case may be, the Board may, in respect of such contributions as are specified in the order, order that no interest be so chargeable or that the rate so chargeable be a rate specified by the Board in the order instead of the rate so determined.

Order varying contributions, etc.

108.—(1) Where, pursuant to an application by a management corporation, a subsidiary management corporation, a subsidiary proprietor or a mortgagee in possession (whether by himself or another person), a Board considers that any amount levied or proposed to be levied by way of contributions —

- (a) under section 40 or 41(3) or (4) in respect of a lot in a subdivided building where planning permission for the development of land was granted prior to 15th April 1976; or
- (b) under section 41(3) or (4) in respect of a lot in a subdivided building where planning permission for the development of land was granted on or after 15th April 1976,

is inadequate or excessive or the manner of payment of contributions is unreasonable, the Board may make either or both of the following orders:

- (i) an order for the payment of contributions of a different amount with effect from such date as the Board determines;
- (ii) an order for the payment of contributions in a different manner.

(2) Where an order of a Board under subsection (1) takes effect in relation to a contribution levied by a management corporation or subsidiary management corporation, as the case may be, that has been wholly or partly paid in respect of a lot, the management corporation or subsidiary management corporation shall be deemed to have imposed a levy of the amount determined by the Board with effect from such date as the Board determines.

(3) Notwithstanding section 40(2), an order may be made by a Board under subsection (1) for the payment of any amount which the Board thinks is fair and adequate.

(4) For the avoidance of doubt, nothing in this section shall authorise any Board to alter the share value of any lot shown in a strata title plan in any manner on or after the date the management corporation is constituted.

Order varying amount of insurance

109.—(1) Where, pursuant to an application by a subsidiary proprietor or the mortgagee of a lot, a Board considers that the amount for which the management corporation for the subdivided building concerned has insured under section 75 is not reasonable, the Board may order the management corporation to vary that amount to a specified amount.

(2) Where, pursuant to an application by an interested subsidiary proprietor or the mortgagee of a lot, a Board considers that the amount for which the subsidiary management corporation concerned has insured under section 79(6) is not reasonable, the Board may order the subsidiary management corporation to vary that amount to a specified amount.

Order to make or pursue insurance claim

110. Where, pursuant to an application by a subsidiary proprietor, a Board considers that the management corporation or subsidiary management corporation to which the application relates has unreasonably refused to make or pursue an insurance claim in respect of damage to the building or any limited common property or other property insured by the management corporation or subsidiary management corporation under Division 6 or 7 of Part V, the Board may order the management corporation or subsidiary management corporation, as the case may be, to make or pursue the claim.

Order with respect to consents affecting common property

111. Where, pursuant to an application by a subsidiary proprietor, a Board considers that the management corporation or subsidiary management corporation to which the application relates —

- (b) has unreasonably refused to authorise under section 37(4) any improvement in or upon a lot which affects the appearance of any building comprised in the strata title plan,

the Board may make an order that the management corporation or subsidiary management corporation, as the case may be, consents to the proposal.

Order appointing managing agent to perform certain powers

112.—(1) Where, pursuant to an application by a subsidiary proprietor, the mortgagee of a lot or a judgment creditor of a management corporation, a Board is satisfied that it is in the interests of the subsidiary proprietors of all the lots in the subdivided building concerned or the creditors of the management corporation or subsidiary management corporation, as the case may be, to appoint a managing agent for the management corporation or subsidiary management corporation, the Board may order the management corporation to appoint a managing agent to perform the duties specified in the order.

(2) Where a Board makes an order under subsection (1), it may also order that the managing agent shall have and may exercise and perform —

- (a) all the powers, duties and functions of the management corporation or subsidiary management corporation to which the order relates or of the chairperson, secretary or treasurer thereof, or the council of that management corporation or the executive committee of that subsidiary management corporation;

access or information is necessary for the effective discharge by the applicant corporation or its delegate of its duties imposed by or under this Act; or

- (b) has done anything or permitted anything to be done in relation to any common property or limited common property in such a manner or for such a purpose as to interfere unreasonably with or unreasonably obstructs, hinders or delays the applicant corporation or any of its delegates from effectively discharging its duties imposed by or under this Act,

the Board may make an order for the settlement of the dispute.

(2) Nothing in subsection (1) shall be deemed to authorise any Board to require a management corporation or subsidiary management corporation to disclose any confidential information.

General provisions relating to orders

117.—(1) An order made by a Board under this Act or the Land Titles (Strata) Act (Cap. 158) may include such ancillary or consequential provisions as the Board thinks fit including costs to be paid by the applicant, a management corporation, a subsidiary management corporation or any person against whom the order is made or costs to be paid by a party for making a frivolous application to the Board.

118.—(1) If an applicant for an order under this Part requests the making of an interim order and a Board, or the president or deputy president presiding, is satisfied on reasonable grounds that urgent considerations justify the making of such an order, the Board, president or deputy president, as the case may be, may —

- (a) make an order that could otherwise be made by the Board (referred to in this Part as an interim order); and

-
-
- (b) renew the interim order by serving notice in accordance with section 119 if a request for its renewal is made not later than 3 months after the order is made.

(3) Every copy of an order served under subsection (1) or (2) shall be certified by the president to be a true copy of the order.
