(a) that his registration in the appropriate register be suspended for such period not exceeding 18 months as may be specified in the order (referred to in this Division as an interim suspension order); or

(b) that his registration be conditional on his compliance, during such period not exceeding 18 months as may be
specified in the order, with such requirements so specified as the Interim Orders Committee thinks fit to impose (referred to in this Division as an order for interim restricted registration).

(2) The Registrar shall immediately serve a notice of the order under subsection (1) on the registered dentist or registered oral health therapist.

[22/2007]

Review of interim orders

49D.—(1) Subject to subsection (2), where an Interim Orders Committee has made an order under section 49C, the Interim Orders Committee or another Interim Orders Committee appointed in its place —

(b) may review the order where new evidence relevant to the order has become available after the making of the order.

[22/2007]

(d) if satisfied that the public interest or the interests of the registered dentist or registered oral health therapist concerned would be more adequately served by an order for interim restricted registration, replace the interim suspension order with an order for interim restricted registration having effect for the remainder of the period of the former.

[22/2007]

(2) The Registrar shall immediately serve a notice of the decision under subsection (1) on the registered dentist or registered oral health therapist.

(2) For the purposes of subsection (1), the registered dentist or registered oral health therapist may be represented before the Interim Orders Committee by counsel.
