Declaration regarding reclaimed lands

5.—(1) The President may, by proclamation published in the *Gazette*, declare any lands formed by the reclamation of any part of the foreshore of Singapore, or any areas of land reclaimed from the sea to be State land, and thereupon that land shall immediately vest in the State freed and discharged from all public and private rights which may have existed or been claimed over the foreshore or the sea-bed before the same were so reclaimed.

(2) All land declared to be State land under this section shall be subject to the State Lands Act [Cap. 314].

Except as provided, no action to be brought in respect of any damage

6. Except as provided by this Act, no person shall be entitled to claim, and no action or proceeding shall be brought, against the Government to recover any compensation in respect of any lands or of any interest therein which have been injuriously affected by the execution of the works.

No right to compensation

(2) Any person, whose property has been damaged by the execution of the works, may appeal to the Minister, whose decision shall be final.

- (a) authorise the payment of such sum as he may determine; or
- (b) direct the execution by the appropriate authority of such repairs as are necessary in the circumstances.

Validation of former grants

8. Where any lease or grant was, before 25th January 1901, made by the Governor of any land being part of the foreshore or sea-bed within the territorial waters of Singapore, and before that date the land had been reclaimed or wharves, docks, landing stages or other works or buildings had been erected thereon, the lease or grant shall be deemed to be a valid conveyance and to have conveyed the foreshore or sea-bed, thereby expressed to be demised or granted, free and discharged from all public rights which had existed or been claimed over that foreshore or sea-bed before the making of the grant or lease.

Power to let foreshore and sea-bed in future

9.—(1) The President may make such leases of the foreshore and sea-bed in Singapore or in any tidal river or channel therein as are declared by the President not to create a substantial infringement of public rights.

(2) The term for which any such lease is granted shall not exceed 100 years except in special cases.

Preliminary procedure

(3) Before any such declaration is made by the President the substance of any such lease with a sufficient description of the property intended to be demised shall be published in the *Gazette*, together with a notice requiring all persons having objections to the granting of such a lease to send in their objections in writing to the Minister before the expiration of 3 weeks from the date of the publication in the *Gazette*, and all these objections shall be considered by the President.

Effect of leases under this Act. Covenants and provisos to be contained therein

(4) Every such lease shall specify the purposes for which the land is required and shall be deemed to convey to the lessee the foreshore or sea-bed, expressed to be thereby demised, free and discharged from all public rights and privileges which have existed or may be claimed in or over that foreshore and sea-bed so far as is necessary for carrying out those purposes and shall contain —

- (a) a proviso that in the event of the lessees, their executors, administrators and assigns or successors, as the case may be, failing at any time during the continuance of the term of the lease to use the demised land for the purposes so specified, then a Collector of Land Revenue or any officer authorised by him in writing may on behalf of the State re-enter on that land, foreshore or sea-bed, or on any portion thereof in the name of the whole and thereupon the same shall be forfeited to and vest in the State; and

Saving of rights of State

- (b) a reservation to the State of all mines and minerals under the demised lands and such covenants as to the working of those mines and minerals as the President in each case approves.

[28/74]

(5) For the purposes of this section, “minerals” includes corals, stone, clay, sand, gravel, and other natural deposits, brine, petroleum and any other mineral oil or relative hydrocarbon, and natural gas.

[28/74]

Power to grant temporary occupation licences of foreshore and sea-bed

10.—(1) It shall be lawful to grant licences for the temporary occupation for any period not exceeding one year of the foreshore and sea-bed in Singapore or in any tidal river or channel therein.

(2) The power to grant such licences shall be exercisable by the Commissioner of Lands or by a Collector of Land Revenue deputed by him in that behalf, and all such licences shall be in all respects subject, with the necessary verbal variations, to the rules applicable from time to time to licences granted under the provisions of the State Lands Act [Cap. 314] for the temporary occupation of State land:

Provided that no licence granted under this section shall be renewed if it is made to appear to the Minister that the licence creates a substantial infringement of public rights.

President may farm right of using beaches, etc.

11.—(1) The President may rent or farm, either in one or several lots by public sale or by public tender with such limitations and restrictions as to the charges to be made by the renter or farmer, as to the President seems fit, the use of the beaches and banks of the sea.

(2) Rents agreed to be paid under this section shall be recoverable as Government debts.

How farmer may recover rents

(3) If the right of using the beaches and banks of the sea is granted by the President to farm either for the whole of Singapore or for

particular parts or places in Singapore, the farmer shall be entitled to recover payment from the tenant or person using the rights granted to the farmer in a suit by the farmer against that tenant or person for money payable by the defendant to the farmer for the use of the farmer's rights, describing the extent of the same as agreed on between the parties.

(4) No such farmer shall recover a larger sum than that specially agreed on between him and the tenant nor a larger sum than that permitted in the grant by the President to be charged by the farmer.

Saving as to foreshore rights

12. Nothing in this Act shall be deemed to be in derogation of any of the powers or rights of the Government in respect of the foreshore or territorial waters in Singapore, nor shall anything in this Act be deemed to affect any right or claim as between lessees and their sub-lessees or tenants between themselves.
