- (b) any provisions at that date in the reserve account that it is required to maintain by an MAS notice.

- (b) the relevant amount for it is a negative amount,

then, for the purpose of subsection (1), the bank or qualifying finance company is treated as having made in that basis period provisions for doubtful debts arising from its loans and for the diminution in the value of its investments in securities, of an amount equal to that amount expressed as a positive amount.

*[Act 45 of 2018 wef 12/11/2018]*

(2F) Where, in any basis period that begins on a day before 1 January 2018 —

## PART VI

### CAPITAL ALLOWANCES

#### **Initial and annual allowances for industrial buildings and structures**

**16.—**(1) Where, in or after the basis period for the first year of assessment under this Act, a person incurs capital expenditure on the construction of a building or structure which is to be an industrial building or structure occupied for the purposes of a trade, there shall be made to the person who incurred the expenditure for the year of assessment in the basis period for which the expenditure was incurred an allowance to be known as an “initial allowance” equal to 25% thereof.

*[7/79]*

(2) For the purposes of subsection (1) —

(a) where 2 basis periods overlap, the period common to both shall be deemed to fall in the first basis period only;

- (b) where there is an interval between the end of the basis period for a year of assessment and the commencement of a basis period for the next succeeding year of assessment, then, unless the second-mentioned year of assessment is the year of the permanent discontinuance of the trade, the interval shall be deemed to be part of the second basis period; and
- (c) where there is an interval between the end of the basis period for the year of assessment preceding that in which the trade is permanently discontinued and the commencement of the basis period for the year in which it is permanently discontinued, the interval shall be deemed to form part of the first basis period.

(3) Any capital expenditure incurred for the purposes of a trade by a person about to carry on that trade shall be treated for the purposes of subsection (1) as if it had been incurred by that person on the first day on which he does carry on that trade.

(4) Where any person is, at the end of the basis period for any year of assessment, entitled to an interest in a building or structure which is an industrial building or structure and where that interest is the relevant interest in relation to the capital expenditure incurred before 1st January 2006 on the construction of that building or structure, an allowance, to be known as an “annual allowance”, equal to 3% of the total capital expenditure incurred by that person on the construction of that building or structure shall be made to him for that year of assessment.

[7/79; 7/2007]

(5) Where at any time in or after the basis period for the first year of assessment under this Act and before 1st January 2006, the interest in a building or structure which is the relevant interest in relation to any capital expenditure incurred before that date on the construction of that building or structure is sold while the building or structure is an industrial building or structure or after it has ceased to be one, the annual allowance, in the years of assessment the basis periods for which end after the time of that sale, shall be computed by reference to the residue of that expenditure immediately after the sale and shall be —

(a) the fraction of that residue the numerator of which is one and the denominator of which is the number of years of assessment comprised in the period which begins with the first year of assessment for which the buyer is entitled to an annual allowance or would be so entitled if the building or structure had at all material times continued to be an industrial building or structure, and ends with the fiftieth year after that in which the building or structure was first used; or

(b) 3% of that residue,

whichever is the greater, and so on for any subsequent sales.

[7/79; 21/2003; 7/2007]

(6) In the case referred to in subsection (4), no annual allowance shall be made to any person for any year of assessment after the end of the fiftieth year after that in which the building or structure was first used.

[7/2007]

(6A) Where any person is, at the end of the basis period for any year of assessment, entitled to an interest in a building or structure which is an industrial building or structure, and that interest is the relevant interest in relation to —

(a) any capital expenditure incurred by him on or after 1st January 2006 on the construction of that building or structure; or

(b) a sale or purchase agreement entered into for that building or structure on or after that date, whether or not the building or structure was previously used as an industrial building or structure,

an annual allowance determined under subsection (6B) shall be made to him for that year of assessment.

[7/2007]

(6B) The annual allowance under subsection (6A) shall be equal to —

- (a) in the case referred to in subsection (6A)(a), 3% of the total capital expenditure incurred by the person on the construction of the building or structure; or
- (b) in the case referred to in subsection (6A)(b), 3% of the capital expenditure incurred by the person on the purchase of the building or structure.

[7/2007]

(7) For the purposes of application to any industrial building or structure occupied for the purposes of a trade in intensive poultry production and approved by the Minister or such person as he may appoint under section 18(1), the reference to 3% in subsections (4), (5) and (6B) and in sections 17(3)(a) and 18(9) shall be read as a reference to 5%.

[7/79; 21/2003; 7/2007]

(8) For the purposes of application to any industrial building or structure occupied for the purposes of a hotel on the island of Sentosa and approved by the Minister or such person as he may appoint under section 18(1) —

- (a) the reference to 25% in subsection (1) shall be read as a reference to 20%;
- (b) the reference to 3% in subsections (4), (5) and (6B) and in sections 17(3)(a) and 18(9) shall be read as a reference to 2%; and
- (c) the reference to capital expenditure in subsections (1) and (4) shall not include any capital expenditure incurred before 1st January 1982.

[1/82; 7/2007]

(9) For the purposes of application to any industrial building or structure used for the purposes of a project for the promotion of the tourist industry (other than a hotel) in Singapore and approved by the Minister or such person as he may appoint under section 18(1)(i) —

- (a) the reference to 25% in subsection (1) shall be read as a reference to 20%;

- (b) the reference to 3% in subsections (4), (5) and (6B) and in sections 17(3)(a) and 18(9) shall be read as a reference to 2%; and
- (c) the reference to capital expenditure in subsections (1), (3) and (4) shall not include any capital expenditure incurred before 1st January 1986.

[1/88; 7/2007]

(10) Notwithstanding anything in this section and section 17, where a person carrying out a project for the promotion of the tourist industry approved by the Minister or such person as he may appoint under section 18(1)(i) fails to comply with any condition imposed by the Minister, the Minister may revoke the approval and thereupon the Comptroller may at any time within 6 years (if the year of assessment relating to the basis period in which the approval is revoked is 2007 or a preceding year of assessment) or 4 years (if the year of assessment relating to the basis period in which the approval is revoked is 2008 or a subsequent year of assessment) from the date of the revocation make such assessment or additional assessment upon the person as may appear necessary in order to recover any tax which ought to have been paid by that person if any allowances under those sections had not been made to him.

[1/88; 11/94; 7/2007; 53/2007]

(11) Notwithstanding anything in this section, in no case shall the amount of an annual allowance made to a person for any year of assessment in respect of any expenditure exceed what, apart from the writing off falling to be made by reason of the making of that allowance, would be the residue of that expenditure at the end of his basis period for that year of assessment.

(12) For the purposes of subsection (1), where a person has incurred capital expenditure before 1st January 2006 on the purchase of an industrial building or structure (including the purchase of a leasehold interest therein of not less than 25 years) which has not previously been used by any person, he shall be deemed to have incurred expenditure on the construction of that industrial building or structure equal to the cost of construction of that industrial building or structure or to the net price paid by him for that industrial building or structure or the interest therein, whichever is less, if —

- (a) the person claiming the initial allowance by virtue of this subsection purchased the industrial building or structure or acquired the leasehold interest therein from the person who constructed that building or structure; and
- (b) no initial allowance has been granted under subsection (1) in respect of that industrial building or structure to the person who constructed that building or structure.

[7/79; 7/2007]

(13) For the purposes of subsection (1), where a person has incurred capital expenditure on or after 1st January 2006 on the purchase of an industrial building or structure which has not previously been used by any person, he shall be deemed to have incurred expenditure on the construction of that industrial building or structure equal to the capital expenditure incurred by him on the purchase of that industrial building or structure if —

- (a) the person claiming the initial allowance by virtue of this subsection purchased the industrial building or structure from the person who constructed that building or structure; and
- (b) no initial allowance has been granted under subsection (1) in respect of that industrial building or structure to the person who constructed that building or structure.

[7/2007]

(14) Unless otherwise provided in this Act or the Economic Expansion Incentives (Relief from Income Tax) Act (Cap. 86), where, in the basis period for any year of assessment, the trade, for which purpose the industrial building is used, produces income that is exempt from tax as well as income chargeable with tax, the allowances for that year of assessment shall be made against each income for that year of assessment in such proportion as appears reasonable to the Comptroller in the circumstances.

[49/2004]

(15) Subject to section 18B, this section shall not apply to any capital expenditure incurred on or after 23rd February 2010 on the construction or purchase of an industrial building or structure.

[29/2010]

(16) Subject to subsection (18) and section 18B, no annual allowance shall be made under subsections (4), (5) and (6A) to a person who incurs capital expenditure on or before 22nd February 2010 on the construction or purchase of a building or structure which is not an industrial building or structure on 22nd February 2010 but is an industrial building or structure on or after 23rd February 2010.

*[29/2010]*

(17) Section 18(2) and (3) shall apply for the purpose of determining under subsection (16) whether a building or structure is an industrial building or structure on 22nd February 2010.

*[29/2010]*

(18) Notwithstanding subsection (16), annual allowances under subsection (6A)(a) shall be made to a person who incurs capital expenditure on or before 22nd February 2010 on a building or structure which is still under construction on 22nd February 2010 and which is to be an industrial building or structure upon completion of that construction, if the person —

(a) on or before 22nd February 2010 —

- (i) has been granted the option to purchase the land or has entered into a sale and purchase agreement for the land on which the industrial building or structure is to be constructed;

- (iii) has submitted an application to the Government or any statutory board —

### **Balancing allowances and charges for industrial buildings and structures**

17.—(1) Where any of the events referred to in subsection (1A) occurs while a building or structure is an industrial building or structure or after it has ceased to be one and —

- (a) any capital expenditure has been incurred on the construction of the building or structure before 1st January 2006; or
- (b) either —
  - (i) any capital expenditure has been incurred on the construction of the building or structure on or after 1st January 2006; or
  - (ii) a sale and purchase agreement for the building or structure was entered into on or after that date,

then an allowance or a charge, to be known as a “balancing allowance” or a “balancing charge” shall, in the circumstances mentioned in this section, be made to or, as the case may be, on the person entitled to the relevant interest immediately before that event occurs for the year of assessment in the basis period for which that event occurs.

[7/2007]

(1A) The events referred to in subsection (1) are —

- (a) the relevant interest in the building or structure is sold;
- (b) that interest, being a leasehold interest, comes to an end otherwise than on the person entitled thereto acquiring the interest which is reversionary thereon;
- (c) the building or structure is demolished or destroyed or, without being demolished or destroyed, ceases altogether to be used.

[7/2007]

(2) In the case referred to in subsection (1)(a), no balancing allowance or balancing charge shall be made to or on any person for any year of assessment by reason of any event occurring after the end of the fiftieth year after that in which the building or structure was first used.

[7/2007]

(3) No balancing allowance shall be made to any person —

(a) on the sale of the relevant interest in the building or structure unless the person proves to the satisfaction of the Comptroller that the value of the building or structure to the person is less than —

(i) in the case referred to in subsection (1)(a), the amount of the capital expenditure incurred on the construction of the building or structure reduced by the amount of any initial and annual allowances made (including an amount of 3% of the capital expenditure for each year in which no initial or annual allowance was made); or

(ii) in the case referred to in subsection (1)(b), the amount of the capital expenditure incurred by him on the construction or purchase of the building or structure (as the case may be) reduced by the amount of any initial and annual allowances made (including an amount of 3% of the capital expenditure for each year in which no initial or annual allowance was made); or

(b) where the relevant interest in the building or structure is not sold but the building or structure is or would be redeveloped for any use other than as an industrial building or structure.

[21/2003; 7/2007]

(4) Where there are no sale, insurance, salvage or compensation moneys, or where the residue of the expenditure immediately before the event exceeds those moneys, a balancing allowance shall be made and the amount thereof shall be the amount of the residue or, as the case may be, of the excess thereof over the moneys.

(5) If the sale, insurance, salvage or compensation moneys exceed the residue, if any, of the expenditure immediately before the event, a balancing charge shall be made and the amount on which it is made shall be an amount equal to the excess or, where the residue is nil, to the moneys.

(6) Notwithstanding anything in subsection (5) but subject to subsection (7), in no case shall the amount on which a balancing charge is made on a person exceed the aggregate of the following amounts:

- (a) the amount of the initial allowance, if any, made to him in respect of the expenditure in question; and
- (b) the amount of the annual allowances, if any, made to him in respect of the expenditure in question.

[49/2004]

(7) Unless otherwise provided in this Act or the Economic Expansion Incentives (Relief from Income Tax) Act (Cap. 86), where, in the basis period for any year of assessment, the trade, for which purpose the industrial building is used, produces income that is exempt from tax as well as income chargeable with tax, and any balancing allowance or balancing charge arises to be made —

- (a) the balancing allowance shall be made against each income for that year of assessment in such proportion as appears reasonable to the Comptroller in the circumstances; and
- (b) such proportion of the balancing charge shall be exempt from tax as appears reasonable to the Comptroller in the circumstances.

[49/2004]

(8) Where allowances have been made under both sections 16 and 18C in respect of any industrial building or structure, then, for the purposes of subsections (4) and (5), the sale, insurance, salvage or compensation moneys in respect of that building or structure shall be such amount of those moneys as the Comptroller determines to be reasonable in the circumstances.

[29/2010]

(9) Where the relevant interest in a building or structure in respect of which allowances have been made under section 16 is transferred

at less than the open-market price, then for the purpose of determining the amount of any balancing charge under subsection (5), the relevant interest in the building or structure shall be treated as if it had been sold for an amount equal to the open-market price of the building or structure as at the date of transfer.

(10E) If, in the case of an acquisition of intellectual property rights —

- (a) whose acquisition date is on or after 25 March 2016; and
- (b) the payment for which is not made by instalments,

the capital expenditure incurred for the acquisition exceeds the open-market price for those rights, then, for the purpose of determining the amount of writing-down allowances for that expenditure under subsection (1AA), (1BAA) or (2C), the Comptroller may treat the open-market price as the amount of that

expenditure, and in that event subsection (5) also applies as if the open-market price were the amount of that expenditure.

*[Act 34 of 2016 wef 25/03/2016]*

(10F) In subsection (10E), “open-market price”, for intellectual property rights, means either —

- (a) the price which those rights could have been purchased in the open market on the acquisition date of those rights; or
- (b) if, by reason of the special nature of those rights, it is not possible to determine the price mentioned in paragraph (a), such other value as the Comptroller considers to be a reasonable value for those rights after considering the valuation of those rights by an appropriate valuer and other relevant circumstances.

*[Act 34 of 2016 wef 25/03/2016]*

(10G) If, in the case of an acquisition of intellectual property rights —

- (b) the payment for which is made by instalments,

the total amount of the deposits and instalment payments (excluding any finance charges) made in a basis period exceeds the open-market price for those rights, then, for the purpose of determining the amount of writing-down allowances in such a case under subsection (1AA) or (2C), the Comptroller may treat the open-market price as the amount of such expenditure, and in that event subsection (5) also applies as if the open-market price were the amount of such expenditure.

*[Act 34 of 2016 wef 25/03/2016]*

(10H) In subsection (10G), “open-market price”, for intellectual property rights, means an amount computed by the formula

$$\frac{C}{D} \times E,$$

where C is the total amount of the deposits and instalment payments (excluding any finance charges) made in the basis period;

D is the total amount of all the deposits and instalment payments (excluding any finance charges) under the agreement to acquire those rights; and

E is either —

- (a) the price (excluding any finance charges) which those rights could have been purchased in the open market on their acquisition date; or
- (b) if, by reason of the special nature of those rights, it is not possible to determine the price mentioned in sub-paragraph (a), such other value as the Comptroller considers to be a reasonable value for those rights after considering the valuation of those rights by an appropriate valuer and other relevant circumstances.

*[Act 34 of 2016 wef 25/03/2016]*

(10I) If, in the case of an acquisition of intellectual property rights —

- (a) whose acquisition date is on or after 25 March 2016; and
- (b) the payment for which is made by instalments,

the amount mentioned in subsection (1C)(a)(i) exceeds the open-market price mentioned in subsection (10F), then, for the purpose of determining the amount of writing-down allowances to be made for any year of assessment under subsection (1BAA), the Comptroller may treat the open-market price mentioned in subsection (10F) as the amount mentioned in subsection (1C)(a)(i).

*[Act 34 of 2016 wef 25/03/2016]*

(10J) If —

- (a) intellectual property rights or a part of such rights are or is sold, transferred or assigned on or after 25 March 2016; and

- (b) the rights or part are or is sold, transferred or assigned for less than the open-market price,

then, for the purpose of determining the amount of any charge under subsection (4), (4A) or (5), the Comptroller may treat the open-market price as the price at which the rights or part (as the case may be) are or is sold, transferred or assigned.

*[Act 34 of 2016 wef 25/03/2016]*

(10K) In subsection (10J), “open-market price”, for intellectual property rights or a part of such rights, means —

- (a) the price which those rights or that part would have fetched if sold, transferred or assigned in the open market at the time of the actual sale, transfer or assignment; or
- (b) if, by reason of the special nature of those rights or part, it is not possible to determine the price mentioned in paragraph (a), such other value as the Comptroller considers to be a reasonable value for those rights or that part after considering the valuation of those rights or that part by an appropriate valuer and other relevant circumstances.

(11) In this section —

“appropriate valuer” means a valuer who is independent of any party to the acquisition, sale, transfer or assignment (as the case may be) of the intellectual property rights, and has qualifications and experience that are relevant to the valuation in question;

“media and digital entertainment company” means a company whose principal trade or business is to provide media and digital entertainment in Singapore;

“related party” has the same meaning as in section 13(16).

*[24/2001; 21/2003; 34/2008; 23/2009; 27/2009; 29/2010]*

(11A) In the definition of “intellectual property rights” in subsection (11), the expressions “trade secret” and “information that has commercial value”, and any work or subject-matter to which the expression “copyright” relates, exclude the following:

[7/2007]

(9) Where a person to whom writing-down allowances have been made under this section is entitled to royalty or other payments in one lump sum or otherwise for the use of or right to use any technology or know-how developed from the research and development activities carried out under any approved cost-sharing agreement, such royalty or payments shall be deemed to be income derived from Singapore for the year of assessment which relates to the basis period in which the person is entitled to the royalty or payments, as the case may be.

(10) Unless otherwise provided in this Act or the Economic Expansion Incentives (Relief from Income Tax) Act (Cap. 86), where, in the basis period for any year of assessment, the relevant trade or business produces income that is exempt from tax as well as income chargeable with tax, the allowances for that year of assessment shall be made against each income for that year of assessment in such proportion as appears reasonable to the Comptroller in the circumstances.

[49/2004]

(11) Unless otherwise provided in this Act or the Economic Expansion Incentives (Relief from Income Tax) Act, where, in the basis period for any year of assessment, the relevant trade or business, produces income that is exempt from tax as well as income chargeable with tax, and an event referred to in subsection (5)(a), (b), (c) or (d) occurs, such proportion of any amount or value of any consideration treated as a trading receipt under that subsection shall be exempt from tax as appears reasonable to the Comptroller in the circumstances.

[21/2003]

(2) The writing-down period in respect of an IRU shall be the number of years for which the IRU is acquired commencing with the year of assessment relating to the basis period in which the capital expenditure for the acquisition of the IRU is incurred.

[21/2003]

(3) For the purposes of this section, the writing-down allowances in respect of an IRU shall be determined by the formula

$$\frac{A}{B},$$

where A is the amount of capital expenditure incurred for the acquisition of the IRU; and

B is the writing-down period for the IRU.

[21/2003]

(4) Notwithstanding anything in this section, no writing-down allowance shall be granted to any person under subsection (1) in any year of assessment if the international telecommunications submarine cable system is not in use at the end of the basis period for that year of assessment by that person in the trade, business or profession carried on by him.

[21/2003]

(4A) No writing-down allowance is to be made under subsection (1) for any capital expenditure incurred after 31 December 2020.

[Act 2 of 2016 wef 11/04/2016]

(5) Any capital expenditure incurred for the acquisition of any IRU by a person before the commencement of his trade, business or profession shall be treated for the purpose of this section as if it had been incurred by him on the first day he commences that trade, business or profession.

[21/2003]

(6) Where writing-down allowances in respect of any IRU have been made to any person under this section and, before or at the end of the writing-down period for the IRU, any of the following events occurs:

- (a) the IRU comes to an end without subsequent renewal by the person;
- (b) the person permanently ceases to carry on the relevant trade, business or profession;
- (c) the person sells, transfers or assigns all the IRU or so much of it as he still owns; or
- (d) the person sells, transfers or assigns part of the IRU and the amount or value of any consideration less any decommissioning cost (referred to in this section as the consideration) for the sale, transfer or assignment is not less than the amount of capital expenditure remaining unallowed for the IRU,

no writing-down allowance in respect of the IRU shall be made to the person for the year of assessment relating to the basis period in which the event occurs or for any subsequent year of assessment.

[21/2003]

(7) Where an IRU remains with any person after the date on which it permanently ceases to be used by the person for the relevant trade, business or profession, the IRU shall be deemed to have been sold by the person at the open-market price on the date of permanent cessation of use.

[21/2003]

(8) Where writing-down allowances in respect of any IRU have been made to any person under this section and, before or at the end of the writing-down period for the IRU, any of the following events occurs:

- (a) the IRU comes to an end without subsequent renewal by the person;
- (b) the person permanently ceases to carry on the relevant trade, business or profession; or
- (c) the person sells, transfers or assigns all the IRU or so much of it as he still owns and the consideration for the sale, transfer or assignment is less than the amount of capital expenditure remaining unallowed for the IRU,

there shall be made to the person for the year of assessment relating to the basis period in which the event occurs, a balancing allowance equal to —

- (i) in the case where the amount of capital expenditure remaining unallowed for the IRU exceeds the consideration for the sale, transfer or assignment of the IRU, the excess; or
- (ii) in any other case, the amount of capital expenditure remaining unallowed for the IRU.

[21/2003]

(9) Where writing-down allowances in respect of any IRU have been made to any person under this section and the person sells, transfers or assigns all or any part of the IRU and the consideration for

the sale, transfer or assignment of the IRU exceeds the amount of capital expenditure remaining unallowed for the IRU, if any, there shall be made on the person, a balancing charge, which shall be based on an amount equal to —

- (a) the excess of the consideration for the sale, transfer or assignment of the IRU over the amount of capital expenditure remaining unallowed for the IRU; or
- (b) the consideration for the sale, transfer or assignment of the IRU, where the amount of capital expenditure remaining unallowed for the IRU is nil,

and the balancing charge shall be deemed as income for the year of assessment relating to the basis period in which the sale, transfer or assignment of the IRU occurs.

[21/2003]

(10) Where writing-down allowances in respect of any IRU have been made to any person under this section and the person sells, transfers or assigns any part of the IRU, and the consideration for the sale, transfer or assignment of the IRU is less than the amount of capital expenditure remaining unallowed for the IRU, the amount of any writing-down allowances made in respect of the IRU for the year of assessment relating to the basis period in which the sale, transfer or assignment of the IRU occurs or any subsequent year of assessment shall be the amount determined by the formula

$$\frac{C - D}{E},$$

where C is the amount of capital expenditure remaining unallowed at the time of the sale, transfer or assignment of the IRU;

D is the consideration for the sale, transfer or assignment of that part of the IRU; and

E is the number of complete years of the writing-down period remaining at the beginning of the year of assessment relating to the basis period in which the sale, transfer or assignment of the IRU occurs,

and so on for any subsequent sale, transfer or assignment of the IRU.  
[21/2003]

(11) Notwithstanding subsections (9) and (10), the total amount on which a balancing charge is made in respect of any capital expenditure incurred for the acquisition of an IRU shall not exceed the total writing-down allowances actually made for the IRU in respect of that capital expenditure, less, if a balancing charge has previously been made in respect of that capital expenditure, the amount on which that balancing charge was made.

[21/2003]

(12) Where the sale, transfer or assignment of all or part of any IRU is made at less than the open-market price, then for the purpose of determining the amount of any balancing allowance or balancing charge, the event shall be treated as if it had given rise to sale, transfer or assignment moneys of an amount equal to the open-market price of the IRU.

[21/2003]

(13) Unless otherwise provided in this Act or the Economic Expansion Incentives (Relief from Income Tax) Act (Cap. 86), where, in the basis period for any year of assessment, the relevant trade, business or profession produces income that is exempt from tax as well as income chargeable with tax, the allowances for that year of assessment shall be made against each income in that year of assessment in such proportion as appears reasonable to the Comptroller in the circumstances.

[49/2004]

(14) Unless otherwise provided in this Act or the Economic Expansion Incentives (Relief from Income Tax) Act, where, in the basis period for any year of assessment, the relevant trade, business or profession produces income that is exempt from tax as well as income chargeable with tax, and any balancing allowance or balancing charge arises to be made —

- (a) the balancing allowance shall be made against each income for that year of assessment in such proportion as appears reasonable to the Comptroller in the circumstances; and

- (b) such proportion of the balancing charge shall be exempt from tax as appears reasonable to the Comptroller in the circumstances.

“international telecommunications submarine cable system” means an international submarine cable that is laid in the sea and includes its cable landing station and any other equipment ancillary to the submarine cable system;

“open-market price”, in relation to any IRU, means —

(b) where the Comptroller is satisfied by reason of the special nature of any IRU that it is not practicable to determine the open-market price, such other value as appears to him to be reasonable in the circumstances.

[21/2003]

(16) For the purposes of this section, any sale, transfer or assignment of any IRU which occurs after the date on which a

relevant trade, business or profession permanently ceases shall be deemed to have occurred immediately before the cessation.

[21/2003]

### **Balancing allowances and charges for machinery or plant**

**20.**—(1) Except as provided in this section, where at any time after the setting up and on or before the permanent discontinuance of a trade, profession or business, any event occurs whereby machinery or plant in respect of which allowances under section 19 or 19A have been made to a person carrying on a trade, profession or business —

(a) ceases to belong to that person (whether on a sale of the machinery or plant or in any other circumstances of any description); or

(b) while continuing to belong to that person —

(i) in a case where the machinery or plant which —

(A) was provided for any research and development undertaken by him directly in Singapore or by a research and development organisation on his behalf in Singapore; and

(B) was not provided for the purpose of a trade or business carried on by him,

permanently ceases to be used for any research and development undertaken by him directly in Singapore or by a research and development organisation on his behalf in Singapore, and is not used for the purpose of a trade, profession or business carried on by him; or

(ii) in any other case, permanently ceases to be used for the purpose of a trade, profession or business carried on by him in Singapore (whether by reason of the discontinuance of the trade, profession or business, or discontinuance of use of such machinery or plant in a trade, profession or business which continues to be carried on in Singapore),

an allowance or a charge, to be known as a balancing allowance or a balancing charge, shall in the circumstances mentioned in this section be made to or, as the case may be, on that person for the year of assessment in the basis period for which that event occurs.

[34/2008]

(1A) Where the property in machinery or plant passes at less than the open-market price, then for the purpose of determining the amount of any balancing allowance or balancing charge the event shall be treated as if it had given rise to sale moneys of an amount equal to the open-market price of the machinery or plant.

(2) Where machinery or plant continues to belong to that person after the date on which it permanently ceases to be used for the purposes of a trade, profession or business carried on by him in Singapore, or (as the case may be) for the purpose of any research and development undertaken by him directly in Singapore or by a research and development organisation on his behalf in Singapore, it shall be deemed to have been sold on the date of permanent cessation of use at the open-market price on that date.

[34/2008]

(2A) Where there are no sale, insurance, salvage or compensation moneys or where the amount of the capital expenditure of the person in question on the provision of the machinery or plant still unallowed as at the time of the event exceeds those moneys, a balancing allowance shall be made, and the amount thereof shall be the amount of the expenditure still unallowed as aforesaid or, as the case may be, the excess thereof over those moneys.

(3) If the sale, insurance, salvage or compensation moneys exceed the amount, if any, of the said expenditure still unallowed as at the time of the event, a balancing charge shall be made, and the amount on which it is made shall be an amount equal to the excess or, where the said amount still unallowed is nil, to those moneys.

(4) Notwithstanding anything in subsection (3), in no case shall the amount on which a balancing charge is made on a person exceed —

- (a) the aggregate of the initial allowance, if any, and the annual allowances, if any, made to him under section 19 in respect of the expenditure in question; and

- (b) the special allowances, if any, made to him under section 19A in respect of the expenditure in question.

[13/84]

(5) Notwithstanding anything in this section but subject to subsection (6A), where a balancing allowance or balancing charge falls to be made under subsection (1) in respect of a motor car to which section 19(3) applies, the sum to be taken in lieu of the open-market price or sale, insurance, salvage or compensation moneys for the purpose of calculating such balancing allowance or charge shall be ascertained in accordance with the formula

$$\frac{35,000A}{B},$$

where A is the open-market price or sale, insurance, salvage or compensation moneys in respect of the motor car; and

B is the capital expenditure incurred in respect of the motor car.

[37/75; 9/80; 5/83; 49/2004]

(6) Notwithstanding anything in this section, no balancing allowance shall be made in respect of a motor car within the meaning of section 19(4)(a) which is not, for any basis period after the basis period for the year of assessment 1981, registered as a business service passenger vehicle for the purposes of the Road Traffic Act (Cap. 276).

[9/80; 1/98]

(6A) Unless otherwise provided in this Act or the Economic Expansion Incentives (Relief from Income Tax) Act (Cap. 86), where, in the basis period for any year of assessment, the trade, profession or business, for which purpose the machinery or plant is provided, produces income that is exempt from tax as well as income chargeable with tax, and any balancing allowance or balancing charge arises to be made —

- (a) the balancing allowance shall be made against each income for that year of assessment in such proportion as appears reasonable to the Comptroller in the circumstances; and

- (b) such proportion of the balancing charge shall be exempt from tax as appears reasonable to the Comptroller in the circumstances.

[49/2004]

(6B) Section 14D(4) and (5) shall apply in relation to the balancing allowance to be made to a person under subsection (1)(b)(i) as they apply in relation to the deduction of the expenditure and payments referred to in section 14D(1)(aa), (c) and (f), subject to the following modifications:

- (a) a reference to the amount of the expenditure or payments is a reference to the amount of the balancing allowance;
- (b) a reference to unabsorbed losses is a reference to unabsorbed allowances; and
- (c) a reference to a specified amount of the expenditure or payments is a reference to an amount computed in accordance with the following formula:

$$A \times \frac{B}{C},$$

where A is the amount of the balancing allowance that could have been made against the income of the person under subsection (1)(b)(i) if the income had been subject to tax at the rate specified in section 43(1)(a);

B is the rate of tax specified in section 43(1)(a); and

C is —

- (i) in a case where the concessionary income (as defined in section 14D(5)) derived by the person from the trade or business carried on by him is subject to tax at a single concessionary rate of tax, that rate; or
- (ii) in a case where the concessionary income derived by the person from the trade or business carried on by him is subject to tax at

2 or more concessionary rates of tax, the higher or highest of those rates.

[34/2008; 29/2012]

(6C) Notwithstanding anything in this Act or the Economic Expansion Incentives (Relief from Income Tax) Act, where a balancing charge falls to be made on a person under subsection (1)(b)(i), the amount of the charge shall be deemed to be income of that person that is chargeable to tax at the rate of tax specified in section 43(1)(a).

[34/2008]

(7) In this section, “open-market price”, in relation to any machinery or plant, means the price which the machinery or plant would have fetched if sold in the open market at the time of the event in question; except that where the Comptroller is satisfied by reason of the special nature of any machinery or plant that it is not practicable to determine an open-market price, he may adopt such other value as appears to him to be reasonable in the circumstances.

### **Replacement of machinery or plant**

**21.—**(1) Where machinery or plant in the case of which any of the events mentioned in section 20(1) has occurred is replaced by the owner thereof and a balancing charge falls to be made on him by reason of that event or, but for this section, would have fallen to be made on him by reason thereof, then, if by notice in writing to the Comptroller he so elects, this section shall have effect.

(2) If the amount on which the charge would have been made is greater than the capital expenditure on providing the new machinery or plant —

- (a) the charge shall be made only on an amount equal to the difference;
- (b) no initial allowance, no balancing allowance and no annual allowance shall be made or allowed in respect of the new machinery or plant or the expenditure on the provision thereof; and

(c) in considering whether any, and if so what, balancing charge falls to be made in respect of the expenditure on the new machinery or plant, there shall be deemed to have been made in respect of that expenditure an initial allowance equal to the full amount of that expenditure.

(3) If the capital expenditure on providing the new machinery or plant is equal to or greater than the amount on which the charge would have been made —

(a) the charge shall not be made;

(b) the amount of any initial allowance in respect of the said expenditure shall be calculated as if the expenditure had been reduced by the amount on which the charge would have been made;

(c) in considering what annual allowance is to be made in respect of the new machinery or plant, there shall be left out of account a proportion of the machinery or plant equal to the proportion which the amount on which the charge would have been made bears to the amount of the said expenditure; and

(d) in considering whether any, and if so what, balancing allowance or balancing charge falls to be made in respect of the new machinery or plant, the initial allowance in respect thereof shall be deemed to have been increased by an amount equal to the amount on which the charge would have been made.

### **Adjustment on change of basis of computing profits of financial instruments resulting from FRS 109 or SFRS(I) 9**

**34AA.**—(1) Despite the provisions of this Act but subject to section 34G(3), (4) and (5), the amount of any profit, loss or expense to be brought into account for the basis period for any year of assessment in respect of any financial instrument of a qualifying person for the purposes of sections 10, 14, 14I and 37, respectively, is that which, in accordance with FRS 109 or SFRS(I) 9 (as the case may be), is recognised in determining any profit, loss or expense in respect of that financial instrument for that year of assessment.

[Act 45 of 2018 wef 12/11/2018]

(2) To avoid doubt, subsection (1) does not apply to anything recognised in accordance with FRS 109 or SFRS(I) 9 (as the case may be), that is capital in nature.

[Act 45 of 2018 wef 12/11/2018]

(3) Despite subsection (1), for the purposes of sections 10, 14, 14I and 37, the profit, loss or expense in respect of a financial instrument mentioned in each of the following paragraphs must be dealt with in accordance with that paragraph:

- (a) where a qualifying person to whom section 10(12)(b) applies derives interest from a negotiable certificate of deposit or derives a gain or profit from the sale of that certificate, the person’s income from that certificate or sale must be treated in the manner set out in section 10(12);

- (b) where a qualifying person derives interest from debt securities, the interest that is chargeable to tax under section 10(1)(d) is the amount computed at the contractual interest rate and not at the effective interest rate;
- (c) any amount of profit or expense in respect of a loan for which no interest is payable must be disregarded;
- (d) where the creditor and debtor of a loan did not deal with each other at arm's length, the interest income chargeable to tax, and the interest expense allowable as a deduction, are the amounts of such income and expense that are computed at the contractual interest rate and not at the effective interest rate;
- (e) in a case where section 14(1)(a) applies, only interest expense incurred in respect of the money borrowed and computed at the contractual interest rate is allowed as a deduction under that provision;
- (f) any amount of profit or loss in respect of a hedging instrument acquired under a bona fide commercial arrangement for the sole purpose of hedging against any risk associated with the underlying asset or liability must be disregarded, if the underlying asset or liability is employed or intended to be employed as capital;
- (g) any amount of expected credit losses of a financial instrument that is not credit-impaired, being losses that are recognised in accordance with FRS 109 or SFRS(I) 9 (as the case may be) in determining the profit or loss of such instrument, must be disregarded;  
*[Act 45 of 2018 wef 12/11/2018]*
- (h) in a case where the qualifying person is a bank or qualifying finance company, the provisions in section 14I apply in relation to a provision made by the qualifying person for an expected credit loss arising from loans or securities that are not credit-impaired, as those provisions apply in relation to a provision for doubtful

debts arising from the person's loans or for diminution in the value of the person's investments in securities;

*[Act 45 of 2018 wef 12/11/2018]*

- (i) where an equity instrument on revenue account of a qualifying person that is measured at fair value through other comprehensive income is disposed of, an amount prescribed as the gain or loss to the qualifying person on such disposal, is chargeable to tax, or is to be allowed as a deduction;
- (j) a gain from discounts or premiums on debt securities, being a gain chargeable to tax under section 10(1)(d) —
  - (i) is treated as accruing only on the maturity or redemption of the debt securities; and
  - (ii) is treated as equal to the difference between the amount received on the maturity or redemption of the debt securities and the amount for which the debt securities were first issued;
- (k) in a case where a qualifying person issues debt securities at a discount or redeems issued debt securities at a premium, and section 14(1)(a) applies in respect of the outgoing represented by such discount or premium, such outgoing is treated to be incurred and deductible only when it is paid on the maturity or redemption of the debt securities and —
  - (i) for debt securities issued in the basis period relating to the year of assessment 2008 or subsequent years of assessment, is treated as equal to the difference between the amount paid on the maturity or redemption of the debt securities and the amount for which the debt securities were first issued; or
  - (ii) for debt securities issued before the basis period relating to the year of assessment 2008, is treated as equal to the part of the difference in sub-paragraph (i) that would be attributable to the year of assessment 2008 and subsequent years of assessment;

(l) in a case where —

- (i) a qualifying person issues debt securities at a discount or redeems issued debt securities at a premium;
- (ii) the debt securities were issued with an embedded derivative to acquire shares or units in the qualifying person; and
- (iii) the outgoing represented by such discount or premium is deductible under section 14(1),

such part of the outgoing that is attributable to the embedded derivative is not deductible;

(m) where a financial instrument on revenue account of a qualifying person (being a financial liability measured at fair value through profit or loss) matures or is sold, bought back or redeemed, any gain or loss to the qualifying person that is realised on such maturity or from such sale, buy back or redemption (being a gain or loss that is recognised in other comprehensive income in accordance with FRS 109 or SFRS(I) 9 (as the case may be)) is chargeable to tax, or is to be allowed as a deduction.

*[Act 45 of 2018 wef 12/11/2018]*

(4) To avoid doubt, subsection (3)(d) does not affect the operation of section 34D.

(5) In a case where —

- (a) a loan is transferred by a qualifying person (being a bank or qualifying finance company) (called in this subsection the transferor) to another person (called in this subsection the transferee);
- (b) the transfer is not pursuant to a qualifying amalgamation within the meaning of section 34C(2) in relation to which an election is made under section 34C(4);
- (c) a provision for an expected credit loss arising from that loan that is credit-impaired, being a loss that is recognised in accordance with FRS 109 or SFRS(I) 9 (as the case may

be) in determining the profit or loss of such loan, is also transferred by the transferor to the transferee; and

*[Act 45 of 2018 wef 12/11/2018]*

- (d) a deduction of an amount in respect of a provision for a doubtful debt arising from that loan was previously allowed under section 14 (read with this section or section 34A) to the transferor,

then, despite any provision in this Act —

- (i) in a case where both the transferor and the transferee are on the date of the transfer in the business of lending money, the deduction previously allowed to the transferor is treated, for the purposes of section 14, as having been allowed to the transferee under that section; and
- (ii) in any other case, the provision is treated as a trading receipt of the transferor for the basis period in which the date of transfer falls.

(6) A person who is not a qualifying person under paragraph (a) or (b) of the definition of that term in subsection (15), may apply to the Comptroller for approval to be a qualifying person; and if the Comptroller approves the application, that person is a qualifying person starting from the year of assessment of the basis period in which the approval is granted or such later year of assessment as the Comptroller may approve.

(7) If —

- (a) any gain, loss or expense in respect of a financial instrument of a qualifying person to which subsection (1) applies is recognised under FRS 109 or SFRS(I) 9 (as the case may be) on a certain date;

*[Act 45 of 2018 wef 12/11/2018]*

- (b) it is not possible to determine, on the date the Comptroller makes an assessment of the amount of chargeable income of that person for the year of assessment of the basis period in which the date mentioned in paragraph (a) falls, whether that gain, loss or expense is capital or revenue in nature;

- (c) because of this, the gain was not charged with tax or a deduction was allowed for that loss or expense (as the case may be); and
- (d) the Comptroller later discovers (called the discovery time) that the gain ought to have been charged with tax as it is revenue in nature, or a deduction ought not to have been allowed for the loss or expense as it is capital in nature (as the case may be),

then, and despite anything in this Act but subject to subsection (9), the amount of the gain, loss or expense, together with the additional amount mentioned in subsection (8), is treated as the income of the person for the year of assessment within which the discovery time falls.

(8) The additional amount in subsection (7) is the amount of any other gain, loss or expense in respect of the same financial instrument —

- (a) that was not charged with tax, or for which a deduction was allowed, for one or more past years of assessment, for the same reason as that in subsection (7)(b); and
- (b) that is ascertained in accordance with the regulations made under subsection (13).

(9) For any qualifying person, no assessment may be made in respect of the income mentioned in subsection (7) more than 4 years immediately after the end of the year of assessment of the basis period in which the financial instrument is disposed of by the qualifying person.

(10) If —

- (a) any gain, loss or expense in respect of a financial instrument of a qualifying person to which subsection (1) applies is recognised under FRS 109 or SFRS(I) 9 (as the case may be) on a certain date;

*[Act 45 of 2018 wef 12/11/2018]*

- (b) it is not possible to determine, on the date the Comptroller makes an assessment of the amount of chargeable income of that person for the year of assessment of the basis period

in which the date mentioned in paragraph (a) falls, whether that gain, loss or expense is capital or revenue in nature;

- (c) because of this, the gain was charged with tax or a deduction was not allowed for that loss or expense (as the case may be); and
- (d) the Comptroller later discovers (called the discovery time), with or without a claim made by the qualifying person, that the gain ought not to have been charged with tax as it is capital in nature, or a deduction ought to have been allowed for the loss or expense as it is revenue in nature (as the case may be),

then, and despite anything in this Act but subject to subsection (12), the amount of the gain, loss or expense, together with the additional amount mentioned in subsection (11), must be allowed as a deduction against the income of the person for the year of assessment within which the discovery time falls.

(11) The additional amount in subsection (10) is the amount of any other gain, loss or expense in respect of the same financial instrument —

- (a) that was charged with tax, or for which a deduction was not made, for one or more past years of assessment, for the same reason as that in subsection (10)(b); and
- (b) that is ascertained in accordance with the regulations made under subsection (13).

(12) For any qualifying person, no claim mentioned in subsection (10)(d) may be made more than 4 years immediately after the end of the year of assessment of the basis period in which the financial instrument is disposed of by the qualifying person.

(13) For the purposes of this section, the Minister may make regulations to give effect to this section, including —

- (a) [*Deleted by Act 45 of 2018 wef 12/11/2018*]
- (b) providing for the computation of the additional amounts mentioned in subsections (8) and (11); and

- (c) providing for any transitional, supplementary or consequential matter, including —
- (i) treating a specified amount of any profit in respect of a financial instrument of a person, being an amount recognised under FRS 109 or SFRS(I) 9 (as the case may be) as such profit as of a date before the date the person becomes a qualifying person, as the person's income for a specified year of assessment; and  
*[Act 45 of 2018 wef 12/11/2018]*
  - (ii) allowing a specified amount of any loss or expense in respect of a financial instrument of a person, being an amount recognised under FRS 109 or SFRS(I) 9 (as the case may be) as such loss or expense as of a date before the date the person becomes a qualifying person, as a deduction against the person's income for a specified year of assessment.  
*[Act 45 of 2018 wef 12/11/2018]*

(14) The regulations under subsection (13) may prescribe different amounts for the purposes of subsection (3)(i) for different descriptions of instruments.

### **Tax credits for approved redomiciled companies**

**34H.**—(1) This section applies where —

- (a) an approved redomiciled company has income (called in this section income A) that is chargeable to tax in one or more years of assessment beginning with the year of assessment for the basis period in which its registration date falls; and
- (b) the company's place of incorporation levies on the company tax of a similar character to income tax (by whatever name called) on an estimate of income A (called in this section income B).

(2) The approved redomiciled company must be allowed, in accordance with subsection (4), a tax credit against tax payable in respect of the part of income A that is derived or received in the basis period for each year of assessment specified by the Minister to the

company at the time of its approval (called in this section a specified year of assessment).

(3) The total amount of tax credits to be allowed to the approved redomiciled company for all of its specified years of assessment is an amount C that is computed by the formula  $(B - B1) \times D$ , where —

- (a) B is the amount of income B;
- (b) B1 is the part of income B which is derived wholly from any agreement or arrangement entered into on or after the registration date, as well as any other income prescribed by regulations made under section 34G; and
- (c) D is the lower of the following:
  - (i) the rate by which the part of income A derived or received in the basis period in which its registration date falls is chargeable to tax;
  - (ii) the rate by which income B is chargeable to the tax described in subsection (1)(b).

(4) Where, throughout a basis period for a specified year of assessment, the approved redomiciled company —

- (a) is resident in Singapore; and
- (b) satisfies all of the conditions specified by the Minister to it at the time of its approval,

then there is to be allowed, against the amount of tax chargeable on income E, a credit of an amount that is the lower of the following:

- (i) the amount of tax;
- (ii) an amount computed by deducting from the amount C, the total amount of tax credits previously allowed under this section against the tax chargeable on the income of the company.

(5) In subsection (4), a company's income E for a year of assessment is the amount of the part of income A derived or received in the basis period for that year of assessment after deducting the following:

- (a) the expenses and donations allowable under this Act for that year of assessment that are attributable to or apportioned to the part of income A;
- (b) any capital allowances for that year of assessment attributable to the part of income A whether or not any claim for those allowances has been made;
- (c) any balance of the expenses, allowances and donations which have not been deducted under this subsection for the purpose of determining income E for any previous year of assessment.

(6) The balance of any expenses, allowances or donations mentioned in subsection (5) may only be used to determine the company's income E for a subsequent specified year of assessment, and is not available as a deduction against any other income of the company.

(7) However, any balance mentioned in subsection (6) that remains —

- (a) after ascertaining the company's income E for the last of the specified years of assessment; or
- (b) as of the date of revocation of the approval of the company,

may be deducted against any other income of the company for a subsequent year of assessment, or the year of assessment for the basis period in which the approval is revoked or a subsequent basis period (whichever is applicable), in accordance with section 23 or 37, as the case may be.

(8) Any balance of the amount C after a tax credit has been allowed for the last of the specified years of assessment must be disregarded.

(9) If, at any time after the registration date, and during a period specified by the Minister to it at the time of its approval, the approved redomiciled company ceases to carry on any trade or business in Singapore, an amount computed using the formula  $\frac{F-G}{F} \times H$ , is recoverable by the Comptroller from the company as a debt due to the Government, where —

- (a) F is the total number of its specified years of assessment or 5, whichever is larger;
- (b) G is the total number of complete years where the company carried on a trade or business in Singapore; and
- (c) H is the total amount of tax credits already allowed against the tax chargeable on the income of the company under this section.

(10) If the Comptroller is satisfied that —

- (a) the approved redomiciled company gave to the Comptroller information that is false in any material particular, or omitted any material particular from any information or document given to the Comptroller; and
- (b) as a result of the false information or omission, an amount of tax credit was allowed against tax chargeable on the company's income under this section,

then an amount equal to the amount of tax credit so allowed is recoverable by the Comptroller from the company as a debt due to the Government.

(11) The amount recoverable under subsection (9) or (10) must be paid at the place stated in the notice served by the Comptroller on the approved redomiciled company within 30 days after the service of the notice.

(12) The Comptroller may, in the Comptroller's discretion, and subject to such terms and conditions as the Comptroller may impose, extend the time within which payment is to be made.

(13) Sections 86(1) to (6), 87(1) and (2), 89, 90 and 91 apply to the collection and recovery by the Comptroller of the amount recoverable under subsection (9) or (10) as they apply to the collection and recovery of tax.

**34I.**—(1) This section applies where —

(a) a person prepares or maintains the person’s financial accounts for any basis period for a year of assessment in accordance with FRS 115 or SFRS(I) 15 for the first time (called in this section the initial year of assessment);

*[Act 45 of 2018 wef 26/10/2017]*

(b) as a result of the application of FRS 115 or SFRS(I) 15 (as the case may be), an adjustment has to be made to the amount of revenue in the person’s financial accounts in any previous basis period (called in this section the adjusted revenue amount); and

*[Act 45 of 2018 wef 26/10/2017]*

(c) the amount W of the person (or, if the person is a partnership, a partner of the person) for the year of assessment for that previous basis period arrived at using an amount of profit that includes the adjusted revenue amount (called in this section amount A) as the starting point, is different from the amount arrived at using an amount of profit that does not include the adjusted revenue amount (called in this section amount B) as the starting point.

*[Act 45 of 2018 wef 26/10/2017]*

(1A) In subsection (1)(c), the amount *W* of a person or partner for a year of assessment is ascertained by the formula  $X + Y - Z$ , where —

- (a) *X* is the chargeable income of the person or partner for that year of assessment;
- (b) *Y* is all exempt income of the person or partner for that year of assessment; and
- (c) *Z* is the sum of each deduction or allowance for any expenditure, donation or loss, that remains unabsorbed after ascertaining the chargeable income or any exempt income.

*[Act 45 of 2018 wef 26/10/2017]*

(2) Despite any provision of this Act, if amount *A* exceeds amount *B*, the excess amount is treated as income of the person or partner (as the case may be) for the initial year of assessment and is subject to one or more tax treatments in accordance with subsection (3).

(3) For the purposes of subsection (2) —

- (a) if the income amount *C* of the person or partner for the initial year of assessment is subject to a single tax treatment, then the excess amount is subject to that tax treatment;
- (b) if different parts of the income amount *C* of the person or partner for the initial year of assessment are subject to different tax treatments, then different parts of the excess amount are subject to the different tax treatments, and the part of the excess amount that is subject to each of those tax treatments is computed by the formula  $\frac{D}{E} \times F$ , where —
  - (i) *D* is the sum of —
    - (A) the part of the income amount *C* of the person or partner for that year of assessment that is subject to that tax treatment; and
    - (B) the deduction allowed or allowance made for each expenditure, donation or loss in ascertaining the chargeable income or any exempt income of the person or partner for

that year of assessment, and attributable to the production of, or apportioned to, that part;

*[Act 45 of 2018 wef 26/10/2017]*

(ii) E is the sum of —

(A) the income amount C of the person or partner for that year of assessment; and

(B) the deduction allowed or allowance made for each expenditure, donation or loss in ascertaining the chargeable income or any exempt income of the person or partner for that year of assessment, and attributable to the production of, or apportioned to, the income amount C or a part of it; and

*[Act 45 of 2018 wef 26/10/2017]*

(iii) F is the excess amount.

(4) Despite any provision of this Act, if amount B exceeds amount A, a deduction of the excess amount must be made against the total income of the person or partner (as the case may be) or one or more parts of it for the initial year of assessment according to subsection (5).

(5) For the purposes of subsection (4) —

(a) if the income amount C of the person or partner for the initial year of assessment is subject to a single tax treatment, then the excess amount must be deducted against the income amount C;

(b) if different parts of the income amount C of the person or partner for the initial year of assessment are subject to different tax treatments, then different parts of the excess amount must be deducted against the different parts of the income amount C, and the part of the excess amount that must be deducted against each part of the income amount C is computed by the formula  $\frac{D}{E} \times F$ , where —

- (i) D is the sum of —
- (A) the part of the income amount C of the person or partner for that year of assessment that is subject to that tax treatment; and
  - (B) the deduction allowed or allowance made for each expenditure, donation or loss in ascertaining the chargeable income or any exempt income of the person or partner for that year of assessment, and attributable to the production of, or apportioned to, that part;

*[Act 45 of 2018 wef 26/10/2017]*

- (ii) E is the sum of —
- (A) the income amount C of the person or partner for that year of assessment; and
  - (B) the deduction allowed or allowance made for each expenditure, donation or loss in ascertaining the chargeable income or any exempt income of the person or partner for that year of assessment, and attributable to the production of, or apportioned to, the income amount C or a part of it; and

*[Act 45 of 2018 wef 26/10/2017]*

- (iii) F is the excess amount.

(5A) To avoid doubt, the deduction or allowance mentioned in subsection (3)(b)(i)(B) or (ii)(B), or subsection (5)(b)(i)(B) or (ii)(B), excludes any deduction or allowance (or any part of any deduction or allowance) that remains unabsorbed after ascertaining the chargeable income or exempt income mentioned in that provision.

*[Act 45 of 2018 wef 26/10/2017]*

- (6) In this section —
- (a) income is subject to a tax treatment if it is —
    - (i) subject to tax at one rate of tax; or
    - (ii) exempt from tax;

(b) a reference to the income amount C of a person or partner for a year of assessment is a reference to the amount of income computed by the formula  $G + H$ , where —

(i) G is the part of the chargeable income of the person or partner for the year of assessment that is of the type of income governed by FRS 115 or SFRS(I) 15 (as the case may be); and

*[Act 45 of 2018 wef 26/10/2017]*

(ii) H is the part of the exempt income of the person or partner for the year of assessment that is of the type of income governed by FRS 115 or SFRS(I) 15 (as the case may be); and

*[Act 45 of 2018 wef 26/10/2017]*

(c) a reference to deducting an amount against any income that is subject to a tax treatment is —

(2) If, in any applicable period, a sublease by the electing recipient of a sublease asset is recognised by the electing recipient as a finance lease in accordance with FRS 116 or SFRS(I) 16, any income of the electing recipient derived under that sublease in that applicable period is taken as having been derived from a finance lease for the purpose of section 10D.

(7) For the last year of assessment, the capital allowances under section 19, 19A or 22 for any qualifying asset of which the electing recipient is a lessee, and which was leased for its trade or business before the date it ceases to be an MSI recipient, are to be —

- (a) computed on the residue of the capital expenditure or reducing value of the qualifying asset (as the case may be) after deducting all such allowances (including initial and annual allowances) that have or would (but for subsection (5) or (6)) have been made to the electing recipient for all past years of assessment, even if no such allowance was made; and
- (b) reduced by an amount computed by the formula

$$\frac{A}{365} \times B,$$

- (b) the total amount of such allowances that would have been made to the electing recipient for the last year of assessment without the reduction under subsection (7)(b).

(10) An MSI recipient may make an election to adopt the tax treatment under this section by providing a written notice to the Comptroller of this —

- (a) a PIC enhanced deduction; or
- (b) a PIC cash payout,

and disallow the payment of an amount referred to in subsection (2) of a PIC bonus based on that claim, if the Comptroller has reasonable grounds to suspect that the claim arises from an abusive PIC arrangement.

(2) The amount of the PIC enhanced deduction, PIC cash payout or PIC bonus that may be disallowed under subsection (1) is the amount resulting from the PIC arrangement being abusive as defined under subsection (10).

(3) Notwithstanding the provisions of this Act, the amount referred to in subsection (4) of a PIC cash payout or PIC bonus paid to a person that was based on a claim that arose from an abusive PIC arrangement shall be recoverable by the Comptroller from the person as a debt due to the Government.

(4) The amount of the PIC cash payout or PIC bonus that is recoverable under subsection (3) is the amount resulting from the PIC arrangement being abusive as defined under subsection (10).

(5) The amount that is recoverable under subsection (3) shall be payable at the place stated in the notice served by the Comptroller on the person within 30 days after the service of the notice.

(6) The Comptroller may, in his discretion, and subject to such terms and conditions as he may impose, extend the time within which payment under subsection (3) is to be made.

(7) Sections 86(1) to (6), 87(1) and (2), 89, 90 and 91 shall apply to the collection and recovery by the Comptroller of the amount recoverable under subsection (3) as they apply to the collection and recovery of tax.

(8) In this section, an arrangement is a PIC arrangement if the obtaining of a PIC cash payout, PIC bonus or PIC enhanced deduction, or a higher amount of a PIC cash payout, PIC bonus or PIC enhanced deduction, was the purpose or one of the purposes of the arrangement (referred to in this section as the relevant purpose).

(9) In this section, a PIC arrangement is abusive if —

- (a) it consists or makes use of one or more artificial, contrived or fraudulent steps that is intended to achieve the relevant purpose;
- (b) the arrangement results in the consideration paid or payable for the property or services in question being of a greater value than the open market value of the property or services, and there is no bona fide commercial reason for the difference in the values apart from the relevant purpose; or
- (c) in any other case, there is no bona fide commercial reason for entering into the arrangement or a transaction forming part of the arrangement apart from the relevant purpose.

(10) In this section, the amount of PIC enhanced deduction, PIC cash payout or PIC bonus resulting from a PIC arrangement being abusive is —

- (a) if the arrangement is abusive by reason of subsection (9)(a), the amount that results or has resulted from the use of the artificial, contrived or fraudulent step or steps, excluding any amount the person concerned is entitled to if the step or steps had not been used;
- (b) if the arrangement is abusive by reason of subsection (9)(b), the amount that corresponds to the difference in the values mentioned in that provision; or
- (c) if the arrangement is abusive by reason of subsection (9)(c), the full amount.

*Examples*

- (i) A enters into a contract for training for his employees. The right to training may be exchanged for goods. Expenditure for the goods is not eligible for a PIC cash payout. A exchanged the right to training for those goods and made a claim for a PIC cash payout in respect of the expenditure. The contract and the exchange together form an abusive PIC arrangement. The amount of the PIC cash payout that results from the arrangement being abusive for the purposes of subsections (1) and (3) is the full amount of the payout.
- (ii) A, in order to obtain a higher amount of PIC cash payout, purchases more equipment than he needs for his business. The purchase of the excess equipment is an abusive PIC arrangement. The amount of the PIC cash payout that results from the arrangement being abusive for the purposes of subsections (1) and (3) is the amount corresponding to the price paid for the excess equipment.
- (iii) A and B, in order to help each other obtain a PIC cash payout, sell to each other equipment that performs the same function. The sales are abusive PIC arrangements. The amount of the PIC cash payout that results from the arrangement being abusive for the purposes of subsections (1) and (3) is the full amount of the payout.
- (iv) A enters into a contract for training for his employees. The contract price for the training includes both the value of the training and the value of other goods to be given to the trainees. Expenditure for those goods is not eligible for a PIC cash payout. The purpose for setting the price for the training in this way is to enable a higher PIC cash payout to be paid to A. The contract is an abusive PIC arrangement. The amount of the PIC cash payout that results from the arrangement being abusive for the purposes of subsections (1) and (3) is the amount corresponding to the price for those other goods.

(11) This section applies only to arrangements made or entered into on or after the date of commencement of section 42 of the Income Tax (Amendment) Act 2014.

48. [Repealed by Act 27 of 2009]

#### **Avoidance of double taxation arrangements**

49.—(1) If the Minister by order declares that arrangements specified in the order have been made with the government of any country outside Singapore with a view to affording relief from double taxation in relation to tax under this Act and any tax of a similar character imposed by the laws of that country, and that it is expedient that those arrangements should have effect, the arrangements shall have effect notwithstanding anything in any written law.

(2) Any arrangements made with the government of another country —

- (a) may provide for liability to tax by one country and for exemption from tax by the other country;
- (b) may provide for exemption, wholly or partly and with or without conditions, from tax in either or both countries and for any income so exempted to be taken into account in determining the effective rate of tax to be applicable to other income;
- (c) may deem the source of income to be wholly or partly in either or both of such countries; and
- (d) may provide for the charge to tax by the country in which the source is deemed to be situated, of any income derived from such source.

[5/77]

(2A) In subsection (2)(b), “effective rate of tax” means the rate of tax as ascertained in accordance with the formula

$$\frac{A}{B + C},$$

where A is the tax payable before allowance of credit under any arrangements having effect under this section on B + C computed in accordance with the provisions of this Act;

B is the exempt income; and

C is the other income.

[5/77]

(3) *[Deleted by Act 27 of 2009]*

(4) Any order made under this section may be revoked by a subsequent order.

(5) Where any arrangements have effect by virtue of this section, the obligation as to secrecy imposed by section 6 shall not prevent the disclosure to any authorised officer of the government with which the arrangements are made of such information as is required to be disclosed under the arrangements.

(6) The Minister may make rules for carrying out the provisions of any arrangements having effect under this section.

(7) The Minister may by order amend the provisions of any arrangements that have effect under subsection (1), in order to give effect to Singapore's obligations under the Multilateral Convention to Implement Tax Treaty Related Measures to Prevent Base Erosion and Profit Shifting done at Paris on 24 November 2016 (as amended from time to time).

*[Act 39 of 2017 wef 26/10/2017]*

*[Act 39 of 2017 wef 26/10/2017]*

## **Tax credits**

**50.**—(1) This section shall have effect where, under arrangements having effect under section 49, tax payable in respect of any income in the territory with the government of which the arrangements are

made is to be allowed as a credit against tax payable in respect of that income in Singapore.

(2) The amount of the income tax chargeable in respect of the income shall be reduced by the amount of the credit; except that credit shall not be allowed against income tax for any year of assessment unless the person entitled to the income is resident in Singapore during that year.

(3) The credit shall not exceed the amount which would be produced by computing the amount of the income in accordance with the provisions of this Act and then charging it to income tax at a rate ascertained by dividing the income tax chargeable (before allowance of credit under any arrangements having effect under section 49) on the assessable income of the person entitled to the income by the amount of his assessable income.

*[7/79; 31/86; 26/93; 28/96; 34/2005]*

(4) Without prejudice to subsection (3), the total credit to be allowed to a person for any year of assessment for foreign tax under all arrangements having effect under section 49 shall not exceed the total income tax payable by him for that year of assessment, excluding any tax payable by him under section 45.

(5) In computing the amount of the income —

- (a) no deduction shall be allowed in respect of foreign tax (whether in respect of the same or any other income);
- (b) where the income tax chargeable depends on the amount received in Singapore, that amount shall be increased by the appropriate amount of the foreign tax in respect of the income; and
- (c) where the income includes a dividend and under the arrangements foreign tax not chargeable directly or by deduction in respect of the dividend is to be taken into account in considering whether any, and if so what, credit is to be given against income tax in respect of the dividend, the amount of the income shall be increased by the amount of the foreign tax not so chargeable which falls to be taken into account in computing the amount of the credit.

*[53/2007]*

(6) Subsection (5)(a) and (b) shall apply to the computation of assessable income for the purposes of determining the rate mentioned in subsection (3), and shall apply thereto in relation to all income in the case of which credit falls to be given for foreign tax under arrangements for the time being in force under section 49.

(7) Where —

- (a) the arrangements provide, in relation to dividends of some classes, but not in relation to dividends of other classes, that foreign tax not chargeable directly or by deduction in respect of dividends is to be taken into account in considering whether any, and if so what, credit is to be given against income tax in respect of the dividends; and
- (b) a dividend is paid which is not of a class in relation to which the arrangements so provide,

then, if the dividend is paid to a company which controls, directly or indirectly, not less than one-half of the voting power in the company paying the dividend, credit shall be allowed as if the dividend were a dividend of a class in relation to which the arrangements so provide.

(8) Credit shall not be allowed under the arrangements against income tax chargeable in respect of the income of any person for any year of assessment if he elects that credit shall not be allowed in the case of his income for that year.

(9) Any claim for an allowance by way of credit shall be made not later than 2 years after the end of the year of assessment, and in the event of any dispute as to the amount allowable the claim shall be subject to objection and appeal in like manner as an assessment.

(10) Where the amount of any credit given under the arrangements is rendered excessive or insufficient by reason of any adjustment of the amount of any tax payable either in Singapore or elsewhere, nothing in this Act limiting the time for the making of assessments or claims for relief shall apply to any assessment or claim to which the adjustment gives rise, being an assessment or claim made not later than 2 years from the time when all such assessments, adjustments and other determinations have been made, whether in Singapore or

elsewhere, as are material in determining whether any, and if so what, credit falls to be given.

(11) [*Deleted by Act 32 of 2019 wef 02/12/2019*]

(12) In this section —

“foreign tax” means any tax payable in that territory which under the arrangements is to be so allowed;

“income tax” means tax chargeable under this Act.

### **Unilateral tax credits**

**50A.**—(1) Notwithstanding that there are no arrangements for the time being in force under section 49 with the government of any territory outside Singapore, tax credit under section 50 shall, subject to this section, be given to any person resident in Singapore for tax payable under the law of that territory in respect of —

- (a) any income derived from any professional, consultancy and other services rendered in that territory;
- (b) any royalty derived from that territory, where the payment is not —

  - (ii) deductible against any income accruing in or derived from Singapore;
- (h) any rent or other income ancillary to the holding of immovable properties located in that territory but not including gains from the disposal of such immovable properties derived from a trade or business carried on in Singapore; and

[26/93; 37/2002; 21/2003; 34/2008]

(2) Where any dividend in respect of which tax credit is given under subsection (1)(c) is paid by a company which is resident outside Singapore to a person resident in Singapore who owns not less than 25% of the total number of issued shares of the company paying the dividend, the tax credit shall take into account any tax paid by that company in the country in which it is resident in respect of its income out of which the dividend is paid.

[34/2005]

(3) Where under arrangements for the time being in force under section 49 with the government of any territory outside Singapore no provision is made for tax credit in respect of income out of which any dividend is paid by a company resident in that territory, tax credit under section 50 in respect of such income shall be given to any person resident in Singapore who owns not less than 25% of the total number of issued shares of the company paying the dividend.

[34/2005]

(4) Section 50 shall, with the necessary modifications, apply for the purposes of this section as if any territory to which this section and the

regulations have effect were a territory with which arrangements have been made under section 49.

[21/2003]

(5) Any person granted any tax credit under subsection (1) on any income shall not be given any tax credit under section 50 in respect of that income.

[21/2003; 27/2009]

(6) The Minister may, in any particular case, waive the requirement of 25% share ownership referred to in subsections (2) and (3).

[32/95]

(7) In this section, “debt securities” has the same meaning as in section 43N(4).

[34/2008]

### **Tax credits for trust income to which beneficiary is entitled**

**50B.**—(1) Where —

- (a) a trustee of a trust receives income in Singapore from outside Singapore (referred to in this section as the income) for which a tax credit is allowable under this Part against the tax payable in respect of the income; and
- (b) any beneficiary of the trust who is resident in Singapore is entitled to a share of the income,

the tax credit in respect of that share shall be given to the beneficiary instead of the trustee.

[7/2007]

(2) The tax credit to be given to a beneficiary under subsection (1) shall be computed in accordance with section 50 or 50A (as the case may be) as if the income had been received directly by the beneficiary rather than the trustee.

[7/2007]

(3) This section shall not apply to —

*[7/2007; 22/2011]*

### **Pooling of credits**

**50C.**—(1) Where, for the year of assessment 2012 or a subsequent year of assessment, a person is entitled to 2 or more tax credits under any other provision of this Part, he may elect to be given a pooled credit for that year of assessment in lieu of any 2 or more of those credits (referred to in this section as the replaced credits).

*[22/2011]*

(2) Subsection (1) only applies if the income that is the subject of each replaced credit (referred to in this section as the elected income) satisfies all of the following conditions:

[22/2011]

(5) In subsection (4)(a), the aggregate of the income tax chargeable for the year of assessment on all the elected income is ascertained by —

- (b) aggregating the amounts computed in accordance with paragraph (a) of all the replaced credits.

[22/2011]

(6) Sections 50(5), (6), (9), (10) and (12), 50A(2) and 50B(2) shall, with the necessary modifications, apply for the purposes of this section.

#### *Husband and wife*

#### **Income of wife**

**51.**—(1) The income of a married woman shall for the purposes of this Act be charged in her own name.

[49/2004]

(2) [*Deleted by Act 22 of 2011*]

(2) This section shall not be construed to make any person chargeable to tax in respect of an incapacitated person, liable in such respect, for a greater amount of tax than that for which the incapacitated person would have been liable had no receiver, trustee, guardian, curator or committee been appointed.

**Chargeability of agent of person residing out of Singapore**

**53.**—(1) A person not resident in Singapore (referred to in this section as a non-resident person) shall be assessable and chargeable to tax either directly or in the name of his trustee, guardian, or committee, or of any attorney, factor, agent, receiver, branch or manager, whether such attorney, factor, agent, receiver, branch or manager has the receipt of the income or not, in like manner and to the like amount as such non-resident person would be assessed and charged if he were resident in Singapore and in the actual receipt of such income; except that in the case of any individual who is not resident in Singapore, no deduction shall be allowed under section 39 except in such manner as is provided by section 40.

(1A) A non-resident person shall be assessable and chargeable in respect of any income arising, directly or indirectly, through or from any attorneyship, factorship, agency, receivership, branch or management, and shall be so assessable and chargeable in the name of the attorney, factor, agent, receiver, branch or manager.

(2A) Where a non-resident person carries on business with a resident person and it appears to the Comptroller that owing to the close connection between the resident person and the non-resident person and to the substantial control exercised by the non-resident person over the resident person the course of business between those persons can be so arranged and is so arranged that the business done by the resident person in pursuance of his connection with the non-resident person produces to the resident person either no profits or less than the ordinary profits which might be expected to arise from that business, the non-resident person shall be assessable and chargeable to tax in the name of the resident person as if the resident person were an agent of the non-resident person.

(3) Where the true amount of the gains or profits of any non-resident person chargeable with tax in the name of a resident person cannot in any case be readily ascertained the Comptroller may, if he thinks fit, assess and charge the non-resident person on a fair and reasonable percentage of the turnover of the business done by the non-resident person through or with the resident person in whose name he is chargeable as aforesaid, and in such case the provisions of this Act relating to the delivery of returns or particulars by persons acting on behalf of others shall extend so as to require returns or particulars to be furnished by the resident person of the business so done by the non-resident person through or with the resident person in the same manner as returns or particulars are to be delivered by persons acting for incapacitated or non-resident persons of income to be charged.

(3A) The amount of the percentage under subsection (3) shall in each case be determined with regard to the nature of the business and shall, when determined by the Comptroller, be subject to appeal in accordance with the provisions of Part XVIII.

(4) Nothing in this section shall render a non-resident person chargeable in the name of a broker or general commission agent or other agent where such broker, general commission agent or agent is not an authorised person carrying on the regular agency of the non-resident person, or person chargeable as if he were an agent in pursuance of subsections (2A) and (3), in respect of gains or profits arising from sales or transactions carried out through such a broker or agent.

(5) The fact that a non-resident person executes sales or carries out transactions with other non-resident persons in circumstances which would make him chargeable in pursuance of subsections (2A) and (3) in the name of a resident person shall not of itself make him chargeable in respect of gains or profits arising from those sales or transactions.

(6) Where a non-resident person is chargeable to tax in the name of any attorney, factor, agent, receiver or manager, in respect of any gains or profits arising from the sale of goods or produce manufactured or produced outside Singapore by the non-resident

[34/2008]

- (2) Where a person has delivered a return, the Comptroller may —
- (a) accept the return and make an assessment accordingly; or
  - (b) refuse to accept the return and, to the best of his judgment, determine the amount of the chargeable income of the person and make an assessment accordingly.

(3) Where a person has not delivered a return and the Comptroller is of the opinion that such person is liable to pay tax, the Comptroller may, according to the best of his judgment, determine the amount of the chargeable income of such person and make an assessment accordingly, but such assessment shall not affect any liability otherwise incurred by such person by reason of his failure or neglect to deliver a return.

**Advance assessments**

**73.**—(1) Notwithstanding section 72, where —

- (a) in any year of assessment a person ceases to carry on a trade, business, profession, vocation or employment; or
- (b) the Comptroller is of the opinion that any person possessing a source of income is about to leave Singapore and is likely to cease to possess that source in the year of assessment in which he leaves Singapore or in the following 2 years,

the Comptroller may make such assessment or additional assessments as may be necessary to bring to charge the full amount of the income from all sources derived or to be derived by such person up to the year in which the source of income ceases or is likely to cease.

(2) Where the income of a person is ascertained under section 27, the Comptroller may make an assessment in respect of any income of such person within the year in which the income is deemed to accrue.

(2A) Notwithstanding any other provisions of this Act, the Comptroller may make an assessment on an individual to whom section 10(7B) or (7C) applies within the year in which the income accrues or is deemed to accrue to the individual, as the case may be.

[49/2004]

(2B) Notwithstanding any other provisions of this Act, where income accrues under section 10(6) to a director of a company who is not resident in Singapore, the Comptroller may make an assessment in respect of that income within the year in which the income accrues to the director.

[49/2004]

(3) The Comptroller may, if he thinks fit, at any time during any year make an assessment in respect of the income derived by any person carrying on or exercising any trade, business, profession or vocation up to that year.

[11/94]

(3A) In making an assessment under subsection (3), the Comptroller may have regard to the estimate of chargeable income furnished under section 63 or he may make an assessment according to the best of his judgment where such estimate of chargeable income has not been furnished or has been rejected by him.

[5/77]

(4) Where the Comptroller has exercised his powers to make an advance assessment under this section, such assessment shall be made on the assumption that —

- (a) the provisions of this Act in force during the year of assessment in which such assessment is made will continue in force for the year of assessment for which such assessment is made; and

(b) if such person so assessed is an individual, the personal circumstances of that person will be the same in the year of assessment as they were when such assessment is in fact made.

(5) If it appears to the Comptroller that by reason of such assumption an advance assessment so made has become less favourable to that person than it would have been if made under section 35(1), he shall amend such assessment as to him seems reasonable.

(6) Nothing in this section shall affect the Comptroller's right to make any additional assessment due to any change of circumstances and without prejudice to the generality of section 74.

### **Additional assessments**

**74.—**(1) Where it appears to the Comptroller that any person liable to tax has not been assessed or has been assessed at a less amount than that which ought to have been charged, the Comptroller may, within the year of assessment or within 6 years (if the year of assessment is 2007 or a preceding year of assessment) or 4 years (if the year of assessment is 2008 or a subsequent year of assessment) after the expiration thereof, assess that person at such amount or additional amount as according to his judgment ought to have been charged.

*[11/94; 53/2007]*

(2) Notwithstanding subsection (1), where, in the opinion of the Comptroller, any form of fraud or wilful default has been committed by or on behalf of any person in connection with or in relation to tax, the Comptroller may, for the purpose of making good any loss of tax attributable to fraud or wilful default, assess that person at any time.

(2A) Despite subsection (1), an assessment under that subsection may be made at any time if it is carried out pursuant to an agreement with an authority of a country outside Singapore, that is made in accordance with the procedure under an avoidance of double taxation arrangement with the government of that country, for resolving difficulties arising out of the application of that arrangement (commonly called a mutual agreement procedure).

*[Act 39 of 2017 wef 26/10/2017]*

(2B) Subsection (2A) does not apply to an agreement with an authority of the country outside Singapore on the transfer pricing criteria to be used in relation to a person's transactions with the person's related parties over a specified period (commonly called an advance pricing arrangement).

*[Act 39 of 2017 wef 26/10/2017]*

(3) The provisions of this Act as to notice of assessment, appeal and other proceedings under this Act shall apply to any assessment or additional assessment made under subsection (1) or (2) and to tax charged thereunder.

(4) This section shall also apply, with the necessary modifications, to any assessment made under subsection (1) or (2) which results in any unabsorbed allowances or losses.

*[32/99]*

(5) To avoid doubt, the Comptroller may also make an assessment under this section on a person in a case where —

- (a) the Comptroller made an advance assessment on the person for a year of assessment; and
- (b) because of a subsequent amendment to any written law that applies retroactively to that year of assessment, the person becomes liable to a higher amount of tax.

*[Act 39 of 2017 wef 26/10/2017]*

(6) In this section —

“avoidance of double taxation arrangement” means an arrangement having effect under section 49;

“related party” has the same meaning as in section 13(16).

*[Act 39 of 2017 wef 26/10/2017]*

## **Revised assessments as relief for late GST registration**

**74A.** Where —

- (a) any person liable to tax, being required to be registered under the Goods and Services Tax Act (Cap. 117A), has failed to do so, and has been so registered on or after 1st December 2005; and

(b) his income chargeable to tax for any year of assessment relating to a basis period for which he ought to have been so registered includes an amount in respect of output tax paid or payable under the Goods and Services Tax Act, the Comptroller shall according to the best of his judgment give, by way of revision of any assessment made on the person for that year of assessment, relief in respect of the amount so paid or payable.

[34/2005]

### **Waiver of small assessments**

75. Where it appears to the Comptroller that the amount of any tax or additional tax to which any person is liable does not exceed \$15 or such other amount as the Minister may by order prescribe, the Comptroller may waive the assessment of such tax.

[2/92]

### **Service of notices of assessment and revision of assessment**

76.—(1) The Comptroller shall cause each person assessed to tax to be served, in accordance with section 8(1), with —

(a) where tax is payable, a notice stating the amount of his chargeable income together with the amount of tax payable and the place at which such payment should be made; or

(b) where no tax is payable, a notice to that effect,

and in either case the Comptroller shall inform the person assessed to tax of his rights under subsections (2) and (3) and (if applicable) his duty under subsection (8).

[32/99; 49/2004; 34/2008]

(2) If any person disputes the assessment, he may apply to the Comptroller, by notice of objection in writing, to review and to revise the assessment made upon him.

(2A) If the objection is made to any assessment, being one which —

(a) is made on or after 20th December 2011; and

(b) amends a previous assessment in any particular,

then a person's right to object to the assessment is limited to a right to object against the amendment in respect of, or matters relating to, that particular.

[22/2011]

(2B) In subsection (2A), the reference to an assessment which amends a previous assessment in any particular includes one which amends the amount of unabsorbed losses, allowances or donations in that previous assessment that may be carried forward but the tax payable remains nil.

[22/2011]

(3) Such application must state precisely the grounds of the person's objections to the assessment and must be made within —

(a) if the person is a company and the notice of assessment is served on the person on or after 1 January 2014, 2 months;  
or

(b) in any other case, 30 days,

from the date of the service of the notice of assessment.

[Act 34 of 2016 wef 01/01/2014]

(4) The Comptroller upon being satisfied that, owing to absence, sickness or other reasonable cause, the person disputing the assessment was prevented from making the application within the period referred to in subsection (3), shall extend the period as may be reasonable in the circumstances.

(5) On receipt of the notice of objection referred to in subsection (2), the Comptroller may —

(a) require the person giving the notice of objection to furnish such particulars as the Comptroller may consider necessary with respect to the income of the person assessed and to produce all books or other documents in his custody or under his control relating to such income; and

(b) summon any person who he thinks is able to give evidence respecting the assessment to attend before him and may examine that person on oath or otherwise.

(6) In the event of any person who has objected to an assessment made upon him —

- (a) agreeing with the Comptroller as to the amount at which he is liable to be assessed, the assessment shall be amended accordingly, and notice of the revised assessment shall be served upon that person; or
- (b) failing to agree with the Comptroller as to the amount at which he is liable to be assessed, the Comptroller shall give him notice of refusal to amend the assessment and may revise the assessment to such amount as the Comptroller may determine, according to the best of his judgment, and the Comptroller shall give him notice of the revised assessment and of the tax payable, or the amount of refund of tax (as a result of the operation of section 46) or unabsorbed allowances, losses or donations, together with notice of refusal to amend the revised assessment.

[32/99; 22/2011]

(7) Wherever requisite, any reference in this Act to an assessment or an additional assessment shall be construed as including a reference to an assessment or additional assessment as revised under subsection (6)(b).

(8) If any incorrect information appears in a notice of assessment for any year of assessment served on a person who is exempted from the liability to furnish a return under section 62(2), he shall, within 30 days from the date of service of the notice or such extended time as the Comptroller may allow, inform the Comptroller by notice in writing —

- (a) if the incorrect information relates to any understatement or omission of income, of the correct amount of income from every source for that year of assessment; or
- (b) if the incorrect information relates to any deduction or relief which is excessive or which is wrongly granted, of the correct amount of deduction or relief for that year of assessment or the fact that the deduction or relief is wrongly granted, as the case may be.

[34/2008]

(9) The Minister may, by rules made under section 7, substitute a longer period for a period in subsection (3) or (8) for all persons or

cases, any class of persons or cases, or any person or case, and subsection (3) or (8) (as the case may be) applies accordingly to all persons or cases, the class of persons or cases, or the person or case.

*[Act 34 of 2016 wef 29/12/2016]*

(10) The rules mentioned in subsection (9) may —

(a) provide that the substitute period applies only if such conditions as may be specified in the rules are satisfied; and

(b) prescribe different substitute periods for different persons or cases and classes of persons or cases.

*[Act 34 of 2016 wef 29/12/2016]*

### **Errors and defects in assessment and notice**

77.—(1) No assessment, warrant or other proceeding purporting to be made in accordance with the provisions of this Act shall be quashed, or deemed to be void or voidable, for want of form, or be affected by reason of a mistake, defect or omission therein, if it is in substance and effect in conformity with or according to the intent and meaning of this Act, and if the person assessed or intended to be assessed or affected thereby is designated therein according to common intent and understanding.

(2) An assessment shall not be impeached or affected —

(a) by reason of a mistake therein as to —

(i) the name or surname of a person liable;

(ii) the description of any income; or

(iii) the amount of tax charged; and

(b) by reason of any variance between the assessment and the notice thereof.

(3) In cases of assessment, the notice thereof shall be duly served on the person intended to be charged and such notice shall contain in substance and effect the particulars on which the assessment is made.

[7/79; 49/2004; 53/2007]

(5) The Comptroller shall not be entitled to object to the Chairman or any Deputy Chairman of the Board and the number of members of the Board objected to by the Comptroller shall not, when added to the number objected to by the appellant, exceed one-half of the total number of members of the Board.

[49/2004]

[49/2004]

(7) Where the Chairman of the Board or a Deputy Chairman of the Board determines under subsection (6) that the reason for any objection is valid, the member of the Board in respect of whom the objection was made shall not attend the hearing of the appeal of the appellant.

[49/2004]

(8) Where the Chairman of the Board or a Deputy Chairman of the Board determines under subsection (6) that the reason for any objection is not valid, the Chairman or Deputy Chairman shall reject that objection and inform the appellant or the Comptroller accordingly.

[49/2004]

(9) Where an objection has been rejected by the Chairman of the Board or a Deputy Chairman of the Board under subsection (8), the member of the Board in respect of whom that objection was made may attend the hearing of the appeal of the appellant.

[49/2004]

(10) The decision of the Chairman of the Board or a Deputy Chairman of the Board under subsection (6) shall be final.

[49/2004]

(11) The Chairman of the Board may, in his discretion and on such terms as he thinks fit, permit any person to proceed with an appeal notwithstanding that the notice of appeal or petition of appeal was not lodged within the time limited therefor by this section, if it is shown to the satisfaction of the Chairman that the person was prevented from lodging the notice or petition in due time owing to absence, sickness or other reasonable cause and that there has been no unreasonable delay on his part.

[49/2004]

(12) Except with the consent of the Board and on such terms as the Board may determine, an appellant may not at the hearing of his appeal rely on any grounds of appeal other than the grounds stated in his petition of appeal.

## Hearing and disposal of appeals

**80.**—(1) On receipt of a petition of appeal, the secretary shall immediately forward one copy thereof to the Comptroller and shall, as soon as may be thereafter, fix a time and place for the hearing of the appeal and shall give 14 days' notice thereof both to the appellant and to the Comptroller.

[53/2007]

(2) The appellant and the Comptroller shall attend, either in person or by an advocate and solicitor or accountant, at such times and places as may be fixed for the hearing of the appeal.

(3) If it is proved to the satisfaction of the Board that, owing to absence, sickness or other reasonable cause, any person is prevented from so attending, the Board may postpone the hearing of the appeal for such reasonable time as it thinks necessary.

(4) The onus of proving that the assessment is excessive or that the amount of any unabsorbed losses, allowances or donations that may be carried forward ought to be of a higher amount than that assessed (as the case may be), shall be on the appellant.

[22/2011]

(5) The Board shall have the following powers:

- (a) to summon to attend at the hearing of an appeal any person whom it may consider able to give evidence respecting the appeal, to examine such person as a witness either on oath or otherwise and to require such person to produce such books, papers or documents as the Board may think necessary for the purposes of the appeal;
- (b) to allow any person so attending any reasonable expenses necessarily incurred by him in so attending; such expenses shall form part of the costs of the appeal and, pending and subject to any order by the Board as to such costs, shall be paid by the appellant or the Comptroller, as the Board may direct;
- (c) all the powers of a District Court with regard to the enforcement of attendance of witnesses, hearing evidence on oath and punishment for contempt;

(d) subject to section 79(12), to admit or reject any evidence adduced, whether oral or documentary and whether admissible or inadmissible under the provisions of any written law for the time being in force relating to the admissibility of evidence.

(6) Every person examined as a witness by or before the Board, whether on oath or otherwise, shall be legally bound to state the truth and to produce such books, papers or documents as the Board may require.

(7) The costs of an appeal shall be in the discretion of the Board and shall either be fixed by the Board or, on the order of the Board, taxed by the Registrar or an Assistant Registrar of the Supreme Court in accordance with the scale prescribed by regulations made under section 78(16).

(8) Where the Comptroller is awarded costs of an appeal, he shall be entitled to his full costs of the appeal, including a fee for any counsel appearing on his behalf in the appeal, and the amount of such costs shall be added to the tax charged (if any) and be recoverable as if it were tax imposed under this Act and payable by the appellant.

[22/2011]

(9) Notwithstanding anything in section 85, the Board may, on the application of the Comptroller made at any time after notice of appeal has been given, require the appellant to furnish security, in such sum and within such time as may be specified, for payment of tax, and if security is not furnished in the sum and within the time specified, the tax assessed by the Comptroller shall become payable and recoverable immediately.

(10) The Board may, after hearing an appeal, confirm, reduce, increase or annul the assessment (including the amount of any unabsorbed losses, allowances or donations that may be carried forward) or make such order thereon as it thinks fit.

[22/2011]

(11) Where, under subsection (10), the Board does not reduce or annul the assessment, the Board may, if in its opinion the appeal was vexatious or frivolous, order the appellant to pay, as costs of the Board and in addition to any costs awarded to the Comptroller, a sum

not exceeding \$250, which sum shall be added to the tax charged (if any) and be recoverable as if it were tax imposed under this Act and payable by him.

[22/2011]

(12) Every member of the Board, when and so long as he is acting as such, shall be deemed to be a public servant within the meaning of the Penal Code (Cap. 224) and shall enjoy the same judicial immunity as is enjoyed by a District Judge.

(13) All proceedings in appeals to the Board under this Act shall be deemed to be judicial proceedings within the meaning of the Penal Code.

(14) Notice of the amount of tax payable under the assessment as determined by the Board shall be served by the Comptroller either personally or by registered post upon the appellant.

### **Hearing of appeal in absence of member of Board**

**80A.**—(1) Despite anything in this Part, if, in the course of any appeal, or, in the case of a reserved judgment in any appeal, at any time before delivery of the judgment, any member of the Board hearing the appeal resigns or is unable, through illness or any other cause, to continue to hear or to determine the appeal, the remaining members of the Board (if 2 or more), must hear and determine the appeal unless the parties object.

(2) In subsection (1), the Board is deemed to be duly constituted for the purposes of the appeal despite the member's resignation or inability to act.

(3) Despite section 78(14), in a case under subsection (1) —

(a) where there are more than 2 members of the Board remaining, the appeal is to be decided in accordance with the decision of the majority of the remaining members of the Board and, if there is an equality of votes, the Chairman of the Board or, in the Chairman's absence, the member presiding has a second or casting vote; or

- (b) where there are only 2 members of the Board remaining, the appeal is to be decided in accordance with the unanimous decision of both members.
- (4) The appeal must be reheard —
  - (a) if the parties do not consent to the proceedings continuing before the remaining members of the Board under subsection (1); or
  - (b) if the appeal is heard or determined by only 2 remaining members of the Board and they are unable to reach a unanimous decision.

### Appeals to High Court

**81.**—(1) Except as provided in this section, the decision of the Board shall be final.

(2) In any case in which the amount of tax payable, tax to be refunded as a result of the operation of section 46 or notional tax benefit, as determined by the Board (excluding the amount of any costs awarded) exceeds \$200, the appellant or the Comptroller may appeal to the High Court from the decision of the Board upon any question of law or of mixed law and fact.

[22/2011]

(3) The procedure governing and the costs of any such appeal to the High Court shall be as provided for in the Rules of Court.

[2/2012]

(4) The High Court shall hear and determine any such appeal and may confirm, reduce, increase or annul the assessment (including the amount of any unabsorbed losses, allowances or donations that may be carried forward) determined by the Board and make such further or other order on such appeal, whether as to costs or otherwise, as the Court may think fit.

[22/2011]

(5) There shall be such further right of appeal from decisions of the High Court under this section as exists in the case of decisions made by that Court in the exercise of its original civil jurisdiction.

(6) [*Deleted by Act 2 of 2012*]

(7) In this section, “notional tax benefit”, in relation to a year of assessment, means an amount ascertained in accordance with the formula

$$[(A_1 - B_1) \times C] + [(A_2 - B_2) \times C] + [(A_3 - B_3) \times C],$$

where  $A_1$  is the amount of unabsorbed losses as at the end of the basis period for the year of assessment claimed by a person;

$A_2$  is the amount of unabsorbed allowances under section 16, 17, 18B, 18C, 19, 19A, 19B, 19C, 19D or 20 claimed by the person for the year of assessment;

$B_3$  is the amount of unabsorbed donations as at the end of the basis period for the year of assessment as determined by the Comptroller; and

(b) in any other case, the rate of tax applicable to the person for the year of assessment as specified in section 43(1).

[22/2011]

### Cases stated for High Court

**82.**—(1) The Board may at any time and in regard to any appeal, with or without proceeding to the determination of the appeal, state a case on a question of law for the opinion of the High Court.

(2) A stated case shall set forth the facts and any finding of fact by the Board, the decision, if any, of the Board, and the question for the opinion of the High Court, and shall be signed by the officiating chairman or, in his absence, by any other member attending the sitting at which the appeal was heard.

(3) The secretary shall transmit the case, when stated and signed as aforesaid, to the High Court, and shall forward a copy thereof to the appellant and to the Comptroller.

[53/2007]

(4) The High Court may cause a stated case to be sent back for amendment and thereupon the case shall be amended accordingly.

(5) In considering any stated case, the High Court shall afford opportunity for argument thereon to be put forward by or on behalf of the appellant and the Comptroller.

(6) The High Court shall hear and determine any question of law arising on a stated case and may in accordance with its decision thereon confirm, reduce, increase or annul any assessment (including the amount of any unabsorbed losses, allowances or donations that may be carried forward) determined by the Board in the appeal, or may remit the case to the Board with the opinion of the Court thereon.

[22/2011]

(7) Where a case is so remitted by the High Court, the Board shall be bound by the opinion of the Court and shall give effect thereto by its decision in the appeal or, as the case may be, by revising any previous decision made by it in the appeal to the extent, if any, to which that previous decision does not accord with the opinion of the Court.

### Proceedings before Board and High Court

**83.**—(1) Subject to subsections (2) and (3), all proceedings before the Board and in appeals to, or in cases stated for the opinion of, the High Court under the provisions of this Part, and in appeals from

decisions of the High Court under section 81(5) shall be heard in camera.

[5/77]

(2) Where the Comptroller or the taxpayer applies to the Board or the High Court, as the case may be, that the proceedings be heard by way of a hearing open to the public, the Board or the Court may direct that the proceedings be so heard, notwithstanding any objection from the other party to the proceedings.

(5) Section 79 shall apply in respect of an appeal against a determination of the Comptroller under this section except that no such appeal shall be entertained until the sum of \$250 has been deposited with the secretary to the Board of Review.

(3) Any document provided by any person under this Schedule shall be retained by the Comptroller.

10. The Comptroller may at any time request further relevant information from an applicant for a ruling.
