(7C) If any condition imposed by the Comptroller under subsection (7A) has not been complied with by the employer of an individual, then despite the undertaking given by the employer, the gains or profits derived by the individual from the right or benefit to acquire shares in a company are to be assessed in accordance with subsection (7) and are deemed to be income accruing to the individual in the year in which the condition is not complied with.

Tax treatment for trading stock appropriated for non-trade or capital purpose

10J.—(1) This section applies where, at any time on or after 16 November 2021, a person carrying on a trade or business appropriates any trading stock of that trade or business for a purpose other than for sale or disposal in the ordinary course of any of the person’s trades or businesses in circumstances that give rise to a reasonable inference that the appropriation is permanent.

[27/2021]

(2) Without limiting the generality of the expression, a person appropriates trading stock for a purpose other than for sale or disposal in the ordinary course of any of the person’s trades or businesses if the person —

- (a) holds or uses the trading stock as a capital asset; or
- (b) donates the trading stock.

[27/2021]

(3) The following is treated for the purposes of this Act as the person’s income for the firstmentioned trade or business in

subsection (1) for the year of assessment relating to the basis period in which the date of appropriation of the trading stock falls:

- (a) where the appropriation is by way of a donation of the trading stock that qualifies for a deduction under section 37(3)(b), (e) or (f) for any year of assessment — an amount equal to the person's cost of acquiring, making or constructing the trading stock;
- (b) in any other case — an amount equal to the open market value of the trading stock as at the date of the appropriation.

[27/2021]

(8) Where subsection (3) applies to a person for a year of assessment and that person has not been assessed accordingly in that year of assessment, any income arising because of that

subsection is treated as the person's income for the year of assessment in which the Comptroller discovers sufficient facts on which the Comptroller may reasonably conclude that there has been such appropriation.

[27/2021]

(9) In this section —

“open market value”, in relation to any trading stock, means —

- (a) the amount that would be realised if the trading stock had been sold on the open market on the date of appropriation of the trading stock; or

- (b) derived in the prescribed person's capacity as a trustee of a designated unit trust referred to in section 35(14) in a basis period or part of a basis period for a year of assessment, where the person has elected under section 35(12) for that provision to apply to any of the person's income in that basis period or that part of the basis period;

[2/2016]

(2) Where —

- (a) income of any prescribed person, being a company, has been exempt from tax under subsection (1) in any year of assessment; and

the prescribed person the value of which is more than the prescribed percentage of the total value of all issued securities of the prescribed person on the relevant day, then the relevant owner is liable to pay to the Comptroller, in such manner and within such reasonable time as may be determined by the Comptroller, a penalty to be computed in accordance with the formula

$$A \times B \times C,$$

where A is the percentage which the value of the issued securities of the prescribed person beneficially owned on the relevant day by the relevant owner bears to the total value of all issued securities of the prescribed person on the relevant day;

B is the amount of income of the prescribed person as reflected in the audited account of the prescribed person for the basis period relating to that year of assessment; and

C is the tax rate specified in section 43(1)(a) applicable to that year of assessment.

(3) Subsection (2) does not apply to a relevant owner if —

- (b) a person (called in this section the relevant beneficiary), either alone or together with the relevant beneficiary's associates, beneficially owns on the relevant day any part of the trust fund the value of which is more than the prescribed percentage of the total value of the trust fund on the relevant day,

then the relevant beneficiary is liable to pay to the Comptroller, in such manner and within such reasonable time as may be determined by the Comptroller, a penalty to be computed in accordance with the formula

$$A \times B \times C,$$

where A is the percentage which the value of the part of the trust fund beneficially owned on the relevant day by the relevant beneficiary bears to the total value of the trust fund on the relevant day;

B is the amount of income of the prescribed person as reflected in the audited account of the prescribed person for the basis period relating to that year of assessment; and

C is the tax rate specified in section 43(1)(c) applicable to that year of assessment.

(5) Subsection (4) does not apply to a relevant beneficiary if —

- (a) the Comptroller permits the relevant beneficiary to take steps to reduce the ownership of the trust fund by the relevant beneficiary or the relevant beneficiary's associates within such period as the Comptroller may specify, being a period of no more than 3 months from the relevant day; and
- (b) by the end of the specified period, the value of the part of the trust fund beneficially owned by the relevant

 - (ii) if the prescribed person is the trustee of a trust fund, any part of the trust fund; and
- (c) the person mentioned in paragraph (b) is a non-bona fide entity,

then the person mentioned in paragraph (b) is not liable to pay the penalty mentioned in subsection (2) or (4); but a person (called in this section the liable person) who —

- (d) beneficially owns on the relevant day equity interests of the person mentioned in paragraph (b); and
- (e) is not himself, herself or itself a non-bona fide entity,

is liable to pay to the Comptroller, in such manner and within such reasonable time as may be determined by the Comptroller, a penalty to be computed in accordance with the formula specified in subsection (6A) if, and only if, the total of —

- (f) the value of the equity interests of the prescribed person or of the trust fund for which the prescribed person is the trustee (as the case may be) that are beneficially owned by the liable person on the relevant day; and
- (g) the value of the equity interests of the prescribed person or of the trust fund for which the prescribed person is the trustee (as the case may be) that are beneficially owned by the associates of the liable person on the relevant day,

exceeds the prescribed percentage of the total value of all the equity interests of the prescribed person or of the trust fund (as the case may be) on that day.

(6A) The formula for the penalty referred to in subsection (6) is as follows:

$$A \times B \times C,$$

C is the tax rate applicable to that year of assessment as specified in section 43(1)(a) (if the prescribed person is a company) or 43(1)(c) (if the prescribed person is a trustee of a trust fund).

(6B) Subsection (3) or (5) (whichever is applicable) applies, with the necessary modifications, to the liable person as it applies to a relevant owner or relevant beneficiary as if the reference to subsection (2) or (4) (as the case may be) is a reference to subsection (6).

(7) For the purposes of subsections (6)(d), (f) and (g) and (6A), if —

- (a) a person beneficially owns (including by virtue of one or more applications of this subsection) equity interests of a person (called in this subsection a first level entity); and
- (b) the first level entity beneficially owns equity interests of another person (called in this subsection a second level entity),

then the firstmentioned person is taken to beneficially own equity interests of the second level entity; and the percentage which the value of those equity interests bears to the total value of all equity interests of the second level entity is computed in accordance with the formula

$$A \times B,$$

where A is the percentage which the value of equity interests of the first level entity beneficially owned by the firstmentioned person bears to the total value of all equity interests of the first level entity; and

B is the percentage which the value of equity interests of the second level entity beneficially owned by the first level entity bears to the total value of all equity interests of the second level entity.

(7A) Subsection (7) also has effect for the purpose of determining, under subsections (6)(f) and (g) and (6A), the beneficial ownership of a person in the equity interests of a trust fund for which a prescribed person is a trustee, with the following modifications:

- (a) the reference in subsection (7)(b) to the equity interests of another person (when applied to that trust fund) is to be read as the equity interests in that fund;
- (b) the reference in the definition of B under subsection (7) to the value of equity interests of the second level entity beneficially owned by the first level entity (when applied to that trust fund) is to be read as the value of the part of the trust fund beneficially owned by the first level entity;
- (c) the reference in the definition of B under subsection (7) to the total value of all equity interests of the second level entity (when applied to that trust fund) is to be read as the total value of the trust fund.

(7B) The Minister or such person as he may appoint may at any time, in the discretion of the Minister or person and subject to such conditions as the Minister or person may impose, remit or refund, wholly or in part, the penalty that is payable or paid by a person under

subsection (2), (4) or (6); and section 92(2B) to (2E) applies, with the necessary modifications, to any non-compliance with any such condition as it applies to the non-compliance with a condition imposed under section 92(2).

C is the tax rate specified in section 43(1)(a) applicable to that year of assessment.

- (4) Subsection (3) does not apply to a relevant owner if —
- (a) the Comptroller permits the relevant owner to take steps to reduce the ownership of the issued securities by the relevant owner or the relevant owner's associates within such period as the Comptroller may specify, being a period of no more than 3 months from the relevant day; and
 - (b) by the end of the specified period, the value of the issued securities beneficially owned by the relevant owner together with the relevant owner's associates is no more than the prescribed percentage of the total value of all issued securities of the approved company on the relevant day.
- (5) Despite subsection (3), where —
- (a) income of any approved company has been exempt from tax under subsection (1) in any year of assessment;
 - (b) a person, either alone or together with the person's associates, beneficially owns on the relevant day any issued securities of the approved company; and
 - (c) the person mentioned in paragraph (b) is a non-bona fide entity,

then the person mentioned in paragraph (b) is not liable to pay the penalty referred to in subsection (3); but a person (called in this section the liable person) who —

- (d) beneficially owns on the relevant day equity interests of the person mentioned in paragraph (b); and
 - (e) is not himself, herself or itself a non-bona fide entity,
- is liable to pay to the Comptroller, in such manner and within such reasonable time as may be determined by the Comptroller, a penalty to be computed in accordance with the formula specified in subsection (5A), if, and only if, the total of —

- (f) the value of the equity interests of the approved company beneficially owned by the liable person on the relevant day; and
- (g) the value of the equity interests of the approved company beneficially owned by the associates of the liable person on the relevant day,

exceeds the prescribed percentage of the total value of all the equity interests of the approved company on that day.

(5A) The formula for the penalty referred to in subsection (5) is as follows:

$$A \times B \times C,$$

where A is the percentage which the value of the equity interests of the approved company beneficially owned on the relevant day by the liable person bears to the total value of all equity interests of the approved company on the relevant day;

B is the amount of income of the approved company as reflected in the audited account of the approved company for the basis period relating to that year of assessment; and

C is the tax rate applicable to that year of assessment as specified in section 43(1)(a).

(5B) Subsection (4) applies, with the necessary modifications, to the liable person as it applies to a relevant owner as if the reference to subsection (3) is a reference to subsection (5).

- (6) For the purposes of subsections (5)(d), (f) and (g) and (5A), if—
 - (a) a person beneficially owns (including by virtue of one or more applications of this subsection) equity interests of a person (called in this subsection a first level entity); and
 - (b) the first level entity beneficially owns equity interests of another person (called in this subsection a second level entity),

then the firstmentioned person is taken to beneficially own equity interests of the second level entity; and the percentage which the value of those equity interests bears to the total value of all equity interests of the second level entity is computed in accordance with the formula

$$A \times B,$$

where A is the percentage which the value of equity interests of the first level entity beneficially owned by the firstmentioned person bears to the total value of all equity interests of the first level entity; and

B is the percentage which the value of equity interests of the second level entity beneficially owned by the first level entity bears to the total value of all equity interests of the second level entity.

(6A) The Minister or such person as he may appoint may at any time, in the discretion of the Minister or person and subject to such conditions as the Minister or person may impose, remit or refund, wholly or in part, the penalty that is payable or paid by a person under subsection (3) or (5); and section 92(2B) to (2E) applies, with the necessary modifications, to any non-compliance with any such condition as it applies to the non-compliance with a condition imposed under section 92(2).

Provisions by banks and qualifying finance companies for doubtful debts and diminution in value of investments

14G.—(1) Subject to this section, for the purpose of ascertaining the income for the basis period for any year of assessment of a bank or qualifying finance company, there is allowed as a deduction an amount in respect of the provision for doubtful debts arising from its loans and the provision for diminution in the value of its investments in securities, made in that basis period.

(2) Where in the basis period for any year of assessment —

- (a) any amount of the provisions is written back, that amount is treated as having been allowed as a deduction under this section and is deemed to be a trading receipt of the bank or qualifying finance company for that basis period;
- (b) the bank or qualifying finance company permanently ceases to carry on business in Singapore, any provisions in the account of the bank or qualifying finance company as at the date of the cessation are deemed to be a trading receipt of the bank or qualifying finance company for that basis period.

(2A) If, for a basis period beginning on or after 1 January 2018, the relevant amount for the bank or qualifying finance company is a

negative amount, then, for the purpose of subsection (1), the bank or qualifying finance company is treated as having made in that basis period provisions for doubtful debts arising from its loans and for the diminution in the value of its investments in securities, of an amount equal to that amount expressed as a positive amount.

[45/2018]

(2B) If, for a basis period beginning on or after 1 January 2018, the relevant amount for the bank or qualifying finance company is a positive amount, then, for the purpose of subsection (2)(a), the bank or qualifying finance company is treated as having written back in that basis period an amount of its provisions that is equal to that amount.

[45/2018]

(2C) The relevant amount for the bank or qualifying finance company in subsections (2A) and (2B) is an amount computed using the formula $A + B + C$, where —

(a) A is —

- (i) if a loss is recognised, in accordance with FRS 109 or SFRS(I) 9 (as the case may be), in the profit and loss account of the bank or qualifying finance company for that basis period in respect of its loans that are not credit-impaired, owing to any provisions made for expected credit losses arising from those loans, the amount of that loss expressed as a negative amount; or
- (ii) if a gain is recognised, in accordance with FRS 109 or SFRS(I) 9 (as the case may be), in the profit and loss account of the bank or qualifying finance company for that basis period in respect of its loans that are not credit-impaired, owing to a write-back of any provisions made for expected credit losses arising from those loans, the amount of that gain expressed as a positive amount;

(b) B is —

- (i) if a loss is recognised, in accordance with FRS 109 or SFRS(I) 9 (as the case may be), in the profit and loss

account of the bank or qualifying finance company for that basis period in respect of its investments in securities that are not credit-impaired, owing to any provisions made for expected credit losses arising from those securities, the amount of that loss expressed as a negative amount; or

- (ii) if a gain is recognised, in accordance with FRS 109 or SFRS(I) 9 (as the case may be), in the profit and loss account of the bank or qualifying finance company for that basis period in respect of its investments in securities that are not credit-impaired, owing to a write-back of any provisions made for expected credit losses arising from those securities, the amount of that gain expressed as a positive amount; and

(c) C is —

- (i) if an MAS notice mentioned in subsection (6A) requires the bank or qualifying finance company to make for that basis period an amount of allowance for loans or investments in securities that are not credit-impaired, and that amount is recognised in the retained earnings account of the bank or qualifying finance company as required by that MAS notice, that amount expressed as a negative amount; or
- (ii) if an MAS notice mentioned in subsection (6A) requires the bank or qualifying finance company to reverse an amount of any allowance mentioned in sub-paragraph (i) for a basis period, and that amount is recognised in the retained earnings account of the bank or qualifying finance company as required by that MAS notice, that amount expressed as a positive amount.

[45/2018]

(2D) For the purpose of subsection (2)(b), if the bank or qualifying finance company permanently ceases to carry on business in Singapore in a basis period beginning on or after 1 January 2018,

then the amount that is deemed as its trading receipts for that basis period is the sum of —

- (a) any provisions in its expected credit loss allowance account in respect of loans and securities that are not credit-impaired at the date of the cessation; and
- (b) any provisions at that date in the reserve account that it is required to maintain by an MAS notice.

[45/2018]

(2E) Where, in any basis period that begins on a day before 1 January 2018 —

- (a) the bank or qualifying finance company prepares or maintains financial accounts in accordance with FRS 109 or SFRS(I) 9 (as the case may be), even though it is only required to do so in a later basis period; and
- (b) the relevant amount for it is a negative amount,

then, for the purpose of subsection (1), the bank or qualifying finance company is treated as having made in that basis period provisions for doubtful debts arising from its loans and for the diminution in the value of its investments in securities, of an amount equal to that amount expressed as a positive amount.

[45/2018]

(2F) Where, in any basis period that begins on a day before 1 January 2018 —

- (a) the bank or qualifying finance company prepares or maintains financial accounts in accordance with FRS 109 or SFRS(I) 9 (as the case may be), even though it is only required to do so in a later basis period; and
- (b) the relevant amount for it is a positive amount,

then, for the purpose of subsection (2)(a), the bank or qualifying finance company is treated as having written back in that basis period an amount of its provisions that is equal to that amount.

[45/2018]

(2G) The relevant amount for the bank or qualifying finance company in subsections (2E) and (2F) is an amount computed using

the formula $A + B$, where A and B have the meanings given by subsection (2C).

[45/2018]

(2H) The Minister may make regulations to provide for any transitional matter in connection with the application of subsections (2A) to (2G) to a bank or qualifying finance company for the year in which it first becomes a qualifying person within the meaning of section 34AA, including substituting a provision in place of subsection (5).

[45/2018]

(3) The total amount deemed as trading receipts under subsection (2), (2B), (2D), (2F) or (4A)(f) must not exceed the total amount of all deductions previously allowed under this section.

[45/2018]

(4) Where in a scheme of amalgamation involving 2 or more banks or finance companies whereby the whole or substantially the whole of the undertaking of any bank or finance company is transferred to another bank or finance company, the Minister may, if he or she thinks fit and on such conditions as he or she may impose, by order declare that any provisions in the account of the transferor bank or transferor finance company which have been transferred to the transferee bank or transferee finance company are not deemed under subsection (2)(b) to be a trading receipt of the transferor bank or transferor finance company; and the provisions so declared are for the purposes of this section treated as having been allowed to the transferee bank or transferee finance company as a deduction under this section.

(4A) Where —

- (a) loans or securities are transferred by a bank or qualifying finance company (called in this subsection the transferor) to another person (called in this subsection the transferee);
- (b) the transfer is not pursuant to a scheme of amalgamation;
- (c) provision for doubtful debts arising from those loans, or provision for diminution in the value of investments in those securities, is also transferred by the transferor to the transferee; and

(d) a deduction of an amount in respect of that provision was previously allowed under this section to the transferor,
then —

- (e) in a case where both the transferor and the transferee are in the business of lending money on the date of the transfer, the deduction previously allowed to the transferor is treated, for the purposes of this section, as having been allowed to the transferee under this section; and
- (f) in any other case, the provision is treated as a trading receipt of the transferor for the basis period in which the date of transfer falls.

[39/2017; 45/2018]

(5) Subject to subsection (6), the total amount of the provisions to be allowed as a deduction under this section for any year of assessment must not exceed the lowest of —

- (a) 25% of the qualifying profits for the basis period for that year of assessment;
- (b) $\frac{1}{2}$ % of the prescribed value of the loans and investments in securities in the basis period for that year of assessment; and
- (c) 3% of the prescribed value of the loans and investments in securities in the basis period for that year of assessment, less the total amount of all deductions previously allowed under this section which have not been deemed to be trading receipts under subsections (2), (2B), (2D), (2F) and (4A)(f).

[45/2018]

(6) No deduction is allowed for any year of assessment —

- (a) where there are no qualifying profits in the basis period for that year of assessment; or
- (b) where the total amount of all deductions previously allowed under this section, which have not been deemed to be trading receipts under subsections (2), (2B), (2D), (2F) and (4A)(f), is in excess of 3% of the prescribed value

of the loans and investments in securities for the relevant basis period for that year of assessment.

[45/2018]

(6AA) Subsections (5) and (6) do not apply to any bank or qualifying finance company for the years of assessment 2021 and 2022.

[41/2020]

(6AB) For the purposes of subsections (5) and (6) —

- (a) the provision during that period by a qualifying employee of the qualifying person, of services that satisfy subsection (2) to an IPC; or

[32/2019]

(1B) Where the qualifying expenditure is not salary expenditure, the deduction that the qualifying person is to be allowed is as follows:

- (a) where the expenditure is allowable as a deduction under section 14 — a further deduction equal to 150% of the endorsed amount of the expenditure in addition to the deduction allowed under that section;

- (b) where the expenditure is not allowable as a deduction under section 14 — a deduction equal to 250% of the endorsed amount of the expenditure.

[32/2019]

(2) The services mentioned in subsection (1)(a) must be —

- (a) the subject of an arrangement between the qualifying person and the IPC; and

(a) incur qualifying expenditure in relation to one IPC in a period or calendar year which in total exceeds the maximum amount for that period or calendar year under subsection (4); and

(b) claim a deduction under subsection (1) for such expenditure,

the deduction is to be allowed for such part or parts of the expenditure incurred by such person or persons that the IPC specifies to the Comptroller.

[34/2016]

(5A) Where a qualifying person opted in a declaration under subsection (6) to compute any salary expenditure at the prescribed hourly rate, then the computed salary amount —

(a) is treated as the amount of that expenditure incurred by the qualifying person for the purposes of subsections (3) and (5); and

(b) is to be used in computing the maximum amount of qualifying expenditure for which deductions may be allowed in relation to the IPC in question for the purposes of subsection (4).

[32/2019]

(6) A deduction under subsection (1) may only be allowed for any qualifying expenditure if —

(a) before the date the services are first provided to the IPC in the basis period or the date of commencement of the secondment (as the case may be), the qualifying person

 - (i) the qualifying expenditure is salary expenditure; and
 - (ii) the qualifying person opted in the declaration under subsection (6) to compute the expenditure at the prescribed hourly rate,

the actual number of hours for which the services were provided, as well as the number of those hours (which may be the same number or a smaller number of hours) endorsed by the IPC for the deduction under subsection (1); or

- (b) in all other cases, the amount of the actual qualifying expenditure incurred, as well as the part of that amount (which may be the full amount or a part of it) endorsed by the IPC for the deduction under subsection (1).

[32/2019]

(7) A deduction is not allowed under subsection (1) for any expenditure to the extent that it is or is to be subsidised by a grant or subsidy from the Government or a statutory board.

[34/2016]

(8) A deduction is not allowed under subsection (1) in relation to the provision of any service or any secondment if there is any agreement or understanding (whether oral or in writing and whether express or implied) that the IPC will confer a benefit of any kind on the qualifying person in return for the provision of the service or the secondment.

[34/2016]

(9) A deduction is not allowed under subsection (1) for any expenditure incurred on any activity that is or is to be subsidised, fully or partially, by a matching grant under the Share as One Programme administered by the National Council of Social Services.

[34/2016]

(10) The Comptroller may disallow in whole or in part a claim for a deduction under subsection (1) if the Comptroller is not satisfied that the endorsed amount of the expenditure or the endorsed number of hours (as the case may be) is reasonable having regard to the period and nature of the services provided or the period and nature of the secondment (as the case may be), and other relevant circumstances.

[34/2016; 32/2019]

(11) If, at any time after a qualifying person has been allowed a deduction under subsection (1) for any qualifying expenditure, the person is reimbursed for any amount of the expenditure, the amount of the deduction that corresponds to the expenditure reimbursed is treated as the person's income for the year of assessment in which the Comptroller discovers the reimbursement.

[34/2016]

(11A) Where —

- (a) the qualifying expenditure mentioned in subsection (11) is salary expenditure; and
- (b) the computed salary amount of that expenditure was used to compute the amount of deduction allowed to the qualifying person,

then, for the purpose of that subsection, the amount of the deduction that corresponds to the expenditure reimbursed is to be computed using the formula

$$A + \left(\frac{A}{B} \times 150\% \times C \times D \right),$$

where —

- (c) A is the amount of the reimbursement;
- (d) B is the amount of the actual salary expenditure;

PART 6

CAPITAL ALLOWANCES

Initial and annual allowances for industrial buildings and structures

16.—(1) Where, in or after the basis period for the first year of assessment under this Act, a person incurs capital expenditure on the construction of a building or structure which is to be an industrial building or structure occupied for the purposes of a trade, there is to be made to the person who incurred the expenditure for the year of assessment in the basis period for which the expenditure was incurred an allowance to be known as an “initial allowance” equal to 25% thereof.

- (2) For the purposes of subsection (1) —
- (a) where 2 basis periods overlap, the period common to both is deemed to fall in the first basis period only;
 - (b) where there is an interval between the end of the basis period for a year of assessment and the commencement of a basis period for the next succeeding year of assessment, then, unless the second-mentioned year of assessment is the year of the permanent discontinuance of the trade, the interval is deemed to be part of the second basis period; and
 - (c) where there is an interval between the end of the basis period for the year of assessment preceding that in which the trade is permanently discontinued and the commencement of the basis period for the year in which it is permanently discontinued, the interval is deemed to form part of the first basis period.

(3) Any capital expenditure incurred for the purposes of a trade by a person about to carry on that trade is treated for the purposes of subsection (1) as if it had been incurred by that person on the first day on which that person does carry on that trade.

(4) Where any person is, at the end of the basis period for any year of assessment, entitled to an interest in a building or structure which is an industrial building or structure and where that interest is the relevant interest in relation to the capital expenditure incurred before 1 January 2006 on the construction of that building or structure, an allowance, to be known as an “annual allowance”, equal to 3% of the total capital expenditure incurred by that person on the construction of that building or structure is to be made to that person for that year of assessment.

(5) Where at any time in or after the basis period for the first year of assessment under this Act and before 1 January 2006, the interest in a building or structure which is the relevant interest in relation to any capital expenditure incurred before that date on the construction of that building or structure is sold while the building or structure is an industrial building or structure or after it has ceased to be one, the annual allowance, in the years of assessment the basis periods for

which end after the time of that sale, is to be computed by reference to the residue of that expenditure immediately after the sale and is —

- (a) the fraction of that residue the numerator of which is one and the denominator of which is the number of years of assessment comprised in the period which begins with the first year of assessment for which the buyer is entitled to an annual allowance or would be so entitled if the building or structure had at all material times continued to be an industrial building or structure, and ends with the fiftieth year after that in which the building or structure was first used; or
- (b) 3% of that residue,

whichever is the greater, and so on for any subsequent sales.

(6) In the case referred to in subsection (4), no annual allowance may be made to any person for any year of assessment after the end of the fiftieth year after that in which the building or structure was first used.

(6A) Where any person is, at the end of the basis period for any year of assessment, entitled to an interest in a building or structure which is an industrial building or structure, and that interest is the relevant interest in relation to —

- (a) any capital expenditure incurred by the person on or after 1 January 2006 on the construction of that building or structure; or
- (b) a sale or purchase agreement entered into for that building or structure on or after that date, whether or not the building or structure was previously used as an industrial building or structure,

an annual allowance determined under subsection (6B) is to be made to the person for that year of assessment.

(6B) The annual allowance under subsection (6A) is equal to —

- (a) in the case referred to in subsection (6A)(a), 3% of the total capital expenditure incurred by the person on the construction of the building or structure; or

- (b) in the case referred to in subsection (6A)(b), 3% of the capital expenditure incurred by the person on the purchase of the building or structure.

(7) For the purposes of application to any industrial building or structure occupied for the purposes of a trade in intensive poultry production and approved by the Minister or such person as the Minister may appoint under section 18(1), the reference to 3% in subsections (4), (5) and (6B) and in sections 17(3)(a) and 18(9) is a reference to 5%.

(8) For the purposes of application to any industrial building or structure occupied for the purposes of a hotel on the island of Sentosa and approved by the Minister or such person as the Minister may appoint under section 18(1) —

- (a) the reference to 25% in subsection (1) is a reference to 20%;
- (b) the reference to 3% in subsections (4), (5) and (6B) and in sections 17(3)(a) and 18(9) is a reference to 2%; and
- (c) the reference to capital expenditure in subsections (1) and (4) does not include any capital expenditure incurred before 1 January 1982.

(9) For the purposes of application to any industrial building or structure used for the purposes of a project for the promotion of the tourist industry (other than a hotel) in Singapore and approved by the Minister or such person as the Minister may appoint under section 18(1)(i) —

- (a) the reference to 25% in subsection (1) is a reference to 20%;
- (b) the reference to 3% in subsections (4), (5) and (6B) and in sections 17(3)(a) and 18(9) is a reference to 2%; and
- (c) the reference to capital expenditure in subsections (1), (3) and (4) does not include any capital expenditure incurred before 1 January 1986.

(10) Despite anything in this section and section 17, where a person carrying out a project for the promotion of the tourist industry

approved by the Minister or such person as the Minister may appoint under section 18(1)(i) fails to comply with any condition imposed by the Minister, the Minister may revoke the approval and thereupon the Comptroller may at any time within 6 years (if the year of assessment relating to the basis period in which the approval is revoked is 2007 or a preceding year of assessment) or 4 years (if the year of assessment relating to the basis period in which the approval is revoked is 2008 or a subsequent year of assessment) from the date of the revocation make such assessment or additional assessment upon the person as may appear necessary in order to recover any tax which ought to have been paid by that person if any allowances under those sections had not been made to that person.

(11) Despite anything in this section, the amount of an annual allowance made to a person for any year of assessment in respect of any expenditure must not in any case exceed what, apart from the writing off falling to be made by reason of the making of that allowance, would be the residue of that expenditure at the end of the person's basis period for that year of assessment.

(12) For the purposes of subsection (1), where a person has incurred capital expenditure before 1 January 2006 on the purchase of an industrial building or structure (including the purchase of a leasehold interest therein of not less than 25 years) which has not previously been used by any person, the person is deemed to have incurred expenditure on the construction of that industrial building or structure equal to the cost of construction of that industrial building or structure or to the net price paid by the person for that industrial building or structure or the interest therein, whichever is less, if —

- (a) the person claiming the initial allowance by virtue of this subsection purchased the industrial building or structure or acquired the leasehold interest therein from the person who constructed that building or structure; and
- (b) no initial allowance has been granted under subsection (1) in respect of that industrial building or structure to the person who constructed that building or structure.

(13) For the purposes of subsection (1), where a person has incurred capital expenditure on or after 1 January 2006 on the purchase of an

industrial building or structure which has not previously been used by any person, the person is deemed to have incurred expenditure on the construction of that industrial building or structure equal to the capital expenditure incurred by the person on the purchase of that industrial building or structure if —

- (a) the person claiming the initial allowance by virtue of this subsection purchased the industrial building or structure from the person who constructed that building or structure; and
- (b) no initial allowance has been granted under subsection (1) in respect of that industrial building or structure to the person who constructed that building or structure.

(14) Unless otherwise provided in this Act or the Economic Expansion Incentives (Relief from Income Tax) Act 1967, where, in the basis period for any year of assessment, the trade, for which purpose the industrial building is used, produces income that is exempt from tax as well as income chargeable with tax, the allowances for that year of assessment must be made against each income for that year of assessment in such proportion as appears reasonable to the Comptroller in the circumstances.

(15) Subject to section 18B, this section does not apply to any capital expenditure incurred on or after 23 February 2010 on the construction or purchase of an industrial building or structure.

(16) Subject to subsection (18) and section 18B, no annual allowance may be made under subsections (4), (5) and (6A) to a person who incurs capital expenditure on or before 22 February 2010 on the construction or purchase of a building or structure which is not an industrial building or structure on 22 February 2010 but is an industrial building or structure on or after 23 February 2010.

(17) Section 18(2) and (3) applies for the purpose of determining under subsection (16) whether a building or structure is an industrial building or structure on 22 February 2010.

(18) Despite subsection (16), annual allowances under subsection (6A)(a) are to be made to a person who incurs capital expenditure on or before 22 February 2010 on a building or structure

which is still under construction on 22 February 2010 and which is to be an industrial building or structure upon completion of that construction, if the person —

- (a) on or before 22 February 2010 —
 - (i) has been granted the option to purchase the land or has entered into a sale and purchase agreement for the land on which the industrial building or structure is to be constructed;
 - (ii) has entered into a lease agreement to lease the land on which the industrial building or structure is to be constructed; or
 - (iii) has submitted an application to the Government or any statutory board —
 - (A) to bid for the purchase thereof of the land on which the industrial building or structure is to be constructed; or
 - (B) to lease therefrom the land on which the industrial building or structure is to be constructed; and
- (b) on or before 31 December 2010, has made an application for planning permission or conservation permission to the competent authority in accordance with the Planning Act 1998 for the development of the land comprising the construction work.

Balancing allowances and charges for industrial buildings and structures

17.—(1) Where any of the events referred to in subsection (1A) occurs while a building or structure is an industrial building or structure or after it has ceased to be one and —

- (a) any capital expenditure has been incurred on the construction of the building or structure before 1 January 2006; or

(b) either —

- (i) any capital expenditure has been incurred on the construction of the building or structure on or after 1 January 2006; or
- (ii) a sale and purchase agreement for the building or structure was entered into on or after that date,

then an allowance or a charge, to be known as a “balancing allowance” or a “balancing charge” is, in the circumstances mentioned in this section, to be made to or (as the case may be) on the person entitled to the relevant interest immediately before that event occurs for the year of assessment in the basis period for which that event occurs.

(1A) The events referred to in subsection (1) are —

- (a) the relevant interest in the building or structure is sold;
- (b) that interest, being a leasehold interest, comes to an end otherwise than on the person entitled thereto acquiring the interest which is reversionary thereon;
- (c) the building or structure is demolished or destroyed or, without being demolished or destroyed, ceases altogether to be used.

(2) In the case referred to in subsection (1)(a), no balancing allowance or balancing charge may be made to or on any person for any year of assessment by reason of any event occurring after the end of the fiftieth year after that in which the building or structure was first used.

(3) No balancing allowance may be made to any person —

- (a) on the sale of the relevant interest in the building or structure unless the person proves to the Comptroller’s satisfaction that the value of the building or structure to the person is less than —
 - (i) in the case referred to in subsection (1)(a), the amount of the capital expenditure incurred on the construction of the building or structure reduced by the amount of any initial and annual allowances

made (including an amount of 3% of the capital expenditure for each year in which no initial or annual allowance was made); or

- (ii) in the case referred to in subsection (1)(b), the amount of the capital expenditure incurred by the person on the construction or purchase of the building or structure (as the case may be) reduced by the amount of any initial and annual allowances made (including an amount of 3% of the capital expenditure for each year in which no initial or annual allowance was made); or

- (b) where the relevant interest in the building or structure is not sold but the building or structure is or would be redeveloped for any use other than as an industrial building or structure.

(4) Where there are no sale, insurance, salvage or compensation moneys, or where the residue of the expenditure immediately before the event exceeds those moneys, a balancing allowance is to be made and the amount thereof is the amount of the residue or (as the case may be) of the excess thereof over the moneys.

(5) If the sale, insurance, salvage or compensation moneys exceed the residue (if any) of the expenditure immediately before the event, a balancing charge is to be made and the amount on which it is made is an amount equal to the excess or, where the residue is nil, to the moneys.

(6) Despite anything in subsection (5) but subject to subsection (7), the amount on which a balancing charge is made on a person must not in any case exceed the aggregate of the following amounts:

- (a) the amount of the initial allowance (if any) made to the person in respect of the expenditure in question;
- (b) the amount of the annual allowances (if any) made to the person in respect of the expenditure in question.

(7) Unless otherwise provided in this Act or the Economic Expansion Incentives (Relief from Income Tax) Act 1967, where, in the basis period for any year of assessment, the trade, for which

purpose the industrial building is used, produces income that is exempt from tax as well as income chargeable with tax, and any balancing allowance or balancing charge arises to be made —

- (a) the balancing allowance must be made against each income for that year of assessment in such proportion as appears reasonable to the Comptroller in the circumstances; and
- (b) such proportion of the balancing charge is exempt from tax as appears reasonable to the Comptroller in the circumstances.

(8) Where allowances have been made under both sections 16 and 18C in respect of any industrial building or structure, then, for the purposes of subsections (4) and (5), the sale, insurance, salvage or compensation moneys in respect of that building or structure is such amount of those moneys as the Comptroller determines to be reasonable in the circumstances.

(9) Where the relevant interest in a building or structure in respect of which allowances have been made under section 16 is transferred at less than the open-market price, then for the purpose of determining the amount of any balancing charge under subsection (5), the relevant interest in the building or structure is treated as if it had been sold for an amount equal to the open-market price of the building or structure as at the date of transfer.

Definitions for sections 16, 17 and 18B

18.—(1) Subject to this section, in sections 16, 17 and 18B, “industrial building or structure” means a building or structure in use —

- (a) for the purposes of a trade carried on in a mill, factory or other similar premises;
- (b) for the purposes of a transport, dock, water or electricity undertaking;
- (c) for the purposes of a trade which consists in the manufacture of goods or materials or the subjecting of goods or materials to any process;

- (d) for the purposes of a trade which consists in the storage of goods or materials which are to be used in the manufacture of other goods or to be subjected, in the course of a trade, to any process;
- (e) for the purposes of a trade which consists of the storage of goods or materials on their arrival in Singapore;
- (f) for the purposes of a trade in intensive poultry production as may be approved on or before 22 May 2010 by the Minister or such person as the Minister may appoint;
- (g) by a research and development organisation in carrying out research and development activities for any manufacturing trade or business;
- (h) for the purposes of a hotel on the island of Sentosa and approved before 1 September 2007 by the Minister or such person as the Minister may appoint (called in this section a Sentosa hotel);
- (i) for the purposes of a project for the promotion of the tourist industry (other than a hotel) in Singapore and approved on or before 22 May 2010 by the Minister or such person as the Minister may appoint subject to such conditions as he or she may impose; or
- (j) for prescribed purposes and where such building or structure has been approved on or before 22 May 2010 by the Minister or such person as the Minister may appoint subject to such conditions as he or she may impose,

and includes any building or structure provided by the person carrying on such a trade or undertaking for the welfare of workers employed in that trade or undertaking and in use for that purpose, but does not include a building or structure in respect of which a deduction is prescribed under section 14(1)(h).

(2) A building or structure is not deemed, by reason only of its falling or having fallen into temporary disuse, to have thereby ceased altogether to be used for one of the purposes specified in subsection (1) if, immediately prior to falling into such temporary disuse, it was in use for such a purpose and if, during the period of

such temporary disuse, it is constantly maintained in readiness to be brought back into use for such a purpose.

(3) If, in the circumstances mentioned in subsection (2), the building or structure at any time during disuse ceases to be ready for use for any of the purposes mentioned in that subsection, or if at any time, for any reason, the disuse of the building or structure can no longer be reasonably regarded as temporary, then and in any such case, the building or structure is deemed to have ceased, on the commencement of the period of disuse, to be used for any of the purposes specified in subsection (1).

(4) Subsection (1) applies in relation to a part of a trade or undertaking as it applies to a trade or undertaking.

(5) Where part only of a trade or undertaking complies with the conditions set out in subsection (1), a building or structure is not, by virtue of subsection (4), an industrial building or structure unless it is in use for the purposes of that part of that trade or undertaking.

(6) Despite anything in subsection (1), (2), (3), (4) or (5), “industrial building or structure” does not include any building or structure in use as, or as part of, a dwelling house, retail shop, showroom, hotel (other than a Sentosa hotel) or office or for any purpose ancillary to the purposes of a dwelling house, retail shop, showroom, hotel (other than a Sentosa hotel) or office.

(7) Where part of a building or structure is, and part thereof is not, an industrial building or structure, and —

(a) in a case where capital expenditure is incurred on the construction of the building or structure before 1 January 2006, the capital expenditure incurred on the construction of the second-mentioned part is not more than one-tenth of the total capital expenditure which has been incurred on the construction of the whole building or structure; or

(b) in a case where —

(i) capital expenditure is incurred on the construction of the building or structure on or after 1 January 2006; or

- (ii) a sale and purchase agreement was entered into for the building or structure on or after that date,

the capital expenditure incurred on the construction or purchase (as the case may be) of the second-mentioned part is not more than one-tenth of the total capital expenditure which has been incurred on the construction or purchase of the whole building or structure,

then the whole building or structure and every part thereof is treated as an industrial building or structure.

(7A) Where the Comptroller is satisfied that it is not reasonably practicable to determine the capital expenditure incurred on the second-mentioned part of the building or structure under subsection (7), the whole building or structure and every part thereof may be treated as an industrial building or structure if —

- (a) the floor area of the part of the building or structure that is not an industrial building or structure is not more than one-tenth of the total floor area of the whole building or structure; or
- (b) the Comptroller is otherwise satisfied that it is just and proper to do so.

(8) In this section and sections 16, 17 and 18B —

“capital expenditure”, in relation to the purchase of a building or structure, means the net price paid for the building or structure, but does not include the cost of land as determined to the Comptroller’s satisfaction;

“relevant interest” means —

- (a) in relation to any capital expenditure incurred on the construction of a building or structure, the interest in that building or structure to which the person who incurred the expenditure was entitled when the person incurred it; and
- (b) in relation to a sale and purchase agreement for a building or structure, the interest in that building or

structure to which the purchaser was entitled when the purchaser entered into the agreement;

“residue of expenditure” means —

- (a) in relation to any capital expenditure incurred on the construction of a building or structure before 1 January 2006, the amount of the capital expenditure incurred on such construction reduced by —
 - (i) the amount of any initial allowance made;
 - (ii) any annual allowance made; and
 - (iii) any balancing allowances granted,and increased by any balancing charges made; or
- (b) in relation to any capital expenditure incurred on the construction or purchase of a building or structure on or after 1 January 2006, the amount of the capital expenditure incurred on such construction or purchase (as the case may be) reduced by —
 - (i) the amount of any initial allowance made; and
 - (ii) any annual allowance made.

(9) For the purpose of computing the residue of expenditure, an amount of 3% of the expenditure must be written off in respect of any year in which no initial or annual allowance has been made.

- (ba) the company licenses all or any of those rights (being rights in any software) to another;
- (c) the company permanently ceases to carry on the trade or business,

the following provisions apply:

- (d) no writing-down allowance in respect of such intellectual property rights may be made to that company under subsections (1A), (1B) and (1BAA) for the year of assessment relating to the basis period in which the event occurs and for any subsequent year of assessment; and

- (e) if any of those events occurs within the period of one year from the acquisition of the intellectual property rights, any writing-down allowances made under subsection (1A), (1B) or (1BAA) must be brought to charge as if the allowances were not made, and are deemed as income for the year of assessment relating to the basis period in which the event occurs.

[37/2014; 34/2016]

(3) Any capital expenditure incurred on the acquisition of any intellectual property rights by a company before the commencement of its trade or business is treated for the purpose of this section as if it had been incurred by it on the first day it commences that trade or business.

(4) Subject to subsection (4A), where writing-down allowances have been made to any company under subsection (1), (1AA) or (2C) in respect of any intellectual property rights and, before the end of the writing-down period, any of the following events occurs:

no writing-down allowance in respect of the intellectual property rights may be made to that company for the year of assessment relating to the basis period in which the event occurs or for any subsequent year of assessment, and, where (on the occurrence of the event referred to in paragraph (b)) the price at which the rights were sold, transferred or assigned exceeds the amount of the writing-down allowances yet to be allowed on the date of the event, there is to be made on the company for the year of assessment relating to the basis period in which the event occurs a charge of an amount equal to the lower of —

- (d) the excess; and

- (e) the writing-down allowances made under subsections (1), (1AA) and (2C).

[34/2016]

(4A) Where parts of any intellectual property right are sold, transferred or assigned by the company at different times and at least one sale, transfer or assignment occurs before the end of the writing-down period, subsection (4) applies to each sale, transfer and assignment with the following modifications:

- (a) the reference to the amount of writing-down allowances yet to be allowed for the year of assessment relating to the basis period in which the event occurs, is a reference to an amount ascertained in accordance with the formula

$$A - B,$$

where A is the amount of writing-down allowances yet to be allowed for the intellectual property right on the date of the first of such sales, transfers or assignments; and

B is the aggregate of the prices of the parts of that right previously sold, transferred or assigned by the company,

or zero, if the amount ascertained by that formula is less than or equal to zero; and

- (b) the reference to the writing-down allowances made under subsections (1), (1AA) and (2C) is a reference to the balance of such allowances made under subsections (1), (1AA) and (2C) in respect of that right after deducting the total amount of any charges made under this section in respect of that right.

[34/2016]

(5) Where a company to whom writing-down allowances have been made under subsections (1), (1AA) and (2C) in respect of any intellectual property rights sells, transfers or assigns all or any part of those rights after the writing-down period, there is to be made on the company for the year of assessment relating to the basis period in which the sale, transfer or assignment occurs, a charge in an amount equal to the price which the rights were sold, transferred or assigned

or in an amount equal to the capital expenditure incurred in acquiring the rights, whichever is less.

[34/2016]

(6) For the purposes of subsection (5), where there is more than one sale, transfer or assignment of any part of any intellectual property rights, the amount of the capital expenditure incurred in acquiring the intellectual property rights for the year of assessment relating to the basis period in which the sale, transfer or assignment of that part of the rights occurs is ascertained in accordance with the formula

$$A - B,$$

where A is the capital expenditure incurred in acquiring the intellectual property rights; and

B is the total amount of any charges made under this section in any previous years of assessment in respect of that expenditure.

(6A) Unless otherwise provided in this Act or the Economic Expansion Incentives (Relief from Income Tax) Act 1967, where, in the basis period for any year of assessment, the trade or business, in which the intellectual property rights are used, produces income that is exempt from tax as well as income chargeable with tax, the allowances for that year of assessment are to be made against each income for that year of assessment in such proportion as appears reasonable to the Comptroller in the circumstances.

(6B) Unless otherwise provided in this Act or the Economic Expansion Incentives (Relief from Income Tax) Act 1967, where, in the basis period for any year of assessment, the trade or business, in which the intellectual property rights are used, produces income that is exempt from tax as well as income chargeable with tax, and any charge under subsection (4) or (5) arises to be made, such proportion of that charge is exempt from tax as appears reasonable to the Comptroller in the circumstances.

(7) For the purpose of this section, any sale, transfer or assignment of any intellectual property rights which occurs after the date on

which the trade or business of a company permanently ceases is deemed to have occurred immediately before the cessation.

(8) Despite the repeal of section 19B by the Income Tax (Amendment) Act 2001, the repealed section 19B continues to apply and have effect to any approved know-how or patent rights for which writing-down allowances had been made before the repeal as if that Act had not been enacted.

(9) Despite the amendment of section 19B by the Income Tax (Amendment) Act 2003, section 19B in force immediately before 1 November 2003 continues to apply and have effect to any intellectual property rights approved before that date.

(10) No writing-down allowance may be made —

(a) under subsection (1) for any capital expenditure incurred in respect of intellectual property rights acquired after the last day of the basis period for the year of assessment 2016;

(aa) under subsection (1AA) for any capital expenditure incurred in respect of intellectual property rights acquired after the last day of the basis period for the year of assessment 2025; or

(b) under subsection (2C) for any capital expenditure incurred in respect of intellectual property rights acquired after the last day of the basis period for the year of assessment 2018.

[37/2014; 32/2019]

(10A) No writing-down allowance under subsections (1), (1A), (1AA), (1B), (1BAA) and (2C) may be made for any capital expenditure incurred by a company referred to in subsections (1), (1A), (1AA), (1B), (1BAA) and (2C) in acquiring intellectual property rights from —

(a) its related party —

(i) to whom any deduction has been allowed under section 14, 14C, 14D, 14E or 14P for any outgoing, expense or payment incurred for any activity which resulted in the creation of the intellectual property; and

- (ii) whose proceeds from the sale, transfer or assignment of those intellectual property rights to the company are not chargeable to tax; or
- (b) its related party who acquired the rights, directly or indirectly, from a related party of the company referred to in paragraph (a).

[37/2014; 34/2016]

(10B) The Minister may by order exempt a company from subsection (10A) in respect of such transaction as may be specified in the order.

(10C) No writing-down allowance under subsections (1A), (1B) and (1BAA) may be made to any company in respect of any amount of capital expenditure incurred on the acquisition of intellectual property rights for which an investment allowance has been claimed under Part 8 of the Economic Expansion Incentives (Relief from Income Tax) Act 1967.

[37/2014]

(10D) No allowance under subsections (1A), (1B) and (1BAA) may be made to any company in respect of any instalment paid by it under any agreement to acquire any intellectual property right that is signed before the basis period for the year of assessment 2011.

[37/2014]

(10E) If, in the case of an acquisition of intellectual property rights —

- (a) whose acquisition date is on or after 25 March 2016; and
- (b) the payment for which is not made by instalments,

the capital expenditure incurred for the acquisition exceeds the open-market price for those rights, then, for the purpose of determining the amount of writing-down allowances for that expenditure under subsection (1AA), (1BAA) or (2C), the Comptroller may treat the open-market price as the amount of that expenditure, and in that event subsection (5) also applies as if the open-market price were the amount of that expenditure.

[34/2016]

(10F) In subsection (10E), “open-market price”, for intellectual property rights, means either —

- (a) the price which those rights could have been purchased in the open market on the acquisition date of those rights; or
- (b) if, by reason of the special nature of those rights, it is not possible to determine the price mentioned in paragraph (a), such other value as the Comptroller considers to be a reasonable value for those rights after considering the valuation of those rights by an appropriate valuer and other relevant circumstances.

[34/2016]

(10G) If, in the case of an acquisition of intellectual property rights —

- (a) whose acquisition date is on or after 25 March 2016; and
- (b) the payment for which is made by instalments,

the total amount of the deposits and instalment payments (excluding any finance charges) made in a basis period exceeds the open-market price for those rights, then, for the purpose of determining the amount of writing-down allowances in such a case under subsection (1AA) or (2C), the Comptroller may treat the open-market price as the amount of such expenditure, and in that event subsection (5) also applies as if the open-market price were the amount of such expenditure.

[34/2016]

(10H) In subsection (10G), “open-market price”, for intellectual property rights, means an amount computed by the formula

$$\frac{C}{D} \times E,$$

where C is the total amount of the deposits and instalment payments (excluding any finance charges) made in the basis period;

D is the total amount of all the deposits and instalment payments (excluding any finance charges) under the agreement to acquire those rights; and

E is either —

- (a) the price (excluding any finance charges) which those rights could have been purchased in the open market on their acquisition date; or
- (b) if, by reason of the special nature of those rights, it is not possible to determine the price mentioned in sub-paragraph (a), such other value as the Comptroller considers to be a reasonable value for those rights after considering the valuation of those rights by an appropriate valuer and other relevant circumstances.

[34/2016]

(10I) If, in the case of an acquisition of intellectual property rights —

- (a) whose acquisition date is on or after 25 March 2016; and
- (b) the payment for which is made by instalments,

the amount mentioned in subsection (1C)(a)(i) exceeds the open-market price mentioned in subsection (10F), then, for the purpose of determining the amount of writing-down allowances to be made for any year of assessment under subsection (1BAA), the Comptroller may treat the open-market price mentioned in subsection (10F) as the amount mentioned in subsection (1C)(a)(i).

[34/2016]

(10J) If —

- (a) intellectual property rights or a part of such rights are or is sold, transferred or assigned on or after 25 March 2016; and
- (b) the rights or part are or is sold, transferred or assigned for less than the open-market price,

then, for the purpose of determining the amount of any charge under subsection (4), (4A) or (5), the Comptroller may treat the open-market price as the price at which the rights or part (as the case may be) are or is sold, transferred or assigned.

[34/2016]

(10K) In subsection (10J), “open-market price”, for intellectual property rights or a part of such rights, means —

- (a) the price which those rights or that part would have fetched if sold, transferred or assigned in the open market at the time of the actual sale, transfer or assignment; or
- (b) if, by reason of the special nature of those rights or part, it is not possible to determine the price mentioned in paragraph (a), such other value as the Comptroller considers to be a reasonable value for those rights or that part after considering the valuation of those rights or that part by an appropriate valuer and other relevant circumstances.

[34/2016]

(11) In this section —

“appropriate valuer” means a valuer who is independent of any party to the acquisition, sale, transfer or assignment (as the case may be) of the intellectual property rights, and has qualifications and experience that are relevant to the valuation in question;

“approved” means approved by the Minister or such person as he or she may appoint, subject to such conditions as he or she may impose;

“capital expenditure” does not include legal fees, registration fees, stamp duty and other costs related to the acquisition of any intellectual property rights;

“intellectual property rights” means the right to do or authorise the doing of anything which would, but for that right, be an infringement of any patent, copyright, trade mark, registered design, geographical indication, layout-design of integrated circuit, trade secret or information that has commercial value, or the grant of protection of a plant variety;

“media and digital entertainment company” means a company whose principal trade or business is to provide media and digital entertainment in Singapore;

“related party” has the meaning given by section 13(16).

[34/2016]

(11A) In the definition of “intellectual property rights” in subsection (11), the expressions “trade secret” and “information that has commercial value”, and any work or subject matter to which the expression “copyright” relates, exclude the following:

- (a) information of customers of a trade or business, such as a list of those customers and requirements of those customers, gathered in the course of carrying on that trade or business;
- (b) information on work processes (such as standard operating procedures), other than industrial information, or technique, that is likely to assist in the manufacture or processing of goods or materials;
- (c) compilation of any information as described in paragraph (a) or (b);
- (d) such other matter as the Minister may by regulations prescribe.

[37/2014]

(12) In subsections (1A), (1B) and (1BAA), a reference to capital expenditure incurred on the acquisition of intellectual property rights excludes any such expenditure to the extent that it is or is to be subsidised by grants or subsidies from the Government or a statutory board.

[37/2014]

(13) In this section, for a company, the acquisition date of any intellectual property rights is —

- (a) the date of the signing of the agreement to acquire those rights; or

Writing-down allowances for approved cost-sharing agreement for research and development activities

19C.—(1) Subject to this section, where a person carrying on a trade or business has incurred expenditure under any cost-sharing agreement entered into and approved on or after 17 February 2006, in respect of research and development activities for the purposes of that trade or business (called in this section the relevant trade or business), the person is, subject to such conditions as may be imposed by the Minister or such person as the Minister may appoint, entitled to a writing-down allowance of 100% of that expenditure in the year of assessment relating to the basis period in which that expenditure was incurred.

(1A) No writing-down allowance may be made under this section in respect of any expenditure incurred during the basis period for the year of assessment 2012 or any subsequent year of assessment.

(2) The Minister or such person as the Minister may appoint may specify the maximum amount of expenditure in respect of which writing-down allowances are to be made under subsection (1).

(3) No writing-down allowance may be made under subsection (1) to any person in respect of any payment or contribution paid by the person for the right to become a party to any existing approved cost-sharing agreement.

(4) Any expenditure incurred by a person under any approved cost-sharing agreement before the commencement of the person's trade or business is treated for the purpose of this section as if it had been incurred by the person on the first day the person commences that trade or business.

(5) Where a person to whom writing-down allowances have been made under this section —

- (a) sells, assigns or otherwise disposes of any right under any approved cost-sharing agreement to which the person is a party;
- (b) sells, assigns or otherwise disposes of the whole or part of any technology or know-how developed from the research

and development activities carried out under any approved cost-sharing agreement to which the person is a party;

- (c) receives any consideration from any other person for permitting that other person to become a party to any approved cost-sharing agreement to which the firstmentioned person is a party; or
- (d) receives any consideration from the disposal of any machinery, plant or building acquired under any approved cost-sharing agreement to which the person is a party,

the amount or value of any consideration is treated as a trading receipt of the relevant trade or business for the year of assessment which relates to the basis period in which the event in paragraph (a), (b), (c) or (d) occurs.

(5A) To avoid doubt, section 19C(6) in force immediately before 17 February 2006, or subsection (5) of this section (as the case may be), continues to apply to a person to whom writing-down allowances have previously been made under this section in respect of a cost-sharing agreement, and deductions are allowed under section 14C for expenditure incurred or payments made under the same agreement.

(6) For the purpose of subsection (5), the amount or value of the consideration to be treated as a trading receipt must not exceed the amount of writing-down allowance made under this section.

(7) Where no writing-down allowances have been made to any person in respect of expenditure incurred by the person by virtue of subsection (2) or in respect of any payment or contribution made by the person by virtue of subsection (3), the Minister may for the purposes of subsection (5) exempt such part of the amount or value of the consideration as the Minister thinks fit.

(8) Any event referred to in subsection (5) which occurs after the date on which the relevant trade or business permanently ceases is deemed to have occurred immediately before the cessation.

(9) Where a person to whom writing-down allowances have been made under this section is entitled to royalty or other payments in one

lump sum or otherwise for the use of or right to use any technology or know-how developed from the research and development activities carried out under any approved cost-sharing agreement, such royalty or payments are deemed to be income derived from Singapore for the year of assessment which relates to the basis period in which the person is entitled to the royalty or payments, as the case may be.

(10) Unless otherwise provided in this Act or the Economic Expansion Incentives (Relief from Income Tax) Act 1967, where, in the basis period for any year of assessment, the relevant trade or business produces income that is exempt from tax as well as income chargeable with tax, the allowances for that year of assessment are to be made against each income for that year of assessment in such proportion as appears reasonable to the Comptroller in the circumstances.

(11) Unless otherwise provided in this Act or the Economic Expansion Incentives (Relief from Income Tax) Act 1967, where, in the basis period for any year of assessment, the relevant trade or business, produces income that is exempt from tax as well as income chargeable with tax, and an event referred to in subsection (5)(a), (b), (c) or (d) occurs, such proportion of any amount or value of any consideration treated as a trading receipt under that subsection is exempt from tax as appears reasonable to the Comptroller in the circumstances.

(12) Despite the provisions of this section, section 19C in force immediately before 17 February 2006 continues to apply and have effect in relation to any approved cost-sharing agreement entered into before that date in respect of research and development activities.

(13) In this section —

“approved” means approved by the Minister or such person as the Minister may appoint;

“cost-sharing agreement” means any agreement or arrangement made by 2 or more persons to share the expenditure of research and development activities to be carried out under the agreement or arrangement.

Writing-down allowance for IRU

19D.—(1) Subject to this section, where a person carrying on a trade, business or profession has incurred capital expenditure during or after the basis period for the year of assessment 2004 for the acquisition of an indefeasible right to use any international telecommunications submarine cable system (called in this section Indefeasible Right of Use or IRU) for the purposes of that trade, business or profession (called in this section the relevant trade, business or profession), writing-down allowances computed in accordance with subsection (3) are to be made to the person, on due claim, in respect of that capital expenditure during the writing-down period.

(2) The writing-down period in respect of an IRU is the number of years for which the IRU is acquired commencing with the year of assessment relating to the basis period in which the capital expenditure for the acquisition of the IRU is incurred.

(3) For the purposes of this section, the writing-down allowances in respect of an IRU are determined by the formula

$$\frac{A}{B},$$

where A is the amount of capital expenditure incurred for the acquisition of the IRU; and

B is the writing-down period for the IRU.

(4) Despite anything in this section, no writing-down allowance may be granted to any person under subsection (1) in any year of assessment if the international telecommunications submarine cable system is not in use at the end of the basis period for that year of assessment by that person in the trade, business or profession carried on by the person.

(4A) No writing-down allowance is to be made under subsection (1) for any capital expenditure incurred after 31 December 2025.

[2/2016; 41/2020]

(5) Any capital expenditure incurred for the acquisition of any IRU by a person before the commencement of the person's trade, business or profession is treated for the purpose of this section as if it had been incurred by the person on the first day the person commences that trade, business or profession.

(6) Where writing-down allowances in respect of any IRU have been made to any person under this section and, before or at the end of the writing-down period for the IRU, any of the following events occurs:

- (a) the IRU comes to an end without subsequent renewal by the person;
- (b) the person permanently ceases to carry on the relevant trade, business or profession;
- (c) the person sells, transfers or assigns all the IRU or so much of it as the person still owns;
- (d) the person sells, transfers or assigns part of the IRU and the amount or value of any consideration less any decommissioning cost (called in this section the consideration) for the sale, transfer or assignment is not less than the amount of capital expenditure remaining unallowed for the IRU,

no writing-down allowance in respect of the IRU may be made to the person for the year of assessment relating to the basis period in which the event occurs or for any subsequent year of assessment.

(7) Where an IRU remains with any person after the date on which it permanently ceases to be used by the person for the relevant trade, business or profession, the IRU is deemed to have been sold by the person at the open-market price on the date of permanent cessation of use.

(8) Where writing-down allowances in respect of any IRU have been made to any person under this section and, before or at the end of the writing-down period for the IRU, any of the following events occurs:

- (a) the IRU comes to an end without subsequent renewal by the person;
- (b) the person permanently ceases to carry on the relevant trade, business or profession;
- (c) the person sells, transfers or assigns all the IRU or so much of it as the person still owns and the consideration for the sale, transfer or assignment is less than the amount of capital expenditure remaining unallowed for the IRU,

there is to be made to the person for the year of assessment relating to the basis period in which the event occurs, a balancing allowance equal to —

- (d) in the case where the amount of capital expenditure remaining unallowed for the IRU exceeds the consideration for the sale, transfer or assignment of the IRU, the excess; or
- (e) in any other case, the amount of capital expenditure remaining unallowed for the IRU.

(9) Where writing-down allowances in respect of any IRU have been made to any person under this section and the person sells, transfers or assigns all or any part of the IRU and the consideration for the sale, transfer or assignment of the IRU exceeds the amount of capital expenditure remaining unallowed for the IRU (if any) there is to be made on the person, a balancing charge, which is based on an amount equal to —

- (a) the excess of the consideration for the sale, transfer or assignment of the IRU over the amount of capital expenditure remaining unallowed for the IRU; or
- (b) the consideration for the sale, transfer or assignment of the IRU, where the amount of capital expenditure remaining unallowed for the IRU is nil,

and the balancing charge is deemed as income for the year of assessment relating to the basis period in which the sale, transfer or assignment of the IRU occurs.

(10) Where writing-down allowances in respect of any IRU have been made to any person under this section and the person sells, transfers or assigns any part of the IRU, and the consideration for the sale, transfer or assignment of the IRU is less than the amount of capital expenditure remaining unallowed for the IRU, the amount of any writing-down allowances made in respect of the IRU for the year of assessment relating to the basis period in which the sale, transfer or assignment of the IRU occurs or any subsequent year of assessment is the amount determined by the formula

$$\frac{C - D}{E},$$

where C is the amount of capital expenditure remaining unallowed at the time of the sale, transfer or assignment of the IRU;

D is the consideration for the sale, transfer or assignment of that part of the IRU; and

E is the number of complete years of the writing-down period remaining at the beginning of the year of assessment relating to the basis period in which the sale, transfer or assignment of the IRU occurs,

and so on for any subsequent sale, transfer or assignment of the IRU.

(11) Despite subsections (9) and (10), the total amount on which a balancing charge is made in respect of any capital expenditure incurred for the acquisition of an IRU must not exceed the total writing-down allowances actually made for the IRU in respect of that capital expenditure, less, if a balancing charge has previously been made in respect of that capital expenditure, the amount on which that balancing charge was made.

(12) Where the sale, transfer or assignment of all or part of any IRU is made at less than the open-market price, then for the purpose of determining the amount of any balancing allowance or balancing charge, the event is treated as if it had given rise to sale, transfer or assignment moneys of an amount equal to the open-market price of the IRU.

(13) Unless otherwise provided in this Act or the Economic Expansion Incentives (Relief from Income Tax) Act 1967, where, in the basis period for any year of assessment, the relevant trade, business or profession produces income that is exempt from tax as well as income chargeable with tax, the allowances for that year of assessment are to be made against each income in that year of assessment in such proportion as appears reasonable to the Comptroller in the circumstances.

(14) Unless otherwise provided in this Act or the Economic Expansion Incentives (Relief from Income Tax) Act 1967, where, in the basis period for any year of assessment, the relevant trade, business or profession produces income that is exempt from tax as well as income chargeable with tax, and any balancing allowance or balancing charge arises to be made —

- (a) the balancing allowance is to be made against each income for that year of assessment in such proportion as appears reasonable to the Comptroller in the circumstances; and
- (b) such proportion of the balancing charge is exempt from tax as appears reasonable to the Comptroller in the circumstances.

(15) In this section —

“capital expenditure” does not include legal fees, registration fees, stamp duty and other costs related to the acquisition of any IRU;

“capital expenditure remaining unallowed”, in relation to any IRU, means the amount of capital expenditure incurred for the acquisition of the IRU less —

- (a) any writing-down allowances made in respect of that capital expenditure for the years of assessment before the year of assessment relating to the basis period in which any event referred to in subsection (6), (8), (9) or (10) occurs; and
- (b) the consideration for any prior sale, transfer or assignment by the person who incurred the capital

expenditure of any part of the IRU acquired by the capital expenditure;

“international telecommunications submarine cable system” means an international submarine cable that is laid in the sea and includes its cable landing station and any other equipment ancillary to the submarine cable system;

“open-market price”, in relation to any IRU, means —

- (a) the price which the IRU would have fetched if sold in the open market at the time any event referred to in subsection (6), (8), (9) or (10) occurs; or
- (b) where the Comptroller is satisfied by reason of the special nature of any IRU that it is not practicable to determine the open-market price, such other value as appears to the Comptroller to be reasonable in the circumstances.

(16) For the purposes of this section, any sale, transfer or assignment of any IRU which occurs after the date on which a relevant trade, business or profession permanently ceases is deemed to have occurred immediately before the cessation.

Use of open-market price for making allowances under sections 19, 19A and 19D

19E.—(1) This section applies for the purpose of making an allowance under section 19, 19A or 19D for capital expenditure incurred in acquiring any machinery, plant or IRU (called in this section the property), and applies despite anything in that section.

[27/2021]

(2) If the capital expenditure (not being a deposit or an instalment payment) incurred for the acquisition of the property exceeds the open-market price for the property, then, for the purpose of determining the amount of allowances for the capital expenditure under section 19, 19A or 19D, the Comptroller may treat the open-market price as the amount of that expenditure.

[27/2021]

(3) In subsection (2), the open-market price for the property is either —

- (a) the price which the property could have been purchased in the open market on the date of its acquisition; or
- (b) where the Comptroller is satisfied by reason of the special nature of the property that it is not practicable to determine the price mentioned in paragraph (a), such other value as appears to the Comptroller to be reasonable in the circumstances.

[27/2021]

(4) If the capital expenditure consists of deposits and instalment payments and the total amount of the deposits and instalment payments (excluding any finance charges) made in any basis period exceeds a proportion of the open-market price for the property as computed under subsection (5), then, for the purpose of determining the amount of allowances for the expenditure under section 19, 19A or 19D, the Comptroller may treat that proportion of the open-market price as the amount of that expenditure.

[27/2021]

(5) In subsection (4), the proportion of the open-market price for the property is an amount computed by the formula

$$\frac{A}{B} \times C,$$

where —

- (a) A is the total amount of the deposits and instalment payments (excluding any finance charges) made in the basis period;
- (b) B is the total amount of all the deposits and instalment payments (excluding any finance charges) payable to acquire the property; and
- (c) C is either —
 - (i) the price (excluding any finance charges) which the property could have been purchased in the open market on the date of its acquisition; or
 - (ii) where the Comptroller is satisfied by reason of the special nature of the property that it is not practicable

to determine the price mentioned in sub-paragraph (i), such other value as appears to the Comptroller to be reasonable in the circumstances.

(6) In this section, “IRU” has the meaning given by section 19D(1).

[27/2021]

Balancing allowances and charges for machinery or plant

20.—(1) Except as provided in this section, where at any time after the setting up and on or before the permanent discontinuance of a trade, profession or business, any event occurs whereby machinery or plant in respect of which allowances under section 19 or 19A have been made to a person carrying on a trade, profession or business —

(a) ceases to belong to that person (whether on a sale of the machinery or plant or in any other circumstances of any description); or

(b) while continuing to belong to that person —

(i) in a case where the machinery or plant which —

(A) was provided for any research and development undertaken by that person directly in Singapore or by a research and development organisation on that person’s behalf in Singapore; and

(B) was not provided for the purpose of a trade or business carried on by that person,

permanently ceases to be used for any research and development undertaken by that person directly in Singapore or by a research and development organisation on that person’s behalf in Singapore, and is not used for the purpose of a trade, profession or business carried on by that person; or

(ii) in any other case, permanently ceases to be used for the purpose of a trade, profession or business carried on by that person in Singapore (whether by reason of

the discontinuance of the trade, profession or business, or discontinuance of use of such machinery or plant in a trade, profession or business which continues to be carried on in Singapore),

an allowance or a charge, to be known as a balancing allowance or a balancing charge, is in the circumstances mentioned in this section to be made to or (as the case may be) on that person for the year of assessment in the basis period for which that event occurs.

(1A) Where the property in machinery or plant passes at less than the open-market price, then for the purpose of determining the amount of any balancing allowance or balancing charge the event is treated as if it had given rise to sale moneys of an amount equal to the open-market price of the machinery or plant.

(2) Where machinery or plant continues to belong to that person after the date on which it permanently ceases to be used for the purposes of a trade, profession or business carried on by that person in Singapore, or (as the case may be) for the purpose of any research and development undertaken by that person directly in Singapore or by a research and development organisation on that person's behalf in Singapore, it is deemed to have been sold on the date of permanent cessation of use at the open-market price on that date.

(2A) Where there are no sale, insurance, salvage or compensation moneys or where the amount of the capital expenditure of the person in question on the provision of the machinery or plant still unallowed as at the time of the event exceeds those moneys, a balancing allowance is to be made, and the amount thereof is the amount of the expenditure still unallowed as aforesaid or (as the case may be) the excess thereof over those moneys.

(3) If the sale, insurance, salvage or compensation moneys exceed the amount (if any) of the said expenditure still unallowed as at the time of the event, a balancing charge is to be made, and the amount on which it is made is an amount equal to the excess or, where the said amount still unallowed is nil, to those moneys.

(4) Despite anything in subsection (3), the amount on which a balancing charge is made on a person must not in any case exceed —

- (a) the aggregate of the initial allowance (if any) and the annual allowances (if any) made to the person under section 19 in respect of the expenditure in question; and
- (b) the allowances (if any) made to the person under section 19A in respect of the expenditure in question.

[27/2021]

(5) Despite anything in this section but subject to subsection (6A), where a balancing allowance or balancing charge falls to be made under subsection (1) in respect of a motor car to which section 19(3) applies, the sum to be taken in lieu of the open-market price or sale, insurance, salvage or compensation moneys for the purpose of calculating such balancing allowance or charge is ascertained in accordance with the formula

$$\frac{35,000A}{B},$$

where A is the open-market price or sale, insurance, salvage or compensation moneys in respect of the motor car; and

B is the capital expenditure incurred in respect of the motor car.

(6) Despite anything in this section, no balancing allowance may be made in respect of a motor car within the meaning of section 19(4)(a) which is not, for any basis period after the basis period for the year of assessment 1981, registered as a business service passenger vehicle for the purposes of the Road Traffic Act 1961.

(6A) Unless otherwise provided in this Act or the Economic Expansion Incentives (Relief from Income Tax) Act 1967, where, in the basis period for any year of assessment, the trade, profession or business, for which purpose the machinery or plant is provided, produces income that is exempt from tax as well as income chargeable with tax, and any balancing allowance or balancing charge arises to be made —

- (a) the balancing allowance is to be made against each income for that year of assessment in such proportion as appears reasonable to the Comptroller in the circumstances; and

- (b) such proportion of the balancing charge is exempt from tax as appears reasonable to the Comptroller in the circumstances.

(6B) Section 14C(4) and (5) applies in relation to the balancing allowance to be made to a person under subsection (1)(b)(i) as it applies in relation to the deduction of the expenditure and payments referred to in section 14C(1)(aa), (c) and (f), subject to the following modifications:

- (a) a reference to the amount of the expenditure or payments is a reference to the amount of the balancing allowance;
- (b) a reference to unabsorbed losses is a reference to unabsorbed allowances; and
- (c) a reference to a specified amount of the expenditure or payments is a reference to an amount computed in accordance with the formula

$$A \times \frac{B}{C},$$

where A is the amount of the balancing allowance that could have been made against the income of the person under subsection (1)(b)(i) if the income had been subject to tax at the rate specified in section 43(1)(a);

B is the rate of tax specified in section 43(1)(a); and

C is —

- (i) in a case where the concessional income (as defined in section 14C(5)) derived by the person from the trade or business carried on by the person is subject to tax at a single concessional rate of tax, that rate; or
- (ii) in a case where the concessional income derived by the person from the trade or business carried on by the person is subject to tax at 2 or more concessional rates of tax, the higher or highest of those rates.

(6C) Despite anything in this Act or the Economic Expansion Incentives (Relief from Income Tax) Act 1967, where a balancing charge falls to be made on a person under subsection (1)(b)(i), the amount of the charge is deemed to be income of that person that is chargeable to tax at the rate of tax specified in section 43(1)(a).

(7) In this section, “open-market price”, in relation to any machinery or plant, means the price which the machinery or plant would have fetched if sold in the open market at the time of the event in question; except that where the Comptroller is satisfied by reason of the special nature of any machinery or plant that it is not practicable to determine an open-market price, the Comptroller may adopt such other value as appears to the Comptroller to be reasonable in the circumstances.

Replacement of machinery or plant

21.—(1) Where machinery or plant in the case of which any of the events mentioned in section 20(1) has occurred is replaced by the owner thereof and a balancing charge falls to be made on the owner by reason of that event or, but for this section, would have fallen to be made on the owner by reason thereof, then, if by written notice to the Comptroller the owner so elects, this section has effect.

(2) If the amount on which the charge would have been made is greater than the capital expenditure on providing the new machinery or plant —

- (a) the charge is to be made only on an amount equal to the difference;
- (b) no initial allowance, no balancing allowance and no annual allowance may be made or allowed in respect of the new machinery or plant or the expenditure on the provision thereof; and
- (c) in considering whether any (and if so what) balancing charge falls to be made in respect of the expenditure on the new machinery or plant, there is deemed to have been made in respect of that expenditure an initial allowance equal to the full amount of that expenditure.

(3) If the capital expenditure on providing the new machinery or plant is equal to or greater than the amount on which the charge would have been made —

- (a) the charge must not be made;
- (b) the amount of any initial allowance in respect of the said expenditure is to be calculated as if the expenditure had been reduced by the amount on which the charge would have been made;
- (c) in considering what annual allowance is to be made in respect of the new machinery or plant, there is to be left out of account a proportion of the machinery or plant equal to the proportion which the amount on which the charge would have been made bears to the amount of the said expenditure; and
- (d) in considering whether any (and if so what) balancing allowance or balancing charge falls to be made in respect of the new machinery or plant, the initial allowance in respect thereof is deemed to have been increased by an amount equal to the amount on which the charge would have been made.

(4) This section does not apply to the provision of any new motor car for which no allowance is allowed by virtue of section 19(5).

(5) For the purpose of this section, where the capital expenditure incurred in providing, in the basis period for the year of assessment 2013 or any preceding year of assessment, a new motor car registered outside Singapore and used exclusively outside Singapore exceeds \$35,000, the expenditure incurred is deemed to be \$35,000.

Expenditure on machinery or plant

22.—(1) Expenditure on the provision of machinery or plant includes capital expenditure on alterations to an existing building incidental to the installation of that machinery or plant for the purposes of the trade, profession or business.

[39/2017]

(2) Expenditure on the provision of machinery or plant excludes any option premium paid under an option agreement entered into for the purpose of hedging against the cost of the acquisition of such machinery or plant.

[39/2017]

Order of set-off of allowances

22A.—(1) Where for any year of assessment the allowances consist of allowances a person is entitled to or allowances made to a person under section 16, 17, 18A (repealed), 18B, 18C, 19, 19A, 19B, 19C, 19D or 20 for that year of assessment and any previous year of assessment added to and deemed to form part of the corresponding allowance for the year of assessment under section 23(1), the allowances are to be deducted in the following order:

- (a) firstly, any balance of allowance from any previous year of assessment added to and deemed to form part of the corresponding allowance for the year of assessment under section 23(1); and
- (b) secondly, any allowance for that year of assessment falling to be made under section 16, 17, 18A (repealed), 18B, 18C, 19, 19A, 19B, 19C, 19D or 20.

(2) For the purposes of subsection (1)(a), the balance of allowance for the earliest year of assessment is deemed to have been deducted first, followed by the balance of allowance for the next earliest year of assessment, and so on.

Carry forward of allowances

23.—(1) Where, in any year of assessment, full effect cannot, by reason of an insufficiency of gains or profits chargeable for that year of assessment, be given to any allowance falling to be made under section 16, 17, 18A (repealed), 18B, 18C, 19, 19A, 19B, 19C, 19D or 20, then, so long as the person entitled thereto continues to carry on the trade, profession or business in respect of the gains or profits of which the allowance falls to be made, the balance of the allowance is, subject to subsection (3), to be added to, and is deemed to form part of, the corresponding allowance (if any) for the next succeeding year of assessment, and, if no such corresponding allowance falls to be

made for that year, is deemed to constitute the corresponding allowance for that year, and so on for subsequent years of assessment.

(2) Where any person entitled to the allowances under sections 16, 17, 18B and 18C in respect of a building or structure derives income from the letting of that building or structure, subsection (1) applies, in relation to the allowances under those sections, to the person so long as the person continues to derive such income, whether or not the person is carrying on a business in respect of the letting of the building or structure.

(3) Where any allowance for any year of assessment falling to be made to any person under section 16, 17, 18A (repealed), 18B, 18C, 19, 19A, 19B, 19C, 19D or 20 is deducted against income of the person from other sources under section 35(1), transferred to a claimant company under section 37B or to a spouse under section 37C or 37E, or deducted against income for the immediate preceding year of assessment under section 37D(1) or any of the 3 immediate preceding years of assessment under section 37D(1A), the amount of such allowance must be deducted from the balance in subsection (1).

[39/2017; 41/2020]

(4) No balance may be added to and be deemed to form part of the corresponding allowance (if any) to be given to a company under subsection (1) unless the Comptroller is satisfied that the shareholders of the company on the last day of the year in which the allowances arose were substantially the same as the shareholders of the company on the first day of the year of assessment in which such allowances would otherwise be available under this section and such a balance is not allowed in any subsequent year of assessment.

(5) The Minister or such person as the Minister may appoint may, where there is a substantial change in the shareholders of a company and the Minister or appointed person is satisfied that such change is not for the purpose of deriving any tax benefit or obtaining any tax advantage, exempt that company from the provisions of subsection (4).

(6) Upon such exemption, the balance of the allowances referred to in subsection (1) may be added to and be deemed to form part of the

corresponding allowance to be given to that company under that subsection but only for deduction against the gains or profits derived from the same trade or business in respect of which the allowances would have been made.

(7) For the purpose of subsection (4) —

- (a) the shareholders of a company at any date are not deemed to be substantially the same as the shareholders at any other date unless, on both those dates, not less than 50% of the total number of issued shares of the company are held by or on behalf of the same persons;
- (b) shares in a company held by or on behalf of another company are deemed to be held by the shareholders of the last mentioned company; and
- (c) shares held by or on behalf of the trustee of the estate of a deceased shareholder or by or on behalf of the person entitled to those shares as beneficiaries under the will or any intestacy of a deceased shareholder are deemed to be held by that deceased shareholder.

(8) For the purpose of subsection (7), where any part of a share of a shareholder is not fully paid up, there is to be disregarded a proportion equal to

$$\frac{A}{B},$$

where A is the amount that has not been paid in respect of the share; and

B is the total amount payable in respect of the share.

Special provisions as to certain sales

24.—(1) This section, except subsection (5), has effect in relation to any sale of any property where the buyer is a body of persons over whom the seller has control, or the seller is a body of persons over whom the buyer has control, or both the seller and buyer are bodies of persons and some other person has control over both of them, and the sale is not one to which section 33 applies.

(2) References in subsection (1) to a body of persons include references to a company or a partnership.

(3) Where the parties to the sale by written notice to the Comptroller so elect —

- (a) the like consequences ensue for the purposes of sections 16 to 21 as would have ensued if the property had been sold —
 - (i) in the case of an industrial building or structure, for a sum equal to the residue of expenditure on the construction or purchase (pursuant to a sale and purchase agreement entered into on or after 1 January 2006) of that building or structure immediately before the sale, computed in accordance with section 17;
 - (ii) in the case of machinery or plant, for a sum equal to the amount of the expenditure on the provision thereof still unallowed immediately before the sale, computed in accordance with section 20;
 - (iii) in the case of an Indefeasible Right of Use, for a sum equal to the amount of capital expenditure remaining unallowed immediately before the sale, computed in accordance with section 19D;
- (b) despite anything in section 19, where the sale is a sale of machinery or plant, no initial allowance may be made to the buyer;
- (c) despite anything in section 19A, where the sale is a sale of machinery or plant, the allowances provided under that section continue to be available as if no sale had taken place;
- (d) despite anything in section 19D, where the sale is a sale of an Indefeasible Right of Use, the writing-down allowances provided under that section continue to be available as if no sale had taken place; and
- (e) despite anything in the preceding provisions of this section or in sections 17, 19D and 20, such balancing charge

(if any) is to be made on the buyer on any event occurring after the date of the sale as would have fallen to be made on the seller if the seller had continued to own the property and had done all such things and been allowed all such allowances and deductions in connection therewith as were done by or allowed to the buyer.

[27/2021]

(3A) In subsection (3), “Indefeasible Right of Use” has the meaning given by section 19D(1).

[27/2021]

(4) No election may be made under subsection (3) unless before the sale in the case of the seller and after the sale in the case of the buyer the property is used in the production of income chargeable under the provisions of this Act and unless the machinery or plant was not leased by the seller to the buyer before the sale.

(4A) No election may be made under subsection (3) for the sale of an industrial building or structure for which an option to purchase is granted or a sale and purchase agreement is entered into on or after 23 February 2010, or which is transferred on or after that date.

(4B) Subsection (4A) does not apply to a transfer of property to which section 34C(8) and (9) apply.

(5) Where a change occurs in a partnership of persons carrying on any trade, business or profession by reason of retirement or death, or the dissolution of the partnership as to one or more of the partners, or the admission of a new partner, and where no election is made under subsection (3), any property of the partnership is treated as if the property had been sold —

(a) to all the remaining partners and new partners of the partnership on the date the change occurs; and

(b) at the open-market price.

(6) In subsection (5), “open-market price” has the meaning given by section 20(7).

- (e) despite anything in paragraphs (a) to (d) or in sections 19D and 20, such balancing charge (if any) must be made on the transferee on any event occurring after the date of the transfer as would have fallen to be made on the transferor if the transferor had continued to own the property and had done all the things and been allowed all the allowances and deductions in connection with the property as were done by or allowed to the transferee.

[27/2021]

(4) No election may be made under subsection (3) unless, before the transfer in the case of the transferor and after the transfer in the case of the transferee, the property is used in the production of income chargeable under the provisions of this Act.

PART 7

ASCERTAINMENT OF CERTAIN INCOME

Profits of insurers

26.—(1) Subject to sections 34A and 34AA, this section has effect despite anything to the contrary in this Act, except that nothing in this section affects the chargeability to tax of any income of an insurer under section 10.

[39/2017]

Separate accounts to be maintained for various businesses

(2) An insurer must maintain separate accounts for income derived by it from carrying on each of the following businesses:

(b) offshore life business;

(c) the business (other than the business of life assurance) of insuring and reinsuring onshore risks;

(d) the business (other than the business of life assurance) of insuring and reinsuring offshore risks.

[39/2017]

Insurers other than life insurers

(3) In the case of an insurer whether mutual or proprietary (other than a life insurer) where the gains or profits accrue in part outside Singapore, the gains or profits on which tax is payable are to be ascertained by —

- (a) taking the gross premiums and interest and other income received or receivable in Singapore (less any premiums returned to the insured and premiums paid on reinsurances);
- (b) either —
 - (i) deducting from the balance so arrived at the net increase between the beginning and ending values of the period for which the gains or profits are ascertained, of the liabilities of the insurer in respect of policies other than life policies, both values being determined in accordance with the Insurance Act 1966 after deducting any liability in respect of reinsurance ceded to a reinsurer; or
 - (ii) adding to the balance so arrived at the net decrease between the beginning and ending values of the period for which the gains or profits are ascertained, of the liabilities of the insurer in respect of policies other than life policies, both values being determined in accordance with the Insurance Act 1966 after deducting any liability in respect of reinsurance ceded to a reinsurer; and
- (c) [*Deleted by Act 39 of 2017*]
- (d) from the net amount so arrived at, deducting the actual losses (less the amount recovered in respect thereof under reinsurance), the distribution expenses and management expenses incurred in the production of the income referred to in paragraph (a) and, in respect of a branch in Singapore, a fair proportion of the expenses of its head office.

[39/2017; 32/2019]

(4) For the purposes of subsection (3), in ascertaining the gains or profits derived by an insurer from carrying on the business (other than the business of life assurance) of insuring and reinsuring any risks for the purposes of any concessionary rate of tax or exemption from tax prescribed by regulations made under section 43C —

- (a) no income other than underwriting income or income from such dividends, interest and gains or profits realised from the sale of investments as may be specified in those regulations is to be included;

[39/2017]

(5) For the purposes of subsection (3)(b), if, during the period for which the gains or profits are ascertained, any insurance business (excluding life business) is transferred by or to the insurer, then —

- (a) in a case where the business is transferred by the insurer, the liabilities of the insurer immediately before the date of the transfer, in respect of policies that form part of that business, are to be added to the ending value mentioned in that provision; and
- (b) in a case where the business is transferred to the insurer, the liabilities of the transferor immediately before the date of the transfer, in respect of policies that form part of that business, are to be added to the beginning value mentioned in that provision.

[39/2017]

Life insurers

(6) In the case of a life insurer, whether mutual or proprietary, the gains or profits on which tax is payable are to be ascertained by taking the aggregate of —

- (a) in the case of insurance funds established and maintained for Singapore policies, the amount computed in the following manner:
- (i) taking the amount allocated out of the participating fund by way of bonus to the participating policies in accordance with section 16(7)(b) of the Insurance Act 1966;

 - (iva) adding thereto an amount allocated to the surplus account of the participating fund by the insurer in accordance with regulations made under section 16(8) of the Insurance Act 1966, being an amount that does not exceed 1/9th of the tax payable at the rate under section 43(9) on the amount mentioned in sub-paragraph (i);
 - (ivb) adding thereto any amount (other than the amounts mentioned in sub-paragraphs (iv) and (iva)) allocated to the surplus account of the participating fund by the insurer in accordance with regulations made under section 16(8) of the Insurance Act 1966, but excluding any portion that is not chargeable to tax;

- (v) adding thereto the balance so arrived at the onshore life insurance surplus in relation to the non-participating fund and the investment-linked fund;
- (b) in the case of shareholders' fund established in Singapore, the income therein less any expenses (including management expenses) incurred in the production of such income; and
- (c) in the case of insurance funds established and maintained for offshore policies, the amount computed in the following manner:

 - (iva) adding thereto an amount allocated to the surplus account of the participating fund by the insurer in accordance with regulations made under section 16(8) of the Insurance Act 1966, being an amount that does not exceed 1/9th of the tax payable

at the rate under section 43(9) on the amount mentioned in sub-paragraph (i);

- (ivb) adding thereto any amount (other than the amounts mentioned in sub-paragraphs (iv) and (iva)) allocated to the surplus account of the participating fund by the insurer in accordance with regulations made under section 16(8) of the Insurance Act 1966, but excluding any portion that is not chargeable to tax;
- (v) adding thereto the offshore life insurance surplus in relation to the non-participating fund and the investment-linked fund.

[39/2017; 27/2021]

(7) Despite subsection (6), where a life insurer is approved under section 43C before 1 June 2017 and its income is subject to tax at the concessionary rate by regulations made under section 43C(1)(a), the following paragraphs apply for the purposes of ascertaining that income:

- (a) only such part of the following income as may be specified in those regulations is to be included:
 - (i) the amount in relation to insurance funds established and maintained for offshore policies, computed in the following manner:
 - (A) taking the amount allocated out of the participating fund by way of bonus to the participating policies in accordance with section 16(7)(b) of the Insurance Act 1966;
 - (B) adding thereto the amount allocated to the surplus account of the participating fund in accordance with section 16(7)(c) of the Insurance Act 1966;

(5) The agent must —

(a) when required by the Comptroller by notice in the *Gazette* under section 62(1) or by written notice under section 62(3), make a return of income for the year of assessment specified in the notice and furnish such particulars as may be required for the purpose of ascertaining the income (if any) for which any member of Lloyd's carrying on a business of insuring and reinsuring risks through any syndicate formed to carry on the business in Singapore, is chargeable to tax; and

Profits of non-resident shipowner or charterer

27.—(1) Where a non-resident person carries on the business of shipowner or charterer, the income on which tax is payable is to be ascertained as provided in this section.

(2) Where, for any period, the non-resident person produces a certificate complying with subsection (3) —

- (a) the profits accruing in Singapore from the business for that period are deemed to be a sum bearing the same ratio to the sums receivable in respect of the carriage of passengers, mail, livestock and goods shipped in Singapore as the total profits for that period bear to the total sum receivable by the non-resident person in respect of the carriage of passengers, mail, livestock and goods, as shown by the certificate; and

- (b) the depreciation allowable against such profits is similarly deemed to be a sum bearing the same ratio to the sums receivable in respect of the carriage of passengers, mail, livestock and goods shipped in Singapore as the total depreciation for that period bears to the total sum receivable by the non-resident person in respect of the carriage of passengers, mail, livestock and goods, as shown by the certificate.
- (3) The certificate referred to in subsection (2) —
- (a) must be one issued by or on behalf of the income tax authority of the place of residence of the non-resident person;
- (b) is acceptable for the purposes of this section only where the Comptroller is satisfied that the relevant income tax authority —
- (i) computes and assesses the full profits of the non-resident person from the non-resident person's shipping business on a basis not materially different from the basis of assessment provided by this Act for the assessment of a resident of Singapore carrying on a similar business; and
- (ii) accepts any certificate issued by the Comptroller for the purpose of computing the profits derived by a resident of Singapore from carrying on the business of a shipowner or charterer and assesses the income of that resident on the basis of and without making any adjustment to the profits or loss or the allowance for depreciation as stated in the certificate issued by the Comptroller and in the same manner as the income of the non-resident person is assessed under subsection (2); and
- (c) must contain, in respect of the relevant accounting period, the following information:
- (i) the ratio of the profits or, where there are no profits, of the loss, as computed for the purposes of income

tax by that authority, without making any allowance by way of depreciation, to the total sum receivable in respect of the carriage of passengers, mail, livestock and goods;

- (ii) the ratio of the allowance for depreciation as computed by that authority to that total sum receivable in respect of the carriage of passengers, mail, livestock and goods.

(4) Where, for any period, a non-resident person does not, for any reason, produce a certificate complying with subsection (3), the profits accruing in Singapore are deemed to be a sum equal to 5% of the full sum receivable on account of the carriage of passengers, mail, livestock and goods shipped in Singapore.

(5) Where a non-resident person has been assessed under subsection (4) because a certificate had not been issued at the time of assessment, the non-resident person is entitled, on the subsequent production of such a certificate to claim at any time within 2 years after the end of such year of assessment, or such further time as the Comptroller may consider reasonable in the circumstances, that the non-resident person's liability to tax for the year be determined on the basis provided by subsection (2).

(6) Where the Comptroller decides that the call of a ship (within the meaning of section 2(1) of the Merchant Shipping Act 1995) belonging to a particular non-resident shipowner or charterer at a port in Singapore is casual and that further calls by that ship or others in the same ownership are improbable, this section does not apply to the profits of that ship and no tax is chargeable on them.

[2/2016]

(7) Despite anything in subsections (1) to (6), if in computing the profits derived by a resident in Singapore from carrying on the business of a shipowner or charterer, the tax authority of a foreign country determines such profits to be an amount which exceeds 5% of the full sum receivable on account of the carriage of passengers, mail, livestock and goods shipped in that foreign country, the Minister may if he or she thinks fit direct that, in computing the profits derived in Singapore by a non-resident shipowner or charterer who is resident in

that foreign country, the Comptroller must determine the amount of such profits in such manner as may be substantially similar to that adopted by the tax authority of that foreign country.

Where a non-resident person carries on the business of air transport or of transmission of messages by cable or by any form of wireless apparatus, the non-resident person is assessable to tax as if the non-resident person were a non-resident shipowner and section 27 applies, with the necessary modifications, to the computation of the gains or profits of the business.

(5) Where under the terms of any settlement to which this section applies, any tax is charged on and paid by the person by whom the settlement is made, that person is entitled to recover from any trustee or other person to whom income is paid under the settlement the amount of the tax so paid, and for that purpose to require the Comptroller to furnish a certificate specifying the amount of tax so paid; and any certificate so furnished is conclusive evidence of the facts appearing therein.

(6) If any question arises as to the amount of any payment of income or as to any apportionment of income under this section that question must be decided by the Comptroller whose decision is final.

(7) This section applies to every settlement wheresoever it was made or entered into and whether it was made or entered into before or after 1 January 1960 and (where there is more than one settlor or more than one person who made the settlement) has effect in relation to each settlor as if he or she were the only settlor.

settlor, whether or not such adoption has been registered in accordance with the provisions of any written law, and a child of whom the settlor has the custody or whom the settlor maintains wholly or partly at his or her own expense;

“relative” means any person who is a wife, grandchild, child, brother, sister, uncle, aunt, nephew, niece or cousin of the settlor;

(i) which is sold or transferred for valuable consideration to a person who carries on or intends to carry on a trade or business in Singapore; and

(ii) the cost whereof may be deducted by the purchaser as an expense in computing for any such purpose the gains or profits of that trade or business,

(b) in the case of any other such trading stock, the value thereof is taken to be the amount which it would have realised if it had been sold in the open market at the discontinuance or transfer of the trade or business.

(2) In computing for any purpose of this Act the gains or profits of the purchaser of the trading stock of any trade or business which has been discontinued or transferred, such trading stock is valued as provided in subsection (1).

(3) Any question arising under subsection (1) regarding the value attributable to the trading stock belonging to any trade or business which has been discontinued or transferred is to be determined by the Comptroller.

(4) In this section, “trading stock”, in relation to any trade or business, means property of any description, whether movable or immovable, being either —

(a) property such as is sold in the ordinary course of trade or business or would be so sold if it were mature or if its manufacture, preparation or construction were complete; or

(b) materials such as are used in the manufacture, preparation or construction of any such property as is referred to in paragraph (a).

Valuation of cost of trading stock converted from non-trade or capital asset

32A.—(1) Where, at any time on or after 16 November 2021, any property of a person that is not trading stock becomes wholly or in part trading stock of the person's trade or business, then, in computing the gains or profits arising from the sale or disposal of such trading stock, the open market value of the property or part of the property as at the date it becomes trading stock is treated as the cost of the trading stock.

[27/2021]

(2) For the purpose of subsection (1), property is treated as having become trading stock if the property is held for sale or disposal in the ordinary course of a trade or business.

[27/2021]

(3) To avoid doubt, the reference to trading stock in subsection (1) does not include property the sale or disposal of which results in a gain or loss that is capital in nature.

[27/2021]

(4) Where property has become wholly or in part trading stock under subsection (1), then the person must, at the time of lodgment of the person's return of income for the year of assessment relating to the basis period in which the property becomes trading stock, or such later time as the Comptroller may allow, give notice of the occurrence and specify the particulars of the occurrence in such form and manner as the Comptroller may specify.

[27/2021]

(5) The Minister may by rules made under section 7, exempt any person or class of persons from subsection (4), subject to such conditions as may be specified in the rules.

[27/2021]

(6) Rules made for the purposes of subsection (5) may be made to take effect from (and including) 16 November 2021.

[27/2021]

(7) In this section —

“open market value”, in relation to any property, means —

- (a) the amount that would be realised if the property had been sold in the open market; or
- (b) where the Comptroller is satisfied by reason of the special nature of the property that it is not practicable to determine the amount mentioned in paragraph (a), such other value as appears to the Comptroller to be reasonable in the circumstances;

“trading stock”, in relation to a trade or business —

- (a) means property of any description (whether movable or immovable) —
 - (i) that is sold in the ordinary course of trade or business; or
 - (ii) that would be so sold if it were mature or if its manufacture, preparation or construction were complete; but
- (b) does not include any material used in the manufacture, preparation or construction of any property mentioned in paragraph (a).

[27/2021]

Comptroller to disregard certain transactions and dispositions

33.—(1) Subsection (2) applies where the Comptroller is satisfied that the purpose or effect of any arrangement is directly or indirectly —

- (a) to alter the incidence of any tax that is payable by or that would otherwise have been payable by any person;
- (b) to relieve any person from any liability to pay tax or to make a return under this Act; or
- (c) to reduce or avoid any liability imposed or which would otherwise have been imposed on any person by this Act.

[41/2020]

(2) Without affecting any validity that the arrangement may have in any other respect or for any other purpose, the Comptroller must disregard or vary the arrangement and make any adjustment that the Comptroller considers appropriate, including (but not limited to) the computation or recomputation of gains or profits, or the imposition of liability to tax, so as to counteract any tax advantage obtained or obtainable by that person from or under that arrangement.

[41/2020]

(3) Subsection (1)(c) includes increasing any qualifying deduction by a transferor company to be transferred to a claimant company under section 37B, in order to reduce or avoid any liability imposed or which would otherwise have been imposed on the claimant company by this Act.

[41/2020]

(4) Nothing in this section prevents the applicability of subsection (1) to a case, or any action of the Comptroller under subsection (2) in a case, from being questioned in an appeal against an assessment in accordance with Part 18.

[41/2020]

(5) In this section —

“arrangement” means any scheme, trust, grant, covenant, agreement, disposition and transaction and includes all steps by which it is carried into effect;

“claimant company” and “transferor company” have the meanings given by section 37B(19);

“qualifying deduction” has the meaning given by section 37B(14).

[41/2020]

(6) This section applies to any arrangement made or entered into before, on or after 7 December 2020, but not one made or entered into before 29 January 1988.

[41/2020]

(7) This section does not apply to any arrangement carried out for bona fide commercial reasons and had not as one of its main purposes the avoidance or reduction of tax.

[41/2020]

Surcharge on adjustments under section 33

33A.—(1) This section applies where, in the year of assessment 2023 or a subsequent year of assessment —

- (a) the Comptroller imposes a liability to tax or an additional amount of tax on a person for that year of assessment under section 33;
- (b) the Comptroller recomputes any gain, profit or loss of, any capital allowance allowed to, or any deduction for a donation made by, a person for that year of assessment under section 33 which results in the imposition of a liability to tax or an additional amount of tax on that person for any year of assessment; or
- (c) as a result of an adjustment under section 33, any qualifying deduction that has been transferred under section 37B by a transferor company to a claimant company is reduced or disregarded, and the Comptroller makes an assessment on the claimant company for an amount of tax or an additional amount of tax.

[41/2020]

(2) In a case mentioned in subsection (1)(a) or (b), a surcharge equal to 50% of the amount of tax or the additional amount of tax is imposed on the person, and is recoverable by the Comptroller from the person as a debt due to the Government.

[41/2020]

(3) In a case mentioned in subsection (1)(c), a surcharge equal to 50% of the amount of tax or the additional amount of tax assessed on the claimant company is imposed on the transferor company, and is recoverable by the Comptroller from the transferor company as a debt due to the Government.

[41/2020]

(4) Despite any objection under section 76 to or an appeal lodged under Part 18 against an adjustment made under section 33 or any assessment, the surcharge must be paid —

- (a) within one month after the date a written notice of the surcharge is served in accordance with section 8(1) on the person to whom the surcharge is imposed; and

(b) in the manner stated in the notice.

[41/2020]

(5) The Comptroller may, in the Comptroller's discretion, and subject to any term and condition (including the imposition of interest on the surcharge) as the Comptroller may impose, extend the time within which payment is to be made.

[41/2020]

(6) Sections 86(1) to (6), 87(1) and (2), 89, 90 and 91 apply to the collection and recovery of a surcharge and any interest imposed under subsection (5), as they apply to the collection and recovery of tax.

[41/2020]

(7) The Comptroller may, for good cause, remit wholly or in part any surcharge or interest payable under this section.

[41/2020]

(8) If, upon an objection under section 76 to or an appeal lodged under Part 18, an assessment made pursuant to any adjustment made under section 33 is varied or annulled, then the surcharge is correspondingly increased, reduced or annulled (as the case may be), and —

(a) if the surcharge is increased, subsection (2) or (3) (as the case may be) and subsections (4), (5), (6) and (7) apply to the increased amount of the surcharge as they apply to the surcharge; or

(b) if the surcharge is reduced or annulled and it has already been paid to the Comptroller, the amount of the reduction or the entire amount (including any interest paid on the amount) must be refunded.

[41/2020]

(9) In this section, “claimant company”, “qualifying deduction” and “transferor company” have the meanings given by section 33(5).

[41/2020]

Decision of Comptroller no bar to appeal

34. Nothing in section 32 prevents the decision of the Comptroller in the exercise of any discretion given to him or her by that section

from being questioned in an appeal against an assessment in accordance with Part 18.

[41/2020]

Adjustment on change of basis of computing profits of financial instruments resulting from FRS 39 or SFRS for Small Entities

34A.—(1) Despite the provisions of this Act, the amount of any profit or loss (as the case may be) or expense to be brought into account for the basis period for any year of assessment in respect of any financial instrument of a qualifying person for the purposes of sections 10, 14, 14G and 37 is that which, in accordance with FRS 39 or SFRS for Small Entities (as the case may be), is recognised in determining any profit or loss (as the case may be) or expense in respect of that financial instrument for that year of assessment.

[39/2017]

(2) Despite subsection (1), the profit or loss or expense in respect of the financial instrument referred to in the following paragraphs is, for the purposes of sections 10, 14, 14G and 37, to be computed as follows:

- (a) where a qualifying person to whom section 10(12)(b) applies derives interest from a negotiable certificate of deposit or derives a gain or profit from the sale thereof, the qualifying person's income therefrom is treated in the manner set out in section 10(12);
- (b) where a qualifying person derives interest from debt securities and the interest is chargeable to tax under section 10(1)(d), such interest is to be computed based on the contractual interest rate and not the effective interest rate;
- (c) any amount of profit or expense in respect of a loan for which no interest is payable is disregarded;
- (d) where the creditor and debtor of a loan agreement are not dealing with each other at arm's length, only the interest income or the interest expense based on the contractual interest rate is chargeable to tax or allowed as a deduction, as the case may be;

- (e) in a case where section 14(1)(a) applies, only the interest expense incurred based on the contractual interest rate is allowed as a deduction under section 14(1)(a);
- (f) any amount of profit or loss in respect of a hedging instrument where the underlying asset or liability is employed or intended to be employed as capital is disregarded;
- (g) where a bank or qualifying finance company within the meaning of section 14G is unable to make provision for the amount of impairment losses in respect of a group of financial assets in accordance with FRS 39, but is required to make such provision by the Monetary Authority of Singapore, section 14G applies for a period of 5 years, or such further period as the Minister may allow, beginning from the year of assessment relating to the basis period in which the bank or qualifying finance company is first required to prepare financial accounts in respect of its trade or business in accordance with FRS 39;
- (h) a gain from discounts or premiums on debt securities, being a gain chargeable to tax under section 10(1)(d), is deemed —
 - (i) to accrue only on the maturity or redemption of the debt securities; and
 - (ii) to be equal to the difference between the amount received on the maturity or redemption of the debt securities and the amount for which the debt securities were first issued;
- (i) in a case where a qualifying person issues debt securities at a discount or redeems issued debt securities at a premium, and section 14(1)(a) applies in respect of the outgoing represented by such discount or premium, such outgoing is deemed to be incurred and deductible only when it is paid on the maturity or redemption of the debt securities and —
 - (i) in the case of debt securities issued in the basis period relating to the year of assessment 2008 or

subsequent years of assessment, to be equal to the difference between the amount paid on the maturity or redemption of the debt securities and the amount for which the debt securities were first issued; or

- (ii) in the case of debt securities issued before the basis period relating to the year of assessment 2008, to be equal to such part of the difference referred to in sub-paragraph (i) that would be attributable to the year of assessment 2008 and subsequent years of assessment;

(j) in a case where —

- (i) a qualifying person issues debt securities at a discount or redeems issued debt securities at a premium;
- (ii) the debt securities were issued with an embedded derivative to acquire shares or units in the qualifying person; and

such part of the outgoing that is attributable to the embedded derivative is not deductible.

(3) A person who is required to prepare or maintain financial accounts in accordance with FRS 39 may, subject to such conditions as the Comptroller may specify, elect in accordance with subsection (4) not to be subject to this section; and if the person so elects, the person is not treated as a qualifying person from the year of assessment relating to the basis period during which the person is first required to prepare financial accounts in accordance with FRS 39.

(3A) A person who prepares or maintains financial accounts in accordance with SFRS for Small Entities may, subject to such conditions as the Comptroller may specify, elect in accordance with subsection (4A) not to be subject to this section; and if the person so elects, the person is not treated as a qualifying person from the year of assessment relating to the basis period during which the person first

prepares financial accounts in accordance with SFRS for Small Entities.

(3B) A person is not entitled to make an election under subsection (3) if the person is already subject to this section because the person did not make an election in accordance with subsection (4A), or the person had revoked under subsection (5) the person's election made in accordance with subsection (4A).

(3C) A person is not entitled to make an election under subsection (3A) if the person is already subject to this section because the person did not make an election in accordance with subsection (4), or the person had revoked under subsection (5) the person's election made in accordance with subsection (4).

(4) The election referred to in subsection (3) must be made by the person by written notice to the Comptroller —

- (a) at the time of lodgment of the return of income for the year of assessment referred to in subsection (3); or
- (b) within such further time as the Comptroller may allow.

(4A) The election referred to in subsection (3A) must be made by the person by written notice to the Comptroller —

- (a) at the time of lodgment of the return of income for the year of assessment referred to in that subsection; or
- (b) within such further time as the Comptroller may allow.

(5) A person who has made an election under subsection (3) or (3A) may at any time revoke the election by written notice to the Comptroller; and if the person so revokes, the person is treated as a qualifying person from the year of assessment relating to the basis period during which the revocation is made or such year of assessment as the Comptroller may approve.

(6) The revocation under subsection (5) is irrevocable.

(7) A person who is not required to prepare or maintain financial accounts in accordance with FRS 39 or SFRS for Small Entities may apply to the Comptroller in writing for approval to be subject to this section and, if the Comptroller approves the application, that person is treated as a qualifying person from the year of assessment relating

to the basis period during which the approval is granted or such later year of assessment as the Comptroller may approve.

(8) The provisions of this section pertaining to FRS 39 have effect for any basis period beginning on or after 1 January 2005; and the provisions of this section pertaining to SFRS for Small Entities have effect for any basis period beginning on or after 1 January 2011.

(9) For the purposes of this section, the Minister may make regulations —

- (a) to provide for such transitional, supplementary and consequential matters as the Minister may consider necessary or expedient; and
- (b) generally to give effect to or for carrying out the purposes of this section.

(10) In this section —

as the case may be, but excludes a person who is treated under section 34AA(6) as a qualifying person for that year of assessment for the purposes of section 34AA;

“SFRS for Small Entities” means the financial reporting standard known as Singapore Financial Reporting Standard for Small Entities made by the Accounting Standards Council under Part 3 of the Accounting Standards Act 2007, as amended from time to time.

[45/2018]

(11) Any term used in this section and not defined in this section but defined in FRS 39 or SFRS for Small Entities (as the case may be) has the same meaning as in FRS 39 or SFRS for Small Entities (as the case may be).

Adjustment on change of basis of computing profits of financial instruments resulting from FRS 109 or SFRS(I) 9

34AA.—(1) Despite the provisions of this Act but subject to section 34G(3), (4) and (5), the amount of any profit, loss or expense to be brought into account for the basis period for any year of assessment in respect of any financial instrument of a qualifying person for the purposes of sections 10, 14, 14G and 37, respectively, is that which, in accordance with FRS 109 or SFRS(I) 9 (as the case may be), is recognised in determining any profit, loss or expense in respect of that financial instrument for that year of assessment.

[39/2017; 45/2018]

(2) To avoid doubt, subsection (1) does not apply to anything recognised in accordance with FRS 109 or SFRS(I) 9 (as the case may be), that is capital in nature.

[39/2017; 45/2018]

(3) Despite subsection (1), for the purposes of sections 10, 14, 14G and 37, the profit, loss or expense in respect of a financial instrument mentioned in each of the following paragraphs must be dealt with in accordance with that paragraph:

- (a) where a qualifying person to whom section 10(12)(b) applies derives interest from a negotiable certificate of deposit or derives a gain or profit from the sale of that certificate, the person's income from that certificate or sale must be treated in the manner set out in section 10(12);
- (b) where a qualifying person derives interest from debt securities, the interest that is chargeable to tax under section 10(1)(d) is the amount computed at the contractual interest rate and not at the effective interest rate;
- (c) any amount of profit or expense in respect of a loan for which no interest is payable must be disregarded;
- (d) where the creditor and debtor of a loan did not deal with each other at arm's length, the interest income chargeable to tax, and the interest expense allowable as a deduction, are the amounts of such income and expense that are computed at the contractual interest rate and not at the effective interest rate;
- (e) in a case where section 14(1)(a) applies, only interest expense incurred in respect of the money borrowed and computed at the contractual interest rate is allowed as a deduction under that provision;
- (f) any amount of profit or loss in respect of a hedging instrument acquired under a bona fide commercial arrangement for the sole purpose of hedging against any risk associated with the underlying asset or liability must be disregarded, if the underlying asset or liability is employed or intended to be employed as capital;
- (g) any amount of expected credit losses of a financial instrument that is not credit-impaired, being losses that are recognised in accordance with FRS 109 or SFRS(I) 9

(as the case may be) in determining the profit or loss of such instrument, must be disregarded;

- (h) in a case where the qualifying person is a bank or qualifying finance company, the provisions in section 14G apply in relation to a provision made by the qualifying person for an expected credit loss arising from loans or securities that are not credit-impaired, as those provisions apply in relation to a provision for doubtful debts arising from the person's loans or for diminution in the value of the person's investments in securities;
- (i) where an equity instrument on revenue account of a qualifying person that is measured at fair value through other comprehensive income is disposed of, an amount prescribed as the gain or loss to the qualifying person on such disposal, is chargeable to tax, or is to be allowed as a deduction;
- (j) a gain from discounts or premiums on debt securities, being a gain chargeable to tax under section 10(1)(d) —
 - (i) is treated as accruing only on the maturity or redemption of the debt securities; and
 - (ii) is treated as equal to the difference between the amount received on the maturity or redemption of the debt securities and the amount for which the debt securities were first issued;
- (k) in a case where a qualifying person issues debt securities at a discount or redeems issued debt securities at a premium, and section 14(1)(a) applies in respect of the outgoing represented by such discount or premium, such outgoing is treated to be incurred and deductible only when it is paid on the maturity or redemption of the debt securities and —
 - (i) for debt securities issued in the basis period relating to the year of assessment 2008 or subsequent years of assessment, is treated as equal to the difference between the amount paid on the maturity or

redemption of the debt securities and the amount for which the debt securities were first issued; or

- (ii) for debt securities issued before the basis period relating to the year of assessment 2008, is treated as equal to the part of the difference in sub-paragraph (i) that would be attributable to the year of assessment 2008 and subsequent years of assessment;

(l) in a case where —

- (i) a qualifying person issues debt securities at a discount or redeems issued debt securities at a premium;
- (ii) the debt securities were issued with an embedded derivative to acquire shares or units in the qualifying person; and
- (iii) the outgoing represented by such discount or premium is deductible under section 14(1),

such part of the outgoing that is attributable to the embedded derivative is not deductible;

- (m) where a financial instrument on revenue account of a qualifying person (being a financial liability measured at fair value through profit or loss) matures or is sold, bought back or redeemed, any gain or loss to the qualifying person that is realised on such maturity or from such sale, buy back or redemption (being a gain or loss that is recognised in other comprehensive income in accordance with FRS 109 or SFRS(I) 9 (as the case may be)) is chargeable to tax, or is to be allowed as a deduction.

[39/2017; 45/2018]

(4) To avoid doubt, subsection (3)(d) does not affect the operation of section 34D.

[39/2017]

(5) In a case where —

- (a) a loan is transferred by a qualifying person (being a bank or qualifying finance company) (called in this subsection the

transferor) to another person (called in this subsection the transferee);

- (b) the transfer is not pursuant to a qualifying amalgamation within the meaning of section 34C(2) in relation to which an election is made under section 34C(4);
- (c) a provision for an expected credit loss arising from that loan that is credit-impaired, being a loss that is recognised in accordance with FRS 109 or SFRS(I) 9 (as the case may be) in determining the profit or loss of such loan, is also transferred by the transferor to the transferee; and
- (d) a deduction of an amount in respect of a provision for a doubtful debt arising from that loan was previously allowed under section 14 (read with this section or section 34A) to the transferor,

then, despite any provision in this Act —

- (e) in a case where both the transferor and the transferee are on the date of the transfer in the business of lending money, the deduction previously allowed to the transferor is treated, for the purposes of section 14, as having been allowed to the transferee under that section; and
- (f) in any other case, the provision is treated as a trading receipt of the transferor for the basis period in which the date of transfer falls.

[39/2017; 45/2018]

(6) A person who is not a qualifying person under paragraph (a) or (b) of the definition of that term in subsection (15), may apply to the Comptroller for approval to be a qualifying person; and if the Comptroller approves the application, that person is a qualifying person starting from the year of assessment of the basis period in which the approval is granted or such later year of assessment as the Comptroller may approve.

[39/2017]

(7) If —

- (a) any gain, loss or expense in respect of a financial instrument of a qualifying person to which

subsection (1) applies is recognised under FRS 109 or SFRS(I) 9 (as the case may be) on a certain date;

- (b) it is not possible to determine, on the date the Comptroller makes an assessment of the amount of chargeable income of that person for the year of assessment of the basis period in which the date mentioned in paragraph (a) falls, whether that gain, loss or expense is capital or revenue in nature;
- (c) because of this, the gain was not charged with tax or a deduction was allowed for that loss or expense, as the case may be; and
- (d) the Comptroller later discovers (called the discovery time) that the gain ought to have been charged with tax as it is revenue in nature, or a deduction ought not to have been allowed for the loss or expense as it is capital in nature, as the case may be,

then, and despite anything in this Act but subject to subsection (9), the amount of the gain, loss or expense, together with the additional amount mentioned in subsection (8), is treated as the person's income for the year of assessment within which the discovery time falls.

[39/2017; 45/2018]

(8) The additional amount in subsection (7) is the amount of any other gain, loss or expense in respect of the same financial instrument —

- (a) that was not charged with tax, or for which a deduction was allowed, for one or more past years of assessment, for the same reason as that in subsection (7)(b); and
- (b) that is ascertained in accordance with the regulations made under subsection (13).

[39/2017]

(9) For any qualifying person, no assessment may be made in respect of the income mentioned in subsection (7) more than 4 years immediately after the end of the year of assessment of the basis period in which the financial instrument is disposed of by the qualifying person.

[39/2017]

(10) If —

- (a) any gain, loss or expense in respect of a financial instrument of a qualifying person to which subsection (1) applies is recognised under FRS 109 or SFRS(I) 9 (as the case may be) on a certain date;
- (b) it is not possible to determine, on the date the Comptroller makes an assessment of the amount of chargeable income of that person for the year of assessment of the basis period in which the date mentioned in paragraph (a) falls, whether that gain, loss or expense is capital or revenue in nature;
- (c) because of this, the gain was charged with tax or a deduction was not allowed for that loss or expense, as the case may be; and
- (d) the Comptroller later discovers (called the discovery time), with or without a claim made by the qualifying person, that the gain ought not to have been charged with tax as it is capital in nature, or a deduction ought to have been allowed for the loss or expense as it is revenue in nature, as the case may be,

then, and despite anything in this Act but subject to subsection (12), the amount of the gain, loss or expense, together with the additional amount mentioned in subsection (11), is to be allowed as a deduction against the income of the person for the year of assessment within which the discovery time falls.

[39/2017; 45/2018]

(11) The additional amount in subsection (10) is the amount of any other gain, loss or expense in respect of the same financial instrument —

- (a) that was charged with tax, or for which a deduction was not made, for one or more past years of assessment, for the same reason as that in subsection (10)(b); and
- (b) that is ascertained in accordance with the regulations made under subsection (13).

[39/2017]

(12) For any qualifying person, no claim mentioned in subsection (10)(d) may be made more than 4 years immediately after the end of the year of assessment of the basis period in which the financial instrument is disposed of by the qualifying person.

[39/2017]

(13) For the purposes of this section, the Minister may make regulations to give effect to this section, including —

(a) [*Deleted by Act 45 of 2018*]

(b) providing for the computation of the additional amounts mentioned in subsections (8) and (11); and

(c) providing for any transitional, supplementary or consequential matter, including —

(i) treating a specified amount of any profit in respect of a financial instrument of a person, being an amount recognised under FRS 109 or SFRS(I) 9 (as the case may be) as such profit as of a date before the date the person becomes a qualifying person, as the person's income for a specified year of assessment; and

(ii) allowing a specified amount of any loss or expense in respect of a financial instrument of a person, being an amount recognised under FRS 109 or SFRS(I) 9 (as the case may be) as such loss or expense as of a date before the date the person becomes a qualifying person, as a deduction against the person's income for a specified year of assessment.

[39/2017; 45/2018]

(14) The regulations under subsection (13) may prescribe different amounts for the purposes of subsection (3)(i) for different descriptions of instruments.

[39/2017]

(15) In this section —

“bank”, “loan” and “qualifying finance company” have the meanings given by section 14G(7);

“contractual interest rate”, in relation to any financial instrument, means the applicable interest rate specified in the financial instrument;

“debt securities” has the meaning given by section 43H(4);

“FRS 109” means the financial reporting standard known as Financial Reporting Standard 109 (Financial Instruments) that is made, and amended from time to time, under Part 3 of the Accounting Standards Act 2007;

34AB.—(1) This section applies where a person is a party to a transaction that is or is to be settled in a currency that is different from the functional currency in which the person's financial statements are kept.

[45/2018]

(2) Despite the provisions of this Act, for the purpose of sections 10 and 14, any change in the value of any receivable or payable from the transaction that is reflected in the person's financial statements, being a change arising from movements in the rates of the 2 currencies, is treated as —

[45/2018]

(6) However, the person mentioned in subsection (5) may in the person's return of income for any year of assessment, make an irrevocable election to the Comptroller to be subject to this section, and, if the election is approved by the Comptroller, this section applies to that person for that year of assessment and every subsequent year of assessment.

(3) Where under a prescribed Islamic financing arrangement, an asset is sold by one party to the arrangement to the other party, the effective return of the arrangement must be excluded in determining for the purposes of this Act the consideration for the sale and purchase of the asset.

(4) Subsection (3) does not affect the operation of any provision of this Act which provides that the consideration for a sale or purchase is to be taken for any purpose to be an amount other than the actual consideration.

(5) For the purposes of this section, the Minister may make regulations —

(4) An amalgamated company in a qualifying amalgamation must, within 90 days from the date of amalgamation or such further period as the Comptroller may allow, elect for this section to apply to it and all the amalgamating companies in the qualifying amalgamation.

(5) An election under subsection (4) must be made by an amalgamated company by written notice to the Comptroller and is irrevocable.

(6) Upon such election, the trades and businesses carried on in Singapore of all the amalgamating companies are treated as carried on in Singapore by the amalgamated company beginning from the date of amalgamation and —

- (a) any property on revenue account of each amalgamating company is, subject to subsection (14), treated as property on revenue account of the amalgamated company; and
- (b) any property on capital account of each amalgamating company is, subject to subsection (16), treated as property on capital account of the amalgamated company,

and the amalgamated company is treated as having acquired the property on the date on which the amalgamating company acquired it for an amount that was incurred by the amalgamating company in respect of that property.

Effect of cancellation of shares

(7) Where an amalgamating company (called the firstmentioned company) holds shares in another amalgamating company (called the second-mentioned company), and the shares of the second-mentioned company are cancelled on the amalgamation, the following provisions apply:

- (a) the firstmentioned company is treated as having disposed of the shares in the second-mentioned company immediately before the amalgamation for an amount

equal to the cost of the shares to the firstmentioned company;

(b) if —

- (i) the firstmentioned company has borrowed money to acquire shares in the second-mentioned company; and
- (ii) the liability arising from the money borrowed referred to in sub-paragraph (i) is transferred to and becomes the liability of the amalgamated company,

no deduction may be given for any interest or other borrowing costs incurred by the amalgamated company on or after the date of amalgamation on such liability.

Transfer of property

(8) Where there is a transfer of property from any amalgamating company to the amalgamated company on the date of amalgamation in respect of which allowances or writing-down allowances have been made to the amalgamating company under sections 16 to 21, the amalgamating company and the amalgamated company are, subject to section 24(4), deemed to have made an election under section 24(3), and section 24(3)(a) to (e) applies, with the necessary modifications, whether or not the amalgamated company is a company over which the amalgamating company has control, or the amalgamating company is a company over which the amalgamated company has control, or both the amalgamating company and amalgamated company are companies under the control of a common person.

(8A) Where there is a transfer of a building or structure from any amalgamating company to the amalgamated company on the date of amalgamation for which an allowance has been made to the amalgamating company under section 18C, the annual allowances provided under that section continue to be available to the amalgamated company as if it had incurred the qualifying capital expenditure that was incurred in carrying out the approved

construction or approved renovation (as the case may be) referred to in that section.

(8B) Subsection (8A) does not apply unless the building or structure is used before the transfer by the amalgamating company and after the transfer by the amalgamated company, in the production of income chargeable under the provisions of this Act.

(9) In the application of section 24(3)(a) to (e) under subsection (8) —

- (a) a reference in that provision to a buyer is a reference to the amalgamated company; and
- (b) a reference in that provision to a seller is a reference to the amalgamating company.

(10) Where —

- (a) there is a transfer of property, being intellectual property rights in respect of which writing-down allowances have been made to an amalgamating company under section 19B, from that amalgamating company to the amalgamated company on the date of amalgamation; and
- (b) before the transfer in the case of that amalgamating company and from any time on or after the transfer in the case of that amalgamated company, the property is used in the production of income chargeable under the provisions of this Act,

the following provisions, subject to subsection (18), apply:

- (c) section 19B(4) and (5) does not apply to the amalgamating company;
- (d) the writing-down allowances under section 19B continue to be available to the amalgamated company as if no transfer had taken place;
- (e) the charge under section 19B(4) and (5) is to be made on the amalgamated company on any event occurring on or after the date of amalgamation as would have fallen to be made on the amalgamating company if the amalgamating company had continued to own the intellectual property

rights and had done all such things and been allowed all such allowances as were done by or allowed to the amalgamated company.

(11) Despite section 32 but subject to subsection (18), where there is a transfer of property, being trading stock to both an amalgamating company and the amalgamated company, from that amalgamating company to the amalgamated company on the date of amalgamation —

- (a) the net book value of the trading stock of the amalgamating company is deemed to be the value of the consideration given by the amalgamated company to the amalgamating company for such transfer on the date of amalgamation for the purpose of deducting the cost of trading stock to the amalgamated company as an expense in computing the gains or profits of the trade or business of the amalgamated company; and
- (b) only the amount of provision of diminution in value computed by reference to the net book value referred to in paragraph (a) of the trading stock (if any) may be allowed as a deduction to the amalgamated company.

(12) Despite subsection (11), the value as reflected in the financial accounts of the amalgamated company on the date of amalgamation is taken as the value of the consideration given by the amalgamated company to the amalgamating company for the transfer of the trading stock on the date of amalgamation for the purpose of —

- (a) computing the gains or profits of the trade or business of that amalgamating company; and
- (b) deducting the cost of trading stock to the amalgamated company as an expense in computing the gains or profits of the trade or business of the amalgamated company,

if the amalgamated company has made an irrevocable election to that effect.

(13) Any gains or profits of the trade or business of the amalgamating company referred to in subsection (12) are

chargeable to tax for the year of assessment which relates to the basis period in which the date of amalgamation falls.

(14) Where there is a transfer of property from an amalgamating company to the amalgamated company, being property on revenue account of the amalgamating company but not on revenue account of the amalgamated company, the consideration for the transfer by the amalgamating company is taken as the amount which it would have realised if the property had been sold in the open market on the date of amalgamation.

(15) The amount of consideration referred to in subsection (14) is to be used to compute the gains or profits of the trade or business of the amalgamating company and such gains or profits are chargeable to tax for the year of assessment which relates to the basis period in which the date of amalgamation falls.

(16) Where there is a transfer of property from an amalgamating company to the amalgamated company, being property not on revenue account of the amalgamating company but on revenue account of the amalgamated company, the consideration for the acquisition by the amalgamated company is taken as the amount which it would have incurred if the property had been purchased in the open market on the date of amalgamation or the actual amount paid, whichever is the lower.

(17) The amount of consideration referred to in subsection (16) is to be deducted as an expense in computing the gains or profits of the trade or business of the amalgamated company.

(18) Where the amalgamated company ceases to carry on the trade and business in Singapore after the date of amalgamation but instead carries on that trade and business outside Singapore —

- (a) in the case of trading stock which has been transferred at net book value under subsection (11)(a), section 32(1)(b) applies as if that trade and business has been discontinued or transferred on the date of cessation of the trade and business in Singapore, and any gain is chargeable to tax for the year of assessment relating to the basis period in which the amalgamated company ceases to carry on that trade and business in Singapore;

- (b) in the case of property, being intellectual property rights in respect of which subsection (10) applies, the charge under section 19B(4) or (5) (as the case may be) is to be made on the amalgamated company as if the property has been sold on the date of cessation of the trade and business in Singapore; and for the purpose of computing the charge under section 19B(5), the value thereof is the amount which it would have realised if the property had been sold in the open market on the date of cessation of such trade and business in Singapore.

(19) Any question arising under subsections (14), (16) and (18) regarding the open market value attributable to property or trading stock (as the case may be) is to be determined by the Comptroller.

Deductions for intellectual property rights

(20) No deduction under section 19B is allowed to the amalgamated company for any intellectual property rights recognised in accordance with FRS 38 and FRS 103, or with SFRS(I) 1-38 and SFRS(I) 3, as a result of the amalgamation but which were not in existence prior to the amalgamation.

(22) Where —

- (a) an amalgamating company has been allowed a deduction in respect of any debt written off as bad or impairment loss, and it ceases to exist on the date of amalgamation; and
- (b) the amalgamated company continues to carry on the trade and business of the amalgamating company,

the amalgamated company is chargeable to tax on the amount of the debt recovered or impairment loss that is reversed if —

- (c) the amalgamating company would have been chargeable to tax on such amount but for the amalgamation; and
- (d) the amalgamated company is not otherwise chargeable to tax on such amount.

(23) Where —

- (a) an amalgamating company ceases to exist on the date of amalgamation; and
- (b) the amalgamating company has any capital allowance, donation or loss remaining unabsorbed on the date of amalgamation,

sections 23 and 37 apply, with the necessary modifications, as if the amalgamated company is the amalgamating company for the purposes of deducting the unabsorbed capital allowance, donation or loss against the income or the statutory income (as the case may be) of the amalgamated company, subject to conditions specified in subsection (24).

(24) The conditions referred to in subsection (23) are —

- (a) the amalgamating company was carrying on a trade or business until the amalgamation; and
- (b) the amalgamated company continues to carry on the same trade or business on the date of amalgamation as that of the amalgamating company from which the unabsorbed capital allowance, donation or loss was transferred.

(25) Any deduction referred to in subsection (23) may only be made against the income of the amalgamated company from the same trade or business as that of the amalgamating company immediately before the amalgamation.

(26) Where any of the amalgamating companies is a qualifying person to which section 34A applies —

Amalgamated company as qualifying company under section 43(6C)

(27) Where all the amalgamating companies cease to exist on the date of amalgamation, and the amalgamated company is a qualifying company for the purpose of section 43(6C) in any year of assessment, then, for that year of assessment —

- (a) in a case where the date of amalgamation does not fall within either of the basis periods of the first 2 years of assessment of any of the amalgamating companies, section 43(6) rather than section 43(6C) applies to the amalgamated company; and
- (b) in a case where the date of amalgamation falls within either of the basis periods of the first 2 years of assessment of any of the amalgamating companies, section 43(6C) applies to the amalgamated company if, and only if, the firstmentioned year of assessment falls within such period as may be prescribed by the Minister, and if it does not, then section 43(6) applies to the amalgamated company.

[45/2018]

(28) The Minister may, for different descriptions of amalgamations or companies, prescribe different periods for the purposes of subsection (27)(b).

or person for approval for this section to apply to the transfer of the non-insurance business or businesses in subsection (1)(c).

(5) The Minister or appointed person may give his or her approval subject to such conditions (including conditions subsequent) as he or she considers appropriate.

Election

(6) The transferee must, within 90 days from date A or date B (whichever is later) or such further period as the Comptroller may allow, elect for this section to apply to the transfers of businesses in subsection (1).

(7) An election under subsection (6) must be made by the transferee by written notice to the Comptroller and is irrevocable.

(8) From (and including) the effective date, the transferred business is treated as carried on in Singapore by the transferee and —

(a) subject to subsection (14), any property on revenue account of the transferor relating to the transferred business is treated as property on revenue account of the transferee; and

(b) subject to subsection (16), any property on capital account of the transferor relating to the transferred business is treated as property on capital account of the transferee,

and the transferee is treated as having acquired the property on the date on which the transferor acquired it for the amount that was incurred by the transferor in respect of that property.

Transfer of property

(9) Where there is a transfer of property in respect of the transferred business from the transferor to the transferee on the effective date in respect of which allowances or writing-down allowances have been made to the transferor under sections 18C to 21 (other than section 19D), the transferor and the transferee are, subject to section 24(4), considered as having made an election under section 24(3), and section 24(3)(a) to (e) applies with the necessary modifications, whether or not —

- (a) the transferee is a company over which the transferor has control;
 - (b) the transferor is a company over which the transferee has control; or

- (11) Where there is a transfer of a building or structure in respect of the transferred business from the transferor to the transferee on the effective date for which an allowance has been made to the transferor under section 18C, the annual allowances provided under that section continue to be available to the transferee as if the transferee had incurred the qualifying capital expenditure that was incurred in carrying out the approved construction or approved renovation (as the case may be) mentioned in that section.
- (12) Subsection (11) does not apply unless the building or structure is used before the transfer by the transferor and after the transfer by the transferee, in the production of income chargeable under the provisions of this Act.
- (13) Where —
- (a) there is a transfer of property in respect of the transferred business (being intellectual property rights in respect of which writing-down allowances have been made to the transferor under section 19B) from that transferor to the transferee on the effective date; and
 - (b) before the transfer in the case of that transferor and from any time on or after the transfer in the case of that transferee, the property is used in the production of income chargeable under the provisions of this Act,

the following provisions apply but subject to subsection (18):

- (c) section 19B(4) and (5) does not apply to the transferor;
- (d) the writing-down allowances under section 19B continue to be available to the transferee as if no transfer had taken place;
- (e) the charge under section 19B(4) and (5) is to be made on the transferee on any event occurring on or after the effective date as would have fallen to be made on the transferor if the transferor had continued to own the intellectual property rights and had done all such things and been allowed all such allowances as were done by or allowed to the transferee.

(14) Where there is a transfer of property in respect of the transferred business from the transferor to the transferee, being property on revenue account of the transferor but not on revenue account of the transferee, the consideration for the transfer of the property by the transferor is taken as the amount which it would have realised if the property had been sold in the open market on the effective date.

(15) The amount of consideration mentioned in subsection (14) is to be used to compute the gains or profits of the transferred business of the transferor and such gains or profits are chargeable to tax for the year of assessment which relates to the basis period in which the effective date falls.

(16) Where there is a transfer of property in respect of the transferred business from the transferor to the transferee, being property not on revenue account of the transferor but on revenue account of the transferee, the consideration for the acquisition of the property by the transferee is taken as the amount which it would have incurred if the property had been purchased in the open market on the effective date or the actual amount paid, whichever is lower.

(17) The amount of consideration mentioned in subsection (16) is to be deducted as an expense in computing the gains or profits of the transferred business of the transferee.

(18) Where the transferee ceases to carry on the transferred business in Singapore after the effective date but instead carries on that business outside Singapore, then in the case of intellectual property rights transferred pursuant to the transfer of that business and in respect of which subsection (13) applies, the charge under section 19B(4) or (5) (as the case may be) is to be made on the transferee as if the property has been sold on the date of cessation of the transferred business in Singapore; and for the purpose of computing the charge under section 19B(5), the value thereof is the amount which it would have realised if the property had been sold in the open market on the date of cessation of the transferred business in Singapore.

(19) Any question arising under subsections (14), (16) and (18) regarding the open market value attributable to property is to be determined by the Comptroller.

(20) No deduction under section 19B is allowed to the transferee for any intellectual property rights in respect of the transferred business that are recognised in accordance with FRS 38 and FRS 103, or with SFRS(I) 1-38 and SFRS(I) 3, as a result of the transfer of the business but which were not in existence prior to the transfer of the business.

(21) Where the transferee continues to carry on the transferred business and at any time —

(a) writes off as bad the amount of a debt in respect of the transferred business, or provides impairment loss in respect of such debt, that the transferee acquires from the transferor on the effective date;

(b) incurs an expenditure in respect of the transferred business, other than the expenditure to which prescribed sections of this Act apply; or

(c) incurs a loss in respect of the transferred business,
the transferee —

(d) is allowed a deduction for the amount of the debt, expenditure or loss (as the case may be) if —

- (i) the transferor would have been allowed the deduction but for the transfer of the business; and
 - (ii) the transferee is not otherwise allowed the deduction; and
- (e) is chargeable to tax on the amount of the debt recovered or impairment loss that is reversed if —
- (i) the transferor would have been chargeable to tax on such amount but for the transfer of the business; and
 - (ii) the transferee is not otherwise chargeable to tax on such amount.

(22) Where —

- (a) the transferor has been allowed a deduction in respect of any debt written off as bad, or any impairment loss, in respect of the transferred business; and
- (b) the transferee continues to carry on the transferred business,

the transferee is chargeable to tax on the amount of the debt recovered or impairment loss that is reversed if —

- (c) the transferor would have been chargeable to tax on such amount but for the transfer of the business; and
- (d) the transferee is not otherwise chargeable to tax on such amount.

(23) Where the transferor has any capital allowance, donation or loss attributable or apportioned to the transferred business remaining unabsorbed on the effective date, then sections 23 and 37 apply, with the necessary modifications, as if the transferee is the transferor for the purposes of deducting the unabsorbed capital allowance, donation or loss against the income or the statutory income (as the case may be) of the transferee, subject to the conditions in subsection (24).

(24) The conditions in subsection (23) are —

- (a) the transferor was carrying on the transferred business until the effective date; and

- (b) the transferee continues to carry on the transferred business on the effective date.

(25) Any deduction mentioned in subsection (23) may only be made against the income of the transferee from the transferred business.

(26) For the purpose of bringing into account the profit, loss or expense for the basis period for a year of assessment beginning before 1 January 2023 in respect of any financial instrument that has been transferred by the transferor to the transferee as part of the transfer of a business —

- (a) where the transferor was a qualifying person to which section 34AA applies (called in this subsection a section 34AA qualifying person) for the year of assessment of the basis period in which the effective date falls — the transferee is (unless the transferee was already one) deemed to be a section 34AA qualifying person for that year of assessment, and section 34AA has effect on the transferee from (and including) the effective date;
- (b) where the transferor was not a section 34AA qualifying person for the year of assessment of the basis period in which the effective date falls, but the transferee was a section 34AA qualifying person for that year of assessment — the regulations under section 34AA that provide for the transition of a person to the tax treatment under section 34AA have effect on the transferor for that year of assessment as if the transferor and transferee were a single section 34AA qualifying person, and any positive or negative adjustment which is not of a capital nature as a result of the application of such regulations is to be assessed on or allowed to the transferee;
- (c) where the transferor was a qualifying person to which section 34A applies (called in this subsection a section 34A qualifying person) for the year of assessment of the basis period in which the effective date falls — the transferee is (unless the transferee was already a section 34A qualifying

person, or a section 34AA qualifying person, for that year of assessment) deemed to be a section 34A qualifying person for that year of assessment, and section 34A has effect on the transferee from (and including) the effective date; or

- (d) where the transferor was neither a section 34A qualifying person, nor a section 34AA qualifying person, for the year of assessment of the basis period in which the effective date falls, but the transferee was a section 34A qualifying person for that year of assessment — the regulations under section 34A that provide for the transition of a person to the tax treatment under section 34A have effect on the transferor for that year of assessment as if the transferor and the transferee were a single section 34A qualifying person, and any positive or negative adjustment which is not of a capital nature as a result of the application of such regulations is to be assessed on or allowed to the transferee.

Transferee as qualifying company under section 43(6C)

(27) Where the transferee is a qualifying company for the purpose of section 43(6C) in any year of assessment, then, for that year of assessment —

- (a) in a case where the earlier of date A and date B does not fall within either of the basis periods of the first 2 years of assessment of the transferor, section 43(6) rather than section 43(6C) applies to the transferee; and
- (b) in a case where the earlier of date A and date B falls within either of the basis periods of the first 2 years of assessment of the transferor, section 43(6C) applies to the transferee if, and only if, the firstmentioned year of assessment falls within such period as may be prescribed by the Minister, and if it does not, then section 43(6) applies to the transferee.

(28) The Minister may, for different descriptions of transfers of businesses or companies, prescribe different periods for the purposes of subsection (27)(b).

(29) Starting on the effective date for the transferred business, the transferee must comply with all obligations, meet all liabilities, and is entitled to all rights, powers and privileges, of the transferor under this Act in respect of the business with respect to the year of assessment relating to the basis period in which the effective date falls, and all preceding years of assessment as if the transferee is the transferor.

Application of section 26(5) and (13)

(30) To avoid doubt, section 26(5) and (13) (if applicable) applies in relation to the transfer of the insurance business in subsection (1)(a).

Regulations

(31) The Minister may make regulations to —

- (a) provide for the deduction of expenses, allowances, losses, donations and any other deductions otherwise than in accordance with this Act;
- (b) provide for the manner and extent to which expenses, allowances, losses, donations and any other deductions may be allowed under this Act;
- (c) provide for the manner and extent to which any qualifying deduction may be allowed under section 37B or 37D;
- (d) provide for the rate of exchange to be used for the purpose of section 62B;
- (e) provide for the modification and exception to any prescribed section of this Act or the Economic Expansion Incentives (Relief from Income Tax) Act 1967 as it applies to a transferee and a transferor;
- (f) provide for the allowing of any deduction or the making of any allowance under this section before a requirement in subsection (1) is satisfied, and the recovery of the amount of any deduction wrongfully allowed or allowance wrongfully made under this section because that requirement is not satisfied, including the deeming of a specified amount as income on a specified date; and

- (g) prescribe any matter required or permitted to be prescribed under this section.

(32) Regulations made under subsection (31) may be made to take effect from (and including) a date no earlier than 1 November 2021.

[Act 33 of 2022 wef 01/11/2021]

Transactions not at arm's length

34D.—(1) Subsection (1A) applies where —

- (a) 2 persons are related parties;
- (b) conditions are made or imposed between them in their commercial or financial relations (called in this section actual commercial or financial relations) which differ from conditions which would be made or imposed if they were not related parties and dealing independently with one another in comparable circumstances (called in this section arm's length conditions); and
- (c) had the arm's length conditions been made or imposed —
 - (i) the amount of the income of one of those persons for a year of assessment that accrued in or is derived from Singapore, or is received in Singapore from outside Singapore, would be greater;
 - (ii) the amount of any deduction that may be allowed to one of those persons for a year of assessment would be less; or
 - (iii) the amount of any loss of one of those persons for a year of assessment would be less.

[39/2017]

(1A) The Comptroller may make one or more of the following adjustments in that case, as appropriate:

- (a) increase the amount of the income of the person mentioned in subsection (1)(c)(i) for the year of assessment;
- (b) reduce the amount of the deduction that may be allowed to the person mentioned in subsection (1)(c)(ii) for the year of assessment;

- (c) reduce the amount of the loss of the person mentioned in subsection (1)(c)(iii) for the year of assessment.

[39/2017]

(1B) The identification of the arm's length conditions in subsection (1)(b) must be carried out —

- (a) on the basis of the actual commercial or financial relations between the 2 persons; and
- (b) by taking into account both the form and substance of those relations, but disregarding the form of those relations to the extent it is inconsistent with their substance.

[39/2017]

(1C) Despite subsection (1B) —

- (a) if persons who were not related parties would in comparable circumstances enter into substantially different commercial or financial relations than the actual commercial or financial relations, then the identification of the arm's length conditions must be carried out on the basis of the firstmentioned relations; and
- (b) if persons who were not related parties would in comparable circumstances not enter into commercial or financial relations, then the identification of the arm's length conditions must be carried out on the basis of the absence of commercial or financial relations.

[39/2017]

(1D) The amount of income that is increased under subsection (1A)(a) is treated as accruing in or derived from Singapore or received in Singapore from outside Singapore, as the case may be.

[39/2017]

(1E) The amount of loss that is reduced under subsection (1A)(c) is treated as not having been incurred.

[39/2017]

(2) Where a person carries on business through a permanent establishment, this section applies as if the person and the permanent establishment are 2 separate and distinct persons.

(2A) Nothing in this section prevents the applicability of subsection (1) to a case, or the Comptroller's decision under subsection (1A) on a case, from being questioned in an appeal against an assessment in accordance with Part 18.

[39/2017]

(3) In this section, "related party" has the meaning given by section 13(16).

Surcharge on transfer pricing adjustments

34E.—(1) Where the Comptroller, in relation to the year of assessment 2019 or any subsequent year of assessment —

- (a) increases the amount of the income of a person under section 34D(1A)(a);
- (b) reduces the amount of any deduction allowed to a person under section 34D(1A)(b); or
- (c) reduces the amount of any loss of a person under section 34D(1A)(c),

a surcharge equal to 5% of the amount of the increase or reduction (as the case may be) is recoverable by the Comptroller from the person as a debt due to the Government.

[39/2017]

(2) Despite any objection to or an appeal lodged against an assessment made pursuant to any adjustment under section 34D(1A), the surcharge must be paid —

- (a) within one month after the date a written notice of the surcharge is served in accordance with section 8(1) on the person imposed with the surcharge; and
- (b) in the manner stated in the written notice.

[27/2021]

(3) The Comptroller may, in the Comptroller's discretion, and subject to such terms and conditions (including the imposition of interest) as the Comptroller may impose, extend the time within which payment is to be made.

[39/2017]

(4) Sections 86(1) to (6), 87(1) and (2), 89, 90 and 91 apply to the collection and recovery of a surcharge and any interest imposed under subsection (3), as they apply to the collection and recovery of tax.

[39/2017]

(5) The Comptroller may, for any good cause, remit wholly or in part any surcharge payable under this section.

[39/2017]

(6) If, upon an objection under section 76 or an appeal under Part 18, an assessment made pursuant to an adjustment under section 34D(1A) is varied or annulled, then the surcharge is correspondingly increased, reduced or annulled (as the case may be), and —

(a) if the surcharge is increased, subsections (1) to (5) apply to the increased amount of the surcharge as they apply to the surcharge; or

(b) if the surcharge is reduced or annulled and it has already been paid to the Comptroller, the amount of the reduction or the entire amount (including any interest paid on the amount) must be refunded.

[39/2017]

Transfer pricing documentation

34F.—(1) This section applies to the basis period for the year of assessment 2019 and every subsequent year of assessment.

[39/2017]

(2) This section applies to a company, firm or trust —

(a) if the gross revenue of the company, firm or trust derived from its trade or business for the basis period concerned is more than \$10 million; or

(b) if documentation under subsection (3) is required to be prepared for a transaction undertaken by the company, the firm, or the trustee of the trust on its behalf, in the basis period immediately before the basis period concerned.

[39/2017]

(3) Unless exempt by rules made under section 7, each of the following, namely:

- (a) the company;
- (b) the person making a return of the income of the firm;
- (c) the trustee of the trust,

must prepare documentation (called in this section transfer pricing documentation) that complies with subsection (5) for each transaction undertaken by the company, the firm or the trustee on behalf of the trust (as the case may be), with a related party in the basis period concerned.

[39/2017]

(4) In subsection (3)(b), the person making a return of the income of a firm is, in the case of a partnership, the person responsible for doing so under section 71.

[39/2017]

(5) The transfer pricing documentation —

- (a) must be prepared no later than the time for the making of the return of the income of the company, the firm or the trustee in relation to the trust for the year of assessment;
- (b) must contain such details as may be prescribed by rules made under section 7 of the commercial or financial relations of the parties as respects the transaction, the conditions made or imposed between them as respects the transaction, as well as an explanation as to whether those conditions are arm's length conditions within the meaning of section 34D(1)(b); and
- (c) must comply with all other requirements as to their form and content as may be prescribed by rules made under section 7.

[39/2017]

(6) The person in subsection (3)(a), (b) or (c) must retain in safe custody transfer pricing documentation prepared by the person for each transaction, for a period of at least 5 years from the end of the basis period in which the transaction took place.

[39/2017]

(7) The Comptroller may, by written notice served on a person in subsection (3)(a), (b) or (c) personally or by registered post, require

the person to furnish to the Comptroller a copy of any transfer pricing documentation prepared by the person, and the person must comply with the requirement within 30 days starting from the date the notice is served on the person.

[39/2017]

(8) A person who —

(a) without reasonable excuse, fails to comply with subsection (3), (6) or (7); or

(b) in purported compliance with subsection (7), provides to the Comptroller any documentation that the person knows to be false or misleading in a material particular,

shall be guilty of an offence and shall be liable on conviction to a fine not exceeding \$10,000.

[39/2017]

(9) The Comptroller may compound any offence under subsection (8).

[39/2017]

(10) In this section —

“firm” includes a partnership;

[39/2017; 45/2018]

Interpretation

(2) In this section —

“FRS 109” and “SFRS(I) 9” have the meanings given by section 34AA(15);

“registration” means registration under section 359(1) of the Companies Act 1967;

“registration date”, in relation to a redomiciled company, means the date of its registration specified in the notice of transfer of registration issued to it under section 359(3) of the Companies Act 1967.

[39/2017; 32/2019]

Deductions for bad debts and impairment losses for debts

(3) Despite sections 10(1), 14(1)(d) and 34AA(1), where a redomiciled company has any debt owed to it in respect of a trade or business outside Singapore, that was incurred before its registration date and, at any time on or after that date, the debt is written off as bad or impairment loss is provided for that debt —

- (a) no deduction is allowed for the debt or any provision made for it; and
- (b) any amount recovered from the debt, or any reversal of the impairment loss, is not chargeable to tax.

[39/2017; 45/2018]

Deductions for impairment losses

(4) Despite sections 10(1) and 34AA(1), where a redomiciled company incurred before its registration date any impairment loss from any financial asset on revenue account acquired for the purpose of any trade or business outside Singapore, any amount of the loss that is reversed after that date is not chargeable to tax.

[39/2017; 45/2018]

(5) Where a redomiciled company incurs on or after its registration date any impairment loss, in the course of carrying on a trade or business in Singapore, from any financial asset on revenue account that was acquired by the company for the purpose of any trade or business outside Singapore before that date —

- (a) the company is allowed a deduction for that loss to the extent that it becomes credit-impaired within the meaning of FRS 109 or SFRS(I) 9, as the case may be; and

- (b) any amount of that loss that is subsequently reversed is chargeable to tax to the extent of the deduction allowed under paragraph (a).

[39/2017; 45/2018; 32/2019]

(6) Subsections (4) and (5) do not apply to an impairment loss from a debt to which subsection (3) applies.

[39/2017]

Deductions for expenses

(7) No deduction is allowed under section 14 for any expense incurred by a redomiciled company before its registration date for the purpose of any trade or business outside Singapore and for which it has been allowed or given any deduction or relief under any law of a country outside Singapore that levies tax of a similar character to income tax (by whatever name called).

[39/2017; 45/2018]

Deductions for trading stocks

(8) For the purposes of determining the amount of deduction to be allowed to a redomiciled company under any provision of this Act for any trading stock that it acquired before its registration date for the purpose of any trade or business outside Singapore, the value of the trading stock is the lower of the following:

- (a) the cost of the trading stock to the company;
- (b) the net realisable value of the trading stock on that date.

[39/2017; 45/2018]

Deductions under sections 14A, 14C, 14N, 14P and 14R

(9) Despite anything in sections 14A, 14C, 14N, 14P and 14R, a redomiciled company that has never, at any time before its registration date, carried on any trade or business in Singapore, may only make a claim for a deduction under any of those sections for any cost, payment or expenditure incurred or made before its registration date, if —

- (a) such cost, payment or expenditure is incurred or made for the purpose of a trade or business in Singapore; and

- (b) the company has not carried on the same trade or business outside Singapore at any time before its registration date.

[45/2018]

(10) The deduction under subsection (9) may only be allowed for the year of assessment relating to the basis period in which the trade or business is commenced in Singapore.

Allowances for machinery or plant under section 19

(11) Where a redomiciled company —

- (a) incurred capital expenditure before its registration date to acquire any machinery or plant for the purpose of any trade or business outside Singapore; and
- (b) uses the machinery or plant for the purposes of a trade or business in Singapore on or after that date,

[39/2017; 45/2018]

(12) Section 19 applies in relation to the making of initial and annual allowances to a redomiciled company under subsection (11), and to initial and annual allowances so made, subject to the following modifications:

- (ii) the market value of the machinery or plant as of that date,
and that lower amount is treated as the capital expenditure incurred in acquiring that machinery or plant, and the original cost of the machinery or plant;
- (d) for the purposes of making the initial allowance under section 19(1) to the company for any machinery or plant that is acquired under a hire-purchase agreement, the reference in that provision to the capital expenditure is a reference to an amount computed by the formula $\frac{A}{B} \times C$, where —
 - (i) A is —
 - (A) in the first year of claim for that allowance, the sum of all deposits and instalment payments (excluding finance charges) made up to the end of the basis period in which the date of commencement of the trade or business falls; and
 - (B) in each subsequent year of claim for that allowance, the sum of all instalment payments (excluding finance charges) made in the basis period to which the claim relates;
 - (ii) B is the sum of all deposits and instalment payments (excluding any finance charges) under the hire-purchase agreement; and
 - (iii) C is the lower amount of the machinery or plant mentioned in paragraph (c);
- (e) for the purposes of making the initial allowance to the company, the capital expenditure is treated as having been incurred by the company on the first day on which it carries on that trade or business;
- (f) subsections (1B), (2)(b), (3), (4), (5) and (5B) of section 19 do not apply;

(g) such other modifications as may be prescribed.

- (b) uses such item or website for the purposes of a trade or business in Singapore on or after that date,

then an allowance may be made to the company, in lieu of the allowances under section 19 (as applied by subsection (11)), for the capital expenditure under section 19A(1), (2), (3), (4), (5), (6), (7), (8) or (10) (whichever is applicable), as modified under subsection (15).

[39/2017; 45/2018]

(15) Section 19A applies in relation to the making of an allowance under subsection (14), and to any allowance so made, subject to the following modifications:

- (a) the allowance may only be made under that section if the trade or business is carried on in Singapore on or after the registration date;

(16) Except as provided under subsection (14), no allowance may be made under section 19A to a redomiciled company to which subsection (14)(a) and (b) applies, in relation to any capital expenditure mentioned in subsection (14)(a).

[39/2017]

(17) Where a redomiciled company —

(a) incurred capital expenditure before its registration date to acquire any intellectual property rights for the purpose of any trade or business outside Singapore; and

(b) uses those rights for the purpose of a trade or business in Singapore on or after that date,

[39/2017; 45/2018]

(18) Section 19B applies in relation to the making of writing-down allowances to a redomiciled company under subsection (17), and to writing-down allowances so made, subject to the following modifications:

- (e) the election under section 19B(1AB) must be made at the time of lodgment of the company's return of income for the year of assessment relating to the later of the following:
 - (i) the basis period in which the registration date falls;
 - (ii) the basis period in which the date of commencement of the trade or business falls;

[39/2017]

(20) Except as provided under subsection (17), no writing-down allowance may be made under section 19B to a redomiciled company

to which subsection (17)(a) and (b) applies in relation to any capital expenditure mentioned in subsection (17)(a).

Tax credits for approved redomiciled companies

34H.—(1) This section applies where —

- (a) an approved redomiciled company has income (called in this section income A) that is chargeable to tax in one or more years of assessment beginning with the year of assessment for the basis period in which its registration date falls; and
- (b) the company's place of incorporation levies on the company tax of a similar character to income tax (by whatever name called) on an estimate of income A (called in this section income B).

[39/2017]

(2) The approved redomiciled company must be allowed, in accordance with subsection (4), a tax credit against tax payable in respect of the part of income A that is derived or received in the basis period for each year of assessment specified by the Minister to the company at the time of its approval (called in this section a specified year of assessment).

[39/2017]

(3) The total amount of tax credits to be allowed to the approved redomiciled company for all of its specified years of assessment is an amount C that is computed by the formula $(B - B1) \times D$, where —

- (a) B is the amount of income B;
- (b) B1 is the part of income B which is derived wholly from any agreement or arrangement entered into on or after the registration date, as well as any other income prescribed by regulations made under section 34G; and

(c) D is the lower of the following:

- (i) the rate by which the part of income A derived or received in the basis period in which its registration date falls is chargeable to tax;
- (ii) the rate by which income B is chargeable to the tax described in subsection (1)(b).

[39/2017]

(4) Where, throughout a basis period for a specified year of assessment, the approved redomiciled company —

- (a) is resident in Singapore; and
- (b) satisfies all of the conditions specified by the Minister to it at the time of its approval,

then there is to be allowed, against the amount of tax chargeable on income E, a credit of an amount that is the lower of the following:

- (c) the amount of tax;
- (d) an amount computed by deducting from the amount C, the total amount of tax credits previously allowed under this section against the tax chargeable on the income of the company.

[39/2017]

(5) In subsection (4), a company's income E for a year of assessment is the amount of the part of income A derived or received in the basis period for that year of assessment after deducting the following:

- (a) the expenses and donations allowable under this Act for that year of assessment that are attributable to or apportioned to the part of income A;
- (b) any capital allowances for that year of assessment attributable to the part of income A whether or not any claim for those allowances has been made;
- (c) any balance of the expenses, allowances and donations which have not been deducted under this subsection for the

purpose of determining income E for any previous year of assessment.

[39/2017]

(6) The balance of any expenses, allowances or donations mentioned in subsection (5) may only be used to determine the company's income E for a subsequent specified year of assessment, and is not available as a deduction against any other income of the company.

[39/2017]

(7) However, any balance mentioned in subsection (6) that remains —

- (a) after ascertaining the company's income E for the last of the specified years of assessment; or
- (b) as of the date of revocation of the approval of the company, may be deducted against any other income of the company for a subsequent year of assessment, or the year of assessment for the basis period in which the approval is revoked or a subsequent basis period (whichever is applicable), in accordance with section 23 or 37, as the case may be.

[39/2017]

(8) Any balance of the amount C after a tax credit has been allowed for the last of the specified years of assessment must be disregarded.

[39/2017]

(9) If, at any time after the registration date, and during a period specified by the Minister to it at the time of its approval, the approved redomiciled company ceases to carry on any trade or business in Singapore, an amount computed using the formula $\frac{F-G}{F} \times H$, is recoverable by the Comptroller from the company as a debt due to the Government, where —

- (a) F is the total number of its specified years of assessment or 5, whichever is larger;
- (b) G is the total number of complete years where the company carried on a trade or business in Singapore; and

- (c) H is the total amount of tax credits already allowed against the tax chargeable on the income of the company under this section.

[39/2017]

(10) If the Comptroller is satisfied that —

- (a) the approved redomiciled company gave to the Comptroller information that is false in any material particular, or omitted any material particular from any information or document given to the Comptroller; and
- (b) as a result of the false information or omission, an amount of tax credit was allowed against tax chargeable on the company's income under this section,

then an amount equal to the amount of tax credit so allowed is recoverable by the Comptroller from the company as a debt due to the Government.

[39/2017]

(11) The amount recoverable under subsection (9) or (10) must be paid at the place stated in the notice served by the Comptroller on the approved redomiciled company within 30 days after the service of the notice.

[39/2017]

(12) The Comptroller may, in the Comptroller's discretion, and subject to such terms and conditions as the Comptroller may impose, extend the time within which payment is to be made.

[39/2017]

(13) Sections 86(1) to (6), 87(1) and (2), 89, 90 and 91 apply to the collection and recovery by the Comptroller of the amount recoverable under subsection (9) or (10) as they apply to the collection and recovery of tax.

Adjustments arising from adoption of FRS 115 or SFRS(I) 15

34I.—(1) This section applies where —

- (a) a person prepares or maintains the person’s financial accounts for any basis period for a year of assessment in accordance with FRS 115 or SFRS(I) 15 for the first time (called in this section the initial year of assessment);
- (b) as a result of the application of FRS 115 or SFRS(I) 15 (as the case may be), an adjustment has to be made to the amount of revenue in the person’s financial accounts in any previous basis period (called in this section the adjusted revenue amount); and
- (c) the amount W of the person (or, if the person is a partnership, a partner of the person) for the year of assessment for that previous basis period arrived at using an amount of profit that includes the adjusted revenue amount (called in this section amount A) as the starting point, is different from the amount arrived at using an amount of profit that does not include the adjusted revenue amount (called in this section amount B) as the starting point.

[39/2017; 45/2018]

(1A) In subsection (1)(c), the amount W of a person or partner for a year of assessment is ascertained by the formula $X + Y - Z$, where —

- (a) X is the chargeable income of the person or partner for that year of assessment;

- (b) Y is all exempt income of the person or partner for that year of assessment; and
- (c) Z is the sum of each deduction or allowance for any expenditure, donation or loss, that remains unabsorbed after ascertaining the chargeable income or any exempt income.

[45/2018]

(2) Despite any provision of this Act, if amount A exceeds amount B, the excess amount is treated as income of the person or partner (as the case may be) for the initial year of assessment and is subject to one or more tax treatments in accordance with subsection (3).

[39/2017]

(3) For the purposes of subsection (2) —

- (a) if the income amount C of the person or partner for the initial year of assessment is subject to a single tax treatment, then the excess amount is subject to that tax treatment;
- (b) if different parts of the income amount C of the person or partner for the initial year of assessment are subject to different tax treatments, then different parts of the excess amount are subject to the different tax treatments, and the part of the excess amount that is subject to each of those tax treatments is computed by the formula $\frac{D}{E} \times F$, where —

(i) D is the sum of —

- (A) the part of the income amount C of the person or partner for that year of assessment that is subject to that tax treatment; and
- (B) the deduction allowed or allowance made for each expenditure, donation or loss in ascertaining the chargeable income or any exempt income of the person or partner for that year of assessment, and attributable to the production of, or apportioned to, that part;

- (ii) E is the sum of —
- (A) the income amount C of the person or partner for that year of assessment; and
 - (B) the deduction allowed or allowance made for each expenditure, donation or loss in ascertaining the chargeable income or any exempt income of the person or partner for that year of assessment, and attributable to the production of, or apportioned to, the income amount C or a part of it; and
- (iii) F is the excess amount.

[39/2017; 45/2018]

(4) Despite any provision of this Act, if amount B exceeds amount A, a deduction of the excess amount must be made against the total income of the person or partner (as the case may be) or one or more parts of it for the initial year of assessment according to subsection (5).

[39/2017]

- (5) For the purposes of subsection (4) —
- (a) if the income amount C of the person or partner for the initial year of assessment is subject to a single tax treatment, then the excess amount must be deducted against the income amount C;
 - (b) if different parts of the income amount C of the person or partner for the initial year of assessment are subject to different tax treatments, then different parts of the excess amount must be deducted against the different parts of the income amount C, and the part of the excess amount that must be deducted against each part of the income amount C is computed by the formula $\frac{D}{E} \times F$, where —
 - (i) D is the sum of —
 - (A) the part of the income amount C of the person or partner for that year of assessment that is subject to that tax treatment; and

- (B) the deduction allowed or allowance made for each expenditure, donation or loss in ascertaining the chargeable income or any exempt income of the person or partner for that year of assessment, and attributable to the production of, or apportioned to, that part;
- (ii) E is the sum of —
 - (A) the income amount C of the person or partner for that year of assessment; and
 - (B) the deduction allowed or allowance made for each expenditure, donation or loss in ascertaining the chargeable income or any exempt income of the person or partner for that year of assessment, and attributable to the production of, or apportioned to, the income amount C or a part of it; and
- (iii) F is the excess amount.

[39/2017; 45/2018]

(5A) To avoid doubt, the deduction or allowance mentioned in subsection (3)(b)(i)(B) or (ii)(B), or subsection (5)(b)(i)(B) or (ii)(B), excludes any deduction or allowance (or any part of any deduction or allowance) that remains unabsorbed after ascertaining the chargeable income or exempt income mentioned in that provision.

[45/2018]

- (6) In this section —
 - (a) income is subject to a tax treatment if it is —
 - (i) subject to tax at one rate of tax; or
 - (ii) exempt from tax;
 - (b) a reference to the income amount C of a person or partner for a year of assessment is a reference to the amount of income computed by the formula $G + H$, where —
 - (i) G is the part of the chargeable income of the person or partner for the year of assessment that is of the

type of income governed by FRS 115 or SFRS(I) 15, as the case may be; and

- (ii) H is the part of the exempt income of the person or partner for the year of assessment that is of the type of income governed by FRS 115 or SFRS(I) 15, as the case may be; and
- (c) a reference to deducting an amount against any income that is subject to a tax treatment is —
- (i) if the tax treatment is that mentioned in paragraph (a)(i), allowing that amount as a deduction against the income; or
 - (ii) if the tax treatment is that mentioned in paragraph (a)(ii), reducing the income by that amount.

Tax treatment arising from adoption of FRS 116 or SFRS(I) 16

34J.—(1) Where an MSI recipient (called in this section an electing recipient) makes an election in accordance with subsection (10) to adopt the tax treatment under this section, then, despite any other

provision of this Act, that tax treatment applies in relation to the electing recipient in accordance with this section.

[32/2019]

(2) If, in any applicable period, a sublease by the electing recipient of a sublease asset is recognised by the electing recipient as a finance lease in accordance with FRS 116 or SFRS(I) 16, any income of the electing recipient derived under that sublease in that applicable period is taken as having been derived from a finance lease for the purpose of section 10C.

[32/2019]

(3) If, in any applicable period, a sublease by the electing recipient of a sublease asset is recognised by the electing recipient as an operating lease in accordance with FRS 116 or SFRS(I) 16, any income of the electing recipient derived under that sublease in that applicable period is taken as not having been derived from a finance lease for the purpose of section 10C.

[32/2019]

(4) The electing recipient is not entitled to any deduction under Part 5 in a year of assessment for any outgoing or expense incurred during an applicable period in relation to a qualifying asset of which it is a lessee, against any income derived by it from any use of that qualifying asset.

[32/2019]

(5) Where the electing recipient makes an election under subsection (10) at the time of lodgment of the return of income for the year of assessment for the basis period in which 12 December 2018 falls, then —

- (a) for the year of assessment for the basis period in which that date falls — the capital allowances to be made to it under section 19, 19A or 22 for any qualifying asset of which it is a lessee, are to be reduced by an amount computed by the formula

$$\frac{A}{365} \times B,$$

where —

- (i) A is the number of days between 12 December 2018 and the last day of the basis period for that year of assessment (both days inclusive); and
 - (ii) B is the amount of the capital allowances for that year of assessment for that qualifying asset;
- (b) for the year of assessment for the basis period in which that date falls — no allowance may be made to, and no charge may be made on, the electing recipient under section 20 or 21 for any event mentioned in section 20(1) that occurs in the period between 12 December 2018 and the last day of the basis period for that year of assessment (both days inclusive), in relation to any qualifying asset of which it is a lessee; and
- (c) for any subsequent year of assessment other than the last year of assessment —
- (i) the electing recipient is not entitled to any allowance under section 19, 19A or 22; and
 - (ii) no allowance may be made to, and no charge may be made on, the electing recipient under section 20 or 21 for any event mentioned in section 20(1) that occurs in the basis period for that year of assessment,
- in relation to any qualifying asset of which it is a lessee.

[32/2019]

(6) Where the electing recipient makes the election under subsection (10) at the time of lodgment of the return of income for the year of assessment for any basis period other than that in which 12 December 2018 falls, then, for every year of assessment beginning with the basis period in which it makes the election and before the last year of assessment —

- (a) the electing recipient is not entitled to any allowance under section 19, 19A or 22; and

- (b) no allowance may be made to, and no charge may be made on, the electing recipient under section 20 or 21 for any event mentioned in section 20(1) that occurs in the basis period for that year of assessment,

in relation to any qualifying asset of which it is a lessee.

[32/2019]

(7) For the last year of assessment, the capital allowances under section 19, 19A or 22 for any qualifying asset of which the electing recipient is a lessee, and which was leased for its trade or business before the date it ceases to be an MSI recipient, are to be —

- (a) computed on the residue of the capital expenditure or reducing value of the qualifying asset (as the case may be) after deducting all such allowances (including initial and annual allowances) that have or would (but for subsection (5) or (6)) have been made to the electing recipient for all past years of assessment, even if no such allowance was made; and
- (b) reduced by an amount computed by the formula

$$\frac{A}{365} \times B,$$

where —

- (i) A is the number of days between the first day of the basis period of the last year of assessment and the day before the day the electing recipient ceases to be an MSI recipient (both days inclusive); and
- (ii) B is the amount of the capital allowances for the last year of assessment as computed in accordance with paragraph (a).

[32/2019]

(8) For the last year of assessment, no allowance may be made to, and no charge may be made on, the electing recipient under section 20 or 21 for any event mentioned in section 20(1) that occurs between the first day of the basis period of that year of assessment and the day

before the day it ceases to be an MSI recipient (both days inclusive), in relation to any qualifying asset of which it is a lessee.

[32/2019]

(9) For each subsequent year of assessment after the last year of assessment, the capital allowances under section 19, 19A or 22 for any qualifying asset of which the electing recipient is a lessee, and which was leased for its trade or business before the day it ceases to be an MSI recipient, are to be computed on the residue of the capital expenditure or reducing value of the qualifying asset (as the case may be) after deducting —

- (a) all such allowances (including initial and annual allowances) that have or would (but for subsection (5) or (6)) have been made to the electing recipient for all past years of assessment, even if no such allowance was made; and
- (b) the total amount of such allowances that would have been made to the electing recipient for the last year of assessment without the reduction under subsection (7)(b).

[32/2019]

(10) An MSI recipient may make an election to adopt the tax treatment under this section by providing a written notice to the Comptroller of this —

- (a) at the time of lodgment of the return of income for the year of assessment relating to a basis period during which its financial accounts are prepared in accordance with FRS 116 or SFRS(I) 16; or
- (b) within such further time as the Comptroller may allow.

[32/2019]

(11) An election made under subsection (10) is irrevocable.

[32/2019]

(12) If —

- (a) the tax treatment under this section has been applied in relation to a ship that is provisionally registered under the Merchant Shipping Act 1995, and that is operated by an electing recipient that is a shipping enterprise (called in this

subsection and subsections (12A) and (13) the provisionally-registered ship); and

- (b) the electing recipient subsequently fails to obtain a permanent certificate of registry under that Act in respect of that ship,

then the Comptroller must, in relation to every year of assessment for which the tax treatment under this section has already been applied in relation to the provisionally-registered ship —

- (c) make an assessment or additional assessment under section 74 on the electing recipient; or
- (d) revise an assessment already made and give a refund to the electing recipient for any tax overpaid,

as the case may be, as if the tax treatment had not been applied for that year of assessment in relation to both the provisionally-registered ship and relevant assets.

[32/2019; 41/2020]

(12A) Subsection (12) does not apply in relation to a ship in respect of which the electing recipient derives the income mentioned in section 13A(1), (1B), (1CA), (1CD), (1CE), (1CF), (1CG), (1CH), (1CI), (1CJ), (1CK) or (1CL) (modified by replacing a reference to a Singapore ship with a reference to a provisionally registered ship) on or after 19 February 2020, but not before that date.

PART 8

ASCERTAINMENT OF STATUTORY INCOME

Basis for computing statutory income

35.—(1) Except as provided in this section, the income of any person for each year of assessment (called in this Act the statutory income) is the full amount of the person's income for the year preceding the year of assessment from each source of income after the deduction provided under subsection (2).

(2) There is to be deducted any allowance falling to be made under section 16, 17, 18A (repealed), 18B, 18C, 19, 19A, 19B, 19C, 19D or 20 that is not fully deducted and which would otherwise be added to, and deemed to form part of, the corresponding allowance for the next succeeding year of assessment under section 23(1).

(2A) A deduction under subsection (2) is to be made in the following order:

(a) firstly, against income from any trade, business, profession or vocation; and

(b) secondly, against income from any other source.

(3) For the purposes of subsection (2), the balance of allowance for the earliest year of assessment is deemed to have been deducted first, followed by the balance of allowance for the next earliest year of assessment, and so on.

(4) Where the Comptroller is satisfied that any person usually makes up the person's accounts to a day other than 31 December, the Comptroller may direct that —

- (a) where the person is not an individual, the statutory income of that person from all sources be computed on the amount of gains or profits of the year ending on that day in the year preceding the year of assessment;
 - (b) where the accounts relate to a partnership, the income of the partnership be computed under section 36 on the amount of gains or profits of the year ending on that day in the year preceding the year of assessment; or
 - (c) where the person is an individual, the statutory income of that person from any trade, business, profession or vocation to which the accounts relate be computed on the amount of gains or profits of the year ending on that day in the year preceding the year of assessment.
- (5) [*Deleted by Act 19 of 2013*]
- (6) Where the statutory income of any person has been computed by reference to an account made up to a certain day, and such person fails for any reason whatsoever to make up an account to the corresponding day in the year following, the statutory income both of the year of assessment in which such failure occurs and of the 2 years of assessment following is to be computed on such basis as the Comptroller in his or her discretion thinks fit.
- (7) Where it is necessary in order to arrive at the income of any year of assessment or other period, to divide and apportion to specific periods the income of any period for which accounts have been made up, or to aggregate such income or any apportioned parts thereof, it is lawful to make such a division, and apportionment or aggregation, and any apportionment under this section is to be made in proportion to the number of days in the respective periods, unless the Comptroller, having regard to any special circumstances, otherwise directs.
- (8) The statutory income of an executor of a deceased person for any year of assessment is the income of the estate administered by such executor computed in accordance with subsections (1) to (7).
- (9) In the case of an estate administered in Singapore, a deduction is allowed in respect of any income included in the computation of the

statutory income which is received by, distributed to or applied to the benefit of any beneficiary of the estate before 31 March in the year next following the year of assessment.

(10) The statutory income of any beneficiary of such estate is the amount so received by, or distributed to the beneficiary, or applied to the beneficiary's benefit during the year preceding the year of assessment.

(12) The trustee of a designated unit trust for a year of assessment may elect to apply this subsection to the trustee's income referred to in section 10(20)(a), (b) and (c) and (20A)(a) to (i) derived in the basis period or any part of the basis period for that year of assessment, and thereupon that income does not form part of the trustee's statutory income for that year of assessment.

[37/2014]

(14) In subsections (12), (13), (13A), (14A), (14B), (14C) and (14D) —

“compensatory payment” has the meaning given by section 10H(12);

“designated unit trust”, in relation to a year of assessment, means a trust that is —

- (a) a unit trust scheme or an exchange traded fund interest scheme, in which any moneys standing to the credit of a member of the Central Provident Fund in the Fund have been or may be invested, and which remains prescribed by the Minister for the purposes of this definition throughout the basis period for that year of assessment; or

“securities” has the meaning given by section 10(23);

“unit” and “unit trust” have the meanings given by section 10A.

[37/2014; 32/2019]

(14A) For the purposes of paragraph (a) of the definition of “designated unit trust” in subsection (14), the Minister may prescribe, as designated unit trusts, descriptions of unit trust schemes and exchange traded fund interest schemes set out on a specified website of the Central Provident Fund Board, as amended from time to time.

[37/2014]

- (e) the investment strategy of the unit trust as of 20 February 2014 remains unchanged.

[37/2014]

(14C) Despite the definition of “designated unit trust” in subsection (14), a collective investment scheme (being a former designated unit trust) —

- (a) which is a restricted Singapore scheme within the meaning of section 13(16); or
- (b) the units of which are offered only to institutional investors,

which fails to satisfy the conditions set out in subsection (14B) in any part of the basis period for a year of assessment is not treated as a designated unit trust for the year of assessment to which that basis period relates, or for any subsequent year of assessment even if all of the requirements in the definition of that term have been satisfied for that subsequent year of assessment.

[37/2014]

(14D) For the purposes of paragraphs (a) and (b) of the definition of “designated unit trust” in subsection (14), a reference to a condition being satisfied throughout the basis period for a year of assessment is, where the unit trust is dissolved at any time in the basis period, a reference to the condition being satisfied from the beginning of the basis period up to the date of the dissolution.

(14G) Subsection (14F) applies to the trust for a subsequent year of assessment even if all of the requirements in the definition of “designated unit trust” in subsection (14) have been satisfied for that year of assessment.

[37/2014]

(14H) In the case of a trust that is constituted before 1 April 2019 whose trustee did not make an election for subsection (12) to apply to the trustee’s income for the basis period immediately preceding the

basis period in which 1 April 2019 falls, subsections (12), (13) and (13A) do not apply to that trust for the year of assessment to which the second-mentioned basis period relates and for every subsequent year of assessment.

[37/2014]

(14I) Subsection (14H) applies to the trust for the year of assessment to which the second-mentioned basis period in that subsection relates or a subsequent year of assessment, even if all of the requirements in the definition of “designated unit trust” in subsection (14) have been satisfied for that year of assessment or that subsequent year of assessment.

[37/2014]

(15) The statutory income for any year of assessment of any beneficiary under a trust is that share of the statutory income of the trustee for that year of assessment which corresponds to the share of the trust income to which the beneficiary is entitled for the year preceding the year of assessment.

(15A) Despite subsection (15), the statutory income for any year of assessment of a beneficiary of a trust (called in this subsection the first trust), where the beneficiary is itself a trustee of an approved REIT exchange-traded fund, is that share of the statutory income of the trustee of the first trust that corresponds to the share of the income of the first trust to which the beneficiary is entitled for the year preceding the year of assessment.

[45/2018]

(15B) To avoid doubt, section 43(2) (read with section 43(2A)(ba)) applies to the statutory income under subsection (15A) of the beneficiary.

[45/2018]

(15C) Where a unitholder of a real estate investment trust is entitled to an amount, being a return of capital, from a trustee of the real estate investment trust, the cost of the units to the unitholder is reduced by the amount entitled.

[45/2018]

(16) In subsection (15), “statutory income of the trustee” does not include —

- (a) in relation to a trustee of a real estate investment trust within the meaning of section 43(10), any income from any trade or business carried on by the trustee other than the income of the kinds referred to in section 43(2A)(a)(i), (ii), (iii), (iv) and (v);

[39/2017; 41/2020]

(7) Any election made under subsection (6) is irrevocable and must be accompanied by such particulars as the Comptroller may require.

(8) Where the Comptroller discovers that any deduction made under subsection (1) against the assessable income of any person for any year of assessment is or has become excessive, the Comptroller may make an assessment on the person on the amount which, in the Comptroller's opinion, ought to have been charged to tax in that year of assessment within 7 years (if that year of assessment is 2007 or a preceding year of assessment) or 5 years (if that year of assessment is 2008 or a subsequent year of assessment) after the expiry of that year of assessment.

[41/2020]

(8A) Despite subsection (8), where the Comptroller discovers that any deduction made under subsection (1A) of any qualifying deduction for a subject YA against the assessable income of a person for the year of assessment 2017, 2018, 2019 or 2020 (whichever is applicable) has become excessive, the Comptroller may make an assessment on the person on the amount which, in the Comptroller's opinion, ought to have been charged to tax in the year of assessment 2017, 2018, 2019 or 2020, as the case may be —

- (a) in the case of a qualifying deduction for the year of assessment 2020 — on or before 31 December 2024; or
- (b) in the case of a qualifying deduction for the year of assessment 2021 — on or before 31 December 2025.

[27/2021]

(9) For the purposes of this section, subject to sections 35, 37 and 37A, qualifying deductions, in relation to any person, for each year of assessment, are —

- (a) any allowance falling to be made under section 16, 17, 18B, 18C, 19, 19A, 19B, 19C, 19D or 20 that is in excess of the person's income from all sources chargeable to tax for that year of assessment and is not transferred under section 37B or 37C; and

- (b) any loss incurred by the person in any trade, business, profession or vocation which is not deducted for that year of assessment because of insufficiency of statutory income of the person and is not transferred under section 37B or 37C.

(10) Despite subsection (9), any loss deemed to be a loss incurred from a trade or business for the purpose of section 97V of the Economic Expansion Incentives (Relief from Income Tax) Act 1967 in force immediately before 19 April 2016 is not deductible.

[11/2016]

(11) Despite subsection (9), any allowance specified in subsection (9)(a) made to a person for any year of assessment is not deductible against assessable income for the immediate preceding year of assessment or (as the case may be) any of the 3 immediate preceding years of assessment if the person did not carry on that trade, business or profession in the basis period for the year of assessment in which the allowance is claimed.

[39/2017; 41/2020]

(12) Despite subsection (9), any allowance specified in subsection (9)(a) made to or any loss specified in subsection (9)(b) incurred by a company for any year of assessment is not deductible against income for the immediate preceding year of assessment or (as the case may be) any of the 3 immediate preceding years of assessment unless the Comptroller is satisfied that the shareholders of the company on the first day of the year in which the allowances arose or in which the loss was incurred (as the case may be) were substantially the same as the shareholders of the company on the last day of the year of assessment in which the allowance is claimed.

[39/2017; 41/2020]

(13) For the purposes of subsection (12) —

- (a) the shareholders of a company at any date are not deemed to be substantially the same as the shareholders at any other date unless, on both those dates, not less than 50% of the total number of issued shares of the company are held by or on behalf of the same persons;

- (b) shares in a company held by or on behalf of another company are deemed to be held by the shareholders of the last mentioned company; and
- (c) shares held by or on behalf of the trustee of the estate of a deceased shareholder or by or on behalf of the person entitled to those shares as beneficiaries under the will or any intestacy of a deceased shareholder are deemed to be held by that deceased shareholder.

$$\frac{A}{B},$$

where A is the amount that has not been paid in respect of the share; and

B is the total amount payable in respect of the share.

(15) The Minister or such person as the Minister may appoint may, where there is a substantial change in the shareholders of a company and the Minister or appointed person is satisfied that such change is not for the purpose of deriving any tax benefit or obtaining any tax advantage, exempt that company from the provisions of subsection (12).

(16) Upon an exemption under subsection (15), any allowance specified in subsection (9)(a) made to or any loss specified in subsection (9)(b) incurred by a company may only be deducted against the profits from the same trade or business of the company in respect of which the allowance was made or the loss was incurred.

(16A) This section does not entitle any qualifying deduction of a life insurer for any year of assessment to be deducted against any income of the insurer for any preceding year of assessment from a participating fund that is apportioned to policyholders in accordance with regulations made under section 43(9) or 43C, unless the qualifying deduction is —

- (a) a qualifying deduction in respect of any income from that participating fund that is apportioned to policyholders in accordance with those regulations; or
- (b) a qualifying deduction in respect of any income of the insurer from another participating fund that is also apportioned to policyholders in accordance with those regulations.

[27/2021]

(16B) This section also does not entitle any qualifying deduction of a life insurer for any year of assessment in respect of any income of the insurer from a participating fund that is apportioned to policyholders in accordance with regulations made under section 43(9) or 43C, to be deducted against any income of the insurer for any preceding year of assessment, other than income from a participating fund that is apportioned to policyholders in accordance with regulations made under section 43(9) or 43C.

(7) Any individual transferring or claiming a qualifying deduction under this section must notify the Comptroller and make an election to transfer or claim qualifying deductions (as the case may be) not later than 30 days from the date of the service of the notice of assessment on the individual or his or her spouse, whichever is the later.

(8) An election made by an individual under subsection (7) is irrevocable and must be accompanied by such particulars as the Comptroller may require.

(9) Where the Comptroller discovers that any transfer of qualifying deduction under this section against the assessable income of a claimant spouse for any year of assessment is or has become excessive, the Comptroller may make an assessment on the claimant spouse on the amount which, in the Comptroller's opinion, ought to have been charged to tax in that year of assessment within 7 years (if that year of assessment is 2007 or a preceding year of assessment) or 5 years (if that year of assessment is 2008 or a subsequent year of assessment) after the expiry of that year of assessment.

(9A) Despite subsection (9), where the Comptroller discovers that any qualifying deduction for the year of assessment 2010 transferred under subsection (1A) and made against the assessable income of the claimant spouse for the year of assessment 2008 is or has become excessive, the Comptroller may make an assessment on the claimant spouse on the amount which, in the Comptroller's opinion, ought to have been charged to tax in the year of assessment 2008, within 6 years after the expiry of that year of assessment.

(10) For the purposes of this section, subject to sections 35 and 37, qualifying deductions, in relation to an individual, for each year of assessment, are —

- (b) any loss incurred by the individual in any trade, business, profession or vocation which is not deducted for that year

of assessment because of insufficiency of statutory income of the individual and is not deducted under section 37D or transferred under section 37C.

(11) Despite subsection (10), any loss deemed to be a loss incurred from a trade or business for the purpose of section 97V of the Economic Expansion Incentives (Relief from Income Tax) Act 1967 in force immediately before 19 April 2016 is not transferable.

(12) Despite subsection (10), any allowance specified in subsection (10)(a) made to a transferor for any year of assessment is not transferable if the transferor did not carry on that trade, business or profession in the basis period for the immediate preceding year of assessment or any one of the 3 immediate preceding years of assessment, as the case may be.

(13) In this section, “assessable income”, in relation to an individual, means assessable income of the individual as determined under section 37 after deducting any deductions claimed under sections 37C and 37D.

- (d) the amount of credit standing in the research and development account as at the first day of the basis period; and
- (e) the assessable income of the company for that year of assessment.

(6) As soon as an amount is deducted against the assessable income of a company under subsection (5), the research and development account must be debited with such amount.

(7) Any deduction under this section must so far as possible be made against the part of its assessable income that is subject to the highest rate of tax, and any remaining balance of the deduction must so far as possible be made against the part of its assessable income that is subject to the next highest rate of tax, and so on.

(8) For the purpose of this section, the Minister may make regulations to give effect to or for carrying out the purposes of this section.

(9) A company to which a deduction has been given under this section must deliver to the Comptroller a copy of the audited account made up to any date specified by the Comptroller whenever called upon to do so by written notice.

[37/2014]

Abusive PIC arrangements

37K.—(1) Despite the provisions of this Act, the Comptroller may disallow an amount referred to in subsection (2) of a claim for —

- (a) a PIC enhanced deduction; or
- (b) a PIC cash payout,

and disallow the payment of an amount referred to in subsection (2) of a PIC bonus based on that claim, if the Comptroller has reasonable grounds to suspect that the claim arises from an abusive PIC arrangement.

[37/2014]

(2) The amount of the PIC enhanced deduction, PIC cash payout or PIC bonus that may be disallowed under subsection (1) is the amount resulting from the PIC arrangement being abusive as defined under subsection (10).

[37/2014]

(3) Despite the provisions of this Act, the amount referred to in subsection (4) of a PIC cash payout or PIC bonus paid to a person that was based on a claim that arose from an abusive PIC arrangement is recoverable by the Comptroller from the person as a debt due to the Government.

[37/2014]

(4) The amount of the PIC cash payout or PIC bonus that is recoverable under subsection (3) is the amount resulting from the PIC arrangement being abusive as defined under subsection (10).

[37/2014]

(5) The amount that is recoverable under subsection (3) is payable at the place stated in the notice served by the Comptroller on the person within 30 days after the service of the notice.

[37/2014]

(6) The Comptroller may, in his or her discretion and subject to such terms and conditions as the Comptroller may impose, extend the time within which payment under subsection (3) is to be made.

[37/2014]

(7) Sections 86(1) to (6), 87(1) and (2), 89, 90 and 91 apply to the collection and recovery by the Comptroller of the amount recoverable under subsection (3) as they apply to the collection and recovery of tax.

[37/2014]

(8) In this section, an arrangement is a PIC arrangement if the obtaining of a PIC cash payout, PIC bonus or PIC enhanced deduction, or a higher amount of a PIC cash payout, PIC bonus or PIC enhanced deduction, was the purpose or one of the purposes of the arrangement (called in this section the relevant purpose).

[37/2014]

- (9) In this section, a PIC arrangement is abusive if —
- (a) it consists or makes use of one or more artificial, contrived or fraudulent steps that are intended to achieve the relevant purpose;
 - (b) the arrangement results in the consideration paid or payable for the property or services in question being of a greater value than the open market value of the property or services, and there is no bona fide commercial reason for the difference in the values apart from the relevant purpose; or
 - (c) in any other case, there is no bona fide commercial reason for entering into the arrangement or a transaction forming part of the arrangement apart from the relevant purpose.
- [37/2014]*

(10) In this section, the amount of PIC enhanced deduction, PIC cash payout or PIC bonus resulting from a PIC arrangement being abusive is —

- (a) if the arrangement is abusive by reason of subsection (9)(a), the amount that results or has resulted from the use of the artificial, contrived or fraudulent step or steps, excluding any amount the person concerned is entitled to if the step or steps had not been used;
- (b) if the arrangement is abusive by reason of subsection (9)(b), the amount that corresponds to the difference in the values mentioned in that provision; or
- (c) if the arrangement is abusive by reason of subsection (9)(c), the full amount.

Examples

- (i) *A* enters into a contract for training for *A*'s employees. The right to training may be exchanged for goods. Expenditure for the goods is not eligible for a PIC cash payout. *A* exchanged the right to training for those goods and made a claim for a PIC cash payout in respect of the expenditure. The contract and the exchange together form an abusive PIC arrangement. The amount of the PIC cash payout that results from the

arrangement being abusive for the purposes of subsections (1) and (3) is the full amount of the payout.

- (ii) *A*, in order to obtain a higher amount of PIC cash payout, purchases more equipment than *A* needs for *A*'s business. The purchase of the excess equipment is an abusive PIC arrangement. The amount of the PIC cash payout that results from the arrangement being abusive for the purposes of subsections (1) and (3) is the amount corresponding to the price paid for the excess equipment.
- (iii) *A* and *B*, in order to help each other obtain a PIC cash payout, sell to each other equipment that performs the same function. The sales are abusive PIC arrangements. The amount of the PIC cash payout that results from the arrangement being abusive for the purposes of subsections (1) and (3) is the full amount of the payout.
- (iv) *A* enters into a contract for training for *A*'s employees. The contract price for the training includes both the value of the training and the value of other goods to be given to the trainees. Expenditure for those goods is not eligible for a PIC cash payout. The purpose for setting the price for the training in this way is to enable a higher PIC cash payout to be paid to *A*. The contract is an abusive PIC arrangement. The amount of the PIC cash payout that results from the arrangement being abusive for the purposes of subsections (1) and (3) is the amount corresponding to the price for those other goods.

[37/2014]

[2/2016; 32/2019; 27/2021]

(17) No deduction in respect of any qualifying acquisition of ordinary shares in a target company may be made to the acquiring company for the year of assessment relating to the basis period of the acquiring company in which any of the following events occurs or for any subsequent year:

- (a) where the qualifying acquisition is one mentioned in subsection (4) or (4A)(c), (d), (e) or (f), after the date of the acquisition of the shares, the target company issues additional ordinary shares which reduces the total ownership of the acquiring company and its acquiring subsidiaries of the ordinary shares in the target company to 50% or less;
- (aa) where the qualifying acquisition is one mentioned in subsection (4A)(a) or (b), after the date of the acquisition of the shares, the target company issues additional ordinary shares which reduces the total ownership of the acquiring company and its acquiring subsidiaries of the ordinary shares in the target company to less than 20%;
- (b) the acquiring company —

 - (ii) ceases to have at least 3 local employees;
- (c) where the qualifying acquisition is one mentioned in subsection (4)(a) or (b) or (4A)(c) or (d), the acquiring company or the acquiring subsidiary (as the case may be) divests of its shares in the target company which reduces the total ownership of the acquiring company and its acquiring subsidiaries of the ordinary shares in the target company to 50% or less, and such divestment occurs in a basis period of the acquiring company other than that for the 1st year of assessment;
- (d) where the qualifying acquisition is one mentioned in subsection (4)(c) or (d) or (4A)(e) or (f), the acquiring company or the acquiring subsidiary (as the case may be) divests of its shares in the target company which reduces the total ownership of the acquiring company and its acquiring subsidiaries of the ordinary shares in the target company to a percentage below 75%, and such divestment occurs in a basis period of the acquiring company other than that for the 1st year of assessment;

- (da) where the qualifying acquisition is one mentioned in subsection (4A)(a) or (b), the acquiring company or the acquiring subsidiary (as the case may be) divests its shares in the target company which reduces the total ownership of the acquiring company and its acquiring subsidiaries of the ordinary shares in the target company to any percentage below 20%, and such divestment occurs in a basis period of the acquiring company other than that for the 1st year of assessment;

 - (i) carries on any trade or business in Singapore or elsewhere;

 - (B) whether directly or indirectly, in the case of a qualifying acquisition the date of which is on or after 17 February 2012.

[2/2016; 27/2021]

(18) If the Comptroller is satisfied that the shareholders of the acquiring company on the first day of the year of assessment in which the deduction is to be allowed in respect of a qualifying acquisition are not substantially the same as its shareholders on the date of the acquisition of the shares, then no deduction in respect of the qualifying acquisition may be made to the acquiring company for the year of assessment relating to the basis period of the acquiring company in which the deduction is to be allowed and for any subsequent year of assessment.

Modifications for groups of companies

(19) Where the acquiring company or the acquiring subsidiary (as the case may be) and the target company are part of the same group of companies on the date of a qualifying acquisition of ordinary shares in a target company by the acquiring company or the acquiring subsidiary (as the case may be), no deduction may be made under this section in respect of that qualifying acquisition unless the total number of ordinary shares acquired by the acquiring company or the acquiring subsidiary (as the case may be) results in an increase in the total number of ordinary shares of the target company held on that date by all companies in the group (excluding the target company) and, where there is such an increase —

- (a) a deduction is only allowed under this section for; and
- (b) references in subsections (7) to (10A) to any capital expenditure for a qualifying acquisition are accordingly references to,

the capital expenditure in respect of the number of such shares that corresponds to such increase.

[2/2016]

(19A) The Minister or such person as he may appoint may, for any particular qualifying acquisition made during the period from 17 February 2012 to 31 March 2020 (both dates inclusive), waive the requirement in subsections (16A)(d) and (17)(e) in relation to the ultimate holding company of the acquiring company, subject to such conditions that the Minister or the person he has appointed may impose.

[2/2016; 41/2020]

(19B) If —

- (a) any requirement under subsections (16A)(d) and (17)(e) has been waived (whether before, on or after 2 December 2019) for an acquiring company in respect of any qualifying acquisition under subsection (19A); and
- (b) the acquiring company fails to comply with a condition subsequent imposed under subsection (19A) for such waiver,

then, if the Minister or the person appointed by the Minister is satisfied, having regard to the acquiring company's representation and all the relevant circumstances of the case, that it is just and reasonable to do so, the Minister or appointed person —

- (c) may make a determination that the company is not entitled to any deduction in respect of the qualifying acquisition for each year of assessment beginning with a specified year of assessment; and
- (d) must give a written notice of the determination to the Comptroller and the company.

[32/2019]

(19C) If a determination has been made under subsection (19B), then (despite anything in this section) —

- (a) any deduction that has already been made to the acquiring company in respect of the qualifying acquisition for each year of assessment beginning with the specified year of assessment is treated for the purposes of this section as having been wrongly allowed, and the Comptroller may, subject to section 74, make an assessment or additional assessment on the company for those years of assessment to make good any tax shortfall; and
- (b) no deduction may be made to the company for the qualifying acquisition —
 - (i) for any year of assessment after the year or years of assessment mentioned in paragraph (a); or

- (ii) if no deduction has been made to the company for the specified year of assessment, for the specified year of assessment and each subsequent year of assessment.

[32/2019]

Carry forward of deductions

(20) Subject to subsection (21), where in any year of assessment full effect cannot, by reason of an insufficiency of gains or profits chargeable for that year of assessment, be given to any deduction falling to be allowed under this section, the balance of the deduction is to be added to, and is deemed to form part of the corresponding deduction (if any) for the next succeeding year of assessment, and if no such corresponding deduction falls to be allowed for that year, is deemed to constitute the corresponding deduction for that year, and so on for subsequent years of assessment.

(21) No balance may be added to and be deemed to form part of the corresponding deduction (if any) to be given to an acquiring company under subsection (20) for a year of assessment unless the Comptroller is satisfied that the shareholders of the acquiring company on the last day of the year of assessment in which the deduction was claimed were substantially the same as the shareholders of the acquiring company on the first day of the firstmentioned year of assessment; and such balance must not be allowed in any subsequent year of assessment.

Exemption

(22) The Minister or such person as the Minister may appoint may, where there is a substantial change in the shareholders of a company and the Minister or appointed person is satisfied that such change is not for the purpose of deriving any tax benefit or obtaining any tax advantage, exempt that company from the provisions of subsections (18) and (21).

Deductions that ought not to have been allowed

(23) Despite section 74(1) and (4), where it appears to the Comptroller that a deduction or any part thereof under this section

which has been allowed to any acquiring company in any year of assessment ought not to have been allowed by virtue of —

- (a) the occurrence of any event specified in subsection (17) or (18);
- (b) the failure of the acquiring company or the acquiring subsidiary (as the case may be) to pay the consideration for acquiring the shares of the target company in full within 6 months from the date of the acquisition of the shares or, in the case of consideration that is contingent consideration, within 6 months from the date the contingent consideration is incurred;
- (c) a reduction in the consideration paid in relation to the share acquisition upon satisfaction of indemnity conditions as may be specified in the agreement for the sale of the ordinary shares of the target company; or
- (d) section 33,

the Comptroller may, at any time, for the purposes of making good any loss of tax attributable to the deduction or part thereof, assess the person who has utilised the deduction at such amount or additional amount as according to the Comptroller's judgment ought to have been charged, and this subsection also applies with the necessary modifications to any assessment which results in any unabsorbed allowances or losses.

Regulations

- (24) The Minister may make regulations —
- (a) to provide for the disallowance of or for the adjustments to be made to the amount of any deduction allowed in any year of assessment under this section where the acquiring company or the acquiring subsidiary (as the case may be) divests itself of any of the ordinary shares it holds in the target company;
 - (b) to provide for the application of this section to a business trust, subject to such modifications as may be prescribed, including treating, in prescribed circumstances, a business

trust and any company whose shares are trust property thereof as companies within a group of companies, and a holding of units in a business trust as a holding of shares in a company;

- (c) to prescribe such matters as are required or authorised to be prescribed under this section; and
- (d) generally for giving full effect to or for carrying out the purposes of this section.

Treatment of unabsorbed donations attributable to exempt income

37P.—(1) If —

- (a) any donation allowable under this Act for the year of assessment 2012 or any preceding year of assessment (called in this section the attributed donation) is to be deducted from any income of a company under a provision of this Act or the Economic Expansion Incentives (Relief from Income Tax) Act 1967 in determining the amount of its income that is exempt from tax under that provision for that or any subsequent year of assessment; and
- (b) part or all of the attributed donation (called in this section the balance) has yet to be fully deducted in determining the amount of income that is exempt from tax for the year of assessment 2012,

then the following provisions apply to the balance:

- (c) subject to paragraphs (e) to (i) and subsection (2), the balance is to be deducted from the statutory income of the company for the year of assessment 2013;
- (d) subject to paragraphs (e) to (i) and section 37B as in force immediately before 7 December 2020, where the deduction under paragraph (c) cannot be made or fully made, the balance is to be deducted from the statutory income of the company for the year of assessment 2014, and so on;
- (e) any balance not deducted against the statutory income of the company for the fifth year of assessment after the year of assessment relating to the basis period in which the donation was made must be disregarded;
- (f) for the purposes of paragraphs (c) and (d), any donation made on an earlier date is deemed to have been deducted first;
- (g) where the part of the balance that may be deducted under paragraph (c) against any type of income in accordance

with subsection (2) has been so deducted and a sum remains of that part of the balance after such deduction, a deduction under paragraph (d) of the sum that so remains, or any sum that remains after one or more applications of this paragraph, is to be made in the following manner:

- (i) the sum is first to be deducted against the same type of income;
 - (ii) any sum remaining after that deduction is to be deducted against any other type of income in accordance with section 37B of this Act in force immediately before 7 December 2020;
- (h) despite paragraphs (c) and (d), the balance must be disregarded if the Comptroller is not satisfied that the shareholders of the company on the last day of the year in which the donation was made, were substantially the same as the shareholders of the company on the first day of the year of assessment in which the balance would otherwise be deductible; and
- (i) section 37(13) to (17) applies, with the necessary modifications, for the purposes of paragraph (h).

[41/2020]

(2) The deduction under subsection (1)(c) is to be made in accordance with the following provisions:

- (a) section 37B of this Act in force immediately before 7 December 2020 does not apply to the deduction;
- (b) if the company only derives normal income for that year of assessment, the balance is to be deducted against the normal income for that year of assessment;
- (c) if the company only derives concessionary income for that year of assessment, the balance is to be deducted against the concessionary income for that year of assessment;
- (d) if the company derives both normal income and concessionary income, or concessionary income that is subject to tax at different concessionary rates of tax, for that year of assessment, the balance is to be deducted

against each type of income in such proportion as appears reasonable to the Comptroller in the circumstances;

- (e) if the company only derives income that is exempt from tax for that year of assessment, then section 37B of this Act in force immediately before 7 December 2020 applies, with the necessary modifications, for the purpose of making a deduction of the balance under subsection (1)(d) as if the balance were unabsorbed donation in respect of income of a company subject to tax at the rate of tax specified in section 43(1)(a).

[41/2020]

- (3) In this section —

“concessionary income” means income that is subject to tax at a concessionary rate of tax;

[37/2014; 2/2016; 34/2016; 32/2019]

Concessionary rate of tax for intellectual property income

43X.—(1) Despite section 43 and subject to this section, the concessionary rate of tax under subsection (5) applies for each year of assessment upon a percentage determined in accordance with regulations of qualifying intellectual property income of an approved company, that is derived —

- (a) from a qualifying IPR elected by the approved company for that year of assessment under subsections (7) and (8); and
- (b) in so much of the basis period for that year of assessment as falls within the tax relief period applicable to the approved company.

[45/2018]

(2) The Minister or a person appointed by the Minister may approve a company as an approved company (subject to such terms and conditions as the Minister or appointed person may specify), but not after 31 December 2023.

[45/2018]

(3) The Minister or the appointed person may —

- (a) specify an initial tax relief period for an approved company that does not exceed 10 years;
- (b) specify a commencement date for the initial tax relief period that is not earlier than 1 July 2018; and
- (c) extend the tax relief period for a further period or periods, not exceeding 10 years for each period, as the Minister or the appointed person may determine.

[45/2018]

(4) Where the commencement date for the initial tax relief period is a date before the company becomes an approved company, then for the purposes of subsection (1), the company is treated as an approved company beginning on the commencement date.

[45/2018]

(5) For the purpose of subsection (1), the concessionary rate of tax for an approved company is a rate determined in accordance with the formula $A + B$, where —

- (a) A is a base rate of 5% or 10% as the Minister or the appointed person may determine; and
- (b) B is the sum of every rate increase specified by the Minister or the appointed person to the approved company in accordance with subsection (6).

[45/2018; 41/2020]

(6) For the purposes of subsection (5)(b), the Minister or the appointed person must specify to an approved company, for every 5-year period beginning with the third 5-year period of its tax relief period and ending with the eighth 5-year period of its tax relief period, a rate increase of at least 0.5% that applies to the years of assessment of all the basis periods within that 5-year period.

[45/2018]

(7) Subject to subsection (8), an approved company must elect a qualifying IPR to which subsection (1) is to apply for any year of assessment —

- (a) in the form and manner determined by the Comptroller; and
- (b) at the time the approved company lodges its return of income for that year of assessment, or by such later time as the Comptroller may allow in any particular case.

[45/2018]

(8) An election of any qualifying IPR made under subsection (7) for a year of assessment is irrevocable, and the approved company is treated as making an election for the same qualifying IPR for each subsequent year of assessment.

[45/2018]

(9) To avoid doubt, subsections (7) and (8) do not prevent an approved company from electing for any year of assessment, any qualifying IPR not already elected or treated as elected under those subsections.

[45/2018]

(10) The approved company must, in such circumstances as the Comptroller may determine and in such form and manner as the Comptroller may require, provide the Comptroller with such information and documents as the Comptroller may require for the purposes of determining the applicability of subsection (1) in a particular case.

[45/2018]

(11) The Minister may make regulations to provide for any of the following:

- (a) the determination of the percentage of qualifying intellectual property income of an approved company for the purposes of subsection (1);
- (b) the intellectual property income that is qualifying intellectual property income for this section;
- (c) the deduction (otherwise than in accordance with this Act), from the qualifying intellectual property income of an approved company, of —
 - (i) allowances attributable to the income; and
 - (ii) expenses, losses and donations allowable under this Act,
including deduction of these allowances, expenses, losses and donations in such manner and to such extent as the Comptroller may determine;
- (d) the circumstances under which a prescribed amount of qualifying intellectual property income that has been assessed to tax at the concessionary rate in subsection (1) may be deemed as income chargeable to tax at the rate of tax in section 43(1)(a) for a specified year of assessment;
- (da) the circumstances under which a prescribed amount of expenses, allowances or donations deducted from qualifying intellectual property income of an approved company may be deemed as a loss;
- (db) the treatment of the loss mentioned in paragraph (da), including disregarding any part of it, or making available any part of it for —
 - (i) deduction against any income subject to tax at the rate specified in section 43(1)(a) for a specified year of assessment in accordance with this Act;
 - (ii) deduction against any income for any preceding or subsequent year of assessment in accordance with this Act; and
 - (iii) transfer under section 37B;

- (dc) the application of the provisions of this Act for the purpose of the deductions and transfer in paragraph (db) with such modifications as may be prescribed;
- (e) the records to be kept by an approved company;
- (f) generally to give effect to or carry out the purposes of this section.

[45/2018; 27/2021]

(12) To avoid doubt, any regulations made under subsection (11)(e) do not affect the generality of section 67.

[45/2018]

(13) In this section —

“qualifying intellectual property income” means any intellectual property income prescribed by the Minister in regulations made under this section;

“qualifying intellectual property right” or “qualifying IPR” means any intellectual property right prescribed by the Minister in regulations made under this section.

[2/2016; 34/2016]

(4) If the amount of tax which is required to be deducted under subsection (1) is not paid to the Comptroller —

- (a) by the 15th day of the second month following the month in which the interest from which the tax is to be deducted is paid, or such other date as may be allowed under subsection (2)(a), a sum equal to 5% of such amount of tax is payable; and
- (b) within 30 days after the time specified in paragraph (a), an additional penalty of 1% of such amount of tax is payable for each completed month that the tax remains unpaid, but the total additional penalty under this paragraph must not exceed 15% of the amount of tax outstanding.

[34/2016]

(5) Without affecting any other provision of this Act, if any person after deducting any tax under subsection (1) fails to give notice of

such deduction to the Comptroller in the manner referred to in subsection (1B) and by the time specified in subsection (4)(a), the person shall be guilty of an offence and shall on conviction pay a penalty equal to 3 times the amount of tax so deducted and shall also be liable to a fine not exceeding \$10,000 or to imprisonment for a term not exceeding 3 years or to both.

[2/2016]

(2A) The notice under subsection (2) must be given using the electronic service, except that the Comptroller may in any particular case or class of cases permit the notice to be given in any other manner.

(4) For the purpose of payment of any tax due from any income which is chargeable to tax under section 10(1)(a) in respect of any disposal of any real property which is owned by 2 or more persons as joint owners, the designated person deducting the tax must retain such amount as is presumed under subsection (5) to be owned by any non-resident person and pay over the tax due from such amount to the Comptroller.

(5) It is presumed, until the contrary is proved, that the persons who own any real property as joint owners share the proceeds of disposal of the real property in equal shares.

(5A) This section does not apply to any payment made on or after 1 January 2015 by a designated person to a branch in Singapore of a company incorporated outside Singapore and is a non-resident person.

[37/2014]

Application of section 45 to withdrawals by non-citizen SRS members, etc.

45E.—(1) Subject to subsections (2) and (2A), section 45 applies in relation to —

(a) any withdrawal made —

(i) under section 10G or after the balance (excluding any life annuity) remaining in the SRS account is deemed withdrawn under section 10G(6) or (7) by an SRS member who is not a citizen of Singapore from his or her SRS account; or

(ii) after the sum standing in the SRS account is deemed withdrawn under section 10G(9) by the legal personal representative of a deceased SRS member who is not a citizen of Singapore from the SRS account,

as that section applies to any interest paid by a person (*X*) to another person (*Y*) not known to *X* to be resident in Singapore and, for the purpose of such application, any

reference in that section to interest is a reference to such withdrawal from the SRS account; and

- (b) any payment of any penalty under section 10G(2) which is imposed on any SRS member and paid by an SRS operator to the Comptroller as that section applies to any interest paid by a person (*X*) to another person (*Y*) not known to *X* to be resident in Singapore and, for the purposes of such application, any reference in that section to interest payable is a reference to the penalty so payable by the SRS operator to the Comptroller.

[2/2016]

(2) For the purpose of subsection (1)(a), where a withdrawal is made —

- (a) under section 10G(3) or (8) or after the balance (excluding any life annuity) remaining in the SRS account is deemed withdrawn under section 10G(6) or (7) by an SRS member; or
- (b) after the sum standing in the SRS account is deemed withdrawn under section 10G(9),

section 45 applies only in relation to 50% of the amount withdrawn from the SRS account.

(2A) For the purposes of subsection (1)(a), where a withdrawal of all the funds standing in the SRS account of an SRS member is made on the ground in section 10G(3G), section 45 applies only in relation to an amount determined in the following manner:

$$\frac{A}{A + B} \times C,$$

where A is the amount of funds withdrawn from the SRS account on that ground;

B is the total value of the investment that is deducted from the balance in the SRS account (if any) on that ground; and

C is the amount of the SRS member's income chargeable to tax under section 10(1)(g) as determined under section 10G(3G).

[2/2016]

(2B) In subsection (2A) —

- (a) the reference to a deduction of an investment from the balance in an SRS account is to be construed in accordance with section 10G(3F); and
- (b) the value of such investment is determined in accordance with the regulations made under section 10G(11).

[2/2016]

(3) For the purposes of this section, the amount to be deducted under section 45 in respect of withdrawals from the SRS account of an SRS member —

- (a) under subsection (1)(a), is the amount computed based on the rate of 22%; and
- (b) under subsection (1)(b), is the total penalty deducted by the SRS operator from the amount so withdrawn from the SRS account.

[2/2016]

(4) Subject to subsection (5), this section does not apply to any withdrawal by an SRS member who is not a citizen of Singapore if the amount of withdrawal from the member's SRS account in any year does not exceed the amount of contribution to the member's SRS account in that year.

(5) Where a deduction for SRS contributions has been allowed in any year to an SRS member who is not a citizen of Singapore under an assessment made under section 73(1)(b) and within that year the SRS member applies to withdraw an amount up to the amount the SRS member has contributed in that year, the SRS operator must release the amount applied to the SRS member after deducting tax at the rate of 22% on every dollar withdrawn.

[2/2016]

(6) To avoid doubt, a reference to a withdrawal from an SRS account in this section is a reference to an actual withdrawal of funds, and excludes a deemed withdrawal of funds under section 10G(3E).
[2/2016]

Approval of deduction of investment from SRS account of non-citizen

45EA.—(1) This section applies to an investment made using funds from an SRS account of an SRS member who is not a citizen of Singapore.

[37/2014]

(2) Before approving the deduction of the investment from the balance in the SRS account, an SRS operator must comply with subsection (3), unless the Comptroller has waived such compliance by written notice to the SRS operator.

[37/2014]

(3) Subject to subsection (3A), the SRS operator must collect from the SRS member or (if the SRS member is deceased) the SRS member's legal personal representative tax at the rate of 22% on an amount that is equal to 50% of the total value of the investment to be deducted from the balance in the SRS account.

[37/2014; 2/2016]

(3A) If the deduction of the investment from the balance in the SRS account is to be made on the ground in section 10G(3G), the amount on which tax is to be collected under subsection (3) is determined in the following manner:

$$\frac{B}{A + B} \times C,$$

where A is the amount of funds to be actually withdrawn from the SRS account on that ground, if any;

B is the total value of the investment that is to be deducted from the balance in the SRS account; and

C is the amount of the SRS member's income chargeable to

tax under section 10(1)(g) as determined under section 10G(3G).

[2/2016]

(3B) The Minister may, by rules made under section 7, substitute the rate in subsection (3) with a higher or lower rate (including 0%) for any SRS member or class of SRS members that is or are subject to that subsection, and subsection (3) applies to that SRS member or class of SRS members accordingly.

[34/2016]

(3C) The rules mentioned in subsection (3B) may —

- (a) provide that the substitute rate applies only if such conditions as may be specified in the rules are satisfied; and
- (b) prescribe different substitute rates for different SRS members or classes of SRS members.

[34/2016]

(4) In subsections (3) and (3A), the value of an investment is reckoned in accordance with the regulations made under section 10G(11).

[37/2014; 2/2016]

(5) If the Comptroller has given a written notice to the SRS operator requiring the SRS operator to collect tax at a higher or lower rate than 22% or the rate prescribed by the rules mentioned in subsection (3B) in substitution for it, then the reference to the rate of 22% or the substitute rate is a reference to the higher or lower rate.

[2/2016; 34/2016]

(6) The amount of tax collected under subsection (3) is a debt due from the SRS operator to the Government and is recoverable in the manner provided in section 89.

[37/2014]

(7) Where an SRS operator fails to collect the tax under subsection (3), the amount not collected is a debt due from the SRS operator to the Government and is recoverable in the manner provided in section 89.

[37/2014]

(8) If the amount of tax which is required to be collected under subsection (3) is not paid to the Comptroller —

- (a) by the 15th day of the second month following the month in which the date the SRS operator approves the deduction falls or by such later date as the Comptroller may allow, a sum equal to 5% of such amount of tax is payable; and
- (b) within 30 days after the time specified in paragraph (a), an additional penalty of 1% of such amount of tax is payable for each completed month that the tax remains unpaid, but the total additional penalty under this paragraph must not exceed 15% of the amount of tax outstanding.

[37/2014]

(9) An SRS operator must, after collecting the tax under subsection (3), give written notice of such collection to the Comptroller by the time specified in subsection (8)(a) and in the manner mentioned in subsection (9A), and if the SRS operator fails to do so, the SRS operator shall be guilty of an offence and shall on conviction pay a penalty equal to 3 times the amount of tax so collected and shall also be liable to a fine not exceeding \$10,000.

[37/2014; 34/2016]

PART 14

RELIEF AGAINST DOUBLE TAXATION

48. [Repealed by Act 27 of 2009]

Avoidance of double taxation arrangements

49.—(1) If the Minister by order declares that arrangements specified in the order have been made with the government of any country outside Singapore with a view to affording relief from double taxation in relation to tax under this Act and any tax of a similar character imposed by the laws of that country, and that it is expedient that those arrangements should have effect, the arrangements have effect despite anything in any written law.

(2) Any arrangements made with the government of another country —

(a) may provide for liability to tax by one country and for exemption from tax by the other country;

(b) may provide for exemption, wholly or partly and with or without conditions, from tax in either or both countries and

for any income so exempted to be taken into account in determining the effective rate of tax to be applicable to other income;

- (c) may deem the source of income to be wholly or partly in either or both of such countries; and
- (d) may provide for the charge to tax by the country in which the source is deemed to be situated, of any income derived from such source.

(2A) In subsection (2)(b), “effective rate of tax” means the rate of tax as ascertained in accordance with the formula

$$\frac{A}{B + C},$$

where A is the tax payable before allowance of credit under any arrangements having effect under this section on B + C computed in accordance with the provisions of this Act;

B is the exempt income; and

C is the other income.

(3) [*Deleted by Act 27 of 2009*]

(4) Any order made under this section may be revoked by a subsequent order.

(5) Where any arrangements have effect by virtue of this section, the obligation as to secrecy imposed by section 6 does not prevent the disclosure to any authorised officer of the government with which the arrangements are made of such information as is required to be disclosed under the arrangements.

(6) The Minister may make rules for carrying out the provisions of any arrangements having effect under this section.

(7) The Minister may by order amend the provisions of any arrangements that have effect under subsection (1), in order to give effect to Singapore’s obligations under the Multilateral Convention to Implement Tax Treaty Related Measures to Prevent Base Erosion and

Profit Shifting done at Paris on 24 November 2016 (as amended from time to time).

[39/2017]

(8) Where the provisions of any arrangements that have effect under subsection (1) are amended by an order under subsection (7), then those provisions have effect under subsection (1) as amended by that order.

[39/2017]

Tax credits

50.—(1) This section has effect where, under arrangements having effect under section 49, tax payable in respect of any income in the territory with the government of which the arrangements are made is to be allowed as a credit against tax payable in respect of that income in Singapore.

(2) The amount of the income tax chargeable in respect of the income is reduced by the amount of the credit; except that credit is not allowed against income tax for any year of assessment unless the person entitled to the income is resident in Singapore during that year.

(3) The credit must not exceed the amount which would be produced by computing the amount of the income in accordance with the provisions of this Act and then charging it to income tax at a rate ascertained by dividing the income tax chargeable (before allowance of credit under any arrangements having effect under section 49) on the assessable income of the person entitled to the income by the amount of the person's assessable income.

(4) Without limiting subsection (3), the total credit to be allowed to a person for any year of assessment for foreign tax under all arrangements having effect under section 49 must not exceed the total income tax payable by the person for that year of assessment, excluding any tax payable by the person under section 45.

(5) In computing the amount of the income —

(a) no deduction is allowed in respect of foreign tax (whether in respect of the same or any other income);

(b) where the income tax chargeable depends on the amount received in Singapore, that amount is to be increased by the

appropriate amount of the foreign tax in respect of the income; and

- (c) where the income includes a dividend and under the arrangements foreign tax not chargeable directly or by deduction in respect of the dividend is to be taken into account in considering whether any (and if so what) credit is to be given against income tax in respect of the dividend, the amount of the income is to be increased by the amount of the foreign tax not so chargeable that falls to be taken into account in computing the amount of the credit.

(6) Subsection (5)(a) and (b) applies to the computation of assessable income for the purposes of determining the rate mentioned in subsection (3), and applies to such computation in relation to all income in the case of which credit falls to be given for foreign tax under arrangements for the time being in force under section 49.

(7) Where —

- (a) the arrangements provide, in relation to dividends of some classes, but not in relation to dividends of other classes, that foreign tax not chargeable directly or by deduction in respect of dividends is to be taken into account in considering whether any (and if so what) credit is to be given against income tax in respect of the dividends; and
- (b) a dividend is paid that is not of a class in relation to which the arrangements so provide,

then, if the dividend is paid to a company which controls, directly or indirectly, not less than one-half of the voting power in the company paying the dividend, credit is to be allowed as if the dividend were a dividend of a class in relation to which the arrangements so provide.

(8) Credit is not allowed under the arrangements against income tax chargeable in respect of the income of any person for any year of assessment if the person elects that credit is not to be allowed in the case of the person's income for that year.

(9) Any claim for an allowance by way of credit must be made not later than 2 years after the end of the year of assessment to which the

claim relates (if the year of assessment is the year of assessment 2021 or a previous year of assessment), or 4 years after the end of the year of assessment to which the claim relates (if the year of assessment is any other year of assessment), and in the event of any dispute as to the amount allowable the claim is subject to objection and appeal in like manner as an assessment.

[27/2021]

(10) Where the amount of any credit given under the arrangements is rendered excessive or insufficient by reason of any adjustment of the amount of any tax payable either in Singapore or elsewhere, nothing in this Act limiting the time for the making of assessments or claims for relief applies to any assessment or claim to which the adjustment gives rise, being an assessment or claim made not later than 3 years from the time when all such assessments, adjustments and other determinations have been made, whether in Singapore or elsewhere, as are material in determining whether any (and if so what) credit falls to be given.

[27/2021]

(11) If the amount of any credit given under the arrangements to a person is rendered excessive by reason of any adjustment of the amount of any tax payable in any territory outside Singapore, the person must give the Comptroller a written notice of the particulars of the adjustment, in the manner specified by the Comptroller, within one year after the adjustment is made.

[27/2021]

(11A) Any person who, without reasonable excuse, fails to comply with subsection (11) shall be guilty of an offence and shall be liable on conviction to a penalty not exceeding the amount of the excess credit under subsection (11).

[27/2021]

(11B) The Comptroller may compound any offence under subsection (11A).

[27/2021]

(12) In this section —

“foreign tax” means any tax payable in that territory which under the arrangements is to be so allowed;

“income tax” means tax chargeable under this Act.

Unilateral tax credits

50A.—(1) Even if there are no arrangements in force under section 49 with the government of any territory outside Singapore, tax credit under section 50 must, subject to this section, be given to any person resident in Singapore for tax payable under the law of that territory in respect of —

- (a) any income derived from any professional, consultancy and other services rendered in that territory;
- (b) any royalty derived from that territory, where the payment is not —
 - (i) borne, directly or indirectly, by a person resident in Singapore or a permanent establishment in Singapore (except in respect of any business carried on outside Singapore through a permanent establishment outside Singapore); or
 - (ii) deductible against any income accruing in or derived from Singapore;
- (c) any dividend derived from that territory;
- (d) any income from employment in that territory;
- (e) any profit derived from outside Singapore by a branch in that territory of a company resident in Singapore;
- (f) any income derived from any trade or business carried on in that territory through a permanent establishment in that territory;
- (g) any discount or premium from debt securities or interest derived from that territory where the payment is not —
 - (i) borne, directly or indirectly, by a person resident in Singapore or a permanent establishment in Singapore (except in respect of any business carried on outside Singapore through a permanent establishment outside Singapore); or
 - (ii) deductible against any income accruing in or derived from Singapore;

- (h) any rent or other income ancillary to the holding of immovable properties located in that territory but not including gains from the disposal of such immovable properties derived from a trade or business carried on in Singapore; and
- (i) any gains or profits of an income nature not falling within any of the preceding paragraphs that is derived from that territory.

(2) Where any dividend in respect of which tax credit is given under subsection (1)(c) is paid by a company which is resident outside Singapore to a person resident in Singapore who owns not less than 25% of the total number of issued shares of the company paying the dividend, the tax credit must take into account any tax paid by that company in the country in which it is resident in respect of its income out of which the dividend is paid.

(3) Where under arrangements for the time being in force under section 49 with the government of any territory outside Singapore no provision is made for tax credit in respect of income out of which any dividend is paid by a company resident in that territory, tax credit under section 50 in respect of such income must be given to any person resident in Singapore who owns not less than 25% of the total number of issued shares of the company paying the dividend.

(4) Section 50 applies, with the necessary modifications, for the purposes of this section as if any territory to which this section and the regulations have effect were a territory with which arrangements have been made under section 49.

(5) Any person granted any tax credit under subsection (1) on any income must not be given any tax credit under section 50 in respect of that income.

(6) The Minister may, in any particular case, waive the requirement of 25% share ownership mentioned in subsections (2) and (3).

(7) In this section, “debt securities” has the meaning given by section 43H(4).

Tax credits for trust income to which beneficiary is entitled

50B.—(1) Where —

- (a) a trustee of a trust receives income in Singapore from outside Singapore (called in this section the income) for which a tax credit is allowable under this Part against the tax payable in respect of the income; and
- (b) any beneficiary of the trust who is resident in Singapore is entitled to a share of the income,

the tax credit in respect of that share must be given to the beneficiary instead of the trustee.

(2) The tax credit to be given to a beneficiary under subsection (1) is computed in accordance with section 50 or 50A (as the case may be) as if the income had been received directly by the beneficiary rather than the trustee.

(3) This section does not apply to —

- (a) any income of a real estate investment trust within the meaning of section 43(10);
- (b) any income of a designated unit trust within the meaning of section 35(14);
- (c) *[Deleted by Act 37 of 2014]*

[37/2014]

Pooling of credits

50C.—(1) Where, for the year of assessment 2012 or a subsequent year of assessment, a person is entitled to 2 or more tax credits under any other provision of this Part, the person may elect to be given a pooled credit for that year of assessment in lieu of any 2 or more of those credits (called in this section the replaced credits).

(2) Subsection (1) only applies if the income that is the subject of each replaced credit (called in this section the elected income) satisfies all of the following conditions:

- (a) tax under the law of the territory from which the income is derived that is of a similar character to income tax (by whatever name called) has been paid on the income;
- (b) at the time the income is received in Singapore by the person, the highest rate of tax of a similar character to income tax (by whatever name called) levied under the law of that territory on any gains or profits from any trade or business carried on by a company in that territory at that time, is not less than 15%;
- (c) the income tax payable under this Act on the income for the year of assessment (before allowance of any credit under this Part) is not nil.

(3) The total amount of the income tax chargeable to the person in respect of all the elected income is reduced by the amount of the pooled credit.

(4) The amount of the pooled credit is the lower of —

- (a) the aggregate of the income tax chargeable for the year of assessment on all the elected income; and
- (b) the aggregate of the taxes paid on all the elected income in the territory or territories outside Singapore from which the elected income is derived.

(5) In subsection (4)(a), the aggregate of the income tax chargeable for the year of assessment on all the elected income is ascertained by —

- (a) computing the amount of the income that is the subject of each replaced credit in accordance with the provisions of this Act, and then charging it to income tax at a rate ascertained by dividing the income tax chargeable (before allowance of any credit under this Part) on the assessable income of the person by the amount of the person's assessable income; and
 - (b) aggregating the amounts computed in accordance with paragraph (a) of all the replaced credits.
- (6) Sections 50(5), (6), (9), (10), (11), (11A), (11B) and (12), 50A(2) and 50B(2) apply, with the necessary modifications, for the purposes of this section.

[32/2019; 27/2021]

(7) To avoid doubt, sections 50, 50A and 50B (as applicable) continue to apply to any income that is the subject of a credit allowed under any other provision of this Part for which no election under this section is made.

(2) This section is not to be construed to make any person chargeable to tax in respect of an incapacitated person, liable in such respect, for a greater amount of tax than that for which the incapacitated person would have been liable had no receiver, trustee, guardian, curator or committee been appointed.

Chargeability of agent of person residing out of Singapore

53.—(1) A person not resident in Singapore (called in this section a non-resident person) is assessable and chargeable to tax either directly or in the name of the person's trustee, guardian, or committee, or of any attorney, factor, agent, receiver, branch or manager, whether such attorney, factor, agent, receiver, branch or manager has the receipt of the income or not, in like manner and to the like amount as such non-resident person would be assessed and charged if the person were resident in Singapore and in the actual receipt of such income; except that in the case of any individual who is not resident in Singapore, no deduction is allowed under section 39.

[41/2020]

(1A) A non-resident person is assessable and chargeable in respect of any income arising, directly or indirectly, through or from any attorneyship, factorship, agency, receivership, branch or management, and is so assessable and chargeable in the name of the attorney, factor, agent, receiver, branch or manager.

(2) A non-resident beneficiary of the estate of a deceased person is, where the estate is being administered in Singapore, assessable and chargeable in respect of the income received by or distributed to the non-resident beneficiary or applied to the non-resident beneficiary's benefit in the name of the executor of the estate as if the executor were an agent of the non-resident beneficiary.

(2A) Where a non-resident person carries on business with a resident person and it appears to the Comptroller that, owing to the close connection between the resident person and the non-resident person and to the substantial control exercised by the non-resident person over the resident person, the course of business between those persons can be so arranged and is so arranged that the business done by the resident person pursuant to the resident person's connection with the non-resident person produces to the resident person either no profits or less than the ordinary profits which might be expected to arise from that business, the non-resident person is assessable and chargeable to tax in the name of the resident person as if the resident person were an agent of the non-resident person.

(3) Where the true amount of the gains or profits of any non-resident person chargeable with tax in the name of a resident person cannot in any case be readily ascertained, the Comptroller may, if he or she thinks fit, assess and charge the non-resident person on a fair and reasonable percentage of the turnover of the business done by the non-resident person through or with the resident person in whose name the non-resident person is chargeable as aforesaid, and in such case the provisions of this Act relating to the delivery of returns or particulars by persons acting on behalf of others extend so as to require returns or particulars to be furnished by the resident person of the business so done by the non-resident person through or with the resident person, in the same manner as returns or particulars are to be delivered by persons acting for incapacitated or non-resident persons of income to be charged.

(3A) The amount of the percentage under subsection (3) must in each case be determined with regard to the nature of the business and is, when determined by the Comptroller, subject to appeal in accordance with the provisions of Part 18.

(4) This section does not render a non-resident person chargeable in the name of a broker or general commission agent or other agent where such broker, general commission agent or agent is not an authorised person carrying on the regular agency of the non-resident person, or person chargeable as if the person were an agent pursuant to subsections (2A) and (3), in respect of gains or profits arising from sales or transactions carried out through such a broker or agent.

(5) The fact that a non-resident person executes sales or carries out transactions with other non-resident persons in circumstances which would make the non-resident person chargeable pursuant to subsections (2A) and (3) in the name of a resident person does not of itself make the non-resident person chargeable in respect of gains or profits arising from those sales or transactions.

(6) Where a non-resident person is chargeable to tax in the name of any attorney, factor, agent, receiver or manager, in respect of any gains or profits arising from the sale of goods or produce manufactured or produced outside Singapore by the non-resident person, the person in whose name the non-resident person is so chargeable may, if the person thinks fit, apply to the Comptroller to have the assessment to tax in respect of those gains or profits made or amended on the basis of the profits which might reasonably be expected to have been earned by a merchant or, where the goods are retailed by or on behalf of the manufacturer or producer, by a retailer of the goods sold, who had bought from the manufacturer or producer direct, and on proof to the Comptroller's satisfaction of the amount of the profits on that basis, the assessment must be made or amended accordingly.

(7) The master of any ship (within the meaning of section 2(1) of the Merchant Shipping Act 1995) and the captain of any aircraft owned or chartered by a non-resident person who is chargeable under section 12(2) are (though not to the exclusion of any other agent) deemed the agents of such non-resident person for all the purposes of this Act.

[2/2016]

(8) The income of any non-resident partner or partners from a partnership is assessable in the name of the partnership or of any resident partner or of any agent of the partnership in Singapore, and the tax charged thereon is recoverable by all means provided in this Act out of the assets of the partnership or from any partner or from any such agent.

Liability of person chargeable in respect of incapacitated person

54. The person who is chargeable in respect of an incapacitated person, or in whose name a non-resident person is chargeable, is answerable for all matters required to be done by virtue of this Act for the assessment of the income of any person for whom the firstmentioned person acts and for paying the tax chargeable thereon.

Liability of managers of companies or bodies of persons

55. The manager or principal officer in Singapore of every company or body of persons is answerable for doing all such acts, matters and things as are required to be done by virtue of this Act for the assessment of the company or body of persons and payment of tax.

Indemnification of representative

56. Every person answerable under this Act for the payment of tax on behalf of another person may retain out of any money coming to the firstmentioned person's hands on behalf of the other person so much thereof as is sufficient to pay the tax; and must be and is indemnified against any person whatsoever for all payments made by the firstmentioned person pursuant to and by virtue of this Act.

(1B) In default of payment under subsection (1A), the tax is recoverable from the agent in the manner provided by section 89.

(2) For the purposes of this section, the Comptroller may require any person to give the Comptroller information as to any moneys, funds or other assets which may be held by the person for, or of any moneys due by the person to, any other person.

(3) Where any person declared by the Comptroller to be the agent of any other person under subsection (1) is aggrieved by such declaration the person may, by written notice to the Comptroller within 14 days, or within such further time as the Comptroller may allow, object to the declaration.

(4) The Comptroller must examine the objection and may cancel, vary or confirm the declaration.

(5) Where the objector is aggrieved by the Comptroller's decision on the objection, the objector may appeal against such decision to the Board of Review and the provisions of Part 18 apply with the necessary modifications.

(5A) For the purposes of payment of any tax due from any moneys referred to in subsection (1A) in a joint account at any bank or from the proceeds of sale of any immovable property owned by 2 or more persons as joint owners, the following provisions apply:

- (a) the person declared by the Comptroller under subsection (1) to be the agent of any person who is an owner of such moneys must —

- (c) any owner of such moneys who objects to the share presumed under paragraph (b) must give written notice of the owner's objection to the person declared to be the agent under subsection (1) within 28 days of the receipt of the notice of the agent under paragraph (a)(i), or within such further period as the Comptroller may allow, and furnish proof as to the owner's share of the moneys;
 - (d) where an objection under paragraph (c) has been received, the person declared to be the agent must —

 - (ii) inform the Comptroller of the objection within 7 days of the receipt of the objection;
 - (e) the Comptroller must consider the objection and must by written notice inform the person declared to be the agent of the Comptroller's decision and the agent must, despite any appeal under paragraph (f), pay over any tax due from the share of moneys decided by the Comptroller as the amount, not exceeding the amount presumed under paragraph (b) to be the share of the person by whom the tax is payable, held by the agent for or due by the agent to the person; and
 - (f) any owner of such moneys aggrieved by the Comptroller's decision under paragraph (e) may appeal against the decision to the Board of Review and the provisions of Part 18 apply, with the necessary modifications, to the appeal.

- (a) the agent is deemed to have been acting under the authority of the person by whom the tax is payable (called in this section the defaulting taxpayer);
- (b) the agent is indemnified in respect of the payment to the Comptroller;
- (c) the amount of the tax due from the defaulting taxpayer is reduced by the amount paid by the agent to the Comptroller; and

- (a) an amount of tax is due from any person under this Act otherwise than as an agent under this section;

then the public officer is, despite any other written law, contract or scheme, entitled to reduce the amount mentioned in paragraph (b) by the amount of the whole or any part of the tax mentioned in paragraph (a), and if the public officer makes such a reduction —

- (d) the amount of the tax mentioned in paragraph (a) is reduced by the amount of the reduction; and

(e) the amount of the reduction is, to the extent of such amount, deemed to have been paid to the defaulting taxpayer in accordance with any law, contract or scheme governing the payment of moneys referred to in paragraph (b) to the defaulting taxpayer.

(4) In the case of an individual dying during the year preceding the year of assessment, if his or her executor distributes the estate before the commencement of the year of assessment, such executor must pay any tax for that year of assessment at the rate or rates in force at the

 - (b) the Comptroller is of the opinion that any person possessing a source of income is about to leave Singapore and is likely to cease to possess that source in the year of assessment in which the person leaves Singapore or in the following 2 years,

the Comptroller may make such assessment or additional assessments as may be necessary to bring to charge the full amount of the income from all sources derived or to be derived by such person up to the year in which the source of income ceases or is likely to cease.

(2) Where the income of a person is ascertained under section 27, the Comptroller may make an assessment in respect of any income of such person within the year in which the income is deemed to accrue.

(2A) Despite any other provisions of this Act, the Comptroller may make an assessment on an individual to whom section 10(7B) or (7C) applies within the year in which the income accrues or is deemed to accrue to the individual, as the case may be.

(2B) Despite any other provisions of this Act, where income accrues under section 10(6) to a director of a company who is not resident in Singapore, the Comptroller may make an assessment in respect of that income within the year in which the income accrues to the director.

(3) The Comptroller may, if he or she thinks fit, at any time during any year make an assessment in respect of the income derived by any person carrying on or exercising any trade, business, profession or vocation up to that year.

(3A) In making an assessment under subsection (3), the Comptroller may have regard to the estimate of chargeable income furnished under section 63 or he or she may make an assessment according to the best of his or her judgment where such estimate of chargeable income has not been furnished or has been rejected by him or her.

(4) Where the Comptroller has exercised his or her powers to make an advance assessment under this section, such assessment must be made on the assumption that —

- (a) the provisions of this Act in force during the year of assessment in which such assessment is made will continue in force for the year of assessment for which such assessment is made; and
- (b) if such person so assessed is an individual, the personal circumstances of that person will be the same in the year of assessment as they were when such assessment is in fact made.

(5) If it appears to the Comptroller that by reason of such assumption an advance assessment so made has become less favourable to that person than it would have been if made under section 35(1), the Comptroller must amend such assessment as to the Comptroller seems reasonable.

(6) This section does not affect the Comptroller's right to make any additional assessment due to any change of circumstances and without prejudice to the generality of section 74.

Additional assessments

74.—(1) Where it appears to the Comptroller that any person liable to tax has not been assessed or has been assessed at a less amount than that which ought to have been charged, the Comptroller may, within the year of assessment or within 6 years (if the year of assessment is 2007 or a preceding year of assessment) or 4 years (if the year of assessment is 2008 or a subsequent year of assessment) after the expiry of that year of assessment, assess that person at such amount or additional amount as according to the Comptroller's judgment ought to have been charged.

(2) Despite subsection (1), where, in the Comptroller's opinion, any form of fraud or wilful default has been committed by or on behalf of any person in connection with or in relation to tax, the Comptroller may, for the purpose of making good any loss of tax attributable to fraud or wilful default, assess that person at any time.

(2A) Despite subsection (1), an assessment under that subsection may be made at any time if it is carried out pursuant to an agreement with an authority of a country outside Singapore, that is made in accordance with the procedure under an avoidance of double taxation arrangement with the government of that country, for resolving difficulties or doubts arising out of the interpretation or application of that arrangement (commonly called a mutual agreement procedure).

[39/2017; 27/2021]

(2B) Subsection (2A) applies to —

- (a) an agreement (other than one mentioned in paragraph (b)) entered into on or after 26 October 2017; and
- (b) an agreement on the appropriate criteria to be used to ascertain the transfer pricing of a person's transactions with the person's related parties over a specified period (commonly called an advance pricing arrangement), entered into on or after 16 November 2021.

[27/2021]

(3) The provisions of this Act as to notice of assessment, appeal and other proceedings under this Act apply to any assessment or additional assessment made under subsection (1) or (2) and to tax charged thereunder.

(4) This section also applies, with the necessary modifications, to any assessment made under subsection (1) or (2) which results in any unabsorbed allowances or losses.

(5) To avoid doubt, the Comptroller may also make an assessment under this section on a person in a case where —

- (a) the Comptroller made an advance assessment on the person for a year of assessment; and
- (b) because of a subsequent amendment to any written law that applies retroactively to that year of assessment, the person becomes liable to a higher amount of tax.

[39/2017]

(6) In this section —

“avoidance of double taxation arrangement” means an arrangement having effect under section 49;

“related party” has the meaning given by section 13(16).

[39/2017]

Revised assessments as relief for late GST registration

74A. Where —

- (a) any person liable to tax, being required to be registered under the Goods and Services Tax Act 1993, has failed to do so, and has been so registered on or after 1 December 2005; and
- (b) the person’s income chargeable to tax for any year of assessment relating to a basis period for which the person ought to have been so registered includes an amount in respect of output tax paid or payable under the Goods and Services Tax Act 1993,

the Comptroller must according to the best of the Comptroller’s judgment give, by way of revision of any assessment made on the person for that year of assessment, relief in respect of the amount so paid or payable.

Waiver of small assessments

75. Where it appears to the Comptroller that the amount of any tax or additional tax to which any person is liable does not exceed \$15 or such other amount as the Minister may by order prescribe, the Comptroller may waive the assessment of such tax.

Service of notices of assessment and revision of assessment

76.—(1) The Comptroller must cause each person assessed to tax to be served, in accordance with section 8(1), with —

- (a) where tax is payable, a notice stating the amount of the person's chargeable income together with the amount of tax payable and the place at which such payment should be made; or
- (b) where no tax is payable, a notice to that effect,

and in either case the Comptroller must inform the person assessed to tax of the person's rights under subsections (2) and (3) and (if applicable) the person's duty under subsection (8).

(2) If any person disputes the assessment, the person may apply to the Comptroller, by written notice of objection, to review and to revise the assessment made upon the person.

(2A) If the objection is made to any assessment, being one which —

- (a) is made on or after 20 December 2011; and
- (b) amends a previous assessment in any particular,

then a person's right to object to the assessment is limited to a right to object against the amendment in respect of, or matters relating to, that particular.

(2B) In subsection (2A), the reference to an assessment which amends a previous assessment in any particular includes one which amends the amount of unabsorbed losses, allowances or donations in that previous assessment that may be carried forward but the tax payable remains nil.

(3) Such application must state precisely the grounds of the person's objections to the assessment and must be made within —

(a) if the person is a company and the notice of assessment is served on the person on or after 1 January 2014, 2 months;
or

(b) in any other case, 30 days,

from the date of the service of the notice of assessment.

[34/2016]

(4) The Comptroller upon being satisfied that, owing to absence, sickness or other reasonable cause, the person disputing the assessment was prevented from making the application within the period referred to in subsection (3), must extend the period as may be reasonable in the circumstances.

(5) On receipt of the notice of objection mentioned in subsection (2), the Comptroller may —

(a) require the person giving the notice of objection to furnish such particulars as the Comptroller may consider necessary with respect to the person's income assessed and to produce all books or other documents in the person's custody or under the person's control relating to such income; and

(b) summon any person who the Comptroller thinks is able to give evidence respecting the assessment to attend before the Comptroller and may examine that person on oath or otherwise.

(6) In the event of any person who has objected to an assessment made upon that person —

(a) agreeing with the Comptroller as to the amount at which that person is liable to be assessed, the assessment must be amended accordingly, and notice of the revised assessment must be served upon that person; or

(b) failing to agree with the Comptroller as to the amount at which that person is liable to be assessed, the Comptroller must give that person notice of refusal to amend the assessment and may revise the assessment to such amount as the Comptroller may determine, according to the best of the Comptroller's judgment, and the Comptroller must

give that person notice of the revised assessment and of the tax payable, or the amount of refund of tax (as a result of the operation of section 46) or unabsorbed allowances, losses or donations, together with notice of refusal to amend the revised assessment.

(7) Wherever requisite, any reference in this Act to an assessment or an additional assessment includes a reference to an assessment or additional assessment as revised under subsection (6)(b).

(8) If any incorrect information appears in a notice of assessment for any year of assessment served on a person who is exempted from the liability to furnish a return under section 62(2), the person must, within 30 days from the date of service of the notice or such extended time as the Comptroller may allow, inform the Comptroller by written notice —

- (a) if the incorrect information relates to any understatement or omission of income, of the correct amount of income from every source for that year of assessment; or
- (b) if the incorrect information relates to any deduction or relief which is excessive or which is wrongly granted, of the correct amount of deduction or relief for that year of assessment or the fact that the deduction or relief is wrongly granted, as the case may be.

(9) The Minister may, by rules made under section 7, substitute a longer period for a period in subsection (3) or (8) for all persons or cases, any class of persons or cases, or any person or case, and subsection (3) or (8) (as the case may be) applies accordingly to all persons or cases, the class of persons or cases, or the person or case.

[34/2016]

(10) The rules mentioned in subsection (9) may —

- (a) provide that the substitute period applies only if such conditions as may be specified in the rules are satisfied; and
- (b) prescribe different substitute periods for different persons or cases and classes of persons or cases.

[34/2016]

Errors and defects in assessment and notice

77.—(1) No assessment, warrant or other proceeding purporting to be made in accordance with the provisions of this Act is to be quashed, or is deemed to be void or voidable, for want of form, or is affected by reason of a mistake, defect or omission therein, if it is in substance and effect in conformity with or according to the intent and meaning of this Act, and if the person assessed or intended to be assessed or affected thereby is designated therein according to common intent and understanding.

(2) An assessment must not be impeached, and is not affected —

(a) by reason of a mistake therein as to —

(i) the name or surname of a person liable;

(ii) the description of any income; or

(iii) the amount of tax charged; and

(b) by reason of any variance between the assessment and the notice thereof.

(3) In cases of assessment, the notice thereof must be duly served on the person intended to be charged and such notice must contain in substance and effect the particulars on which the assessment is made.

PART 18

(9) All the powers, functions and duties of the Board may be exercised, discharged and performed by any committee of the Board consisting of not less than 3 members of the Board, at least one of whom must be the Chairperson of the Board or a Deputy Chairperson of the Board.

(10) Any act, finding or decision of any such committee is deemed to be the act, finding or decision of the Board.

(11) The secretary must, from time to time, summon such members of the Board as may be nominated by the Chairperson to constitute a committee of the Board for the purposes of giving effect to the provisions of this Part, and it is the duty of such members to attend at the times and places specified in the summons.

(12) Meetings of a committee are to be presided by —

- (a) where the Chairperson of the Board is a member of the committee, the Chairperson;
- (b) where the Chairperson of the Board is not a member of the committee and —

(14) All matters coming before the Board or a committee of the Board at any sitting thereof must be decided by a majority of votes of the members of the Board present, and, in the event of an equality of votes, the Chairperson of the Board, the Deputy Chairperson of the

Board or such other member as may be presiding (as the case may be) has a second or casting vote.

(15) Members of the Board are entitled to receive such remuneration and such travelling and subsistence allowances as the Minister may determine.

(16) The Minister may make regulations —

- (a) prescribing the manner in which appeals are to be made to the Board;
- (b) prescribing the procedure to be adopted by the Board in hearing appeals and the records to be kept by the Board;
- (c) prescribing the places where and the times at which appeals are to be heard by the Board;
- (d) prescribing the fees to be paid in respect of any appeal under this Part;
- (e) prescribing a scale of costs in respect of appeals to the Board; and
- (f) generally for the better carrying out of the provisions of this Part.

Right of appeal

79.—(1) Any person who, being aggrieved by an assessment made upon the person, has failed to agree with the Comptroller in the manner provided in section 76(6) may appeal to the Board by lodging with the secretary —

- (a) within 30 days from the date of the Comptroller's refusal to amend the assessment, a written notice of appeal in duplicate; and
 - (b) within 30 days of the date on which such notice of appeal was lodged, a petition of appeal in quadruplicate containing a statement of the grounds of appeal.
- (2) A notice of appeal must contain —
- (a) an address for service;

(b) a list of the names of any members of the Board to whom the appellant objects; and

(c) the reasons for such objection.

(3) An appellant is not entitled to object to the Chairperson or any Deputy Chairperson of the Board and to more than one-third of the total number of members of the Board.

(4) On receipt of a notice of appeal, the secretary must immediately forward one copy thereof to the Comptroller who may, within 3 days of the receipt of such copy, lodge with the secretary a list of any members of the Board to whom the Comptroller objects and the reasons for such objection.

(5) The Comptroller is not entitled to object to the Chairperson or any Deputy Chairperson of the Board and the number of members of the Board objected to by the Comptroller must not, when added to the number objected to by the appellant, exceed one-half of the total number of members of the Board.

(6) The Chairperson of the Board, or such Deputy Chairperson of the Board as the Chairperson may authorise, must determine whether the reason for any objection to any member under subsection (2) or (4) is valid.

(7) Where the Chairperson of the Board or a Deputy Chairperson of the Board determines under subsection (6) that the reason for any objection is valid, the member of the Board in respect of whom the objection was made must not attend the hearing of the appeal of the appellant.

(8) Where the Chairperson of the Board or a Deputy Chairperson of the Board determines under subsection (6) that the reason for any objection is not valid, the Chairperson or Deputy Chairperson must reject that objection and inform the appellant or the Comptroller accordingly.

(9) Where an objection has been rejected by the Chairperson of the Board or a Deputy Chairperson of the Board under subsection (8), the member of the Board in respect of whom that objection was made may attend the hearing of the appeal of the appellant.

(10) The decision of the Chairperson of the Board or a Deputy Chairperson of the Board under subsection (6) is final.

(11) The Chairperson of the Board may, in his or her discretion and on such terms as he or she thinks fit, permit any person to proceed with an appeal even if the notice of appeal or petition of appeal was not lodged within the time limited therefor by this section, if it is shown to the Chairperson's satisfaction that the person was prevented from lodging the notice or petition in due time owing to absence, sickness or other reasonable cause and that there has been no unreasonable delay on the person's part.

(12) Except with the consent of the Board and on such terms as the Board may determine, an appellant may not at the hearing of the appellant's appeal rely on any grounds of appeal other than the grounds stated in the appellant's petition of appeal.

Hearing and disposal of appeals

80.—(1) On receipt of a petition of appeal, the secretary must immediately forward one copy thereof to the Comptroller and must, as soon as may be thereafter, fix a time and place for the hearing of the appeal and must give 14 days' notice thereof both to the appellant and to the Comptroller.

(2) The appellant and the Comptroller must attend, either in person or by an advocate and solicitor or accountant, at such times and places as may be fixed for the hearing of the appeal.

(3) If it is proved to the satisfaction of the Board that, owing to absence, sickness or other reasonable cause, any person is prevented from so attending, the Board may postpone the hearing of the appeal for such reasonable time as it thinks necessary.

(4) The onus of proving that the assessment is excessive or that the amount of any unabsorbed losses, allowances or donations that may be carried forward ought to be of a higher amount than that assessed (as the case may be), is on the appellant.

(5) The Board has the following powers:

(a) to summon to attend at the hearing of an appeal any person whom it may consider able to give evidence respecting the

appeal, to examine such person as a witness either on oath or otherwise and to require such person to produce such books, papers or documents as the Board may think necessary for the purposes of the appeal;

- (b) to allow any person so attending any reasonable expenses necessarily incurred by the person in so attending; such expenses form part of the costs of the appeal and, pending and subject to any order by the Board as to such costs, must be paid by the appellant or the Comptroller, as the Board may direct;
- (c) all the powers of a District Court with regard to the enforcement of attendance of witnesses, hearing evidence on oath and punishment for contempt;
- (d) subject to section 79(12), to admit or reject any evidence adduced, whether oral or documentary and whether admissible or inadmissible under the provisions of any written law for the time being in force relating to the admissibility of evidence.

(6) Every person examined as a witness by or before the Board, whether on oath or otherwise, is legally bound to state the truth and to produce such books, papers or documents as the Board may require.

(7) The costs of an appeal are in the discretion of the Board and must either be fixed by the Board or, on the order of the Board, taxed by the Registrar or an Assistant Registrar of the Supreme Court in accordance with the scale prescribed by regulations made under section 78(16).

(8) Where the Comptroller is awarded costs of an appeal, the Comptroller is entitled to his or her full costs of the appeal, including a fee for any counsel appearing on the Comptroller's behalf in the appeal, and the amount of such costs is to be added to the tax charged (if any) and is recoverable as if it were tax imposed under this Act and payable by the appellant.

(9) Despite anything in section 85, the Board may, on the application of the Comptroller made at any time after notice of appeal has been given, require the appellant to furnish security, in

such sum and within such time as may be specified, for payment of tax, and if security is not furnished in the sum and within the time specified, the tax assessed by the Comptroller becomes payable and recoverable immediately.

(10) The Board may, after hearing an appeal, confirm, reduce, increase or annul the assessment (including the amount of any unabsorbed losses, allowances or donations that may be carried forward) or make such order thereon as it thinks fit.

(11) Where, under subsection (10), the Board does not reduce or annul the assessment, the Board may, if in its opinion the appeal was vexatious or frivolous, order the appellant to pay, as costs of the Board and in addition to any costs awarded to the Comptroller, a sum not exceeding \$250, which sum to be added to the tax charged (if any) and is recoverable as if it were tax imposed under this Act and payable by the appellant.

(12) Every member of the Board, when and so long as he or she is acting as such, is deemed to be a public servant within the meaning of the Penal Code 1871 and enjoys the same judicial immunity as is enjoyed by a District Judge.

(13) All proceedings in appeals to the Board under this Act are deemed to be judicial proceedings within the meaning of the Penal Code 1871.

(14) Notice of the amount of tax payable under the assessment as determined by the Board must be served by the Comptroller either personally or by registered post upon the appellant.

Hearing of appeal in absence of member of Board

80A.—(1) Despite anything in this Part, if, in the course of any appeal, or, in the case of a reserved judgment in any appeal, at any time before delivery of the judgment, any member of the Board hearing the appeal resigns or is unable, through illness or any other cause, to continue to hear or to determine the appeal, the remaining members of the Board (if 2 or more), must hear and determine the appeal unless the parties object.

[39/2017]

(2) In subsection (1), the Board is deemed to be duly constituted for the purposes of the appeal despite the member's resignation or inability to act.

[39/2017]

(3) Despite section 78(14), in a case under subsection (1) —

(a) where there are more than 2 members of the Board remaining, the appeal is to be decided in accordance with the decision of the majority of the remaining members of the Board and, if there is an equality of votes, the Chairperson of the Board or, in the Chairperson's absence, the member presiding has a second or casting vote; or

(b) where there are only 2 members of the Board remaining, the appeal is to be decided in accordance with the unanimous decision of both members.

[39/2017]

(4) The appeal must be reheard —

(a) if the parties do not consent to the proceedings continuing before the remaining members of the Board under subsection (1); or

(b) if the appeal is heard or determined by only 2 remaining members of the Board and they are unable to reach a unanimous decision.

[39/2017]

Appeals to General Division of High Court

81.—(1) Except as provided in this section, the decision of the Board is final.

[40/2019]

(2) In any case in which the amount of tax payable, tax to be refunded as a result of the operation of section 46 or notional tax benefit, as determined by the Board (excluding the amount of any costs awarded) exceeds \$200, the appellant or the Comptroller may appeal to the General Division of the High Court from the decision of the Board upon any question of law or of mixed law and fact.

[40/2019]

(3) The procedure governing and the costs of any such appeal to the General Division of the High Court are as provided for in the Rules of Court.

[40/2019]

(4) The General Division of the High Court is to hear and determine any such appeal and may confirm, reduce, increase or annul the assessment (including the amount of any unabsorbed losses, allowances or donations that may be carried forward) determined by the Board and make such further or other order on such appeal, whether as to costs or otherwise, as the General Division of the High Court may think fit.

[40/2019]

(5) There is to be such further right of appeal from decisions of the General Division of the High Court under this section as exists in the case of decisions made by the General Division of the High Court in the exercise of its original civil jurisdiction.

[40/2019]

(6) [*Deleted by Act 2 of 2012*]

(7) In this section, “notional tax benefit”, in relation to a year of assessment, means an amount ascertained in accordance with the formula

$$[(A_1 - B_1) \times C] + [(A_2 - B_2) \times C] + [(A_3 - B_3) \times C],$$

where A_1 is the amount of unabsorbed losses as at the end of the basis period for the year of assessment claimed by a person;

A_2 is the amount of unabsorbed allowances under section 16, 17, 18B, 18C, 19, 19A, 19B, 19C, 19D or 20 claimed by the person for the year of assessment;

- B_3 is the amount of unabsorbed donations as at the end of the basis period for the year of assessment as determined by the Comptroller; and
- C is —

 - (b) in any other case, the rate of tax applicable to the person for the year of assessment as specified in section 43(1).

[40/2019]

(2) A stated case must set forth the facts and any finding of fact by the Board, the decision (if any) of the Board, and the question for the opinion of the General Division of the High Court, and must be signed by the officiating chairperson or, in the chairperson's absence, by any other member attending the sitting at which the appeal was heard.

(3) The secretary must transmit the case, when stated and signed as aforesaid, to the General Division of the High Court, and must forward a copy thereof to the appellant and to the Comptroller.

[40/2019]

(4) The General Division of the High Court may cause a stated case to be sent back for amendment and thereupon the case must be amended accordingly.

[40/2019]

(7) Where a case is so remitted by the General Division of the High Court, the Board is bound by the opinion of the General Division of the High Court and must give effect thereto by its decision in the appeal or (as the case may be) by revising any previous decision made by it in the appeal to the extent (if any) to which that previous decision does not accord with the opinion of the General Division of the High Court.

[40/2019]

83.—(1) Subject to subsections (2) and (3), all proceedings before the Board must be heard in camera.

[32/2019]

[32/2019]

(3) Where in the opinion of the Board any proceedings heard in camera ought to be reported, the Board may publish or authorise the publication of the facts of the case, the arguments and the decision relating to these proceedings without disclosing the name of the taxpayer concerned.

[32/2019]

Assessments to be final and conclusive

84.—(1) Except as expressly provided in this Act, where no valid notice of appeal has been lodged within the time limited by this Part against an assessment, or where an assessment has been determined on appeal, the assessment as made or agreed to under section 76(6), or determined on appeal (as the case may be) is final and conclusive for the purposes of this Act.

(2) This section does not prevent the Comptroller from making any assessment or additional assessment under section 74 which does not involve reopening any matter which has been determined on appeal.

PART 19**COLLECTION, RECOVERY AND REPAYMENT OF TAX****Time within which payment is to be made**

85.—(1) Subject to section 91, tax for any year of assessment levied in accordance with the provisions of this Act is, despite any objection or appeal against the assessment on which the tax is levied, payable at the place stated in the notice given under section 76 within one month after the service of the notice.

(2) The Comptroller may, in his or her discretion and subject to such terms and conditions, including the imposition of interest, as he or she may impose, extend the time limit within which payment is to be made.

Recovery of tax from persons leaving Singapore

86.—(1) Where the Comptroller is of the opinion that any person is about or likely to leave Singapore without paying all tax assessed upon the person, the Comptroller may issue a certificate containing particulars of such tax and a direction to the Commissioner of Police or the Controller of Immigration, or both, that such person be prevented from leaving Singapore without paying the tax or furnishing security to the Comptroller's satisfaction for payment thereof.

(2) Subject to the provisions of any order issued or made under any law for the time being in force relating to banishment or immigration, the Commissioner of Police or the Controller of Immigration, or both, as the case may be, must thereupon take, or cause to be taken by any police officer or immigration officer, such measures as may be necessary to prevent the person named in the direction from leaving Singapore until payment of the tax has been made or secured as aforesaid, including the use of such force as may be necessary and, if appropriate, the detention of any passport, certificate of identity or travel document and any exit permit or other document authorising such person to leave Singapore.

(3) At the time of issue of the certificate, the Comptroller must issue to such person a notification thereof by personal service or registered post; but the non-receipt thereof does not invalidate any proceedings under this section.

(4) Payment of the tax to an officer in charge of a police station or to an immigration officer or production of a certificate signed by the Comptroller, a Deputy Comptroller or an Assistant Comptroller stating that the tax has been paid or secured is sufficient authority for allowing such person to leave Singapore.

(5) Any person who, knowing that a direction has been issued under this section for the prevention of the person's departure from Singapore, voluntarily leaves or attempts to leave Singapore without paying all tax assessed upon the person or furnishing security to the Comptroller's satisfaction for payment thereof shall be guilty of an offence and may be arrested, without warrant, by any police officer or immigration officer.

(6) No civil or criminal proceedings may be instituted or maintained against the Government, the Commissioner of Police, the Controller of Immigration or any other police officer or immigration officer, in respect of anything lawfully done under the authority of this section.

(7) In this section, "tax" includes any interest imposed under section 85(2).

Penalty for non-payment of tax and enforcement of payment

87.—(1) Subject to subsection (2), if any tax is not paid within the periods prescribed in section 85 —

- (a) a sum equal to 5% of the amount of tax payable is added thereto, and the provisions of this Act relating to the collection and recovery of tax apply to the collection and recovery of such sum;
- (b) the Comptroller must serve a demand note upon the person assessed and if payment is not made within one month from the date of the service of such demand note, the Comptroller may proceed to enforce payment as hereinafter provided;
- (c) despite paragraphs (a) and (b), if the amount of tax outstanding is not paid within 60 days of the imposition of the penalty as provided by paragraph (a), an additional penalty of 1% of the tax outstanding is payable for each completed month that the tax remains unpaid, but the total additional penalty must not exceed 12% of the amount of tax outstanding, and the provisions of this Act relating to the collection and recovery of tax apply to the collection and recovery of such additional penalty; and
- (d) penalties imposed under paragraphs (a), (b) and (c) are not deemed to be part of the tax paid for the purpose of claiming relief under any of the provisions of this Act.

(2) The Comptroller may for any good cause shown remit the whole or any part of the penalty due under subsection (1).

(3) In this section, “tax” includes any interest imposed under section 85(2).

Change of address

88.—(1) Subject to subsection (2), every person liable to pay income tax under the provisions of this Act must inform the Comptroller in writing of any change in the person’s address.

(2) Where a person liable to pay income tax uses his or her residential address for the purposes of this Act, then, if the person has

changed his or her residential address and has made a report of the change under section 10 of the National Registration Act 1965 —

- (a) the person is deemed to have informed the Comptroller of the change of his or her residential address in compliance with subsection (1); and
- (b) the new residential address as reported by the person under section 10 of the National Registration Act 1965 is, unless the person informs the Comptroller in writing to the contrary, deemed to be his or her last known address for the purpose of subsection (3).

(3) Any notice or process given or served upon any person by posting the same or a copy thereof by registered post to the person at his or her last known address is, despite section 8(3), deemed to have been duly given or served and is conclusive evidence of the fact of service.

Suit for tax by Comptroller

89.—(1) Despite the provisions of any other written law, tax, interest and any penalty imposed under this Act and any sum due to the Government under section 45 or 45EA, may be sued for by way of a specially endorsed writ of summons.

[37/2014]

(2) The Comptroller may, in his or her own name, sue for any such tax, interest, penalty or other sum due and is entitled to all costs allowed by law against the person liable thereto.

(3) The Comptroller may appear personally or by counsel in any suit instituted under this section.

(4) In any suit under this section, the production of a certificate signed by the Comptroller giving the name and address of the defendant and the amount of tax, interest or penalty due by the defendant is sufficient evidence of the amount so due and sufficient authority for the court to give judgment for that amount.

(5) In addition to any other powers of collection and recovery provided in this Act, the Comptroller may, with the approval of the Minister and, where the tax charged on the income of any person who

carries on the business of shipowner or charterer or of air transport has been in default for more than 3 months, whether the person is assessed directly or in the name of some other person, issue to the Director-General of Customs, or other authority by whom clearance may be granted, a certificate containing the name or names of the person and particulars of the tax in default.

(6) On receipt of such a certificate, the Director-General of Customs or other authority is empowered and required to refuse clearance from any port, aerodrome or airport in Singapore to any ship or aircraft owned wholly or partly or chartered by that person until the tax has been paid.

(7) No civil or criminal proceedings may be instituted or maintained against the Government, the Director-General of Customs or other authority in respect of a refusal of clearance under this section, nor does the fact that a ship or an aircraft is detained under this section affect the liability of the owner, charterer, or agent to pay harbour or other dues and charges for the period of detention.

(8) In subsections (6) and (7), “ship” has the meaning given by section 2(1) of the Merchant Shipping Act 1995.

Statement of Comptroller sufficient

90.—(1) In any civil or criminal proceedings under this Act, every statement purporting to be under the hand of the Comptroller contained in the information, complaint, declaration or claim is prima facie evidence of the matter stated therein.

(2) This section applies to any matter so stated although —

- (a) evidence in support or rebuttal of the matter stated or of any other matter is given; or

(3) This section does not apply to —

- (a) a statement of the intent of the defendant; or

91.—(1) Where any income chargeable under section 10(1)(b) or (e) is payable to any individual, deductions on account of tax which is or will be payable by the individual for any year of assessment must, if the Comptroller so directs, be made out of the income or any arrears thereof.

(2) Subject to any rules made under section 7, deductions authorised by this section must be made at such times and in such amounts as the Comptroller directs whether or not the tax has been assessed; except that if on the assessment becoming final and conclusive it appears that the deductions made exceed the tax payable, the tax overpaid by means of the previous deductions must be repaid.

(3) Where any deduction has been made from the income so chargeable of any individual, the individual has the same right of objection or appeal against the deduction as he or she has against an assessment made upon him or her.

(4) Any amount deducted pursuant to any direction given by the Comptroller under this section must be paid by the employer to the Comptroller within 10 days after the date of the deduction, and if any such amount is not paid —

(a) within that period of 10 days, a penalty equal to 5% of that amount is payable by the employer to the Comptroller;

(b) within one month after the date of the deduction, an additional penalty equal to 1% of that amount is payable by the employer to the Comptroller for each completed month that the amount remains unpaid, but the total additional penalty must not exceed 12% of the amount outstanding.

(5) The Comptroller may for any good cause shown remit the whole or any part of the penalty due under subsection (4).

(6) If and so far as any such income is paid without deduction of tax as aforesaid, the tax may be collected and payment thereof enforced in accordance with sections 85, 86 and 87.

(7) For the purpose of section 85, the Comptroller must determine the period within which the tax is payable.

(8) An employer who fails to comply with section 68(7) is liable to pay the full amount of the tax which by reason of such failure cannot be recovered from such employee.

(9) The Comptroller must apply any amount recovered by or paid to him or her in or towards payment of the tax payable by the employee.

(10) The employer may recover from the employee any amount which the employer has paid to the Comptroller or which has been recovered from the employer by the Comptroller under subsection (8).

(11) Any partner who fails to comply with section 68(11) is liable to pay the amount of the tax which by reason of such failure cannot be recovered from the person who has ceased to be a partner.

(12) The liability of a remaining partner under subsection (11) must not exceed the amount paid by that partner in contravention of section 68(11).

(13) Subsection (11) does not preclude a partner who pays any amount of tax under that subsection from recovering such amount from the person who has ceased to be a partner.

Remission, reduction or refund of tax

92.—(1) The Comptroller may remit, wholly or in part, the tax payable by any person on the ground of poverty.

(2) The Minister may at any time, in his or her discretion and subject to such conditions as the Minister may impose, remit, reduce or refund, wholly or in part, the tax that is or will be payable or that is paid by any person.

(2A) The Minister may, by order in the *Gazette*, remit, reduce or refund, wholly or in part, the tax that is or will be payable or that is paid by any class of persons, subject to such conditions as the Minister may specify in the order.

(2B) Where the Minister is satisfied that a person to whom a remission, reduction or refund of tax is granted fails to comply with

any condition imposed under subsection (2) or (2A) (whether a condition precedent or condition subsequent), an amount equal to the amount of tax so remitted, reduced or refunded is recoverable as a debt due to the Government.

(2C) The amount recoverable under subsection (2B) is payable at the place stated in a notice served by the Comptroller on the person within one month after the service of the notice.

(2D) The Comptroller may, in his or her discretion and subject to such terms and conditions (including the imposition of interest) as the Comptroller may impose, extend the time limit within which payment is to be made.

(2E) Sections 86(1) to (6), 87(1) and (2), 89, 90 and 91 apply to the collection and recovery by the Comptroller of the amount recoverable under subsection (2B) and any interest imposed under subsection (2D) as they apply to the collection and recovery of tax.

(3) [*Deleted by Act 19 of 2013*]

(4) The Minister may make rules for the purpose of giving effect to this section.

92A.—(1) Subject to subsection (2), there is to be remitted the tax payable for the year of assessment 2011 by a company an amount equal to the lower of —

- (b) \$10,000,

(2) No remission under subsection (1) may be granted to a company where the company qualifies for the cash grant under section 92B.

Cash grant for companies for year of assessment 2011

92B.—(1) Where a company has made a contribution to the Central Provident Fund in respect of any of its employees during the basis period for the year of assessment 2011, and —

- (b) the specified amount is greater than 20% of the tax payable by the company for that year of assessment (excluding any tax levied and paid or payable pursuant to section 43(3), (3A) and (3B)); or
- (c) the company makes a written election for a cash grant under this section in lieu of the remission under section 92A, and the Comptroller is satisfied that the cash grant would be more beneficial to the company than the remission,

then there is, in lieu of the remission of tax under section 92A, to be made to the company for the year of assessment 2011 a cash grant of the specified amount.

(2) The election under subsection (1)(c) must be made to the Comptroller at the time the company furnishes a return of its income for the year of assessment 2011 or within such further time as the Comptroller may allow.

(3) The cash grant under subsection (1) is exempt from tax in the hands of the company.

- (4) Where a company receives a cash grant under subsection (1) —
- (a) without having satisfied all the requirements in this section; or
 - (b) that is in excess of that which may be given to it under this section,

the amount of the cash grant or the excess amount of the cash grant (as the case may be) is recoverable by the Comptroller from the company as a debt due to the Government.

(5) The Comptroller must send the company a notice specifying the amount to be repaid under subsection (4), and the company must pay the amount at the place stated in the notice within one month after the service of the notice.

(6) The Comptroller may, in his or her discretion and subject to such terms and conditions as the Comptroller may impose, extend the time limit within which payment under subsection (5) is to be made.

(7) Sections 86(1) to (6), 87(1) and (2), 89, 90 and 91 apply to the collection and recovery by the Comptroller of the amounts recoverable under subsection (5) as they apply to the collection and recovery of tax.

- (c) under the Property Tax Act 1960 to the Comptroller of Property Tax; or
- (d) under the Stamp Duties Act 1929 to the Commissioner of Stamp Duties,

then the amount of cash grant made by the Comptroller to the company must be reduced by the amount so due; and the amount of the reduction is deemed to be tax, duty, interest or penalty paid by the company under the relevant Act and must (if it is due under an Act other than this Act) be paid by the Comptroller to the Comptroller of Goods and Services Tax, the Comptroller of Property Tax or the Commissioner of Stamp Duties, as the case may be.

(9) In this section, “specified amount” means —

(5) Section 92B(4) to (8) applies, with the necessary modifications, to this section.

(6) In this section, “qualifying employee” means an employee of the company based on the payroll for any month within its basis period for the year of assessment 2012, but excludes any employee who is also a shareholder of the company.

(7) In the application (by virtue of section 36B) of this section to a registered business trust, a reference to a contribution by a company to the Central Provident Fund in respect of at least one of its qualifying employees is a reference to a contribution by the trustee-manager of the business trust to the Central Provident Fund in respect of at least one of its employees, being one —

(2) Every claim for repayment under this section must be made within 6 years (if the year of assessment to which the claim relates is 2007 or a preceding year of assessment) or 4 years (if the year of assessment to which the claim relates is 2008 or a subsequent year of assessment) from the end of the year of assessment to which the claim relates.

(3) This section does not operate to extend any time limit for appeal or validate any objection or appeal which is otherwise invalid or authorise the revision of any assessment or other matter which has become final and conclusive.

(4) [*Deleted by Act 19 of 2013*]

(6) The Comptroller must certify any amount repayable under this section and must cause repayment to be made immediately.

(7) Where an order or decision by the Board of Review or by any court gives rise to any claim for a refund of tax, the Comptroller may, where the Comptroller has given written notice of the Comptroller's intention to appeal against such order or decision, withhold the refund until such time as the appeal is finally determined.

(8) Where a refund is withheld under subsection (7), the Comptroller must pay interest at the rate mentioned in subsection (9) with effect from the date of the order or decision

appealed against on the amount of refund ultimately determined to be due as a result of any appeal.

[2/2016]

(9) In subsection (8), the rate of interest is —

[34/2016]

Relief in respect of error or mistake

93A.—(1) If any person alleges that for any year of assessment —

- (a) an assessment is excessive; or

- (b) any unabsorbed loss, allowance or donation that may be carried forward ought to be of a higher amount than that set out in an assessment,

by reason of some error or mistake —

- (c) in the return or statement made by the person for the purposes of the assessment; or
- (d) where the person is exempted from liability to furnish a return under section 62(2), in the notice of assessment served on the person,

the person may, at any time not later than 6 years (if the year of assessment within which the assessment was made is 2007 or a preceding year of assessment) or 4 years (if the year of assessment within which the assessment is made is 2008 or a subsequent year of assessment) after the end of the year of assessment within which the assessment was made, make an application in writing to the Comptroller for relief.

(1A) An application by a person on the basis of an error or a mistake, for the year of assessment 2019 or any subsequent year of assessment, in the amount of any income, expense, outgoing or loss in connection with any transaction between the person and a related party (within the meaning of section 13(16)) of the person, must be supported by transfer pricing documentation for that transaction that satisfies section 34F(5).

[39/2017]

(1B) To avoid doubt, subsection (1A) applies whether or not the person is a company, firm, partner of a partnership or trustee of a trust to which section 34F applies.

[39/2017]

(2) On receiving the application, the Comptroller must inquire into the matter and must, subject to this section, give, by way of repayment of tax or an amendment to the assessment, such relief in respect of the error or mistake as appears to the Comptroller to be reasonable and just.

(3) No relief by way of repayment of tax may be given under this section in respect of an error or a mistake as to the basis on which the

liability of the applicant ought to have been computed when the return or statement was in fact made on the basis of or in accordance with the practice of the Comptroller generally prevailing at the time when the return or statement was made.

(3A) No amendment may be made to the assessment under this section when the return or statement was in fact made on the basis of or in accordance with the practice of the Comptroller generally prevailing at the time when the return or statement was made.

(4) In determining any application under this section, the Comptroller must have regard to all the relevant circumstances of the case, and in particular must consider whether the granting of relief would result in the exclusion from charge to tax of income of the applicant, and for this purpose the Comptroller may take into consideration the liability of the applicant and assessments made upon the applicant in respect of other years.

(5) Section 79 applies in respect of an appeal against a determination of the Comptroller under this section except that no such appeal may be entertained until the sum of \$250 has been deposited with the secretary to the Board of Review.

(6) The sum mentioned in subsection (5) must be refunded in the event of the appeal being allowed.

(7) The Board of Review may, if in its opinion the appeal was vexatious or frivolous, order that the whole or any part of the aforesaid sum be forfeited and awarded to the Comptroller as costs.

PART 20A

EXCHANGE OF INFORMATION UNDER AVOIDANCE OF DOUBLE TAXATION ARRANGEMENTS AND EXCHANGE OF INFORMATION ARRANGEMENTS

Interpretation of this Part

105A.—(1) In this Part —

“avoidance of double taxation arrangement” means an arrangement having effect under section 49;

“competent authority”, in relation to a prescribed arrangement, means a person or an authority whom the Comptroller is satisfied is authorised to make a request to the Comptroller for information —

(a) if it is an avoidance of double taxation arrangement, under the EOI provision of the arrangement; or

(b) if it is an EOI arrangement, under the provisions of the arrangement;

“exchange of information arrangement” or “EOI arrangement” means an arrangement having effect under section 105BA;

“exchange of information provision” or “EOI provision”, in relation to an avoidance of double taxation arrangement, means a provision in that arrangement which provides expressly for the exchange of information concerning the tax positions of persons;

“prescribed arrangement” means an avoidance of double taxation arrangement which contains an EOI provision, or an EOI arrangement;

“tax position”, in relation to a person, means the person’s position —

(a) as regards any tax —

(i) of the country with whose government the avoidance of double taxation arrangement or EOI arrangement in question was made; and

(ii) that is covered by the EOI provision of the avoidance of double taxation arrangement or by the EOI arrangement; or

(b) as regards —

(i) past, present and future liability to pay any tax mentioned in paragraph (a);

(ii) penalties, interest and other amounts that have been paid, or are or may be payable, by or to the person in connection with any such tax; and

(iii) claims, elections, applications and notices that have been or may be made or given in connection with any such tax.

(2) A reference in this Part to the tax position of a person includes a reference to the tax position of —

(a) a person (not being an individual) that has ceased to exist; and

(b) an individual who has died.

(3) A reference in this Part to the tax position of a person is a reference to the person’s tax position at any time or in relation to any

period, unless otherwise stated in the prescribed arrangement in question.

(4) To avoid doubt, the reference to tax in the definition of “tax position” in subsection (1) is a reference to any type of tax that is covered by the EOI provision of the avoidance of double taxation arrangement in question or by the EOI arrangement in question, and is not limited to income tax or tax of a similar character.

(5) In relation to an EOI arrangement which is a multilateral treaty referred to in section 105BA(1A) —

- (a) the reference in the definition of “competent authority” to a person or an authority authorised under the provisions of the EOI arrangement to make a request to the Comptroller for information is a reference to a person or an authority of a country that is a Party to the treaty authorised to make such a request; and
- (b) the reference in the definition of “tax position” to any tax of the country with whose government the EOI arrangement was made and that is covered by the arrangement, is a reference to any tax of a country that is a Party to the treaty and covered by the treaty.

[37/2014]

Purpose of this Part

105B. The purpose of this Part is to facilitate the disclosure of information to a competent authority —

- (a) under an avoidance of double taxation arrangement in accordance with the EOI provision in that arrangement; or
- (b) under and in accordance with an EOI arrangement.

Exchange of information arrangement

105BA.—(1) If the Minister by order declares that an arrangement specified in the order has been made with the government of any country, or the governments of 2 or more countries, outside Singapore for the exchange of information concerning the tax positions of persons (whether upon request by an authority of a country to the arrangement or otherwise), and that it is expedient that that

arrangement should have effect, then the arrangement has effect despite anything in any written law.

[37/2014; 2/2016]

(1A) An arrangement under subsection (1) includes a multilateral treaty to which Singapore is a Party, the purpose or one of the purposes of which is the exchange of information concerning the tax positions of persons (whether upon request by an authority of a Party to the treaty or otherwise).

[37/2014; 2/2016]

(2) An order made under this section may be revoked by a subsequent order.

(3) Where an arrangement has effect by virtue of this section, the obligation as to secrecy imposed by section 6 does not prevent the disclosure to the competent authority under the arrangement of such information as is required to be disclosed under the arrangement.

105C. [*Repealed by Act 19 of 2013*]

Request for information

105D.—(1) The competent authority under a prescribed arrangement may make a request to the Comptroller for information concerning the tax position of any person in accordance with —

- (a) if it is an avoidance of double taxation arrangement, the EOI provision of that arrangement; or
- (b) if it is an EOI arrangement, the provisions of that arrangement.

(2) Unless the Comptroller otherwise permits, the request must set out the information prescribed in the Eighth Schedule.

(3) Every request is subject to and must be dealt with in accordance with the terms of the prescribed arrangement.

(4) For the purposes of subsection (3), the terms of the prescribed arrangement are not to be construed in such a way as to prevent the Comptroller from complying with, or to permit the Comptroller to decline to comply with, a request for information merely because —

- (a) Singapore does not need the information for its own tax purposes; or
- (b) the information is held by a bank or other financial institution, a nominee or a person acting in an agency or a fiduciary capacity, or it relates to the ownership interests in an entity.

Comptroller to serve notice of request on certain persons

105E.—(1) After receipt of a request under section 105D for any information which, in the Comptroller's opinion, is information mentioned in subsection (2), the Comptroller must serve notice of the request on the person identified in the request as the person in relation to whom the information is sought.

(1A) Where the request mentioned in subsection (1), in the Comptroller's opinion, does not contain sufficient information for the Comptroller to serve notice under subsection (1), the Comptroller must, after he or she discovers such information from information already in the Comptroller's possession or obtained under section 105F or 105G, serve notice of the request on that person.

[37/2014]

(2) The information mentioned in subsection (1) or (1A) is information that is protected from unauthorised disclosure under —

- (a) section 47 of the Banking Act 1970 including that section as applied by section 55ZI(1) of that Act; or

[37/2014; 1/2020]

(3) *[Deleted by Act 19 of 2013]*

(4) Notice under subsection (1) or (1A) need not be served on any person —

- (a) if the Comptroller —
 - (i) does not have any information of the person upon whom service may be effected in accordance with section 8;

- (ii) is of the opinion that this is likely to prevent or unduly delay the effective exchange of information under the prescribed arrangement; or
 - (iii) is of the opinion that this is likely to prejudice any investigation into any alleged breach of any law relating to tax of the country of the competent authority making the request (whether the breach would result in the imposition of a criminal or civil penalty); or
- (b) on such other ground as may be prescribed under section 105H.

[37/2014]

(5) Rules made under section 105H may provide for the particulars to be given in a notice under subsection (1) or (1A).

[37/2014]

(2) Despite any obligation as to secrecy imposed under any written law or rule of law, the Comptroller of Goods and Services Tax, the Comptroller of Property Tax, the Chief Assessor or the Commissioner of Stamp Duties may transmit to the Comptroller information requested by him or her under subsection (1).

Information may be used for administration of Act

105GA. To avoid doubt, any information obtained under section 105F or 105G may be used not only for the purpose of complying with a request under section 105D, but also for any purpose connected with the administration of this Act, including the investigation or a prosecution for an offence alleged or suspected to have been committed under this Act.

[28/2019]

Chargeable or exempt income of umbrella VCC

(3) Subject to the modifications in this section and the rules under subsection (30), a reference in this Act and the subsidiary legislation made under it to the chargeable income or exempt income of a person that is an umbrella VCC is to the total of the chargeable income or exempt income (as the case may be) of each of its sub-funds.

[28/2019]

(4) For the purpose of determining the chargeable income or exempt income of a sub-fund under subsection (3), the provisions of this Act and the subsidiary legislation made under it (as modified by subsection (1)) apply as if each sub-fund were a VCC, with the following modifications:

[28/2019]

(7) Each part of the chargeable income of an umbrella VCC that is chargeable income of a sub-fund is subject to tax at the rate to which that part would have been subject had the sub-fund been a VCC.

[28/2019]

Segregated liabilities of sub-funds

(8) The amount of any tax attributable to any part of the chargeable income of an umbrella VCC that is chargeable income of a sub-fund, together with any interest or penalty imposed under section 85(2) or 87 in respect of such amount, is considered (for the purpose of section 29 of the VCC Act) liability incurred by the umbrella VCC for the purpose of the sub-fund.

[28/2019]

Application of section 13G

(12A) Section 13G and the regulations made under it apply for the purpose of determining the exempt income of a sub-fund under subsection (3) as if it were an approved venture company under that section if the umbrella VCC of the sub-fund is approved for the purpose of that section.

[41/2020]

Application of sections 13O and 13U

(13) Section 13O and the regulations made under it apply for the purpose of determining the exempt income of a sub-fund under subsection (3) as if it were an approved company under that section if the umbrella VCC of the sub-fund is approved for the purpose of that section.

[28/2019]

(14) Where the relevant owner mentioned in section 13O(3) is an umbrella VCC, the amount of any financial penalty under that provision that it is liable for is considered (for the purpose of section 29 of the VCC Act) liability incurred by it for the purpose of its sub-funds, and the amount of such liability in relation to each sub-fund is computed in accordance with the formula

$$\frac{A}{B} \times C,$$

where —

- (a) A is the total value of issued securities held by the umbrella VCC for the sub-fund on the relevant day as defined in section 13O(8);
- (b) B is the total value of all the issued securities held by the umbrella VCC for all its sub-funds on the relevant day as defined in section 13O(8); and
- (c) C is the amount of the penalty.

[28/2019]

(15) Section 13U and the regulations made under it apply for the purpose of determining the exempt income of a sub-fund under subsection (3) as if it were —

if its umbrella VCC is approved by the Minister or a person appointed by the Minister for the purpose of that section.

[28/2019]

(16) The amount of any tax recoverable from the umbrella VCC under the regulations made under section 13U that is attributable to any income of a sub-fund, is considered (for the purpose of section 29 of the VCC Act) liability incurred by the umbrella VCC for the purpose of the sub-fund.

[28/2019]

- (a) ordinary shares in a company (other than a VCC); or
- (b) ordinary shares in a VCC (called in this subsection and subsection (18) VCC X).

[28/2019]

(18) Where VCC X is an umbrella VCC, section 13W in Part 1 of the Third Schedule applies for the purpose of determining the exempt income of a sub-fund under subsection (3) with the following further modifications:

- (a) the section is to be applied in relation to the disposal of ordinary shares of VCC X in respect of each sub-fund as if VCC X only has that one sub-fund;

- (b) accordingly, a reference in the section to the legal and beneficial ownership of any ordinary shares in a VCC is to the legal and beneficial ownership of ordinary shares in VCC X in respect of that sub-fund.

[28/2019]

(19) Section 13W applies for the purpose of determining the exempt income of a company (including a non-umbrella VCC but excluding an umbrella VCC) from the disposal of ordinary shares in an umbrella VCC with the following modifications:

- (a) the section is to be applied in relation to the disposal of ordinary shares of the umbrella VCC in respect of each sub-fund as if the umbrella VCC only has that one sub-fund;
- (b) accordingly, a reference in that section to the legal and beneficial ownership of any ordinary shares in a VCC is to the legal and beneficial ownership of ordinary shares in the umbrella VCC in respect of that sub-fund.

[28/2019]

(20) In subsections (17), (18) and (19), “ordinary share”, in relation to a VCC, means any share other than a share that carries only a right to any dividend which is —

- (a) of a fixed amount or at a fixed rate per cent of the value of the share; or
- (b) either —
- (i) where the VCC is a non-umbrella VCC, of a fixed rate per cent of the profits of the non-umbrella VCC; or
- (ii) where the VCC is an umbrella VCC, of a fixed rate per cent of the profits of the umbrella VCC in relation to the sub-fund in respect of which the share was issued.

[28/2019]

Application of sections 34D, 34E and 34F

- (a) a sub-fund is treated as a person;
- (b) a person is related to a sub-fund if it is related to the sub-fund in such manner as may be prescribed by rules made under section 7.

[28/2019]

(22) Any surcharge under section 34E as applied by subsection (21) is recoverable from the umbrella VCC and constitutes a liability incurred by the umbrella VCC for the purpose of the sub-fund concerned for the purpose of section 29 of the VCC Act.

[28/2019]

(23) Section 34F applies to an umbrella VCC —

- (a) as if a reference to the gross revenue of a company is to the gross revenue of any of its sub-funds; and

(ii) the basis period in which the date of commencement of the sub-fund's trade or business in Singapore falls;

(f) such other modifications as may be prescribed.

(19) In subsection (18)(c), “open-market price”, in relation to intellectual property rights, has the meaning given to it by section 19B(10F), with the reference to the acquisition date of those rights substituted with a reference to the redomiciled VCC's registration date.

(20) Except as provided under subsection (17), no writing-down allowance may be made under section 19B in determining the sub-fund's income in a case mentioned in subsection (17)(a) and (b) in relation to any capital expenditure mentioned in subsection (17)(a).

Section 43(6C) inapplicable

(21) Section 43(6C) does not apply.

Regulations

(22) The Minister may make regulations necessary or convenient to be prescribed for carrying out or giving effect to this section and section 34H, and in particular, make regulations to provide for such transitional, supplementary or consequential matters as the Minister considers necessary or expedient.

Tax credits for approved redomiciled VCCs

34H.—(1) This section applies where —

- (a) a body corporate incorporated outside Singapore is registered as a VCC under Part 12 of the VCC Act and is an umbrella VCC (called in this section the redomiciled VCC);
- (b) the redomiciled VCC is approved by the Minister for the purposes of this section;
- (c) the redomiciled VCC derived or received income for the purpose of a sub-fund (called in this section income *A*) that is chargeable to tax in one or more years of assessment beginning with the year of assessment for the basis period in which its registration date falls; and
- (d) the redomiciled VCC's place of incorporation levies on the VCC tax of a similar character to income tax (by whatever name called) on an estimate of income *A* (called in this section income *B*).

(2) The redomiciled VCC must be allowed, in accordance with subsection (4), a tax credit against tax payable in respect of the part of

THIRD SCHEDULE — *continued*

income *A* that is derived or received in the basis period for each year of assessment specified by the Minister to the VCC at the time of its approval (called in this section a specified year of assessment).

(3) The total amount of tax credits to be allowed to the redomiciled VCC for all of its specified years of assessment in respect of income *A*, is an amount *C* that is computed by the formula $(B - B1) \times D$, where —

- (a) *B* is the amount of income *B*;
- (b) *B1* is the part of income *B* that is derived wholly from any agreement or arrangement entered into on or after the registration date, as well as any other income prescribed by regulations made under section 34G; and
- (c) *D* is the lower of the following:
 - (i) the rate by which the part of income *A* derived or received in the basis period in which its registration date falls is chargeable to tax;
 - (ii) the rate by which income *B* is chargeable to the tax described in subsection (1)(b).

(4) Where, throughout a basis period for a specified year of assessment, the redomiciled VCC —

- (a) is resident in Singapore; and
- (b) satisfies all of the conditions specified by the Minister to it at the time of its approval,

then there is to be allowed, against the amount of tax chargeable on income *E*, a credit of an amount that is the lower of the following:

- (c) the amount of tax;
- (d) an amount computed by deducting from the amount *C* the total amount of tax credits previously allowed under this section against the tax chargeable on any income of the sub-fund.

(5) In subsection (4), income *E* for a year of assessment is the amount of the part of income *A* derived or received in the basis period for that year of assessment after deducting the following:

- (a) the expenses and donations of a sub-fund for that year of assessment that are attributable to or apportioned to the part of income *A*;
- (b) any capital allowances in respect of any capital expenditure of a sub-fund for that year of assessment that is attributable to the part

THIRD SCHEDULE — *continued*

of income *A* whether or not any claim for those allowances has been made;

- (c) any balance of those expenses, allowances and donations which have not been deducted under this subsection for the purpose of determining income *E* for any previous year of assessment.

(6) The balance of any expenses, allowances or donations mentioned in subsection (5) may only be used to determine income *E* for a subsequent specified year of assessment, and is not available as a deduction against any other income in determining the chargeable income of the sub-fund under section 107(3).

(7) However, any balance mentioned in subsection (6) that remains —

- (a) after ascertaining income *E* for the last of the specified years of assessment; or
- (b) as of the date of revocation of the approval of the redomiciled VCC,

may be deducted against any other income in determining the chargeable income of the sub-fund under section 107(3) for a subsequent year of assessment, or the year of assessment for the basis period in which the approval is revoked or a subsequent basis period (whichever is applicable), in accordance with section 23 or 37 (as applied by section 107(3)), as the case may be.

(8) Any balance of the amount *C* after a tax credit has been allowed for the last of the specified years of assessment must be disregarded.

(9) If, at any time after the registration date, and during a period specified by the Minister to it at the time of its approval, the redomiciled VCC ceases to carry on any trade or business in Singapore in relation to that sub-fund mentioned in subsection (1), an amount computed using the formula $\frac{F-G}{F} \times H$ is recoverable by the Comptroller from the umbrella VCC as a debt due to the Government, where —

- (a) *F* is the total number of its specified years of assessment or 5, whichever is larger;
- (b) *G* is the total number of complete years where the umbrella VCC carried on a trade or business in Singapore in relation to that sub-fund; and
- (c) *H* is the total amount of tax credits already allowed against the tax chargeable on the income of the sub-fund under this section.

THIRD SCHEDULE — *continued*

(10) If the Comptroller is satisfied that —

- (a) the redomiciled VCC gave to the Comptroller information that is false in any material particular, or omitted any material particular from any information or document given to the Comptroller; and
- (b) as a result of the false information or omission, an amount of tax credit was allowed against tax chargeable on income under this section,

then an amount equal to the amount of tax credit so allowed is recoverable by the Comptroller from the VCC as a debt due to the Government.

(11) The amount of the tax credit recoverable from the VCC under subsection (9) or (10) is considered (for the purpose of section 29 of the VCC Act) liability incurred by the VCC for the purpose of the sub-fund mentioned in subsection (9), or for the purpose of the sub-fund to which the information or document mentioned in subsection (10) relates.

(12) The amount recoverable under subsection (9) or (10) must be paid at the place stated in the notice served by the Comptroller on the redomiciled VCC within 30 days after the service of the notice.

(13) The Comptroller may, in his or her discretion, and subject to such terms and conditions as the Comptroller may impose, extend the time within which payment is to be made.

(14) Sections 86(1), (2), (3), (4), (5) and (6), 87(1) and (2), 89, 90 and 91 apply to the collection and recovery by the Comptroller of the amount recoverable under subsection (9) or (10) as they apply to the collection and recovery of tax.

(15) In this section —

“capital expenditure of a sub-fund”, “donation of a sub-fund” and “expense of a sub-fund” have the meanings given by section 107(4);

“place of incorporation”, in relation to the redomiciled VCC, means the jurisdiction where the VCC was domiciled at the time it applied for registration under Part 12 of the VCC Act;

“registration” means registration under section 135(1) of the VCC Act;

“registration date”, in relation to the redomiciled VCC, means the date of its registration specified in the notice of transfer of registration issued to it under section 135(3) of the VCC Act.”.

PART 3

PROVISIONS THAT APPLY IN PLACE OF
SECTIONS 50, 50A AND 50C WHERE INCOME
IS THAT OF UMBRELLA VCC

Sections 106(1) and 107(28)

Sections 50, 50A and 50C as set out below apply in place of sections 50, 50A and 50C respectively in a case where the income in question is that of an umbrella VCC:

“Tax credits

50.—(1) This section has effect where, under arrangements having effect under section 49, tax payable in the territory of the government of which the arrangements are made, in respect of any income of an umbrella VCC, is to be allowed as a credit against tax payable in respect of that income in Singapore.

(2) Where the umbrella VCC is resident in Singapore, the amount of income tax chargeable on the income is reduced by deducting, from the amount of the income tax that is attributable to the part of the chargeable income of the umbrella VCC that is income derived or received by the umbrella VCC for the purpose of each of its sub-funds (called in this section a sub-fund’s assessable income), the amount of the credit that is attributable to the sub-fund’s assessable income.

(3) The amount of the credit under subsection (2) must not exceed the amount produced by computing the amount of the income of the sub-fund in accordance with the provisions of this Act and the subsidiary legislation made under it (as modified by section 107 to apply to a VCC) as if it were a VCC, and then charging it to income tax at a rate ascertained by the formula

$$\frac{A}{B},$$

where —

(a) A is the income tax chargeable (before making the reduction under subsection (2)) on the sub-fund’s assessable income had it been a VCC; and

(b) B is the amount of the sub-fund’s assessable income.

(4) Without limiting subsection (3), the amount of the reduction under subsection (2) in respect of any sub-fund for any year of assessment for foreign tax under all arrangements having effect under section 49 must not exceed the total amount of income tax payable by the umbrella VCC that is

THIRD SCHEDULE — *continued*

attributable to the assessable income of the sub-fund, excluding any tax payable by the umbrella VCC under section 45 or that section as applied by section 107(27), that is attributable to such income.

(5) In computing the amount of the sub-fund's assessable income under subsection (2) —

- (a) no deduction may be allowed in respect of foreign tax (whether in respect of the same or any other income);
- (b) where the income tax chargeable depends on the amount received in Singapore, that amount is to be increased by the appropriate amount of the foreign tax in respect of the income; and
- (c) where the income includes a dividend and under the arrangements foreign tax not chargeable directly or by deduction in respect of the dividend is to be taken into account in considering whether any (and if so what) credit is to be given against income tax in respect of the dividend, the amount of the income is to be increased by the amount of the foreign tax not so chargeable that falls to be taken into account in computing the amount of the credit.

(6) Subsection (5)(a) and (b) applies to the computation of the sub-fund's assessable income in subsection (3) for the purposes of determining the rate mentioned in that subsection, and applies to such computation in relation to all income in the case of which credit falls to be given for foreign tax under arrangements for the time being in force under section 49.

(7) Where —

- (a) the arrangements provide, in relation to dividends of some classes, but not in relation to dividends of other classes, that foreign tax not chargeable directly or by deduction in respect of dividends is to be taken into account in considering whether any (and if so what) credit is to be given against income tax in respect of the dividends; and
- (b) a dividend is paid that is not of a class in relation to which the arrangements so provide,

then, if the dividend is paid to the umbrella VCC for the purpose of a sub-fund and the umbrella VCC controls directly or indirectly, through that sub-fund, not less than one-half of the voting power in the company paying the dividend, credit is to be allowed as if the dividend were a dividend of a class in relation to which the arrangements so provide.

THIRD SCHEDULE — *continued*

(8) Where an umbrella VCC elects that credit may not be allowed under this section in respect of the income derived or received by the umbrella VCC for the purpose of its sub-funds for any year of assessment, credit may not be allowed under the arrangements against the income tax chargeable in respect of the umbrella VCC's income for that year.

(9) Where an umbrella VCC elects that credit may not be allowed under this section in respect of the income of one or some (but not all) of its sub-funds for any year of assessment, then this section applies as if the umbrella VCC only consists of the sub-fund or sub-funds for which no such election was made.

(10) Any claim for an allowance by way of credit must be made not later than 2 years after the end of the year of assessment to which the claim relates (if the year of assessment is the year of assessment 2021 or a previous year of assessment), or 4 years after the end of the year of assessment to which the claim relates (if the year of assessment is any other year of assessment), and in the event of any dispute as to the amount allowable the claim is subject to objection and appeal in like manner as an assessment.

(11) Where the amount of any credit given under the arrangements is rendered excessive or insufficient by reason of any adjustment of the amount of any tax payable either in Singapore or elsewhere, nothing in this Act limiting the time for the making of assessments or claims for relief applies to any assessment or claim to which the adjustment gives rise, being an assessment or claim made not later than 3 years from the time when all such assessments, adjustments and other determinations have been made, whether in Singapore or elsewhere, as are material in determining whether any (and if so what) credit falls to be given.

(11A) If the amount of any credit given under the arrangements to an umbrella VCC attributable to any of its sub-funds is rendered excessive by reason of any adjustment of the amount of any tax payable in any territory outside Singapore, the umbrella VCC must give the Comptroller a written notice of the particulars of the adjustment, in the manner specified by the Comptroller, within one year after the adjustment is made.

(11B) An umbrella VCC that, without reasonable excuse, fails to comply with subsection (11A) shall be guilty of an offence and shall be liable on conviction to a penalty not exceeding the amount of the excess credit under subsection (11A).

(11C) The Comptroller may compound any offence under subsection (11B).

THIRD SCHEDULE — *continued*

(12) The amount that corresponds to the amount of tax attributable to a sub-fund's assessable income, that is considered liability incurred by the umbrella VCC for the purpose of the sub-fund under section 107(8), is to be reduced by the amount of the credit deducted from such income under subsection (2).

(13) In this section —

“foreign tax” means any tax payable in that territory which under the arrangements is to be so allowed;

“income tax” means tax chargeable under this Act.

Unilateral tax credits

50A.—(1) Even if there are no arrangements in force under section 49 with the government of any territory outside Singapore, tax credit under section 50 must be given to any umbrella VCC resident in Singapore against tax chargeable in respect of any of the following for tax payable under the law of that territory —

- (a) any royalty derived from that territory, where the payment is not —
 - (i) borne, directly or indirectly, by a person resident in Singapore or a permanent establishment in Singapore (except in respect of any business carried on outside Singapore through a permanent establishment outside Singapore); or
 - (ii) deductible against any income accruing in or derived from Singapore;
- (b) any dividend derived from that territory;
- (c) any profit derived from outside Singapore by a branch in that territory of the umbrella VCC;
- (d) any income derived from any trade or business carried on in that territory through a permanent establishment in that territory;
- (e) any discount or premium from debt securities or interest derived from that territory where the payment is not —
 - (i) borne, directly or indirectly, by a person resident in Singapore or a permanent establishment in Singapore (except in respect of any business carried on outside Singapore through a permanent establishment outside Singapore); or

THIRD SCHEDULE — *continued*

- (ii) deductible against any income accruing in or derived from Singapore;
 - (f) any rent or other income ancillary to the holding of immovable properties located in that territory but not including gains from the disposal of such immovable properties derived from a trade or business carried on in Singapore; and
 - (g) any gains or profits of an income nature not falling within paragraphs (a), (b), (c), (d), (e) and (f) that is derived from that territory.
- (2) Where —
- (a) any dividend in respect of which tax credit is given under subsection (1)(b) is paid by a company resident outside Singapore to an umbrella VCC resident in Singapore;
 - (b) the dividend is paid to the umbrella VCC for a sub-fund; and
 - (c) the umbrella VCC owns, for the purpose of that sub-fund, not less than 25% of the total number of issued shares of the company paying the dividend,

then the tax credit by which the amount of income tax chargeable on the dividend is to be reduced under section 50(2) must take into account any tax paid by that company in the country in which it is resident in respect of its income out of which the dividend is paid.

- (3) Where —
- (a) under arrangements for the time being in force under section 49 with the government of a territory outside Singapore, no provision is made for tax credit in respect of income out of which any dividend is paid by a company resident in that territory to an umbrella VCC resident in Singapore for a sub-fund;
 - (b) the dividend is paid to the umbrella VCC for a sub-fund; and
 - (c) the umbrella VCC owns, for the purpose of that sub-fund, not less than 25% of the total number of issued shares of the company paying the dividend,

tax credit under section 50 in respect of such income must be given to the umbrella VCC and applied in accordance with section 50.

- (4) Section 50 applies, with the necessary modifications, for the purposes of this section as if any territory to which this section and the regulations have

THIRD SCHEDULE — *continued*

effect were a territory with which arrangements have been made under section 49.

(5) Any umbrella VCC granted any tax credit under subsection (1) on any income may not be given any tax credit under section 50 in respect of that income.

(6) The Minister may, in any particular case, waive the requirement of 25% share ownership mentioned in subsections (2) and (3).

(7) In this section, “debt securities” has the meaning given by section 43H(4).

Pooling of credits

50C.—(1) Where, for any year of assessment, an umbrella VCC is entitled to 2 or more tax credits under any other provision of this Part, and some or all of which are attributable to the part of the chargeable income of the VCC that is income derived or received by the umbrella VCC for the purpose of any particular sub-fund (called in this section a sub-fund’s assessable income), the umbrella VCC may elect in relation to that sub-fund to be given a pooled credit for that year of assessment in lieu of any 2 or more of those credits (called in this section the replaced credits).

(2) Subsection (1) only applies if the income that is the subject of each replaced credit (called in this section the elected income) satisfies all of the following conditions:

- (a) tax under the law of the territory from which the income is derived that is of a similar character to income tax (by whatever name called) has been paid on the income;
- (b) at the time the income is received in Singapore by the umbrella VCC, the highest rate of tax of a similar character to income tax (by whatever name called) levied under the law of that territory on any gains or profits from any trade or business carried on by a company in that territory at that time, is not less than 15%;
- (c) the income tax payable under this Act on the income for the year of assessment (before allowance of any credit under this Part) is not nil.

(3) The total amount of the income tax chargeable to the umbrella VCC in respect of all the elected income must be reduced by the amount of the pooled credit.

THIRD SCHEDULE — *continued*

- (4) The amount of the pooled credit is the lower of —
- (a) the sum of the income tax chargeable for the year of assessment on all the elected income; and
 - (b) the sum of the taxes paid on all the elected income in the territory or territories outside Singapore from which the elected income is derived.
- (5) In subsection (4)(a), the sum of the income tax chargeable for the year of assessment on all the elected income is ascertained by —
- (a) computing the amount of the income that is the subject of each replaced credit in accordance with the provisions of this Act and the subsidiary legislation made under it (as modified by section 107 to apply to a VCC) as if the sub-fund were a VCC, and then charging it to income tax at a rate ascertained by the formula

$$\frac{A}{B},$$

where —

- (i) A is the income tax chargeable (before allowance of any credit under this Part) on the assessable income of the sub-fund had it been a VCC; and
 - (ii) B is the amount of that sub-fund's assessable income; and
- (b) totalling the amounts computed in accordance with paragraph (a) of all the replaced credits.
- (6) Sections 50(5), (6), (10), (11), (11A), (11B), (11C), (12) and (13) and 50A(2) apply, with the necessary modifications, for the purposes of this section.
- (7) To avoid doubt, sections 50 and 50A continue to apply to any income that is the subject of a credit or credits allowed under any other provision of this Part for which no election under this section is made.”.

1. Subject to the provisions of this Schedule, the allowable deduction to an individual in respect of each of his or her eligible children is \$4,000 for each child for the year of assessment 2009 or a subsequent year of assessment.

2. [Deleted by Act 37 of 2014]

3. No deduction is allowed in respect of any child —

- (a) whose income (excluding income to which the child is entitled as the holder of a scholarship, bursary or similar educational endowment) for the year immediately preceding the year of assessment (being the year of assessment 2009) exceeded \$2,000; or
- (b) who was engaged in any employment, other than under articles or indentures, or carried on or exercised a trade, business, profession or vocation, during the year immediately preceding the year of assessment.

3A. For the year of assessment 2010 or any subsequent year of assessment, no deduction is allowed in respect of any child —

- (a) who is not incapacitated by reason of physical or mental infirmity; and
- (b) who meets either or both of the following:
 - (i) his or her income (excluding income to which the child is entitled as the holder of a scholarship, bursary or similar educational endowment) for the year immediately preceding the year of assessment exceeded \$4,000;
 - (ii) he or she was engaged in any employment, other than under articles or indentures, or carried on or exercised a trade, business, profession or vocation, during the year immediately preceding the year of assessment.

FIFTH SCHEDULE — *continued*

4. Where more than one individual is entitled to claim a deduction in respect of the same child under paragraph 1 or the proviso to section 39(2)(e), the deduction is to be apportioned in such manner as appears to the Comptroller to be reasonable.

5.—(1) Where a married woman, divorcee or widow maintained, in the year immediately preceding the year of assessment 2009, 2010 or 2011, a child who is a citizen of Singapore as at 31 December of that year, the following deductions are, without prejudice to any deduction allowable under paragraph 1 or proviso (v) to section 39(2)(e), allowable for that year of assessment to her only:

(a) first eligible child	15% of her earned income;
(b) second eligible child	20% of her earned income;
(c) third and subsequent eligible child	25% of her earned income for each eligible child.

(1C) To avoid doubt, sub-paragraph (1B) does not imply that a stillborn child is an eligible child in respect of whom a deduction is allowable under section 39(2)(e).

FIFTH SCHEDULE — *continued*

(2) Where more than one married woman, divorcee or widow is entitled to claim a deduction in respect of the same child under sub-paragraph (1) or (1A), the deduction is to be allowed to one such claimant only as determined by the Comptroller (whose decision is final) having regard to the circumstances of the case, including rights of custody, care and control and level of maintenance provided by each claimant.

(3) The total deductions allowable to a married woman, divorcee or widow under sub-paragraph (1) or (1A) must not exceed 100% of her earned income for any year of assessment.

PART 1

Sections 106(1) and (3) and 108(1)
and (2)

1.—(1) Subject to the provisions of this Part, on an application made by a person in accordance with this Part, the Comptroller must make a ruling on how any provision of this Act applies, or would apply, to the person and to the arrangement for which the ruling is sought.

(2) The Comptroller may make a ruling on how any provision of this Act applies to the arrangement described in an application whether or not reference was made to that provision in the application.

(3) The Comptroller must not make a ruling on a provision of this Act that authorises or requires the Comptroller to —

- (a) impose or remit a penalty;
- (b) inquire into the correctness of any return or other information supplied by any person;
- (c) prosecute any person; or
- (d) recover any debt owing by any person.

(4) An application for a ruling —

- (a) must be made in such form as the Comptroller may determine; and
- (b) must comply with the disclosure requirements of paragraph 9.

(5) An applicant for a ruling may at any time withdraw the application by written notice to the Comptroller.

SEVENTH SCHEDULE — *continued*

2. The Comptroller may decline to make a ruling if —
 - (a) the application for the ruling would require the Comptroller to determine any question of fact;
 - (b) the Comptroller considers that the correctness of the ruling would depend on the making of assumptions, whether in respect of a future event or any other matter;
 - (c) the matter on which the ruling is sought is subject to an objection or appeal, whether in relation to the applicant or any other person;
 - (d) the applicant has outstanding debts relating to earlier ruling applications; or
 - (e) the matter on which the ruling is sought is the subject of a return which has been or is due to be lodged under this Act.

3. The Comptroller must not make a ruling if —
 - (a) at the time the application is made or at any time before the ruling is issued, the Comptroller considers that the person to whom the ruling is to apply is not seriously contemplating the arrangement for which the ruling is sought;
 - (b) the application is frivolous or vexatious;
 - (c) the matter on which the ruling is sought —
 - (i) concerns tax (excluding estimated tax) that is due and payable, unless the application is received before the tax is due and payable;
 - (ii) involves the interpretation of any foreign law; or
 - (iii) is being dealt with, or in the Comptroller's opinion should be dealt with, by one or both competent authorities of the parties to an agreement to avoid double taxation;
 - (d) a ruling already exists on how the relevant provision of this Act applies to the person and the arrangement, and the proposed ruling would apply to a period or a year of assessment to which the existing ruling applies;
 - (e) an assessment (other than an assessment of any estimated tax) relating to the person, the arrangement, and a year of assessment to which the proposed ruling would apply has been made, unless the application is received by the Comptroller before the date the assessment is made;
 - (f) the Comptroller is undertaking an audit or investigation on how any provision of this Act applies to the applicant, or to an arrangement

SEVENTH SCHEDULE — *continued*

similar to the arrangement which is the subject of the application, during any period for which the proposed ruling would apply were the ruling to be made;

- (g) in the Comptroller's opinion, the applicant has not provided sufficient information in relation to the application after the Comptroller has requested further information;
- (h) in the Comptroller's opinion, it would be unreasonable to make a ruling in view of the resources available to the Comptroller; or
- (i) the application for the ruling would require the Comptroller to form an opinion as to a generally accepted accounting principle or to form an opinion as to a commercially acceptable practice.

4. The Comptroller must, where the Comptroller has declined to make a ruling under paragraph 2 or has not made a ruling by virtue of paragraph 3, notify the applicant in writing of the Comptroller's decision and the reasons therefor.

5. Where the Comptroller has made a ruling to a person on the application of any provision of this Act in relation to an arrangement, and —

- (a) the ruling applies in relation to the arrangement during the whole or any part of the period specified in the ruling; and
- (b) the person has under paragraph 17 disclosed in the return provided under this Act that the person has relied on the ruling in preparing and providing the return,

the Comptroller must apply the provision in relation to the person and the arrangement in respect of the whole of the period or the part of the period (as the case may be) in accordance with the ruling.

6. A ruling applies in relation to an arrangement as a ruling on a provision of this Act —

- (a) only if the provision is expressly referred to in the ruling; and
- (b) only for the period for which the ruling applies.

7. A ruling does not apply to a person in relation to an arrangement if —

- (a) the arrangement is materially different from the arrangement identified in the ruling;
- (b) there was a material omission or misrepresentation in, or in connection with, the application for the ruling;
- (c) the Comptroller makes an assumption about a future event or another matter that is material to the ruling, and the assumption subsequently proves to be incorrect; or

SEVENTH SCHEDULE — *continued*

(d) the Comptroller stipulates a condition that is not satisfied.

8.—(1) A person, in the person's own right or on behalf of a person who is yet to come into legal existence, may apply to the Comptroller for a ruling on how a provision of this Act applies, or would apply, to —

(a) the person making the application or the prospective person, as the case may be; and

(b) an arrangement.

(2) Two or more persons may jointly apply, or a person on behalf of 2 or more persons who are yet to come into legal existence may apply, to the Comptroller for a ruling on how a provision of this Act applies, or would apply, to each person and to an arrangement.

9.—(1) An application for a ruling must —

(a) identify the applicant;

(b) disclose all relevant facts (including the reasons for the arrangement, if applicable) and documents relating to the arrangement in respect of which the ruling is sought;

(c) state the provision of this Act in respect of which the ruling is sought;

(d) state the proposition of law (if any) which is relevant to the issues raised in the application;

(e) state whether a previous application has been made on the same or any similar arrangement by the applicant and the result of any such application; and

(f) provide a draft ruling.

(2) If the Comptroller considers that it would be unreasonable to require the applicant to comply with any of the requirements in sub-paragraph (1)(c) to (f), the Comptroller may waive those requirements.

(3) Any document provided by any person under this Schedule must be retained by the Comptroller.

10. The Comptroller may at any time request further relevant information from an applicant for a ruling.

11.—(1) If the Comptroller considers that the correctness of a ruling would depend on assumptions being made about a future event or other matter, the Comptroller may make the assumptions that the Comptroller considers to be most appropriate.

SEVENTH SCHEDULE — *continued*

(2) The Comptroller may not make assumptions about information which the applicant can provide.

12.—(1) A ruling made by the Comptroller must state —

- (a) that it is a ruling made under section 108;
- (b) the identity of the person, the provision of this Act, and the arrangement (which may be identified by reference to the arrangement in the application) to which the ruling applies;
- (c) how the provision of this Act applies to the arrangement and to the person;
- (d) the period or year of assessment for which the ruling applies;
- (e) the material assumptions about future events or other matters made by the Comptroller; and
- (f) the conditions (if any) stipulated by the Comptroller.

(2) The Comptroller must notify the making of a ruling by sending a copy of the ruling to the person or persons who applied for it.

13.—(1) The Comptroller may at any time withdraw a ruling by notifying the person to whom the ruling applies in writing of the withdrawal and the reasons therefor.

(2) The ruling is withdrawn from the date specified in the notice of withdrawal.

(3) The date mentioned in sub-paragraph (2) may not be earlier from the date on which the person could reasonably be expected to receive the notice of withdrawal.

(4) If the Comptroller withdraws a ruling —

- (a) the ruling does not apply to any arrangement entered into or effected on or after the date of withdrawal; but
- (b) the ruling continues to apply in relation to any arrangement for the remainder of the period specified in the ruling if the arrangement has been entered into or effected before the date of withdrawal.

14.—(1) The Comptroller does not have to withdraw and reissue a new ruling to correct a typographical or a minor error if the correction does not change the meaning of the ruling.

(2) A ruling that is not withdrawn and reissued remains valid.

15. A ruling does not apply from the date a provision of this Act is repealed or amended to the extent that the repeal or amendment changes the way the provision applies in the ruling.

SEVENTH SCHEDULE — *continued*

16. The fact that there has been an application for a ruling does not affect a person's obligation to provide any return, make any payment, or do any other act, or the Comptroller's power to make or amend any assessment.

17. Where —

- (a) a person has obtained a ruling;
- (b) the person is required to provide a return under this Act; but
- (c) in preparing the return the person is required to take into account the way in which a provision of this Act applies to the arrangement identified in the ruling,

the person must disclose in the return —

- (d) the existence of the ruling;
- (e) whether or not the person has relied on the ruling in preparing and providing the return; and
- (f) any material changes to the arrangement identified in the ruling.

18.—(1) The Comptroller may, in respect of an application for a ruling made on or after 1 May 2019, publish a summary of the ruling with the express consent of the applicant.

(2) For the purpose of sub-paragraph (1) —

- (a) the summary must set out the tax position of the ruling in a general manner; and
- (b) the Comptroller must take reasonable care to ensure that the summary does not permit the applicant, the arrangement to which the ruling relates or any party to the arrangement to be identified.

PART 2

Sections 106(1) and (3) and 108(3)

1.—(1) The fees specified in respect of an application for a ruling made in accordance with Part 1 are as follows:

- (a) a non-refundable application fee of \$660 (inclusive of goods and services tax), which must accompany the application;
- (b) a further fee, calculated at \$165 (inclusive of goods and services tax) per hour (or part hour), beyond the first 4 hours, spent in consideration of the application by the Comptroller, including any time spent by the Comptroller in consulting with the applicant;

SEVENTH SCHEDULE — *continued*

- (c) an additional fee, of up to 2 times the aggregate fee under sub-paragraphs (a) and (b), for the Comptroller to give priority to the application and to expedite the Comptroller's consideration thereof; and
- (d) reimbursement fees in respect of —
 - (i) any fees paid by the Comptroller to any person, if the Comptroller requires external advice in relation to the ruling and the applicant agrees to the Comptroller seeking such external advice; and
 - (ii) any costs and reasonable disbursements incurred by the Comptroller in relation to the ruling.

(2) If an application for a ruling is withdrawn, the applicant is liable to pay any fees under sub-paragraph (1)(b), (c) and (d) that are incurred up to the time the Comptroller receives the notice of the withdrawal from the applicant.

2.—(1) This paragraph applies to any application for a ruling made on or after 1 May 2019.

(2) When the Comptroller informs the applicant that the Comptroller agrees to make a ruling on the application, unless the application is withdrawn, the applicant must pay any further fee and additional fee which may apply to the application under paragraph 1(1), in amounts estimated by the Comptroller.

(3) The Comptroller may at any time increase any amount estimated for any such fee and, unless the application is withdrawn, the applicant must pay the increase.

(4) Upon the application being withdrawn or the Comptroller making a ruling, as the case may be —

- (a) if the further fee or additional fee for the application under paragraph 1(1) is more than the amount already paid as that fee, the applicant must pay the difference between those amounts for that fee; and
- (b) if the amount already paid as the further fee or additional fee is more than the amount of that fee for the application under paragraph 1(1), the Authority must refund the applicant the difference between those amounts for that fee.

3. The Comptroller must ensure as far as is reasonably practicable that every effort is made to minimise the fees to which an applicant is liable in respect of an application for a ruling.
