7.—(1) It is the function of the LTA to exercise licensing and regulatory functions in accordance with this Act with respect to the provision in Singapore of point-to-point passenger transport services, and to otherwise administer this Act.

 - (l) other performance standards relating to ride-hail services.
- (4) A code of practice may, in particular, specify the duties and obligations of any licensee in relation to its business operation insofar as it relates to the provision of point-to-point passenger transport services in Singapore.
- (5) If any provision in any code of practice is inconsistent with any provision of this Act or the Regulations, that provision, to the extent of the inconsistency —
- (a) is to have effect subject to this Act and the Regulations; or
 - (b) having regard to this Act and the Regulations, is not to have effect.
- (6) Where a code of practice is issued, approved, amended or revoked by the LTA under subsection (1), the LTA must —

-
-
- (a) give notice of the issue, approval, amendment or revocation (as the case may be) of the code of practice to every licensee to whom the code of practice applies;
 - (b) specify in the notice mentioned in paragraph (a) the date of issue, approval, amendment or revocation, as the case may be; and
 - (c) ensure that, so long as the code of practice remains in force, copies of that code of practice, and of all amendments to that code of practice, are available for inspection, free of charge, by the licensees to whom the code of practice applies.

(7) No code of practice, no amendment to such a code of practice, and no revocation of any such code of practice, has any force or effect until the notice relating to that is given in accordance with subsection (6).

(8) A code of practice issued or approved under this section does not have legislative effect.

(9) Subject to subsection (10), every licensee must comply with the codes of practice applicable to the licensee.

(10) The LTA may, for such time as the LTA may specify, waive the application of any code of practice or part of a code of practice, issued or approved under this section to any particular licensee.

(11) For the purposes of subsections (2)(e) and (3)(e), “relevant offence” means any of the following offences committed on or after the date of commencement of this section:

- (a) an offence under the Road Traffic Act or any subsidiary legislation made under that Act;
- (b) an offence under section 3 of the Motor Vehicles (Third-Party Risks and Compensation) Act (Cap. 189);
- (c) an offence under section 23 of the Public Transport Council Act;

Directions affecting licensees

31.—(1) The LTA may give a direction to a licensee for or in respect of any matter affecting the interests of the public in connection with the point-to-point passenger transport service provided by the licensee, after considering the following matters with respect to all or any of the point-to-point passenger transport services provided in Singapore:

- (a) the development of innovative and accessible point-to-point passenger transport services which contribute to the mobility and safety of people in Singapore;
- (b) the arrangements between the licensees and the arrangements supporting the provision of point-to-point passenger transport services;
- (c) the related driver agreements and participating driver agreements between authorised drivers and the respective licensees;
- (d) the social impact of the direction;
- (e) the impact of the direction on the use of other public passenger transport in Singapore;
- (f) standards of quality, reliability and safety of those services (whether those standards are specified by legislation, licence conditions, agreement or otherwise);
- (g) any other matter the LTA considers relevant having regard to the purposes of this Act.

(2) A direction given under subsection (1) —

- (a) may require the licensee concerned (according to the circumstances of the case) to do, or to refrain from doing, for a specified period, the things specified in the direction or the things that are of a description specified in the direction;
- (b) takes effect at such time, being the earliest practicable time, as is determined by or under that direction; and

(c) may be revoked at any time by the LTA.

(3) Without limiting subsection (2), a direction under subsection (1) so as to alleviate or minimise any risk of obstructing any measures taken to reduce the impact of any serious public passenger transport incident in Singapore or a part of Singapore, may require the licensee concerned to stop providing point-to-point passenger transport services specified in the direction to hirers in any part of Singapore, for a period not exceeding 24 hours, or any further periods not exceeding 24 hours each.

(4) A direction under this section continues in force until the earlier of the following occurs:

- (a) the expiry date (if any) stated in the direction is reached;
- (b) the LTA revokes the direction.

(5) Before exercising any power under subsection (1), the LTA must, unless the LTA in respect of any particular direction considers that it is not practicable or desirable, give written notice to the licensee concerned —

- (a) stating that the LTA intends to give a direction to the licensee under this section and the nature of the direction; and
- (b) specifying the time (being not less than 14 days after the date of service of the notice on the licensee) within which written representations may be made to the LTA with respect to the proposed direction.

(6) The LTA may, after considering any written representation under subsection (5)(b), decide to give or not to give, or to modify, the direction as the LTA considers appropriate.

(7) The LTA must serve on the licensee concerned a notice of its decision under subsection (6).

(8) Every licensee must comply with every direction given under this section to the licensee as soon as it takes effect.

(9) However, nothing in this section authorises the LTA to give any direction with regard to fares which are regulated by the PTC under the Public Transport Council Act.

(10) In this section, “serious public passenger transport incident” includes any of the following:

- (a) a stoppage or disruption of more than one regular route services (within the meaning of the Bus Services Industry Act 2015 (Act 30 of 2015)) in Singapore or any part of Singapore;
- (b) a large-scale disruption of services on one or more rapid transit systems within the meaning of the Rapid Transit Systems Act (Cap. 263A).

Division 3 — Emergency directives

Emergency directives

32.—(1) Subject to subsection (2), the LTA may, and in accordance with subsections (3), (4), (5) and (6), give such emergency directives as may be necessary to alleviate or minimise any risk —

- (a) of death of, or a serious injury to, any individual from the provision of any point-to-point passenger transport service; or
- (b) of damage to any property from the provision of any point-to-point passenger transport service.

(2) The LTA must not make any emergency directive unless it is impracticable in the circumstances of the particular case for the LTA to make or amend any Regulations to effectively alleviate or minimise the risk concerned.

(3) The LTA may give an emergency directive made under this section to all or any of the following, individually or as a class:

- (a) a licensee;
- (b) an exempt ride-hail service operator;
- (c) a provider of a street-hail service or ride-hail service which is exempt from section 9(1) or 10(1) (as the case may be) by an order under section 52.

(4) In making an emergency directive under this section, it is not necessary for the LTA to give any person who may be affected by the directive a chance to be heard before the directive is given.

(5) An emergency directive may be in force for a period not exceeding 6 months unless earlier revoked under subsection (6), and may be renewed by the LTA once only for a further period not exceeding 6 months.

(6) The LTA may, at any time when any emergency directive is in force, revoke the emergency directive by giving notice of that revocation in the same manner as the directive was given.

(7) So far as any emergency directive is inconsistent with the Regulations, the emergency directive prevails.

How emergency directive is given

33.—(1) An emergency directive is binding on the person or class of persons to whom it is addressed and given.

(2) An emergency directive that is addressed to a person is sufficiently given if it is served in the manner prescribed in section 51.

(3) An emergency directive that is addressed to a class of persons is sufficiently given if it is —

(a) served on each of the persons in the class in the manner prescribed in section 51; or

(b) published both —

(i) in a daily newspaper circulating in Singapore or in any other news media that, in the opinion of the LTA, is most likely to bring the emergency directive to the attention of the persons who belong to the class; and

(ii) on the LTA's official website.

(4) Once such an emergency directive is made and given under this section, the LTA must also publish the making of the directive in a manner that the LTA thinks will secure adequate publicity for the fact of making and giving of the emergency directive.

(5) However, failure to publish an emergency directive under subsection (4) does not invalidate the directive.

(6) An emergency directive that is given —

- (a) in accordance with subsection (2) takes effect when it is served;
- (b) in accordance with subsection (3)(a) takes effect when it is served on all the persons in the class in question; and
- (c) in accordance with subsection (3)(b) takes effect at the beginning of the day after the date on which subsection (3)(b) has been complied with.

General duty to comply with emergency directives

34.—(1) An emergency directive may require the person it binds (according to the circumstances of the case) to do, or to refrain from doing, for a specified period, the things specified in the directive or the things that are of a description specified in the directive, including stopping any point-to-point passenger transport service within any part of Singapore.

(2) A person to whom an emergency directive is given and who is required by the directive to do, or to refrain from doing, for a specified period, the things specified in the directive or the things that are of a description specified in the directive, commits an offence if the person intentionally or negligently fails to comply with the directive.

(3) A person who is guilty of an offence under subsection (2) shall be liable on conviction to a fine not exceeding \$10,000 or to imprisonment for a term not exceeding 6 months or to both.

PART 6

ENFORCEMENT

Division 1 — Regulatory action

Suspension or revocation, etc., of licence

35.—(1) Subject to section 36, if the LTA is satisfied that —

- (a) a licensee is contravening or not complying with, or has contravened or failed to comply with —
 - (i) any of the conditions of its licence;
 - (ii) any provision of this Act or the Regulations applicable to the licensee, contravention of or non-compliance with which is not an offence under this Act;
 - (iii) any provision of a code of practice applicable to the licensee; or
 - (iv) any direction given to the licensee under section 31 or subsection (2)(c), (d) or (f);
- (b) the licensee has gone or is likely to go into compulsory or voluntary liquidation other than for the purpose of amalgamation or reconstruction;
- (c) the licensee has made any assignment to, or composition with, its creditors or, if a corporation, is unable to pay its debts;
- (d) the licensee is not providing an adequate and satisfactory street-hail service or ride-hail service, as the case may be;
- (e) the licensee or an officer of the licensee is convicted of any offence under this Act or the Regulations committed during the term of the licence;
- (f) the licence had been obtained by the licensee by fraud or misrepresentation;
- (g) any part of the periodic licence fee required by section 14 or 20 is in arrears; or
- (h) the public interest of Singapore requires,

the LTA may revoke (without any compensation) the licensee's licence, with or without forfeiting the whole or part of any performance bond, guarantee or other form of security furnished by the licensee under this Act.

(2) However, the LTA may, in lieu of revoking a licensee's licence under subsection (1), do any one or more of the following:

- (a) censure the licensee in writing;
- (b) modify any condition of the licence (sections 16(2) and 22(2) being disapplied);
- (c) direct the furnishing of any performance bond, guarantee or other form of security, or an additional performance bond, guarantee or other form of security, for either or both the following:
 - (i) to secure compliance by the licensee with any condition attached to the licence or any code of practice applicable to the licensee;
 - (ii) for the purpose of meeting any financial penalty arising out of any regulatory action started or likely to start against the licensee;
- (d) direct the licensee to do, or to refrain from doing, such things as are specified in a direction to rectify any contravention or non-compliance mentioned in subsection (1)(a);
- (e) suspend the licence without any compensation for not more than 3 months;
- (f) direct the licensee to pay, within a period specified in a direction, a financial penalty of such amount as the LTA thinks fit, but not exceeding the maximum specified in subsection (6).

(3) Where any financial penalty is imposed on a licensee under subsection (2) for contravening or not complying with any condition in its licence or any code of practice applicable to the licensee, any performance bond, guarantee or other form of security given by the licensee to secure compliance by the licensee with any condition

attached to the licence or any code of practice applicable to the licensee must not be forfeited by the LTA for that contravention except to the extent to pay the financial penalty.

(4) In taking any regulatory action under this section in relation to the conviction of a licensee or any person for a criminal offence, the LTA may accept the licensee's or the person's conviction as final and conclusive.

(5) For the purposes of subsection (1)(c), a corporation is unable to pay its debts if it is a corporation which is deemed to be so unable under section 254(2) or 351(2) (as the case may be) of the Companies Act.

(6) The highest of the following is the maximum financial penalty that a licensee holding a street-hail service licence or ride-hail service licence may be directed under subsection (2)(f) to pay at the end of proceedings under this section with a view to regulatory action:

- (a) \$100,000;
- (b) 10% of the annual turnover from the licensee's business of providing a street-hail service or ride-hail service (as the case may be) ascertained from the licensee's latest audited accounts;
- (c) \$100,000 for each contravention or failure to comply that is the subject of the regulatory action where the ground of the regulatory action is subsection (1)(a);
- (d) 10% of the annual turnover from the licensee's business of providing a street-hail service or ride-hail service (as the case may be) ascertained from the licensee's latest audited accounts, for each act done or omission made that results in a failure to provide an adequate and satisfactory street-hail service or ride-hail service, where the ground of the regulatory action is subsection (1)(d).

(7) All financial penalties imposed under subsection (2) must be paid into the Consolidated Fund.

Proceedings for regulatory action

36.—(1) Before exercising any powers under section 35(1) or (2) in relation to a licensee, the LTA must give written notice to the licensee concerned —

- (a) stating that the LTA intends to take regulatory action against the licensee;
- (b) specifying the type of action in section 35(1) or (2) the LTA proposes to take, and each ground and each instance of non-compliance (where applicable), that is the subject of the action; and
- (c) specifying the time (being not less than 14 days after the date of service of notice on the licensee) within which written representations may be made to the LTA with respect to the proposed action.

(2) The LTA may, after considering any written representation mentioned in subsection (1)(c), decide to take such regulatory action in section 35(1) or (2) as the LTA considers appropriate.

(3) Where the LTA has made any decision under subsection (2) against any licensee, the LTA must serve on the licensee concerned a notice of its decision.

(4) Subject to section 44, a decision to revoke a licence under section 35(1), or to impose a regulatory action in section 35(2), which is specified in the notice given under subsection (3), takes effect from the date on which that notice is given, or on such other date as may be specified in the notice.

(5) Any suspension or revocation of any licence under section 35 with respect to a licensee does not affect —

- (a) the enforcement by any person of any right or claim against the licensee or the former licensee, as the case may be; or
- (b) the enforcement by the licensee or former licensee (as the case may be) of any right or claim against any person.

Division 2 — Enforcement powers

Purpose for which enforcement powers are exercisable by authorised officers

- (c) to determine whether information provided to the LTA under a provision of this Act or its subsidiary legislation is correct;
- (d) to investigate whether there are grounds for taking any regulatory action against a licensee.

(2) To avoid doubt, nothing in this Division limits section 39 of the Land Transport Authority of Singapore Act with respect to an offence under this Act or the Regulations.

Powers of entry, etc., at premises

38.—(1) An authorised officer may, in accordance with subsection (2), enter any premises occupied by a relevant person which the authorised officer reasonably believes to be used for or in connection with the provision of any point-to-point passenger transport service, and do all or any of the following at the premises:

 - (b) to search any premises unless the search is made under a warrant of a Magistrate's Court or District Court; or

- (c) to seize any thing in or on any premises unless the seizure is made under a warrant of a Magistrate's Court or District Court.

- (7) Sections 370, 371 and 372 of the Criminal Procedure Code (Cap. 68) apply, with the necessary modifications, when an authorised officer seizes any thing under this section.

(4) To avoid doubt, for the purposes of subsection (1), it is a reasonable excuse for a person to refuse or fail to provide any information, produce any document or answer any question if doing so might tend to incriminate that person.

Composition of offences

42.—(1) The LTA or an authorised officer may compound any offence under this Act that is prescribed as a compoundable offence by collecting from a person reasonably suspected of having committed the offence a sum not exceeding the lower of the following:

Ride-hail fare pricing policy orders

23D.—(1) Subject to subsection (5) and any regulations made under subsection (9), the Council may, by order published in the *Gazette* (called a ride-hail fare pricing policy order), set the pricing policy for ride-hail fares for all types of or any type of ride-hail service.

(2) Different ride-hail fare pricing policy orders may be made under subsection (1) in relation to different types of ride-hail services.

(3) A ride-hail fare pricing policy order for a ride-hail service may set the price fixing factors for ride-hail fares in any manner the Council considers appropriate, including —

- (a) fixing the components of ride-hail fares for the ride-hail service;
- (b) fixing the pricing policy or principles that are to be applied in relation to the ride-hail service provided;
- (c) specifying a factor or factors to be applied, and the manner in which such a factor is or factors are to be applied, in setting ride-hail fares or terms and conditions for the ride-hail service provided;
- (d) fixing the basis on which prices of ride-hail fares are to be calculated for different bookable vehicles, for different types of journeys by bookable vehicles, for different passengers or for hiring of bookable vehicles in different circumstances;
- (e) fixing a price for components of a ride-hail fare where a ride-hail common pricing scheme is permitted and there is no ride-hail common pricing scheme in effect;

- (f) fixing a maximum or minimum price or price range, or a maximum rate of increase or decrease or minimum rate of increase or decrease in the price or the maximum and minimum price for ride-hail fares for the ride-hail service provided, or other price control formula;
 - (g) regulating or prohibiting payment surcharges and charges on transactions involving payment of a ride-hail fare; and
 - (h) any other terms the Council considers appropriate.
- (4) A ride-hail fare pricing policy order relating to a type of ride-hail service may —
 - (a) permit the ride-hail industry participants, by a ride-hail common pricing scheme, to vary one or more components of a ride-hail fare for that ride-hail service set for that component in the ride-hail fare pricing policy order; and
 - (b) require a ride-hail industry participant of that type of ride-hail service to provide information to other ride-hail industry participants, passengers, prospective passengers or others, or generally publish, or cause to be published, information relating to its prices of and pricing policies for ride-hail fares for ride-hail services provided by the ride-hail industry participant.
- (5) In making a ride-hail fare pricing policy order relating to a type of ride-hail service, the Council may consider the following factors:
 - (a) the demand and supply of ride-hail services and street-hail services;
 - (b) the standards of quality, reliability and safety of ride-hail services and street-hail services, whether those standards are specified by legislation, agreement or otherwise, and any suggested or actual changes to those standards;

(c) the need for greater efficiency in providing passengers responsive, safe, competitive, efficient and accessible ride-hail services and street-hail services;

(b) may be revoked by the Council with or without making another ride-hail fare pricing policy order in replacement in relation to that same type of ride-hail service.

(7) Before the date a ride-hail fare pricing policy order under subsection (1) relating to a type of ride-hail service comes into effect, the Council must give notice of the making of the order in such manner as will secure adequate publicity for it.

(8) However, failure to comply with subsection (7) in respect of any such order under subsection (1) does not in itself invalidate the order.

(9) The Minister may make regulations prescribing the content, form and procedure that must be followed by the Council in connection with the preparation and making of a ride-hail fare pricing policy order for the purposes of subsection (1).

Lodgment of ride-hail fares and ride-hail common pricing schemes

23E.—(1) Within the prescribed period after a ride-hail fare pricing policy order is made for any ride-hail service but before it takes effect for the ride-hail service, every ride-hail industry participant providing that ride-hail service must —

(a) determine the prices of ride-hail fares for that ride-hail service if no prices are set by that order; and

- (b) lodge with the Council those prices determined unless the nature of the ride-hail fare makes lodgment impracticable, together with any supporting information the Council may require.

(2) Where a ride-hail fare pricing policy order for a ride-hail service permits a ride-hail common pricing scheme to vary one or more components of the ride-hail fare in the ride-hail fare pricing policy order, the prescribed ride-hail industry participants for that ride-hail common pricing scheme —

- (a) may start collective negotiations among themselves to determine the common prices of those components of ride-hail fares to be charged, or to vary those common prices, and the period during which those prices will apply; and
- (b) must lodge with the Council the ride-hail common pricing scheme with the common prices determined or varied under that scheme and the effective date of those prices, together with any supporting information the Council may require.

(3) The common prices last lodged with the Council under subsection (2)(b) for any component of a ride-hail fare for ride-hail services have the effect of varying, from the date specified in the lodgment, any price set by the Council in the ride-hail fare pricing policy order for that component for those ride-hail services (even though not agreed to by all the prescribed ride-hail industry participants providing those ride-hail services) until the ride-hail common pricing scheme is terminated.

(4) To have effect, a ride-hail common pricing scheme for any component of a ride-hail fare —

- (a) must be in writing;
- (b) must be agreed to by the ride-hail industry participants prescribed for that component of the ride-hail fare;

(c) must be made after following the procedure (if prescribed) in connection with the preparation and making; and

(d) must state a process for dispute resolution.

(5) A ride-hail industry participant may be party to more than one ride-hail common pricing scheme.

(6) For the purposes of the Third Schedule to the Competition Act (Cap. 50B), every ride-hail common pricing scheme permitted by a ride-hail fare pricing policy order is, when made, to be regarded as an agreement made in order to comply with a legal requirement.”.
