Division 3 — Control of controllers of licensees

Application and interpretation of this Division

27.—(1) This Division applies to —

- (a) every individual, whether or not resident in Singapore and whether or not a citizen of Singapore; and
- (b) every entity.

(2) In this Division, unless the context otherwise requires, any reference to a licensee is a reference to a licensee incorporated in Singapore.

Control of shareholding in licensee

28.—(1) A person must not become a 20% controller of a licensee without first applying for and obtaining the approval of the Authority under subsection (2).

(2) The Authority may approve an application made by any person under subsection (1) if the Authority is satisfied that —

- (a) having regard to the likely influence of the person, the licensee will or will continue to conduct its business prudently and comply with the provisions of this Act and any other written law administered by the Authority;
- (b) the person is, under the Guidelines on Fit and Proper Criteria, a fit and proper person to be a 20% controller of the licensee; and
- (c) it is in the public interest to do so.

(3) An approval under subsection (2) may be granted to any person subject to such conditions as the Authority may impose, including but not limited to —

- (a) any condition restricting the person's disposal or further acquisition of shares or voting power in the licensee; and

- (b) any condition restricting the person's exercise of voting power in the licensee.
- (4) The Authority may at any time add to, vary or revoke any condition that is imposed under subsection (3) or this subsection.
- (5) Any condition imposed under subsection (3) or (4) has effect despite any provision of the Companies Act 1967 or anything contained in the constitution of the licensee.
- (6) Where the Authority refuses an application made by any person under subsection (1), the person must, within such period as the Authority may specify by written notice, take such steps (as soon as practicable after the refusal) as are necessary to cease to be a 20% controller of the licensee.

Objection to existing control of licensee

29.—(1) The Authority may serve a written notice of objection on any person that is, or is required to obtain or has obtained the Authority's approval under section 28(2) to become, a 20% controller of a licensee, if the Authority is satisfied that —

- (a) any condition for approval under section 28(2) imposed on the person under section 28(3) or (4) has not been complied with;
- (b) it is not, or is no longer, in the public interest to allow the person to continue to be a 20% controller of the licensee;
- (c) the person has provided any false or misleading information or document in connection with an application under section 28(1);
- (d) the person is no longer a fit and proper person under the Guidelines on Fit and Proper Criteria;
- (e) having regard to the likely influence of the person, the licensee is no longer likely to conduct its business prudently or to comply with the provisions of this Act; or
- (f) the Authority would not have been satisfied as to any of the matters specified in section 28(2) had the Authority been

aware, at that time, of circumstances relevant to the person's application under section 28(1).

(2) Before serving a written notice of objection under subsection (1), the Authority must, unless the Authority decides that it is not practicable or desirable to do so —

- (a) notify the person of the Authority's intention to serve the written notice of objection; and
- (b) specify a date by which the person may make written representations with regard to the proposed written notice of objection.

(3) The Authority must consider any written representations that the Authority receives before the date mentioned in subsection (2)(b), for the purpose of determining whether to issue a written notice of objection.

(4) The Authority must, in any written notice of objection, specify a reasonable period within which the person that has been served the written notice of objection must —

- (a) cease to be a 20% controller of the licensee; or
- (b) comply with such direction as the Authority may make under section 30.

(5) A person that has been served a written notice of objection must comply with that notice.

Power of Authority to issue directions for this Division

30.—(1) If the Authority is satisfied that a person has contravened section 28(1) or (6) or has failed to comply with any condition imposed under section 28(3) or (4), or if the Authority has served a written notice of objection under section 29, the Authority may, by written notice —

- (a) direct the transfer or disposal of all or any of the shares in the licensee held by the person or any of the person's associates (called in this section the specified shares) within such time or subject to such conditions as the Authority considers appropriate;

- (b) restrict the transfer or disposal of all or any of the specified shares; or
- (c) make such other direction as the Authority considers appropriate.

(2) Where the Authority has issued any direction under subsection (1)(a) or imposed any restriction under subsection (1)(b), until a transfer or disposal is effected in accordance with the direction or until the restriction on the transfer or disposal is removed, as the case may be —

- (a) no voting rights may be exercised in respect of the specified shares, unless the Authority expressly permits such rights to be exercised;
- (b) no shares of the licensee may be issued or offered (whether by way of rights, bonus or otherwise) in respect of the specified shares, unless the Authority expressly permits such issue or offer; and
- (c) except in a liquidation of the licensee, no payment may be made by the licensee of any amount (whether by way of dividends or otherwise) in respect of the specified shares, unless the Authority expressly authorises such payment.

(3) Subsection (2) has effect despite any provision of the Companies Act 1967 or anything contained in the constitution of the licensee.

(4) Any issue or offer of shares in contravention of subsection (2)(b) is void, and a person to whom a direction has been issued under subsection (1)(a) or on whom a restriction has been imposed under subsection (1)(b) must immediately return those shares to the licensee, upon which the licensee must return to the person any payment received from the person in respect of those shares.

(5) Any payment made by a licensee in contravention of subsection (2)(c) is void, and a person to whom a direction has been issued under subsection (1)(a) or on whom a restriction has been imposed under subsection (1)(b) must immediately return the payment the person has received to the licensee.

31.—(1) The Authority may, by written notice, direct a licensee to obtain from any of its shareholders, and to provide to the Authority, any information relating to the shareholder that the Authority may require for either or both of the following purposes:

- (b) if the shareholder holds the interest in the share as trustee, to indicate as far as that shareholder is able to —
 - (i) the person for whom that shareholder holds the interest (either by name or by other particulars sufficient to enable that person to be identified); and
 - (ii) the nature of that person's interest.

(3) The Authority may, by written notice, require any shareholder (*X*) of a licensee, or any person (*Y*) that appears from information provided to the Authority under subsection (1) or this subsection to have an interest in any share in the licensee, to provide to the Authority any information relating to *X* or *Y* (as the case may be) that the Authority may require for either or both of the following purposes:

- (a) ascertaining or investigating into the control of shareholding or voting power in the licensee;
- (b) exercising any power or function under section 28, 29, 30, 32 or 100.

(4) Without limiting subsection (3), the notice in subsection (3) may require *X* or *Y* to provide the following information:

- (a) whether *X* or *Y* holds the interest as beneficial owner or as trustee;
- (b) if *X* or *Y* holds the interest as trustee, to indicate as far as *X* or *Y* can —

Removal of executive officer or director of operator or settlement institution

66.—(1) Despite the provisions of any other written law —

- (a) where the Authority is satisfied that an individual appointed as an executive officer of an operator or a settlement institution of a designated payment system is not a fit and proper person to act as such executive officer, the Authority may, by written notice, direct that operator or settlement institution to remove that individual, within such period as the Authority may specify in the notice, from employment with that operator or settlement institution; and
