[Act 12 of 2015 wef 08/05/2015]

Compensation for temporary occupation of premises

40A.—(1) Subject to sections 40B and 40C, every owner and occupier of premises of which temporary possession is taken under section 24A or 32 is entitled to claim compensation for the items of loss, damage or cost set out in the first column of the Fourth Schedule to the extent of the loss, damage or cost suffered or incurred by the owner or occupier, as the case may be.

(2) A claim for compensation for an item of loss, damage or cost set out in the first column of the Fourth Schedule is to be assessed by the Board —

- (a) on the basis of the matters specified opposite in the second column of the Fourth Schedule; and

(4) Upon receiving a claim for compensation from any owner or occupier of premises of which temporary possession is taken under section 24A or 32, the Board is to inquire into that claim and shall, as soon as is possible, pay to the owner or occupier, as the case may be, compensation for such loss, damage or cost arising from the exercise of the powers under that section as is determined in accordance with this section.

(5) To avoid doubt, nothing in this section prevents the Board from restoring premises of which temporary possession is taken under section 24A or 32 to the reasonable satisfaction of the owner or occupier of the premises before returning those premises to the owner or occupier, in lieu of compensation for any item of loss, damage or cost set out in the first column of the Fourth Schedule.

Time for, and manner of, claiming for compensation

40B.—(1) Every claim for compensation under this Part must be in writing.

(4) The Board may extend the period referred to in subsection (3) within which a claim must be served upon it if an application for the extension is made to the Board, either before or after the expiry of that period, and the Board considers —

(a) that the delay in serving the claim was occasioned by mistake of fact or mistake of any matter of law (other than this Act) or by any other reasonable cause; or

(b) that the Board is not materially prejudiced by the delay.

(5) An extension may be granted by the Board under subsection (4) with or without conditions, and for such period as the Board thinks fit, but in no case exceeding 6 years from the time when the right to compensation first arose.
