PART 2

PLANNING AND CONSTRUCTION OF RAPID TRANSIT SYSTEMS

Preparation and promulgation of plans and maps

3.—(1) The Authority must, with the approval of the competent authority, cause plans and maps to be prepared in such detail and with such markings and endorsements thereon as are sufficient to delineate the railway area, being that area within which land may be acquired or rights in, under or over land may be exercised by the Authority under this Act for the purposes of and incidental to any railway.

(2) A copy of every plan and map prepared for the purposes of subsection (1) and signed by an authorised officer of the Authority must be —

(a) deposited with the competent authority; and

(b) available for inspection by the public free of charge at the office of the Authority, during the hours when that office is normally open to the public.

(3) Any plan or map prepared for the purposes of subsection (1) and any marking or endorsement on any such plan or map may be amended and any plan or map may be replaced by a substitute plan or map, but the Authority must as soon as possible cause to be likewise amended, or replaced with the substitute plan or map, every copy mentioned in subsection (2) and certify the amendment or substitution in any manner that the Authority thinks sufficient.

(4) The Authority must, within 21 days of the deposit of a copy of a plan or map with the competent authority or of any amendment to that copy or the deposit of a substitute plan or map, cause a notice of such deposit or amendment to be published in the *Gazette* containing —

- (a) a general description of the plan or map or of the nature and extent of the amendment or substitution; and
- (b) particulars of the places and times at which a copy of the plan or map, or details of the amendment or a copy of the substitute plan or map may be inspected by the public in conformity with subsection (2).

(5) No person has a right of objection to the delineation of land in any plan or map prepared for the purposes of subsection (1) or to any amendment thereto or substitute plan or map prepared under subsection (3), and the fact that land is therein delineated as being within the railway area is for all purposes conclusive evidence that the land may be required to be acquired or that rights in, under or over the land may need to be exercised by the Authority for the purposes of and incidental to any railway.

Power to enter State land to lay and operate railway

4.—(1) For the purpose of constructing, maintaining and operating any railway, the Authority or any person authorised by the Authority may —

- (a) at any reasonable time, enter upon any State land within or adjoining the railway area; and
- (b) subject to the approval of the Commissioner of Lands, lay, construct and operate the railway on, under or over the State land and do all things as are reasonably necessary for the laying, construction, maintenance and operation of the railway.

[9/2014; 21/2018]

(2) In addition to subsection (1), the Authority may, at any reasonable time, enter upon any State land that is within or adjoining any railway area, and do all things as are reasonably

necessary for the construction and maintenance of railway commuter facilities on, under or over that land.

[9/2014]

(3) To avoid doubt, nothing in subsection (2) derogates from any power of the Authority to construct and maintain any street, road structure or road related facility under the Street Works Act 1995.

[9/2014]

Power to enter private land to lay railway

5.—(1) The Authority or any person authorised by the Authority has the right to enter upon and take possession of any land or part thereof not being State land within or adjoining the railway area not being land belonging to or acquired by the Authority and lay and construct any railway on, under or over the land and do all things as are reasonably necessary for the purpose of laying and constructing the railway.

(2) The Authority or a person authorised by the Authority must not exercise the right conferred by subsection (1) unless the Authority has given at least 2 months' notice of its intention to exercise the right conferred by that subsection upon every owner and occupier of the land.

[12/2015]

(3) A notice mentioned in subsection (2) must —

- (a) give a brief description of the works which the Authority proposes to carry out on the land;
- (b) state the estimated period (if any) during which the Authority intends to occupy or take possession of the land;
- (c) describe the area or extent of the land needed for the carrying out of the works mentioned in paragraph (a); and
- (d) state that any person entitled to payment of any compensation under the Land Transport Authority of Singapore Act 1995 may serve a written claim on the Authority.

(4) The ownership of anything is not altered by reason only that it is placed in, under, over or affixed to any land in exercise of a right conferred upon the Authority by this section.

(5) Any person authorised under this section to enter upon any land must, if so required by the owner or occupier, produce evidence of the person's authority before entering the land.

[9/2014]

(6) Any person who refuses to give access to, or obstructs, hinders or delays, an agent or employee of the Authority at any time in the exercise of his or her authority shall be guilty of an offence and shall be liable on conviction to a fine not exceeding \$1,000.

[9/2014]

(7) In this section, a reference to entry on land includes the digging or boring of a tunnel under the land and the erection of any structure over or under the land.

Creation of rights in, under or over land

6.—(1) From the date of publication in the *Gazette* of a notice of creation of a right under this section, the Authority or any person authorised by the Authority may, at any reasonable time and for the purposes of and incidental to the operation of a railway specified therein, enter upon such land within the railway area as described in the notice, not being State land or land belonging to or acquired by the Authority, and exercise such permanent rights in, under or over such land or such rights of temporary occupation of the land as may be specified in the notice.

(2) A notice of creation of a right under this section must —

- (a) be made by the Authority;
- (b) describe the right in, under or over land or the right of temporary occupation and the area of land subject to such right; and
- (c) state particulars of the places and times at which a copy of a plan of the area of land subject to such right may be inspected.

(3) Any right described in a notice of creation of a right under this section must be limited to a right conferring the rights and powers that are necessary or convenient for the operation of any railway and for all purposes connected with or incidental to such operation.

7.—(1) The owner of any land temporary possession of which is or has been taken in accordance with section 5 may, by written notice given to the Authority, request the Government to acquire under the Land Acquisition Act 1966 —

(a) the land; and

if the owner considers that the owner suffers substantial impairment of the owner's rights in the lands in paragraphs (a) and (b) because of the taking of that temporary possession.

[12/2015]

(2) If there is more than one owner of the land concerned, the notice under this section must be given by all the owners.

[12/2015]

(3) Any notice under this section is irrevocable once given to the Authority.

[12/2015]

(4) For the purposes of this section and section 7A, land (called the *A* land) is related to other land temporary possession of which is or has been taken in accordance with section 5 (called in this section and section 7A the temporarily occupied land) if the *A* land is the remainder of a parcel of land part of which is the temporarily occupied land.

[12/2015]

Owner-initiated acquisition

7A.—(1) Upon the Authority receiving a notice under section 7(1) in relation to any temporarily occupied land, and any other land related to the temporarily occupied land, the President is to proceed under the Land Acquisition Act 1966 to acquire that land as if those lands were the subject of a notice under section 49 of that Act.

[12/2015]

(2) The provisions of sections 49 and 49A of the Land Acquisition Act 1966 apply (so far as relevant) to any land that is the subject of a notice under section 7(1) with the following exceptions, modifications and adaptations:

[12/2015]

PART 3

OPERATION OF RAPID TRANSIT SYSTEMS

General considerations

11A. In the exercise of its functions and powers under this Part, the Authority must have regard to the need for —

- (a) an integrated public transport system in Singapore, including the integration of the rapid transit systems with other modes of transport and surrounding developments;
- (b) reliable, seamless and convenient travel within the public transport system and enhanced passenger services;
- (c) network-wide efficient and coordinated movements of passengers on rapid transit systems;
- (d) sustainability, adequacy and optimisation of capacity across the network of rapid transit systems; and
- (e) safety and security of life and property on the rapid transit systems.

[21/2010]

Operating rapid transit system without licence

12.—(1) Only the Authority or a person licensed by the Authority may operate any rapid transit system.

(2) Any person who operates any rapid transit system in contravention of subsection (1) shall be guilty of an offence and shall be liable on conviction to a fine not exceeding \$50,000 or to imprisonment for a term not exceeding 6 months or to both and, in the case of a continuing offence, to a further fine not exceeding \$5,000 for every day during which the offence continues after conviction.

Licence to operate rapid transit system

13.—(1) Subject to the provisions of this Act, the Authority may grant to any company a licence to operate any rapid transit system specified therein for such period as may be specified in the licence.

(2) Every licensee is authorised under this Act to operate any rapid transit system for the period specified in the licence unless the licence is earlier revoked, cancelled or suspended under the provisions of this Act.

(3) The fee for a licence to operate any rapid transit system is such amount as may be prescribed.

Licence charge

13A.—(1) In addition to the licence fee payable under section 13(3), a charge is payable by every person who is granted a licence on or after 13 September 2010, which is the amount determined by the Authority and specified in the licence, after taking into account —

- (a) the relative viability of operating and maintaining that rapid transit system in the network of rapid transit systems;
- (b) the long-term operational and maintenance needs of the railway network and the long-term sustainability of each rapid transit system comprised in the network of rapid transit systems; and
- (c) the benefits and burdens that the operation and maintenance of that rapid transit system is likely to bring to and impose on the network of rapid transit systems.

[21/2010]

(2) A person who is to be granted a licence on or after 13 September 2010 must ordinarily be selected by the Authority from among those

who submit tenders in response to an invitation to tender under this section for the right to operate (or to secure that a wholly-owned subsidiary thereof operates) a rapid transit system under that licence.

[21/2010]

(3) Any such invitation to tender must specify that an applicant who tenders for a licence must state the amount (by reference to quantity or method or otherwise) that the applicant (or a wholly-owned subsidiary thereof) is willing to pay for the grant of a licence (called in this Part a cash-bid), in addition to the charge determined under subsection (1); and that cash-bid is payable, together with the charge determined under subsection (1), by the applicant or its wholly-owned subsidiary if the applicant or its wholly-owned subsidiary (as the case may be) is granted a licence.

[21/2010]

Matters to be considered by Authority in granting licence

14. In exercising its discretion to grant a licence to operate any rapid transit system, the Authority must have regard to the financial standing of the applicant and its ability to maintain an adequate, satisfactory, safe and efficient service.

Conditions of licence

15.—(1) In granting a licence to operate any rapid transit system, the Authority may impose any conditions that it thinks fit, and may, in particular, impose conditions relating to —

- (a) the extent, hours and general level of services;
- (b) the security and safety of persons using or engaged in work on the rapid transit system;
- (c) the maintenance and operation of the railway relating to the rapid transit system;
- (d) the deposit of security or bank guarantee to the satisfaction of the Authority for the due performance by the licensee of all or any obligations imposed upon it by the licence or by this Act;
- (e) the control and restriction, directly or indirectly, on the creation, holding or disposal of shares in the licensee or its

shareholders, or of interests in the undertaking of the licensee or any part thereof;

- (f) the restriction on the carrying on by the licensee of any trade or business not related to the activity which the licensee is authorised by its licence to carry on; and
- (g) the standards of performance to be complied by the licensee in the maintenance or operation of the rapid transit system or the provision of rapid transit system services.

[21/2010; 9/2014]

(2) Without limiting subsection (1), conditions included in a licence to operate a rapid transit system —

- (a) may require the licensee to enter into any agreement with any person for such purposes as may be specified in the conditions of the licence, such as but not limited to any matter which is dealt with (whether in the same or different manner) by an access contract;
- (b) may include provision for determining the terms on which such agreements are to be entered into, which may be such conditions as may be agreed to by the licensee and such other persons or, in default of agreement, as may be determined by the Authority;
- (c) may include conditions which must be complied with before the licence can be transferred or assigned;
- (d) may require the licensee —
 - (i) to comply with any requirements from time to time imposed by the Authority (or a person nominated by the Authority for this purpose) with respect to the matters concerning the operation or maintenance of the rapid transit system that are specified, or are of a description specified, in the licence;
 - (ii) except insofar as the Authority (or a person nominated by the Authority for this purpose) consents to the licensee doing or not doing them, to do, or not to do, the things that are specified, or are of a description specified, in the licence;

- (iii) to refer for determination by a person nominated by the Authority for this purpose the questions arising under the licence that are specified, or are of a description specified, in the licence; or
 - (iv) to furnish to the Authority (or a person nominated by the Authority for this purpose) any documents or other information that the Authority may require for the purpose of exercising any functions conferred or imposed on the Authority or person under or by virtue of the licence or this Act;
- (e) may contain provision for the conditions to cease to have effect or be modified at the times, in the manner and in the circumstances specified in or determined by or under the conditions; and any provision included by virtue of this paragraph in a licence has effect in addition to section 16 with respect to the modification of the conditions of a licence;
- (f) may require the licensee —
 - (i) to operate or maintain any extension of the rapid transit system or part thereof; or
 - (ii) to maintain any railway commuter facility within the vicinity of a station that is part of the rapid transit system, and any other premises, facilities and structures used as, or for the purposes of, or otherwise reasonably necessary for or incidental to operating the rapid transit system;
- (g) may require the licensee to acquire from such person as may be specified in the licence, and to use, such property or rights as may be so specified, or to undertake such liabilities as may be so specified;
- (h) may require the licensee to prepare itself to deal with any plague or epidemic, fire, flood, earthquake or disaster (natural or otherwise) or any public emergency; and

- (i) may require the licensee to provide travel information systems and directional signs for the purpose of ensuring integration of the rapid transit system with transport services and facilities and developments surrounding the rapid transit systems operated by the licensee so as to enhance railway passenger services.

[21/2010; 9/2014]

(3) In this section —

“access contract” means —

- (a) a contract under which a person, and so far as may be appropriate, an associate of that person, obtains permission from a facility owner to use the facility owner’s railway facility; or

(5) The Authority must not enforce its direction —

 - (ii) specifying the time within which representations or objections to the proposed direction may be made by the licensee in connection with the proposed direction,

unless the Authority, in respect of any particular direction, considers that it is not practicable or desirable that such notice be given; and

- (b) must consider any representations or objections which are duly made by the licensee under paragraph (a)(ii).

(4) Every licensee must comply with every direction given to it by the Authority under this section.

- (a) appoint or re-appoint an individual as its chief executive officer, its director or the chairperson of its board of directors; or

[9/2014]

(3) Where at any time the Authority is satisfied that it is necessary or desirable to act for the purpose of the proper administration of the licensee's business of operating a rapid transit system, the Authority may issue a direction to the licensee to appoint an individual as an additional director of the licensee, and the licensee must comply with the direction.

[9/2014]

(4) Before issuing any direction to any licensee under subsection (2) or (3), the Authority must give notice to the licensee —

- (a) informing the licensee of the proposed direction and setting out its effect; and
- (b) specifying the time within which representations or objections to the proposed direction may be made by the licensee in connection with the proposed direction,

unless the Authority, in respect of any particular direction, considers that it is not practicable or desirable that the notice be given.

[9/2014]

(5) The Authority must consider any representations or objections which are duly made by the licensee in connection with a proposed direction following a notice under subsection (4).

[9/2014]

(6) This section has effect despite the provisions of any other written law and the provisions of the memorandum or articles of association, or other constitution, of the licensee, and nothing in section 152 of the Companies Act 1967 prevents the Authority from exercising any power under this section.

[9/2014]

(7) Nothing in subsections (2) to (6) is to be taken as depriving an individual who is removed under any of those provisions of compensation or damages payable to him or her in respect of the termination of his or her appointment as a chief executive officer, director or chairperson of the board of directors.

[9/2014]

Suspension or cancellation of licence, etc.

19.—(1) Subject to subsection (3), if any licensee —

- (a) contravenes or fails to comply with, or fails to secure the compliance by its employees, agents or contractors with, any of the conditions of its licence to operate any rapid transit system or with any provision of this Act which is applicable to the licensee and for which no criminal penalty is prescribed for a contravention of the provision;

[9/2014]

(3) A financial penalty cannot be imposed on a licensee if the sole ground for proceeding under subsection (1) is that, in the opinion of the Authority, the licensee is likely to fail to provide and maintain an adequate, safe and satisfactory service.

[31/2015]

(4) A financial penalty imposed under subsection (1)(k) on any licensee must be recovered and collected by the Authority for the purposes of the Public Transport Fund.

- (b) a licensee has failed to secure the compliance by its employees, agents or contractors with any condition of its licence,

and that it is appropriate or requisite that a provisional order be made under this section, the Authority may, instead of taking any decision under section 19, by provisional order make such provision as appears to it requisite for securing compliance with that condition.

[21/2010]

(2) A provisional order —

- (a) must require the licensee to whom it relates (according to the circumstances of the case) to do, or not to do, the things that are specified, or are of a description specified, in the provisional order;

- (c) may be revoked at any time by the Authority.

[21/2010]

(3) In determining whether it is appropriate or requisite that a provisional order be made, the Authority must have regard, in particular, to the extent to which any person is likely to sustain loss or damage in consequence of anything which, in contravention of any condition of a licence, is likely to be done, or omitted to be done, before a decision under section 19 may be made.

[21/2010]

(4) Subject to subsections (5), (6) and (7), the Authority must, by written notice, confirm a provisional order, with or without modifications, if —

- (b) the provision made by the order (with any modifications) is requisite for the purpose of securing compliance with that condition.

[21/2010]

- (c) that the contraventions were, or the apprehended contraventions are, of a trivial nature.

[21/2010]

(6) Before the Authority makes or confirms a provisional order, the Authority must give notice to the licensee concerned —

- (a) stating that the Authority proposes to make or confirm the provisional order and setting out its effect;
- (b) setting out —
 - (i) the relevant condition of the licence for the purpose of securing compliance with which the provisional order is to be made or confirmed;
 - (ii) the acts or omissions which, in the Authority's opinion, constitute or would constitute contraventions of that condition; and
 - (iii) the other facts which, in the Authority's opinion, justify the making or confirmation of the provisional order; and
- (c) specifying the period (being at least 28 days from the date of service of the notice) within which representations or objections with respect to the proposed provisional order or proposed confirmation may be made,

and must consider any representations or objections which are duly made and not withdrawn.

[21/2010]

(7) The Authority must not confirm a provisional order with modifications except —

- (a) with the consent of the licensee to whom the provisional order relates; or
- (b) after —
 - (i) serving on that licensee notice under subsection (6) of the proposal to confirm the provisional order with modifications and in that notice, specifying the period (being at least 28 days from the date of service of the notice) within which representations or objections with respect to the proposed modifications may be made; and
 - (ii) considering any representations or objections which are duly made and not withdrawn.

[21/2010]

(8) In this section, “provisional order” means an order under this section which, if not previously confirmed in accordance with subsection (5), will cease to have effect at the end of the period (not exceeding 3 months) determined by or under the order.

[21/2010]

(3) If any such appeal is made in relation to a provision of a notice under section 19(1)(k) requiring the payment of a financial penalty and the financial penalty would be payable before the time when the appeal is determined, it need not be paid until that time.

[21/2010]

(4) The Minister may determine an appeal under this section by confirming, varying or reversing any decision of the Authority or by amending any licence condition, code of practice or direction affecting the licensee.
