General preservation of employment terms

(6) Any condition of employment relating to the length of service with the Agency must recognise the length of service of the employees so transferred while in the employment of the Singapore Workforce Development Agency (including any previous service of the employee taken to be service with the Singapore Workforce Development Agency) to be service with the Agency.

(7) Neither the chief executive of the CPE nor the chief executive of the SWDA is by operation of this Part transferred to the position of Chief Executive of the Agency unless the Agency appoints him or her to that position under section 38.

(8) Nothing in section 67(6) —

- (a) breaks the continuity of service of the public officer whose secondment continues with the Agency because of that provision; or
- (b) affects any rights, powers or immunities that such a public officer has, or the extent to which such a public officer is subject to obligations or liabilities in relation to discipline, by virtue of holding the office or position to which the officer is seconded.

the Minister for Finance may determine the matter and is to provide the concerned parties with written notice of that determination.
