EXPLANATORY STATEMENT

In accordance with Article 148(2) of the Constitution of the Republic of Singapore, this Bill seeks to make additional provision for the financial year 1 April 2020 to 31 March 2021 (called FY 2020) to meet expenditure in excess of the sums authorised by the Supply Act 2020 (Act 10 of 2020). Supplementary estimates for the additional provisions have been laid before Parliament, revised and voted on.

Clause 1 relates to the short title.

Clause 2 provides that the expressions “reserves” and “term of office” have the same meanings as in the Constitution of the Republic of Singapore.

Clause 3 authorises a further sum of not more than \$45,437,344,500 to be issued from the Consolidated Fund for FY 2020. The sum is appropriated for the Heads of Expenditure for the public service specified in the Schedule.

Part of the additional provisions will be drawing on the reserves which were not accumulated by the Government during its current term of office.

Clause 4 authorises a further sum of not more than \$2,328,555,000 to be issued from the Development Fund for FY 2020. The sum is appropriated for development purposes under the Heads of Expenditure specified in the Schedule.

Part of the additional provisions will be drawing on the reserves which were not accumulated by the Government during its current term of office.

The sums in clauses 3 and 4 are in addition to the sums appropriated by the Supply Act 2020.

Clause 5 provides that section 17(4) of the Financial Procedure Act (Cap. 109) (which allows the transfer of funds between subheads to meet exigencies during the course of a financial year) and section 17A of that Act (which allows for transfers of provisions from one Head of Expenditure to another, by ministerial direction) will not apply to any amount that, under this Bill, is to be drawn on the reserves which were not accumulated by the Government during its current term of office.

EXPENDITURE OF PUBLIC MONEY

This Bill will involve the Government in extra financial expenditure which will amount in total to a sum not exceeding \$47,765,899,500.
