(2) Subject to these Regulations, the annual contribution in respect of a member's qualifying service in any year from 1 January 2015 is the amount that is specified in the second column of the First Schedule in relation to the member's length of service on 1 January of that year.

(3) Subject to these Regulations, the annual contribution in respect of an old scheme transition member's qualifying service in any year from 1 January 2016 is to be computed in accordance with the formula:

$$\left(A \times \frac{B}{E} \right) + \left(C \times \frac{D}{E} \right),$$

where —

- (a) A is the amount applicable to a Category B member of the old scheme, specified in the second column of the First Schedule, relating to the old scheme transition member's length of service on 1 January of that year;
- (b) B is the number of days of qualifying service in respect of the old scheme transition member's service as a Category B member of the old scheme in that year;

(2) An award to a member under paragraph (1) or regulation 16 is inclusive of any contributions payable or recoverable (if any) under section 7 of the Central Provident Fund Act 1953.

(3) Subject to the provisions of these Regulations, an award to a member in any year from 1 January 2023 under paragraph (1) must not exceed the amount that is to be computed in accordance with the formula $A \times B$, where —

- (a) A is the percentage specified in the second column of the Second Schedule opposite the length of service of that member on 1 January of the year the award is granted; and
- (b) B is the amount of contributions standing to the credit of the member in the member's account on the date immediately before the award is granted.

(4) Subject to these Regulations, an award under this regulation or regulation 16 must be paid to the member concerned as soon as practicable but before the end of the year in which the award is granted, except that where, on the payment date, the member is on non-qualifying leave without pay or on leave with pay, the award must be paid to that member in December of the year he or she resumes teaching duties.

Awards on cessation of membership

10.—(1) Subject to the Act and these Regulations, the balance of all contributions, or any part of the contributions, standing to the credit of a member in his or her account may be awarded to the member where he or she ceases to be a member of the CONNECT Plan on one of the following grounds, and no other:
