ENERGY CONSERVATION ACT 2012
(ACT 11 OF 2012)

ENERGY CONSERVATION
(REGISTRABLE GOODS) (AMENDMENT)
ORDER 2014

In exercise of the powers conferred by section 11 of the Energy Conservation Act 2012, the Minister for the Environment and Water Resources, after consultation with the National Environment Agency, hereby makes the following Order:

Citation and commencement

1. This Order may be cited as the Energy Conservation (Registrable Goods) (Amendment) Order 2014 and shall come into operation on 1st April 2014.

Amendment of Schedule

2. The Schedule to the Energy Conservation (Registrable Goods) Order 2013 (G.N. No. S 556/2013) is amended —

(a) by inserting, immediately above the Schedule heading “REGISTRABLE GOODS WITH EFFECT FROM 1ST SEPTEMBER 2013”, the following words:

“PART I”

(b) by deleting the word “Schedule” in paragraph 4 and substituting the word “Part”; and

(c) by inserting, immediately after paragraph 4, the following Part:

“PART II

REGISTRABLE GOODS
WITH EFFECT FROM 1ST APRIL 2014

1. Single-phase television (not being second-hand goods) which is designed to be connected to 230 volts mains voltage.

2. In this Part, “television” means an appliance, with an in-built television tuner, which is designed to be used primarily for the display and possible reception of television broadcast and similar services for terrestrial, cable, satellite and broadband network transmission of analogue or digital signals, and includes a television which has additional functions which are not required for its basic operation as a television, but excludes a television which displays broadcasts by means of front or rear projection.”.

Made this 26th day of March 2014.
