  - (e) the exhibition mobile application does not send, through push technology, any advertisement that pertains to any tobacco product or imitation tobacco product; and
  - (f) the exhibition mobile application does not sell or offer for sale any tobacco product or imitation tobacco product.

**Exemption from section 3 of Act in respect of advertisement at exhibition venue or in exhibition directory**

**5.** Section 3 of the Act does not apply to prohibit an exhibitor from publishing, causing to be published, or taking part in the publication of, any advertisement described in section 3(1)(a), (c) or (d) of the Act if, and only if —

- (a) the advertisement does not pertain to any prohibited tobacco product or any prohibited imitation tobacco product;
- (b) the advertisement is approved by the Authority before it is published; and

- (c) the advertisement is published, during the exhibition period —
  - (i) within the booth or booths allocated to that exhibitor at the exhibition venue, and nowhere else, for the purposes of the 2025 exhibition; or
  - (ii) in the hardcopy 2025 exhibition directory, which is to be distributed only to exhibitors and registered trade visitors at the exhibition venue.

**Exemption for exhibitor from section 12A of Act**

6. Section 12A of the Act does not apply to prohibit an exhibitor from displaying tobacco products if, and only if —

- (a) the tobacco products are displayed, during the exhibition period, within the booth or booths allocated to that exhibitor at the exhibition venue, and nowhere else, for the purposes of the 2025 exhibition; and
- (b) the common conditions in paragraph 10 are satisfied.

**Exemption for exhibitor from sections 17(1) and 18(1) of Act**

7.—(1) Section 17(1)(a) of the Act, read with section 17(3)(a) and (b)(i) of the Act, and section 18(1) of the Act, do not apply to prohibit an exhibitor from importing into Singapore any tobacco product if, and only if —

- (a) the tobacco product is imported for the purpose of —
  - (i) being distributed or given as free samples during the exhibition period and at the exhibition venue, to any registered trade visitor who is associated or concerned with the manufacture, distribution or sale of tobacco products; or
  - (ii) being displayed, during the exhibition period, within the booth or booths allocated to that exhibitor at the exhibition venue, for the purposes of the 2025 exhibition; and
- (b) the common conditions in paragraph 10 are satisfied.

(2) Section 17(1)(b) of the Act, read with section 17(3)(a) and (b)(i) of the Act, does not apply to prohibit an exhibitor from distributing or giving, or causing to be distributed or given, during the exhibition period, any free sample of a tobacco product if, and only if —

- (a) the distribution or giving takes place at the exhibition venue, and nowhere else;
- (b) the free sample is distributed or given to a registered trade visitor who is associated or concerned with the manufacture, distribution or sale of tobacco products, and no other person; and
- (c) the common conditions in paragraph 10 are satisfied.

### **Exemption for owner from sections 5 and 12A of Act**

8.—(1) This paragraph applies to the owner of the exhibition venue.

(2) Sections 5 and 12A of the Act do not apply to prohibit the owner mentioned in sub-paragraph (1) from doing any of the following, during the exhibition period, for the purposes of the 2025 exhibition if, and only if, both the conditions in sub-paragraph (3) are satisfied:

- (a) permitting the exhibition venue or any part of it to be kept or used for the publication of any advertisement described in section 3(1)(a), (c) or (d) of the Act;
- (b) displaying or causing to be displayed any tobacco products at the exhibition venue.

(3) The conditions mentioned in sub-paragraph (2) are as follows:

- (a) an advertisement mentioned in sub-paragraph (2)(a) does not pertain to any prohibited tobacco product or any prohibited imitation tobacco product;
- (b) the tobacco products mentioned in sub-paragraph (2)(b) are not prohibited tobacco products.

### **Exemption for organiser from sections 3, 5 and 12A of Act**

9.—(1) This paragraph applies to any organiser that is not the owner of the exhibition venue.

(2) Sections 3, 5 and 12A of the Act do not apply to prohibit the organiser mentioned in sub-paragraph (1) from doing any of the following, during the exhibition period, for the purposes of the 2025 exhibition if, and only if, all the conditions in sub-paragraph (3) are satisfied:

- (a) causing to be published, or taking part in the publication of, any advertisement described in section 3(1)(a), (c) or (d) of the Act at the exhibition venue;
- (b) causing to be displayed, or taking part in the display of, tobacco products at the exhibition venue;
- (c) as occupier of the exhibition venue —
  - (i) permitting the exhibition venue or any part of it to be kept or used for the publication of any advertisement described in section 3(1)(a), (c) or (d) of the Act; or
  - (ii) displaying or causing to be displayed any tobacco products at the exhibition venue.

(3) The conditions mentioned in sub-paragraph (2) are as follows:

- (a) the organiser, before the start of the exhibition period, gives to each exhibitor sufficient written notice of the exemptions from sections 3, 12A and 17(1) of the Act in paragraphs 3 to 7 that are applicable to an exhibitor and the conditions of those exemptions;
- (b) the organiser takes all reasonable steps to ensure that every exhibitor complies with the conditions for the exemptions mentioned in sub-paragraph (a) —
  - (i) during the period before the exhibition period when this Order is in force, if any of those conditions applies during the firstmentioned period; and
  - (ii) during the exhibition period;
- (c) an advertisement mentioned in sub-paragraph (2)(a) and (c)(i) does not pertain to any prohibited tobacco product or any prohibited imitation tobacco product;

- (d) the tobacco products mentioned in sub-paragraph (2)(b) and (c)(ii) are not prohibited tobacco products.

### **Common conditions**

**10.**—(1) The common conditions are —

- (a) the tobacco product is not a prohibited tobacco product;
- (b) the tobacco product, or if the tobacco product is to be distributed as free samples at the exhibition venue, then each free sample, must have clearly and conspicuously printed on, or firmly attached to, its packaging the following notices:
  - (i) a health warning that satisfies the requirements in sub-paragraph (2) or (3), as the case may be;
  - (ii) a label stating the text “Trade samples — for registered trade visitors only. Not for distribution to the general public.”; and
- (c) the notices mentioned in sub-paragraph (b) are printed or firmly attached in a manner which ensures that —
  - (i) the notices do not obscure each other; and
  - (ii) when the packaging is opened or closed in the normal way, no portion of either notice is severed or obliterated or becomes unreadable.

(2) For the purposes of sub-paragraph (1)(b)(i), where the external surface area of the packaging of the tobacco product or free sample is or exceeds 9,000 square millimetres, the health warning printed on, or firmly attached to, the packaging of the tobacco product or free sample —

- (a) must be one of the health warnings set out in the Second Schedule;
- (b) must be printed on, or firmly attached to —
  - (i) any part of the external surface of any spherical packaging;

- (ii) the largest external surface of any cylindrical or conical packaging; or
  - (iii) the 2 largest external surfaces of any other kind of packaging;
- (c) must not be printed on or firmly attached to any bevelled or rounded edges adjacent to the surfaces mentioned in sub-paragraph (b);
- (d) must occupy not less than 50% of the total area of the surface of the packaging on or to which the health warning is printed or firmly attached;
- (e) must conform to the specifications set out in the Second Schedule;
- (f) must be positioned —
  - (i) parallel to the top edge of the packaging, and as much as possible towards the top part of the packaging while satisfying the requirements of sub-paragraph (g); and
  - (ii) in the same direction as how the packaging is to be ordinarily displayed; and
- (g) must be printed or firmly attached in a manner which ensures that when the packaging is opened or closed in the normal way —
  - (i) no portion of the health warning is severed or obliterated or becomes unreadable; and
  - (ii) the health warning is not severed or is severed only at the conjunction between Parts I and II of the health warning set out in the Second Schedule.

---

---

(3) For the purposes of sub-paragraph (1)(b)(i), where the external surface area of the packaging of the tobacco product or free sample does not exceed 9,000 square millimetres, the health warning printed on, or firmly attached to, the packaging of the tobacco product or free sample —

- (a) must be one of the health warnings set out in the Third Schedule;
- (b) must be printed on, or firmly attached to —
  - (i) any part of the external surface of any spherical packaging;
  - (ii) the largest external surface of any cylindrical or conical packaging; or
  - (iii) the 2 largest external surfaces of any other kind of packaging;
- (c) must not be printed on or firmly attached to any bevelled or rounded edges adjacent to the surfaces mentioned in sub-paragraph (b);
- (d) must occupy not less than 50% of the total area of the surface of the packaging on or to which the health warning is printed or firmly attached;
- (e) must conform to the specifications set out in the Third Schedule;
- (f) must be positioned —
  - (i) parallel to the top edge of the packaging, and as much as possible towards the top part of the packaging while satisfying the requirements of sub-paragraph (g); and
  - (ii) in the same direction as how the packaging is to be ordinarily displayed; and
- (g) must be printed or firmly attached in a manner which ensures that when the packaging is opened or closed in the normal way, no portion of the health warning is severed or obliterated or becomes unreadable.

(4) For the purposes of sub-paragraph (1)(b) and (c), if the packaging of the tobacco product or free sample has a cellophane or other clear outer wrapping, the notices are taken to be firmly attached to the packaging only if the notices are firmly attached to the packaging underneath the cellophane or other clear outer wrapping.

(5) Where the notices mentioned in sub-paragraph (1)(b) are likely to be obscured or obliterated by an outer wrapper or other item attached to the packaging of the tobacco product or free sample, the notices must, in addition to being printed on or firmly attached to the packaging, be printed on or firmly attached to the outer wrapper or other item attached to the packaging.
