**No. S 367**

ENVIRONMENTAL PUBLIC HEALTH ACT  
(CHAPTER 95)

ENVIRONMENTAL PUBLIC HEALTH  
(PUBLIC CLEANSING) (AMENDMENT)  
REGULATIONS 2014

In exercise of the powers conferred by section 111 of the Environmental Public Health Act, the National Environment Agency, with the approval of the Minister for the Environment and Water Resources, hereby makes the following Regulations:

**Citation and commencement**

1.—(1) These Regulations may be cited as the Environmental Public Health (Public Cleansing) (Amendment) Regulations 2014 and shall, with the exception of regulation 2(b), come into operation on 1st June 2014.

(2) Regulation 2(b) shall come into operation on 1st September 2014.

**Amendment of Second Schedule**

2. The Second Schedule to the Environmental Public Health (Public Cleansing) Regulations (Rg 3) is amended —

(a) by deleting sub-paragraphs (2) and (3) of paragraph 8 and substituting the following sub-paragraphs:

“(2) Non-domestic premises where daily quantity of refuse collected and removed —

- |                                                       |                       |
|-------------------------------------------------------|-----------------------|
| (a) does not exceed 120 litres                        | \$33.17 per premises  |
| (b) exceeds 120 litres but does not exceed 240 litres | \$107 per premises    |
| (c) exceeds 240 litres but does not exceed 360 litres | \$155.15 per premises |
| (d) exceeds 360 litres but does not exceed 660 litres | \$381.99 per premises |

- 
- 
- |                                                         |                                                                                                                                                                                                                                                                                                                                      |
|---------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| (e) exceeds 660 litres but does not exceed 1,100 litres | \$654.84 per premises                                                                                                                                                                                                                                                                                                                |
| (f) exceeds 1,100 litres                                | a combination of fees from sub-paragraphs (a) to (e) according to the combination of the least number of receptacles required to contain the daily refuse output and where more than one such combination of receptacles is possible, the combination of receptacles resulting in the lowest possible combined fee shall be applied. |

- (3) Hawker stalls, including stalls in public markets and markets managed by Statutory Boards, and those operating on temporary permits \$33.17 per stall.”; and

(b) by deleting sub-paragraphs (2) and (3) of paragraph 9 and substituting the following sub-paragraphs:

- “(2) Non-domestic premises where daily quantity of refuse collected and removed —
- |                                                         |                       |
|---------------------------------------------------------|-----------------------|
| (a) does not exceed 120 litres                          | \$35.10 per premises  |
| (b) exceeds 120 litres but does not exceed 240 litres   | \$151.94 per premises |
| (c) exceeds 240 litres but does not exceed 360 litres   | \$219.35 per premises |
| (d) exceeds 360 litres but does not exceed 660 litres   | \$462.24 per premises |
| (e) exceeds 660 litres but does not exceed 1,100 litres | \$717.97 per premises |

- 
- (f) exceeds 1,100 litres
- a combination of fees from sub-paragraphs (a) to (e) according to the combination of the least number of receptacles required to contain the daily refuse output and where more than one such combination of receptacles is possible, the combination of receptacles resulting in the lowest possible combined fee shall be applied.
- (3) Hawker stalls, including stalls in public markets and markets managed by Statutory Boards, and those operating on temporary permits
- \$35.10 per stall.”.
