    (*a*) cCPI is the change in Core Consumer Price Index between year 2018 and its previous year;

    (*b*) WI is the change in National Average Monthly Earnings between year 2018 and its previous year, adjusted to account for any change in the employer's Central Provident Fund contribution rate as specified in the Central Provident Fund Act (Cap. 36);

where —

(*a*) A_1 is the sum of the following quantum in respect of every part of the rapid transit system that was open for travel by passengers on a train before 1 June 2017:

    (i) the quantum that is the product of —

      (ii) the quantum worked out in accordance with sub-paragraph (i) for the same year in respect of every other bus that carried passengers as part of a bus service; and

   (*f*) D is the total distance travelled during a year by every passenger on every bus that carried passengers as part of a bus service.

3. The reference to a bus in paragraph 2(*e*) does not include any bus designated by the LTA for the purpose of its programme to provide backup capacity to support the rail network on or after 1 January 2018.".
