 - (A) provided or to be provided for use at any time during the taxable period; and

(b) 20% of the gross receipts derived or treated as derived from each taxable transaction concerning premises specified in Part 2 of the Schedule used as a hotel;

(c) 15% of the gross receipts derived or treated as derived from each taxable transaction concerning premises specified in Part 3 of the Schedule used as a hotel.

Gross receipts where consideration paid wholly in money

8.—(1) This paragraph applies to every taxable transaction connected with a tourism event where consideration for the taxable transaction is paid wholly in money.

(2) To avoid doubt, sub-paragraph (1) includes a taxable transaction in paragraph 5(1)(b) (called in this sub-paragraph *T2*) —

- (a) that relates to a taxable transaction in paragraph 5(1)(a) (called in this sub-paragraph *T1*) whose consideration is payable in money's worth, or in both money and money's worth; and
- (b) where none of the consideration for *T1* is forfeited as a result of *T2*, and the consideration for *T2* is paid for wholly in money.

(3) The gross receipts derived from a taxable transaction in paragraph 5(1)(a) connected with the tourism event is the total of the following:

- (b) all deposits forfeited because of the termination.

Gross receipts in other cases

9.—(1) This paragraph applies to —

- (a) every taxable transaction in paragraph 5(1)(a) connected with the tourism event, where —
 - (i) the taxable transaction is described as complimentary or as a gift;

-
-
- (iii) the taxable transaction is a consequence of another transaction that is not a taxable transaction connected with the tourism event; and
- (b) every taxable transaction in paragraph 5(1)(b) connected with the tourism event, where the whole of the consideration mentioned in sub-paragraph (a)(ii) is forfeited as a result of that taxable transaction.
- (2) Subject to sub-paragraph (3), the amount treated as the gross receipts derived from a taxable transaction to which this paragraph applies concerning premises used as a hotel (called in this paragraph *H*), must be calculated in accordance with the formula $TGR \div N$, where —
- (a) TGR is the total amount of gross receipts for every taxable transaction mentioned in paragraph 8(1) in relation to *H*, calculated in accordance with paragraph 8(3) and (4); and
- (b) N is the aggregate of the number of rooms on each day of the taxable period required to be provided under the taxable transactions in sub-paragraph (a), and which —
- (i) were used by guests of *H*; or
- (ii) were not used due to the intended guests of the rooms failing to arrive at *H* (commonly known as a no show).
- (3) Where the TGR under sub-paragraph (2) is zero, the amount treated as the gross receipts derived from a taxable transaction to which this paragraph applies concerning premises used as *H* is —
- (a) the amount calculated in accordance with the formula in sub-paragraph (2) as applied in relation to *H* for an event that —
- (i) the Board determines is equivalent to the tourism event mentioned in paragraph 3; and
- (ii) took place before 2024, or, if there is more than one such event, the most recent of such events; or
- (b) if there is no such amount under sub-paragraph (a) — the amount calculated in accordance with the formula in

sub-paragraph (2) as applied, for the tourism event mentioned in paragraph 3, in relation to another hotel that the Board determines is comparable to and in the vicinity of *H*.
