[S 319/2015 wef 01/06/2015]

(3B) The periods referred to in paragraph (3A) are —

- (a) the card issuer or the card issuer that is formed as a result of the merger or consolidation (as the case may be);

Disclosure of finance and late payment charges, and information on amounts outstanding

18.—(1) A card issuer shall include, in a clear and conspicuous manner, the following information in its credit card or charge card bill issued to a cardholder:

- (b) any other penalty or consequence for late payment which is or will be imposed by the card issuer; and
- (c) a notice advising prompt settlement of the amount outstanding under the credit card or charge card bill.

(2) For the avoidance of doubt, nothing in paragraph (1) shall be taken to require any card issuer to impose finance charges or late payment charges in respect of its business of issuing credit cards or charge cards.

(3) Where, on or after 1st June 2015, a cardholder has not paid the prior month's credit card or charge card bill in full by the payment due date set out in the prior month's bill, the card issuer shall, in its next credit card or charge card bill (referred to in this regulation as the current month's bill) to the cardholder or in a sheet attached on top of such bill, include the following information in a clear and conspicuous manner (such as by using font or a sheet of a different colour) the following information:

(a) in the form specified in Part I of the Second Schedule, in relation to a credit card —

(i) the length of time, in years and months, it will take to fully pay off the entire outstanding balance in the current month's bill; and

(ii) the total amount the cardholder will have to pay, including principal, interest and all applicable fees and charges, to fully pay off the entire outstanding balance in the current month's bill,

assuming the cardholder makes no further charges to the credit card and pays every month an amount equivalent to the minimum payment set out in the current month's bill on the payment due date set out in the current month's bill and on the payment due date for each subsequent month until the entire outstanding balance in the current month's bill is fully paid off;

(b) in the form specified in Part II of the Second Schedule, in relation to both a credit card and a charge card, the outstanding balance in 6 months' time, including the principal, interest and all applicable fees, assuming the cardholder makes no further charges to the credit card or charge card and makes no payment in the next 6 months.

(4) For the purpose of paragraph (3) —

- (a) the computation of the interest shall be based on the applicable interest rate that the card issuer generally imposes on similar types of credit cards or charge cards; and
- (b) notwithstanding sub-paragraph (a), the computation of the interest may be based on —
 - (i) the purchase rate in lieu of the applicable interest rate and applied to the whole of the outstanding balance, even in relation to amounts that accrue at interest rates different from the purchase rate, provided the card issuer discloses that interest charges will be higher than illustrated if there are amounts accruing at interest rates that are higher than the purchase rate; or
 - (ii) promotional interest rates for the relevant promotion period, provided such promotional interest rates will be applied by the card issuer to the cardholder's credit card or charge card.

(5) In projecting the length of time to pay and the total amount to be paid referred to in paragraph (3)(a), where the projected outstanding balance in any subsequent month in the computation of such time and amount falls below the minimum payment set out in the current month's bill, the cardholder shall be assumed to pay the outstanding balance in that subsequent month in full on the payment due date for that subsequent month.

(6) Nothing in paragraph (3)(a)(ii) or (b) shall prevent a card issuer from —

- (a) providing a breakdown of the required information by product types (such as by purchases, cash advance and instalment plans), except that, in such a case, the card issuer shall also disclose the aggregate across product types in addition to the breakdown of the required information; or

(b) including any additional information in the form specified in Part I or Part II of the Second Schedule.

(7) Any card issuer which fails to comply with paragraph (1), (3) or (6)(a) shall be guilty of an offence and shall be liable on conviction to a fine not exceeding \$25,000.

[S 319/2015 wef 01/06/2015]

(8) This regulation shall not apply to a supplementary cardholder if the card issuer complies or has complied with this regulation in respect of the principal cardholder.

Use of cards on public transport

18A.—(1) A card issuer does not contravene regulation 14(2) or (3), 16(2) or 17(2)(a) by permitting an amount to be charged to a credit card or charge card issued to a Singapore cardholder, if the amount —

(a) is for the payment of a bus fare or a train fare; and

DEBT CONSOLIDATION

[S 261/2017 wef 01/06/2017]

Debt consolidation amount

18B.—(1) Subject to paragraph (6), a card issuer that permits any amount to be charged to a fully unsecured or partially secured credit card or charge card issued to a Singapore cardholder does not contravene regulation 14(2) or (3), 16(2) or 17(2)(a) if the amount charged is a debt consolidation amount.

(2) Subject to paragraph (6), a card issuer that issues a fully unsecured or partially secured credit card or charge card to a

Singapore cardholder does not contravene regulation 16(6)(a) or 17(2)(b) if the credit card or charge card is issued solely to enable a debt consolidation amount to be charged to the credit card or charge card.

(3) Subject to paragraph (6), a card issuer that increases the aggregate credit limit granted to a Singapore cardholder does not contravene regulation 16(6)(b) or 17(2)(c) if the aggregate credit limit is increased solely to enable a debt consolidation amount to be charged to a credit card or charge card issued to the Singapore cardholder.

(4) In this regulation and regulation 18C, “debt consolidation amount”, for a card issuer mentioned in paragraph (1), (2) or (3), means an amount equal to or less than an amount determined by the formula $1.05 \times A$, where —

(a) A is any of the following amounts, or a sum comprising 2 or more of the following amounts:

- (i) any amount outstanding (which may include fees, interest, charges and late payment charges) on any credit card or charge card issued to the Singapore cardholder by the card issuer or any other card issuer;
- (ii) any amount outstanding (which may include fees, interest, charges and late payment charges) on any fully unsecured non-card credit facility granted to the Singapore cardholder by any lender (whether or not the card issuer); and

(b) A is determined by the card issuer based on the documents mentioned in paragraph (5).

(5) For the purpose of paragraph (4)(b), the documents are documents obtained by, or in the possession of, the card issuer that —

- (a) provide evidence of the amount or amounts mentioned in paragraph (4)(a); and
- (b) are dated no earlier than 3 months before the date that the card issuer determines A .

(6) Paragraphs (1), (2) and (3) apply only if the card issuer has taken reasonable steps to ensure that the debt consolidation amount charged to the credit card or charge card will be paid or applied in accordance with one or more of the following sub-paragraphs (whichever is applicable):

- (a) paid to the other card issuer for the purpose of repaying the amount outstanding on a credit card or charge card issued to the Singapore cardholder by that other card issuer;
- (b) paid to the other lender for the purpose of repaying the amount outstanding on a fully unsecured non-card credit facility granted to the Singapore cardholder by that other lender;
- (c) applied to the repayment of the amount outstanding on a credit card or charge card issued to the Singapore cardholder by the card issuer;
- (d) applied to the repayment of the amount outstanding on a fully unsecured non-card credit facility granted to the Singapore cardholder by the card issuer.

[S 261/2017 wef 01/06/2017]

Concessionary amount

18C.—(1) Subject to paragraph (8), a card issuer that permits any amount to be charged to a fully unsecured or partially secured credit card or charge card issued to a Singapore cardholder does not contravene regulation 14(2) or (3), 16(2) or 17(2)(a) if the amount is charged in the circumstances in paragraph (2) (called conditions *X*) or in the circumstances in paragraph (3) (called conditions *Y*).

(2) Conditions *X* are —

- (a) the card issuer has permitted a debt consolidation amount to be charged under regulation 18B(1) to a credit card or charge card issued to the Singapore cardholder;
- (b) the Singapore cardholder has not repaid the debt consolidation amount to the card issuer; and

-
-
- (c) the Singapore cardholder's cumulative total outstanding unsecured amount is equal to or more than the Singapore cardholder's overall credit limit.
- (3) Conditions *Y* are —
- (a) the card issuer has permitted an amount to be drawn down under paragraph 18B(1) of Notice 635, issued by the Authority under section 55 of the Act, on an unsecured non-card credit facility granted to the Singapore cardholder;
- (b) the Singapore cardholder has not repaid the amount drawn down under paragraph 18B(1) of Notice 635, issued by the Authority under section 55 of the Act, on an unsecured non-card credit facility granted to the Singapore cardholder; and
- (c) the Singapore cardholder's cumulative total outstanding unsecured amount is equal to or more than the Singapore cardholder's overall credit limit.
- (4) A card issuer that issues a fully unsecured or partially secured credit card or charge card to a Singapore cardholder does not contravene regulation 16(6)(a) or 17(2)(b), if the credit card or charge card is issued solely to enable an amount to be charged under paragraph (1) to the credit card or charge card.
- (5) Despite regulation 10(5), where a Singapore cardholder requests a card issuer for a fully unsecured or partially secured credit card or charge card solely to enable an amount to be charged under paragraph (1) to the credit card or charge card, the card issuer need not obtain any indication or consent required by regulation 10(5).
- (6) A card issuer that increases the aggregate credit limit granted to a Singapore cardholder does not contravene regulation 11(1)(a), 16(6)(b) or 17(2)(c), if the increase is solely to enable an amount to be charged under paragraph (1) to a credit card or charge card issued to the Singapore cardholder.
- (7) A card issuer that increases the credit limit for a guaranteed credit card or guaranteed charge card does not contravene

regulation 11(1)(b), if the increase is solely to enable an amount to be charged under paragraph (1) to the guaranteed credit card or guaranteed charge card.

(8) Paragraph (1) applies only if the amount to be charged under that paragraph, together with the aggregate of all outstanding amounts charged under that paragraph to credit cards or charge cards issued to the Singapore cardholder, does not exceed the Singapore cardholder's monthly income.

(9) To avoid doubt, paragraph (8) does not prevent a card issuer from setting, in respect of a credit card or charge card issued to a Singapore cardholder for the purpose of enabling an amount to be charged under paragraph (1), a credit limit lower than the monthly income of the Singapore cardholder.
