When time for service begins to run

12.—(1) Where any document is filed with, served on, delivered or otherwise conveyed to the Supreme Court or the Registrar by electronic transmission, the time for service of that document shall only begin to run from the time that the Registrar's notification of his acceptance of the document is received in the computer system of that registered user.

(2) Where a document is filed with, served on, delivered or otherwise conveyed to the Supreme Court or the Registrar via a service bureau, the time for service of that document shall only begin to run from the time that the Registrar's notification of his acceptance of the document is received by the service bureau.
