Cancellation of registration of Service Company

6B.—(1) The Authority may, on any of the grounds set out in paragraph (2), in writing direct the administrator to cancel the registration of any Service Company.

(2) The grounds referred to in paragraph (1) are —

- (a) that the Service Company has not commenced business within 12 months after being registered under regulation 6;
- (b) that the Service Company has ceased to act as an agent in Singapore for any member of Lloyd's;
- (c) that it appears to the Authority that the Service Company has failed to satisfy an obligation to which it is subject by virtue of these Regulations;
- (d) that the Service Company proposes to make, or has made, any composition or arrangement with its creditors or has gone into liquidation or has been wound up or otherwise dissolved;
- (e) that the Service Company is carrying on its business in a manner likely to be detrimental to the interest of the policy owners of insurance policies issued by any member of Lloyd's or syndicate for which it acts as an agent;
- (f) that the Service Company has failed to ensure that suitable reinsurance arrangements have been effected as required under regulation 6A(2);
- (g) that the Service Company has contravened any of the provisions of the Act, any of the regulations made thereunder or any direction given by the Authority under the Act or the regulations made thereunder;

- (h) that any of the officers of the Service Company holding a managerial or executive position has been convicted of any offence under the Act or the regulations made thereunder;
- (i) that the Service Company has, in its application for registration under regulation 6(1), furnished false, misleading or inaccurate information, or concealed or failed to disclose material facts;

[S 180/2015 wef 01/04/2015]

- (ia) that a receiver, a receiver and manager, or any other person having the powers and duties of a receiver, or a receiver and manager, has been appointed, whether in Singapore or elsewhere, in relation to, or in respect of any property of, the Service Company or any of the shareholders of the Service Company having control of the Service Company;

[S 180/2015 wef 01/04/2015]

- (ib) that there is a change of a person having control of the Service Company and —
 - (i) the new person is not a fit and proper person to control the Service Company; or
 - (ii) the Authority is not satisfied as to the financial standing of the Service Company after the change; and

[S 180/2015 wef 01/04/2015]

- (j) that it is in the public interest to cancel the registration of the Service Company.

(2A) Section 12(10) of the Act applies for the purposes of determining whether a person has control of a Service Company under paragraph (2)(ia) and (ib), with each reference in that provision to an insurer replaced with a reference to the Service Company.

[S 180/2015 wef 01/04/2015]

(3) Before the Authority directs the administrator to cancel the registration of a Service Company under paragraph (1), the Authority shall —

- (a) give the administrator and the Service Company notice in writing of its intention to do so; and
- (b) in the notice referred to in sub-paragraph (a), call upon the administrator and the Service Company to show cause, within such time as may be specified in the notice, why the Service Company's registration should not be cancelled.

(4) If the administrator or the Service Company —

- (a) fails to show cause within the time given to it to do so or within such extended period of time as the Authority may allow; or
- (b) fails to show sufficient cause,

the Authority shall give notice in writing to the administrator of the date on which the cancellation of registration is to take effect.

(5) Notwithstanding the cancellation of the registration of a Service Company under this regulation, so long as the member of Lloyd's or syndicate for which the Service Company acts as an agent remains under any liability in respect of insurance policies entered into by the Service Company or by any coverholder authorised by the Service Company, on behalf of the member or syndicate, the Service Company shall take such action as it considers necessary or as may be required by the Authority to ensure that —

- (a) reasonable provision has been or will be made for that liability; and
- (b) adequate arrangements exist or will exist for payment of premiums and claims on those policies.

[S 180/2015 wef 01/04/2015]

(6) Without prejudice to the generality of regulation 14(1), if a Service Company fails to comply with paragraph (5), the administrator shall use all reasonable efforts to procure, in respect of any liability or policies referred to in paragraph (5), the making of —

- (a) reasonable provision for such liability; and
- (b) adequate arrangements for payment of premiums and claims on those policies,

including but not limited to co-ordinating with or arranging for Lloyd's or any other person to make such provision and arrangements in place of the Service Company.

(7) Where a direction of cancellation under paragraph (1) becomes effective, the Service Company shall, as from the date the cancellation of registration takes effect, cease to act as an agent for any member of Lloyd's carrying on insurance business in Singapore, otherwise than by the collection or receipt of premiums on insurance policies effected before that date.

(8) Paragraph (7) does not prejudice —

- (a) any right or claim of any policy owner or other person against the member of Lloyd's or syndicate for which the Service Company had acted as an agent; and
- (b) any right or claim of the member of Lloyd's or syndicate for which the Service Company had acted as an agent against any policy owner or other person.

(9) Notwithstanding the cancellation of the registration of a Service Company under this regulation, regulations 13 and 21 shall, unless the Authority otherwise directs, continue to apply in relation to the Service Company and the administrator, respectively, in respect of matters that occurred before the cancellation, as if the registration had not been cancelled.

(c) have a Board comprising at least 3 directors.

[S 180/2015 wef 01/04/2015]

(2) No Service Company shall appoint any person as its chief executive officer or a director unless the Service Company satisfies the Authority that the person is a fit and proper person to be so appointed and has obtained the approval of the Authority.

(3) Where a Service Company has obtained the approval of the Authority to appoint a person as its chief executive officer or director under this regulation, the person may be re-appointed as chief executive officer or director, as the case may be, of the Service Company immediately upon the expiry of the earlier term without the approval of the Authority.

(4) If a member of the Board of a Service Company resigns or ceases to be a member of the Board for any other reason, the Service Company must —

- (b) on or before its next annual general meeting, appoint such number of new directors as is required to comply with paragraph (1)(c).

[S 180/2015 wef 01/04/2015]

[S 180/2015 wef 01/04/2015]

(6) A Service Company must immediately inform the Authority after the Service Company becomes aware that any of its directors or executive officers is involved in or is believed to be involved in any conduct or practice prejudicial to the interests of the Service Company or the policy owners or cedants of the syndicate, on

behalf of whose members the Service Company has entered into any contract of insurance.

(2) A Service Company must pay any premium received by it in respect of any policy issued by the Service Company, or by any coverholder authorised by the Service Company, on behalf of any member of a syndicate referred to in paragraph (1) into the appropriate insurance fund established for that syndicate under paragraph (1).

[S 180/2015 wef 01/04/2015]

(3) The premium receipts of different members of Lloyd's carrying on insurance business in Singapore through the same Service Company or different Service Companies may be placed or pooled in the same bank account or may be otherwise mixed together except that the assets of an insurance fund for Singapore policies must not be mixed with the assets of an insurance fund for offshore policies.

(4) The assets of the insurance funds established under paragraph (1) shall only be used to meet permitted trust outgoings.

(5) During any year, there shall remain in the respective insurance funds, assets not less in value than the amount of premiums received respectively for policies issued by the Service Company and by any coverholder authorised by the Service Company, on behalf of the members of the syndicate concerned in the course of carrying on insurance business in Singapore under these Regulations in the same year, less the amount of permitted trust outgoings attributable to the respective policies paid during the year.
