(4) In addition, where the Director is satisfied that an individual who is a COVID-19 naïve individual is vaccinated against a COVID-19 infection by the administration of any approved vaccine by a recognised vaccination provider, the Director may grant a certificate stating that the individual has a cleared status (general) for a period as follows, whichever is applicable:

- (a) unless sub-paragraph (b) applies —
 - (i) for an indefinite period starting the day stated in the First Schedule corresponding to the approved vaccine used in the vaccination and the nature of the individual's vaccination; or
 - (ii) for a period that starts and ends as stated in the First Schedule corresponding to the approved vaccine used in the vaccination and the nature of the individual's vaccination;
- (b) if the COVID-19 naïve individual undergoes a primary vaccination before attaining 12 years of age, for a period that —
 - (i) starts as stated in the First Schedule corresponding to the approved vaccine used in the vaccination and the nature of the individual's vaccination; and
 - (ii) ends at the expiry of 2 months after the individual attains 12 years of age or the end date stated in the First Schedule corresponding to the approved

vaccine used in the individual's primary vaccination, whichever date is later.

(5) Despite paragraph (2), (3) or (4), where an individual is assessed as having a COVID-19 infection, after he or she underwent vaccination and is granted a certificate under paragraph (3) or (4), the Director or a recognised medical practitioner may, where satisfied that the individual is a recovered individual after that infection or any later infection, grant a certificate stating that the individual has a cleared status (general) for a period as follows, whichever is applicable:

- (a) if the recovered individual underwent only a primary vaccination — for the period specified in sub-paragraph (i) or (ii), whichever ends later:
 - (i) 270 days, starting the date the last dose of the primary vaccination was administered on the recovered individual;
 - (ii) 180 days, starting on the relevant start date for the last infection;

[S 634/2022 wef 29/07/2022]

 - (i) the last day of the period mentioned in paragraph (3)(d);

(ii) the 180th day.

[S 102/2022 wef 24/02/2022]

(5A) Where paragraph (5)(a) or (b) applies, the Director or a recognised medical practitioner may, where satisfied that the recovered individual has been administered another dose of any approved vaccine (whether before, on or after 1 June 2022), grant a certificate stating the individual has a cleared status (general) for an indefinite period starting the date that other dose is administered if —

- (a) in the case of paragraph (5)(a) — the other dose is administered at least 86 days after the date the last dose of the primary vaccination was administered on the recovered individual;
- (b) in the case of paragraph (5)(b) — the other dose is administered at least 86 days after the relevant start date for that infection.

Meaning of “cleared status (special)”

7A.—(1) For the purposes of these Regulations, an individual is treated as having a cleared status (special) only if he or she is and to the extent certified under this regulation as having a cleared status (special).

(2) Where the Director or a legally qualified medical practitioner diagnoses that an individual (of any age) without a cleared status (general) that is current, has a severe immunocompromising condition, or is undergoing or about to undergo an immunosuppressive therapy, anticipated to affect the suitability of the individual to be vaccinated against a COVID-19 infection using the nationwide approved vaccines, because the individual —

- (a) has undergone an organ transplant and is or was a recipient of an organ of a human body;
- (b) is undergoing aggressive immunotherapy;
- (c) is undergoing or is about to undergo active cancer treatment; or
- (d) has undergone active cancer treatment,

the Director or legally qualified medical practitioner (as the case may be) may grant a certificate stating that the individual has a cleared status (special) for a period corresponding to the period of unsuitability to be so vaccinated —

- (e) starting the date the individual is so diagnosed; and
- (f) ending when the period specified in the certificate expires, being no longer than the applicable period as follows:

- (i) for an individual mentioned in sub-paragraph (a) — 6 months after the date of the individual’s organ transplant operation;

[S 445/2022 wef 01/06/2022]

- (ii) for an individual mentioned in sub-paragraph (b) or (c) — 6 months after the individual is diagnosed as having a severe immunocompromising condition, or undergoing or about to undergo an immunosuppressive therapy, anticipated to affect the suitability of the individual to be vaccinated against a COVID-19 infection using the nationwide approved vaccines;

[S 445/2022 wef 01/06/2022]

- (iii) for an individual mentioned in sub-paragraph (d) — 3 months after the date of the last occasion when the individual underwent that active cancer treatment.

(3) Where the Director or a legally qualified medical practitioner diagnoses that an individual who is at least 18 years of age has a medical contraindication to vaccination using every nationwide approved vaccine because the individual has or is assessed to be at greater risk of developing —

- (a) an allergic reaction; or

- (b) a severe adverse reaction that is not an allergic reaction,

if administered with a dose of any of the nationwide approved vaccines, the Director or legally qualified medical practitioner (as the case may be) may grant a certificate stating that the individual has a cleared status (special) for a period —

- (c) starting the date the individual is so diagnosed; and

- (d) ending when the period specified in the certificate expires, being no longer than 365 days after that diagnosis.

(3A) Despite paragraph (2) or (3), if a certificate is granted under that paragraph in respect of an individual on or before 31 May 2022, the certificate expires on —

- (a) the date that the period specified in the certificate expires; or

(b) 1 August 2022,
whichever is earlier.

[S 445/2022 wef 01/06/2022]

(4) Where the Director or a legally qualified medical practitioner diagnoses that an individual who is at least 12 years of age but below 18 years of age has a medical contraindication to vaccination using Tozinameran (Pfizer-BioNTech COVID-19 vaccine or Comirnaty COVID-19 vaccine) because the individual has or is assessed to be at greater risk of developing —

(a) an allergic reaction; or

(b) a severe adverse reaction that is not an allergic reaction, if administered with a dose of Tozinameran (Pfizer-BioNTech COVID-19 vaccine or Comirnaty COVID-19 vaccine), the Director or legally qualified medical practitioner (as the case may be) may grant a certificate stating that the individual has a cleared status (special) for a period —

(c) starting the date the individual is so diagnosed; and

(d) ending on whichever of the following first occurs:

(i) when the period specified in the certificate expires, being no longer than 365 days after that diagnosis; or

(ii) the individual attains 18 years of age.

(5) To avoid doubt —

(a) the period in paragraph (2), (3) or (4) may consist of a period before 1 December 2021; and

(b) the Director or a legally qualified medical practitioner may grant more than one certificate under paragraph (2), (3) or (4) in respect of the same individual upon the expiry of an earlier certificate granted to that individual.

(6) The Director may cancel any certificate granted under this regulation stating that an individual has a cleared status (special) if —

(a) *[Deleted by S 9/2022 wef 06/01/2022]*

- (b) the Director is satisfied that it is the interest of the health and safety of the individual to do so.

Meaning of “cleared status (overseas temporary)”

7B.—(1) For the purposes of these Regulations, an individual is treated as having a cleared status (overseas temporary) only if he or she is and to the extent certified under this regulation as having a cleared status (overseas temporary).

- (a) is not ordinarily resident in Singapore;
- (b) is without a cleared status (general) or cleared status (special); and
- (c) has been administered (whether before, on or after 1 January 2022) an approved vaccine, or a combination of approved vaccines, in any way described in the First Schedule,

the Director may, in lieu of the period stated for those approved vaccines in the First Schedule, grant a certificate stating that the individual has a cleared status (overseas temporary) for a period —

- (d) starting the time the individual arrives in Singapore; and
- (e) ending on (and including) the 30th day after the day the individual arrives in Singapore.

(3) The Director may cancel any certificate granted under this regulation stating that an individual has a cleared status (overseas temporary) if any of the following happens:

(a) the test result from the sole polymerase chain reaction test the individual undergoes shows no presence of SARS-CoV-2 in that individual or the individual's test result shows the presence of SARS-CoV-2 in that individual but it is an atypical finding for SARS-CoV-2; or
[S 590/2021 wef 10/08/2021]

(b) the test result from the last polymerase chain reaction test the individual undergoes shows no presence of SARS-CoV-2 in that individual, after the individual undergoes further polymerase chain reaction tests and the test results of those tests are uncertain or invalid except the last, or the individual's last test result shows the presence of SARS-CoV-2 in that individual but it is an atypical finding for SARS-CoV-2.
[S 590/2021 wef 10/08/2021]

(2) For the purposes of these Regulations, where an individual undergoes an approved test or tests consisting only of an antigen rapid test or tests, the individual's test result is treated as negative for SARS-CoV-2 only if —

(3) For the purposes of these Regulations, where an individual undergoes a series of approved tests consisting of polymerase chain reaction tests and antigen rapid tests, the individual's test result is treated as negative for SARS-CoV-2 only if —

(a) the test results of the antigen rapid tests are uncertain or invalid, another respiratory specimen from the individual is then subjected to a polymerase chain reaction test, and —

(i) the test result from that polymerase chain reaction test the individual undergoes shows no presence of SARS-CoV-2 in that individual or the individual's test result shows the presence of SARS-CoV-2 in that individual but it is an atypical finding for SARS-CoV-2; or

- (a) the relevant sampling activity taking the respiratory specimen from the individual was —

- (i) not performed in Singapore, or not performed by or under the direction of an approved test provider where the relevant sampling activity is not self-administered; or

PART 3

ENTERING AND REMAINING IN RESTRICTED PLACES

Individual entering or remaining in restricted place

9.—(1) Subject to regulation 13, an individual must not intentionally enter a restricted place during a restricted period of the restricted place if —

- (a) the individual does not have a cleared status when entering; and

(b) the individual —

- (i) knows that he or she does not have a cleared status when entering the restricted place during that restricted period; or
- (ii) is reckless as to whether he or she has a cleared status when entering the restricted place during that restricted period.

(2) Subject to regulation 13, an individual must not intentionally remain in a restricted place at any time during a restricted period of the restricted place if —

(a) the individual —

- (i) knows that he or she stops having a cleared status while within the restricted place during that restricted period; or
- (ii) is reckless as to whether he or she continues having a cleared status while within the restricted place during that restricted period; and

(b) the individual stops having a cleared status while within the restricted place during that restricted period.

(2A) [*Deleted by S 474/2022 wef 14/06/2022*]

(2B) [*Deleted by S 474/2022 wef 14/06/2022*]

(2C) [*Deleted by S 474/2022 wef 14/06/2022*]

(3) An individual who, without reasonable excuse, contravenes paragraph (1) or (2) shall be guilty of an offence and shall be liable on conviction to a fine not exceeding \$5,000 or to imprisonment for a term not exceeding 6 months or to both.

[S 310/2021 wef 08/05/2021]

[S 324/2021 wef 16/05/2021]

[S 317/2022 wef 19/04/2022]

[S 474/2022 wef 14/06/2022]

(4) Without limiting the meaning of “reasonable excuse” in regulation 2(1), a reasonable excuse for contravening this regulation includes entering or remaining in a restricted place

during a restricted period of the restricted place in any of the following circumstances:

- (a) the individual did not know or could not reasonably have known that the place is a restricted place;
- (b) the entry or remaining in the restricted place during the restricted period was to comply with a direction given to the individual by or on behalf of a public officer or a public body in exercise of a power under any written law.

(5) However, a reasonable excuse for contravening this regulation does not include being ordinarily resident in a place of residence in which a room or place is a restricted place used for a solemnization of a marriage.

[S 69/2022 wef 01/02/2022]

Entrant must show proof of cleared status, etc., when asked

10.—(1) Subject to regulation 13, an occupier of a restricted place or any contractor or employee of the occupier authorised for the purposes of this regulation may, before or during a restricted period of the restricted place, and only for the purpose of ensuring compliance with these Regulations, ask an entrant to the restricted place —

- (a) to state the entrant's name and his or her reason for being in, or about to enter, the restricted place during that restricted period;
- (b) to state whether or not the entrant has a cleared status to enter or remain in the restricted place during that restricted period or is an uncleared junior; and

[S 590/2021 wef 10/08/2021]

[S 317/2022 wef 19/04/2022]

[S 474/2022 wef 14/06/2022]

- (c) to provide evidence of the entrant's cleared status for entering or remaining in the restricted place during that restricted period if the entrant is other than an uncleared junior.

[S 590/2021 wef 10/08/2021]

[S 317/2022 wef 19/04/2022]

[S 474/2022 wef 14/06/2022]

(2) An entrant to a restricted place must not, when asked by the occupier of the restricted premises or any contractor or employee of the occupier authorised under paragraph (1), intentionally refuse —

- (a) to state information asked for where that is within the knowledge of that entrant; or
- (b) to provide evidence of the entrant's cleared status for entering or remaining in the restricted place, where that is in the custody or under the control of the entrant.

[S 317/2022 wef 19/04/2022]

[S 474/2022 wef 14/06/2022]

(3) An individual to whom a digital cleared status certificate is granted who holds, or produces or carries a mobile communication device or other electronic device on which the certificate is displayed for the purpose of complying with a request under paragraph (1)(c) is taken to have provided evidence of the entrant's cleared status.

[S 317/2022 wef 19/04/2022]

[S 474/2022 wef 14/06/2022]

(4) However, a digital cleared status certificate is not displayed for the purpose of complying with a request under paragraph (1)(c) by an occupier of a restricted place or any contractor or employee of the occupier (called the gatekeeper) to provide evidence of the entrant's cleared status if —

- (a) the screen of the mobile communication device or other electronic device on which it is purportedly displayed is unable to be read by the gatekeeper to whom it is displayed due to cracking, dimming, dirt or any other fault, damage or obstruction;
- (b) the entrant fails or refuses to comply with a reasonable request by the gatekeeper to whom it is purported to be displayed to facilitate the reading, copying or scanning of the whole or any part of the digital cleared status certificate; or

[S 317/2022 wef 19/04/2022]

[S 474/2022 wef 14/06/2022]

- (c) the holder of the digital cleared status certificate refuses to comply with a reasonable direction to refresh the display of the digital cleared status certificate.

[S 317/2022 wef 19/04/2022]

[S 474/2022 wef 14/06/2022]

[S 317/2022 wef 19/04/2022]

[S 474/2022 wef 14/06/2022]

(5) To avoid doubt, an individual who displays or purports to display a digital cleared status certificate is not required to give or hand over, to a gatekeeper who is requiring the digital cleared status certificate to be produced, the mobile communication device or other electronic device on which the digital cleared status certificate is displayed or purported to be displayed.

[S 317/2022 wef 19/04/2022]

[S 474/2022 wef 14/06/2022]

(6) An individual who, without reasonable excuse, contravenes paragraph (2) shall be guilty of an offence and shall be liable on conviction to a fine not exceeding \$5,000 or to imprisonment for a term not exceeding 6 months or to both.

Signage requirement for restricted place

11.—(1) An occupier of a restricted place must take all reasonably practicable steps to ensure that the signage requirement is complied with during the restricted period in relation to that restricted place.

(1A) The signage requirement in relation to a restricted place that is a room or place within a place of residence used for a solemnization of a marriage means a requirement to give notice (orally, in writing or by electronic message) at least one hour before the start of the solemnization of the marriage, to every individual who is invited as a guest to the solemnization of the marriage or who is otherwise foreseeably likely to be present in the place of residence during the restricted period of the restricted place, that —

- (a) the room or place will be a restricted place and the restricted period of the restricted place;
- (b) entry and remaining within the room or place during the restricted period is allowed only to individuals with a

cleared status or to uncleared juniors from the same household; and

- (c) entering or remaining within the room or place during the restricted period when without a cleared status is an offence if the individual is not a child who is below 13 years of age.

[S 69/2022 wef 01/02/2022]

(2) The signage requirement in relation to a place, building or premises that is any other restricted place means the requirement —

- (a) to display prominently at each point of entry to and exit from the restricted place (including an emergency exit) during the restricted period of the restricted place, a sign that includes a statement specifying that —

(i) the place, building or premises (as the case may be) is a restricted place and the restricted period of the restricted place;

(ii) entry and remaining within the restricted place during the restricted period is allowed only to individuals with a cleared status or to uncleared juniors from the same household; and

[S 590/2021 wef 10/08/2021]

[S 317/2022 wef 19/04/2022]

[S 474/2022 wef 14/06/2022]

(iii) entering or remaining within the restricted place during the restricted period when without a cleared status is an offence if the entrant is not a child who is below 13 years of age; and

[S 590/2021 wef 10/08/2021]

(iv) *[Deleted by S 474/2022 wef 14/06/2022]*

- (b) to clearly delineate the boundaries of the restricted place by means of markings, fencing, stanchion with barrier rope or tape, signs, walls, windows, partition, screens or other barriers, for the duration of the restricted period of the restricted place.

[S 69/2022 wef 01/02/2022]

(3) An occupier of a restricted place who, without reasonable excuse, contravenes paragraph (1) shall be guilty of an offence and shall be liable on conviction to a fine not exceeding \$10,000.

Occupier's rights unaffected

12.—(1) To avoid doubt, this Part does not limit any other right of an occupier of a restricted place to disallow at any time an entrant entering or remaining in the restricted place, whether or not the entrant refused —

- (a) to state information asked for under regulation 10(1); or
