Definitions

2. In this Order, unless the context otherwise requires —

“consolidation” means —

- (a) any merger, acquisition, take-over or other similar transaction that results in 2 or more independent economic entities, at least one of which is providing a

“ticket payment service provider” means any person who provides a service for the clearing of any ticket transaction;

“trigger date”, in relation to a ticket payment service provider, means the date within any period of assessment —

- (a) on which the total value of ticket transactions cleared by a ticket payment service provider for that period of assessment exceeds \$300 million; and
- (b) from which the ticket payment service provider ceases to be exempted from obtaining a ticket payment service licence under paragraph 3(1).

Exemption in respect of service for clearing of ticket transactions

3.—(1) Any ticket payment service provider who has not been issued a ticket payment service licence shall be exempted from Part IVB of the Act if the total value of ticket transactions cleared by the ticket payment service provider at any time during any period of assessment does not exceed \$300 million.

(2) Where —

- (a) the total value of ticket transactions cleared by a ticket payment service provider during any period of assessment exceeds \$300 million; and
- (b) the ticket payment service provider applies to the Council for a ticket payment service licence within one month from the last day of that period of assessment,
