13. Pedestrians, etc., not crossing at pedestrian crossing to yield to traffic
14. Conduct at and when approaching crossings

The Schedule

[1st November 1982]

Citation
1. These Rules may be cited as the Road Traffic (Pedestrian Crossings) Rules.

Definitions
2. In these Rules, unless the context otherwise requires —
   “ambulance” means a motor vehicle that is specifically equipped for —
   (a) the transport on roads of; and

Informal Consolidation – version in force from 3/1/2022
(b) the provision, during such transport, of out-of-hospital clinical care to, sick or injured individuals who require emergency medical treatment;

[S 1071/2021 wef 03/01/2022]

“authorised”, for an ambulance, means —

(a) being specified in a licence (other than a revoked licence) under the Healthcare Services Act 2020 authorising the use of the ambulance to provide a licensable healthcare service specified in that licence; or

(b) being owned by the Government and used for the purposes of the Singapore Armed Forces or the Singapore Civil Defence Force;

[S 1071/2021 wef 03/01/2022]

“bicycle” has the meaning given by the Act, and includes a vehicle that has 3 wheels, has pedals, and is built to be propelled solely by human power and to transport people only (with or without carry-on baggage);

[S 274/2018 wef 05/05/2018]

“cyclist” means an individual who is riding a bicycle or power-assisted bicycle, but excludes an individual walking beside and pushing a bicycle or power-assisted bicycle;

[S 274/2018 wef 05/05/2018]

“informal crossing” means any part of a road that —

(a) is established by a person other than the Authority for the use of a cyclist, mobility vehicle user, PMD rider or pedestrian in order to cross the road; but

(b) is not indicated by traffic signs, signals or road markings;

[S 73/2019 wef 01/02/2019]
“mobility scooter” and “wheeled toy” have the meanings given by section 2(1) of the Active Mobility Act 2017 (Act 3 of 2017);

[S 274/2018 wef 05/05/2018]

“mobility vehicle” means a mobility scooter or a motorised wheelchair;

[S 73/2019 wef 01/02/2019]

“mobility vehicle user” means an individual who is driving a motorised wheelchair or riding a mobility scooter, but excludes an individual who is walking beside and pushing a mobility vehicle;

[S 73/2019 wef 01/02/2019]

“pedestrian” means —

(a) an individual walking, with or without animals;

(b) an individual in a non-motorised wheelchair;

(c) [Deleted by S 73/2019 wef 01/02/2019]

(d) an individual travelling on inline skates, roller-skates or a wheeled toy;

(e) an individual pushing a pram, stroller or trolley, or a motorised or non-motorised wheelchair; or

(f) an individual walking beside and pushing a bicycle, power-assisted bicycle, personal mobility device, mobility scooter or any other vehicle;

[S 274/2018 wef 05/05/2018]

[S 73/2019 wef 01/02/2019]

“pedestrian crossing” means any part of a road, subway or bridge established for the use of a cyclist, mobility vehicle user, PMD rider or pedestrian crossing the road, and indicated as such by traffic signs, signals and road markings as shown in any of the diagrams in Part I of the Schedule;

[S 274/2018 wef 05/05/2018]

[S 73/2019 wef 01/02/2019]
“PMD” means a personal mobility device;  
[S 274/2018 wef 05/05/2018]

“PMD rider” means an individual who is riding a personal mobility device on a road as permitted by section 5A(2) of the Act, but excludes an individual who is walking beside and pushing a PMD;  
[S 274/2018 wef 05/05/2018]

“zebra controlled area”, in relation to a zebra crossing, means the area of the road in the vicinity of the crossing and lying on both sides of the crossing or only one side of the crossing, being an area the presence and limits of which are as shown in the diagrams in Part II of the Schedule, but there may be variation in the exact curvature or pattern of the zig-zag lines to suit the layout of or the character of the road so long as the general indication of the lines is not materially impaired;

“zebra crossing” means a pedestrian crossing, the limits of which are indicated by alternate black and white stripes of between 550 millimetres and 650 millimetres or otherwise in width and of not less than 2.5 metres or otherwise in length parallel to the side of the road, the presence and limits of which are as shown in the diagrams in Part II of the Schedule.

Pedestrians, cyclists, mobility vehicle users and PMD riders must use crossings

3.—(1) Except as provided in paragraph (5), any pedestrian, cyclist, mobility vehicle user or PMD rider who is within 50 metres of either side of a pedestrian crossing, or within such shorter distance, as indicated by traffic signs shall make use of the pedestrian crossing for the purpose of crossing the road.  
[S 274/2018 wef 05/05/2018]
[S 73/2019 wef 01/02/2019]

(2) The traffic signs indicating the limits of the 50 metres or other shorter distance shall be prominently displayed and shall be as shown in the diagrams in Part III of the Schedule.

(3) Where a pedestrian crossing is designated by two parallel yellow lines drawn across a road at a junction or an intersection, a
pedestrian, cyclist, mobility vehicle user or PMD rider shall cross parallel with the flow of vehicular traffic and where a pedestrian crossing is designated by a signalised traffic sign, a pedestrian, cyclist, mobility vehicle user or PMD rider shall only cross when the green man in the signalised traffic sign is illuminated.

[S 274/2018 wef 05/05/2018]
[S 73/2019 wef 01/02/2019]

(4) Where a railing or other similar structure has been erected on the edge of a pavement of grass verge along one side of a road or on a road divider, no person shall climb over or crawl underneath or go through such railing or structure, or any gap therein to cross to the opposite side of the road or for any other purpose.

Exemptions

(5) The following persons shall be exempted from paragraph (1) where a pedestrian crossing is an overhead bridge:

(a) a person who has not the complete use of either one or both of his legs; and

(b) a person who has been certified by a registered medical practitioner to be suffering from a heart disease or any other ailment or defect to such an extent or degree that it may dangerously affect his health or physical condition if that person were to use an overhead bridge.

[S 274/2018 wef 05/05/2018]
[S 73/2019 wef 01/02/2019]

Precedence for pedestrians, cyclists, mobility vehicle users and PMD riders

4. The driver of a vehicle who is in the process of turning his vehicle at a road intersection or junction where there is a pedestrian crossing shall stop his vehicle in order to give way to any pedestrian, cyclist, mobility vehicle user or PMD rider who is either crossing or is starting to cross the intersection or junction.

[S 274/2018 wef 05/05/2018]
[S 73/2019 wef 01/02/2019]
Vehicle approaching crossing to slow down

5. The driver of every vehicle approaching a pedestrian crossing must proceed only at such speed as will enable him to stop his vehicle before reaching the crossing.

[S 274/2018 wef 05/05/2018]
[S 73/2019 wef 01/02/2019]

Precedence at uncontrolled crossing

6. The driver of every vehicle at, or approaching, a pedestrian crossing where traffic is not for the time being controlled by a police officer or by light signals shall allow free and uninterrupted passage to any pedestrian, cyclist, mobility vehicle user or PMD rider who is either crossing or is starting to cross a road and every pedestrian, cyclist, mobility vehicle user and PMD rider shall have precedence over all vehicular traffic at such crossing.

[S 274/2018 wef 05/05/2018]
[S 73/2019 wef 01/02/2019]

Precedence at controlled crossing

7. Wherever there is a pedestrian crossing at a road intersection or junction where traffic is controlled by a police officer or by light signals, every pedestrian, cyclist, mobility vehicle user and PMD rider who is about to enter or has entered such crossing shall be permitted free and uninterrupted passage over the crossing by all drivers of vehicles who are approaching the crossing notwithstanding that such drivers may have already received a signal to proceed either from the light signals or the police officer, as the case may be.

[S 274/2018 wef 05/05/2018]
[S 73/2019 wef 01/02/2019]

Pedestrians, etc., to cross in direction of moving traffic

8. At all intersections or junctions of roads where traffic is controlled by a police officer or by light signals, pedestrians, cyclists, mobility vehicle users and PMD riders may cross the road in the same direction as the moving traffic but shall not cross in any
other direction unless they are able to do so without interfering with
the lawful movement of traffic.

No vehicle to stop on any pedestrian crossing

9. No driver of any vehicle shall cause such vehicle or any part
thereof to stop upon any pedestrian crossing unless he is prevented
from proceeding by circumstances beyond his control or it is
necessary for him to stop in order to avoid an accident.

Vehicle not to stop in zebra controlled area

10.—(1) Subject to paragraphs (2) and (3), the driver of a vehicle
shall not cause the vehicle or any part thereof to stop in a zebra
controlled area.

(2) Nothing in paragraph (1) shall prevent a vehicle from stopping
along any part of a road —

(a) if the driver has stopped for the purpose of complying with
rule 6 or 11(1)(b);

(b) if the driver is prevented from proceeding by
circumstances beyond his control or it is necessary for
him to stop in order to avoid an accident; or

(c) for so long as may be necessary to enable the vehicle, if it
cannot be used for such purpose without stopping along
any part of a road, to be used —

(i) for fire service or police purposes;

(ii) in connection with any building operation,
demolition or excavation;

(iii) for the removal of any obstruction to traffic;
(iv) for the maintenance, improvement or reconstruction of that part of the road; or

(v) for the laying, erection, alteration, repair or cleaning in or near that part of the road of any traffic sign or sewer or of any main, pipe or apparatus for the supply of gas, water or electricity, or of any telegraph or telephone wire, cable, post or support.

(3) Nothing in paragraph (1) shall prevent a vehicle from stopping in a zebra controlled area if the vehicle is stopped for the purpose of making a left or right turn.

**Prohibition against overtaking in zebra controlled area**

11.—(1) The driver of a vehicle shall not, while the vehicle or any part thereof is in a zebra controlled area and is proceeding towards the zebra crossing in relation to which that area is indicated (referred to in these Rules as the approaching vehicle), cause the vehicle or any part thereof —

(a) to pass ahead of the foremost part of another moving vehicle proceeding in the same direction wholly or partly within that area; or

(b) to pass ahead of the foremost part of a stationary vehicle on the same side of the zebra crossing as the approaching vehicle, which stationary vehicle is stopped for the purpose of complying with rule 6.

(2) For the purposes of paragraph (1) —

(a) the reference to another moving vehicle is, in the case where only one other vehicle is proceeding in the same direction in a zebra controlled area, a reference to that vehicle and, in the case where more than one other vehicle is so proceeding, a reference to such one of those vehicles as is nearest to the zebra crossing;

(b) the reference to a stationary vehicle is, in the case where only one vehicle is stopped for the purpose of complying with rule 6, a reference to that vehicle and, in the case where more than one other vehicle is stopped for the
purpose of complying with that rule, a reference to such one of those vehicles as is nearest to the zebra crossing.

Pedestrians, etc., not to remain at crossing

12. No pedestrian, cyclist, mobility vehicle user or PMD rider shall remain upon any pedestrian crossing longer than is necessary for the purpose of crossing from one side of the road to the other.

[S 274/2018 wef 05/05/2018]
[S 73/2019 wef 01/02/2019]

Pedestrians, etc., not crossing at pedestrian crossing to yield to traffic

13.—(1) Every pedestrian, cyclist, mobility vehicle user and PMD rider, when crossing a road shall do so by the most direct route to the opposite side, and when crossing at any place other than a pedestrian crossing shall yield the right of way to all vehicles.

[S 274/2018 wef 05/05/2018]
[S 73/2019 wef 01/02/2019]

(2) No person shall stand, sit, squat, loiter, walk or run on a road in such a manner or in such a position as to interfere with the lawful movement of traffic.

[S 274/2018 wef 05/05/2018]

Conduct at and when approaching crossings

14.—(1) Every cyclist, mobility vehicle user and PMD rider —

(a) when approaching a pedestrian crossing or zebra crossing, must proceed at such speed as will enable him to stop his bicycle, power-assisted bicycle, mobility vehicle or PMD (as the case may be) before reaching the crossing; and

(b) when at the pedestrian crossing or zebra crossing, must stop and look for on-coming traffic before using that crossing.

(2) Every cyclist, mobility vehicle user and PMD rider —

(a) when approaching an informal crossing, or an entrance or exit to a car park, must proceed at such speed as will enable
him to stop his bicycle, power-assisted bicycle, mobility vehicle or PMD (as the case may be) before reaching the informal crossing or exit or entrance, as the case may be; and

(b) when at the informal crossing, or the entrance or exit to a car park, must —

(i) stop and look for on-coming traffic before using that crossing or crossing the exit or entrance; and

(ii) give way to any motor vehicle or stream of vehicles immediately approaching him (whether from his right or offside or left or near side) or leaving or entering the car park.
