PART 2

IN-VEHICLE UNITS

Motor vehicles to be installed with in-vehicle units

(2) Any person who contravenes paragraph (1) shall be guilty of an offence and shall be liable on conviction to a fine not exceeding \$2,000 or to imprisonment for a term not exceeding 12 months or to both.

(3) Paragraph (1)(a), (b) and (c) does not apply to an in-vehicle unit of Types 1A and 2A as specified in the Second Schedule.

(4) The Registrar may, in his discretion and upon an application being made by the registered owner of a motor vehicle (called in this paragraph the old vehicle), allow the in-vehicle unit which has been installed in the old vehicle to be removed from that vehicle and installed in another vehicle (called in this paragraph the new vehicle) if the Registrar is satisfied that —

- (a) the old vehicle has been de-registered or the applicant undertakes to de-register the old vehicle within a time specified by the Registrar;
- (b) the old vehicle and the new vehicle belong to the same class of vehicle; and
- (c) the new vehicle is or will be registered in the name of the applicant.

driven or moved into a specified entry point on a specified road during the restricted hours.

Payment of road-user charge

- 6.—(1) The road-user charge for a motor vehicle is to be paid —
- (a) using an ERP card with sufficient stored value inserted in the in-vehicle unit installed in the motor vehicle;
 - (b) using a credit card or debit card which has been registered in advance with a participating bank and approved by the bank and the Registrar for the payment of road-user charges (called in these Rules a registered credit card or a registered debit card, as the case may be);
 - (c) through General Inter-bank Recurring Order which has been arranged in advance with a participating bank and approved by the bank and the Registrar for the payment of road-user charges (called in these Rules an approved GIRO arrangement); or
 - (d) out of funds deposited in advance for payment of road-user charges with the Authority or such person as the Authority may designate.
- (2) The appropriate amount of road-user charge payable under rule 5 is to be —
- (a) debited in its entirety against the stored value of an ERP card inserted in the in-vehicle unit of the motor vehicle; or
 - (b) where an ERP card is not inserted in the in-vehicle unit of the motor vehicle or the ERP card inserted has a stored value that is insufficient to pay for the road-user charge —
 - (i) charged in its entirety to a registered credit card or a registered debit card, as the case may be;
 - (ii) paid through an approved GIRO arrangement; or
 - (iii) paid out of the deposited funds referred to in paragraph (1)(d).

PART 4
OFFENCES AND OTHER
MISCELLANEOUS PROVISION

Unlawful entry into specified entry point

7.—(1) Subject to paragraphs (3) and (6), any person who during the restricted hours rides, drives or moves a motor vehicle into a specified entry point on a specified road when —

- (a) there is no in-vehicle unit installed in the vehicle;
- (b) the in-vehicle unit in the vehicle has not been properly installed in accordance with the Second Schedule;
- (c) the in-vehicle unit installed in the vehicle is defective;
- (d) the in-vehicle unit installed in the vehicle has been unlawfully taken from another motor vehicle;
- (e) the in-vehicle unit in the vehicle has been installed, repaired, tampered with, adjusted, altered or modified in contravention of rule 4;
- (f) no ERP card with sufficient stored value to pay the road-user charge payable has been properly inserted in the in-vehicle unit of the vehicle; or
- (g) the ERP card being used by the person with the in-vehicle unit is a forgery or is defective,

shall be guilty of an offence and shall be liable on conviction to a fine not exceeding \$1,000 or to imprisonment for a term not exceeding 3 months or to both.

(2) Where the Registrar has reason to believe that a person has not made payment of the applicable road-user charge in the manner required under rule 6(1), the Registrar may by notice in writing require the person to pay, within such time and in such manner as may be specified in the notice, the road-user charge incurred by him and —

- (a) in a case where payment is made directly to the Authority or at any post office (whether by cheque, cash or NETS), an administrative charge of \$10; or

-
-
- (b) in a case where payment is made in any other manner specified in the notice, an administrative charge of \$8.
- (3) If a person makes payment of the road-user charge and administrative charge in accordance with paragraph (2), the person shall not be guilty of an offence under paragraph (1)(f).
- (4) The Registrar may, in the Registrar's discretion, waive in whole or in part the administrative charge referred to in paragraph (2).
- (5) Any person who, during the restricted hours, rides, drives or moves a motor vehicle from an area outside a specified entry point on a specified road to an area within the specified entry point in such a manner as to avoid riding, driving or moving the motor vehicle into the specified entry point and thereby evades payment of the road-user charge levied in respect of that specified entry point shall be guilty of an offence and shall be liable on conviction to a fine not exceeding \$2,000 or to imprisonment for a term not exceeding 6 months or to both.
- (6) It is a defence in any prosecution for a contravention of, or non-compliance with —
- (a) paragraph (1)(b), (c), (d), (e), (f) or (g) for the person charged to prove to the satisfaction of the court that he or she did not know nor could reasonably have discovered the contravention or non-compliance referred to in the charge; or
 - (b) paragraph (1)(c), (e) or (g) involving the use of a defective in-vehicle unit or a defective ERP card, as the case may be, for the person charged to prove to the satisfaction of the court that the defect in the in-vehicle unit or ERP card occurred through no fault of his or hers in the course of the journey during which the offence was committed.

Interference, etc., with transmission of signals

8.—(1) Any person who, without lawful authority, does any act which prevents, obstructs or interferes with the transmission of signals between the in-vehicle unit installed in any motor vehicle and any ERP facility shall be guilty of an offence and shall be liable on

conviction to a fine not exceeding \$2,000 or to imprisonment for a term not exceeding 6 months or to both.

(2) Any person who, without lawful authority, hinders by any means and to any extent, the view of any of the identification marks of any vehicle in respect of which an offence under these Rules has been committed and who in so doing obstructs the identification of the vehicle shall be guilty of an offence and shall be liable on conviction to a fine not exceeding \$2,000 or to imprisonment for a term not exceeding 6 months or to both.

(3) It is a defence in any prosecution for a contravention of paragraph (1) for the person charged to prove to the satisfaction of the court that the defendant did not know nor could the defendant reasonably have discovered the contravention referred to in the charge.

Electronic road pricing sign

9. An electronic road pricing sign as set out in the Third Schedule is to be placed at the approach to a specified entry point on a road.

PART 5

MOTOR CARS NOT REGISTERED UNDER ACT

Motor cars not registered under Act need not be installed with in-vehicle units

10.—(1) Despite rule 3(1), any person may drive or move a motor car not registered under the Act into a specified entry point on a specified road during the restricted hours even though the motor car is not installed with an in-vehicle unit.

(2) Rules 3(2) and 4 to 8 do not apply in relation to a motor car not registered under the Act unless that motor car is installed with an in-vehicle unit.

Daily road-user charge

11. A road-user charge of \$5 is payable for each day on which a motor car not registered under the Act and not installed with an

in-vehicle unit is driven or moved into any number of specified entry points on one or more specified roads during the restricted hours.

Payment of road-user charge

12.—(1) The driver of a motor car in respect of which a road-user charge referred to in rule 11 is payable must, when leaving Singapore by way of a relevant checkpoint, insert the vehicle entry card in relation to that motor car into a card machine at the relevant checkpoint so that such road-user charge may be deducted from the stored value of the card.

(2) Upon completion of the transaction referred to in paragraph (1), the driver may obtain a receipt setting out particulars of the transaction from a designated terminal of the Authority at the relevant checkpoint.

(3) Where the vehicle entry card or card machine is defective, the road-user charge must be paid in such manner as the Registrar considers appropriate.

(4) The Registrar may, in such circumstances as the Registrar considers appropriate, permit the road-user charge to be paid in any other manner.

(5) The Registrar may prohibit the entry into or exit from Singapore of any motor car if the road-user charge for that motor car is in arrears.

[S 410/2017 wef 20/07/2017]

Offences

13.—(1) Any person who, when bringing or attempting to bring a motor car in respect of which a road-user charge referred to in rule 11 is payable out of Singapore —

- (a) fails to comply with rule 12(1);
- (b) in purported compliance with rule 12(1), inserts into a card machine at the relevant checkpoint a vehicle entry card the stored value of which is less than the road-user charge payable under rule 11 after deducting any toll for that motor car,

shall be guilty of an offence.

(2) Where the Registrar or an authorised officer has reason to believe that a person has committed an offence under paragraph (1) —

- (a) the Registrar or authorised officer may, by notice or otherwise, require the person to pay, in such manner as the Registrar may require, the road-user charge payable under rule 11 by the person and an administrative charge of \$10; and
- (b) if the person complies with the requirement under sub-paragraph (a), the person shall not be guilty of the offence.

(3) In any proceedings for an offence under paragraph (1)(b), it is a defence for the defendant to prove —

- (a) that the road-user charge, or any road-user charge that cannot be deducted from the stored value of the vehicle entry card under rule 12(1), was not incurred by the defendant; or
- (b) that the defendant did not know and could not reasonably have discovered that the stored value of the vehicle entry card was insufficient.

(4) In this rule, “authorised officer” means an officer authorised by the Registrar to administer and enforce this Part.

Revocation

14. The Road Traffic (Electronic Road Pricing System) Rules 2011 (G.N. No. S 97/2011) are revoked.
