PART IV
OFFENCES AND OTHER
MISCELLANEOUS PROVISION

Unlawful entry into specified entry point

shall be guilty of an offence and shall be liable on conviction to a fine not exceeding \$1,000 or to imprisonment for a term not exceeding 3 months or to both.

(2) Where a person, who is registered with a collecting agent in such manner as the collecting agent may specify for the purposes of payment of outstanding road-user charges and administrative charges, during the restricted hours, rides, drives or moves a motor vehicle into a specified entry point on a specified road without making payment of the applicable road-user charge in the manner required under rule 6(1)(a) or (b), he may pay to the collecting agent —

- (a) the road-user charge incurred by him; and

(b) an administrative charge of \$3 payable to the Registrar, on or before the date of payment specified by the collecting agent.

- (a) the person is not registered with a collecting agent for the purposes of payment of outstanding road-user charges and administrative charges; or
- (b) the person is registered with a collecting agent for the purposes of payment of outstanding road-user charges and administrative charges but fails to pay the charges specified in paragraph (2) on or before the date of payment specified by the collecting agent,

the Registrar may by notice in writing require the person to pay, within such time and in such manner as may be specified in the notice, the road-user charge incurred by him and —

- (i) in a case where payment is made directly to the Authority or at any post office (whether by cheque, cash or NETS), an administrative charge of \$10; or
- (ii) in a case where payment is made in any other manner specified in the notice, an administrative charge of \$8.

(4) If a person makes payment of the road-user charge and administrative charge in accordance with paragraph (2) or (3), he shall not be guilty of an offence under paragraph (1)(f).

(5) The Registrar may, in his discretion, waive in whole or in part the administrative charge referred to in paragraphs (2) and (3).

(6) Any person who, during the restricted hours, rides, drives or moves a motor vehicle from an area outside a specified entry point on a specified road to an area within the specified entry point in such a manner as to avoid riding, driving or moving the motor vehicle into the specified entry point and thereby evades payment of the road-user charge levied in respect of that specified entry point shall be guilty of an offence and shall be liable on conviction to a fine not exceeding

\$2,000 or to imprisonment for a term not exceeding 6 months or to both.

(7) It shall be a defence in any prosecution for a contravention of, or non-compliance with —

- (a) paragraph (1)(b), (c), (d), (e), (f) or (g) for the person charged to prove to the satisfaction of the court that he did not know nor could reasonably have discovered the contravention or non-compliance referred to in the charge; or
- (b) paragraph (1)(c), (e) or (g) involving the use of a defective in-vehicle unit or a defective ERP card, as the case may be, for the person charged to prove to the satisfaction of the court that the defect in the in-vehicle unit or ERP card occurred through no fault of his in the course of the journey during which the offence was committed.

(8) In this rule, “collecting agent” means a person authorised by the Registrar for the purposes of collecting outstanding road-user charges and administrative charges on behalf of the Registrar.

Interference, etc., with transmission of signals

8.—(1) Any person who, without lawful authority, does any act which prevents, obstructs or interferes with the transmission of signals between the in-vehicle unit installed in any motor vehicle and any ERP facility shall be guilty of an offence and shall be liable on conviction to a fine not exceeding \$2,000 or to imprisonment for a term not exceeding 6 months or to both.

(2) Any person who, without lawful authority, hinders by any means and to any extent, the view of any of the identification marks of any vehicle in respect of which an offence under these Rules has been committed and who thereby obstructs the identification of the vehicle shall be guilty of an offence and shall be liable on conviction to a fine not exceeding \$2,000 or to imprisonment for a term not exceeding 6 months or to both.

(3) It shall be a defence in any prosecution for a contravention of paragraph (1) for the person charged to prove to the satisfaction of the

court that he did not know nor could he reasonably have discovered the contravention referred to in the charge.

Electronic road pricing sign

9. An electronic road pricing sign as set out in the Third Schedule shall be placed at the approach to a specified entry point on a road.

PART V

MOTOR CARS NOT REGISTERED UNDER ACT

Motor cars not registered under Act need not be installed with in-vehicle units

10.—(1) Notwithstanding rule 3(1), any person may drive or move a motor car not registered under the Act into a specified entry point on a specified road during the restricted hours even though the motor car is not installed with an in-vehicle unit.

(2) Rules 3(2) and 4 to 8 shall not apply in relation to a motor car not registered under the Act unless that motor car is installed with an in-vehicle unit.

Daily road-user charge

11. A road-user charge of \$5 shall be payable for each day on which a motor car not registered under the Act and not installed with an in-vehicle unit is driven or moved into any number of specified entry points on one or more specified roads during the restricted hours.

Payment of road-user charge

12.—(1) The driver of a motor car in respect of which a road-user charge referred to in rule 11 is payable shall, when leaving Singapore by way of a relevant checkpoint, insert the vehicle entry card in relation to that motor car into a card machine at the relevant checkpoint so that such road-user charge may be deducted from the stored value of the card.

(2) Upon completion of the transaction referred to in paragraph (1), the driver may obtain a receipt setting out particulars of the transaction from a designated terminal of the Authority at the relevant checkpoint.

(3) Where the vehicle entry card or card machine is defective, the road-user charge shall be paid in such manner as the Registrar considers appropriate.

(4) The Registrar may, in his discretion and in such circumstances as he considers appropriate, permit the road-user charge to be paid in any other manner.

Offences

13.—(1) Any person who, when bringing or attempting to bring a motor car in respect of which a road-user charge referred to in rule 11 is payable out of Singapore —

(a) fails to comply with rule 12(1);

(b) in purported compliance with rule 12(1), inserts into a card machine at the relevant checkpoint a vehicle entry card the stored value of which is less than the road-user charge payable under rule 11 after deducting any toll for that motor car,

shall be guilty of an offence.

(2) Where the Registrar or an authorised officer has reason to believe that a person has committed an offence under paragraph (1) —

(a) the Registrar or authorised officer may, by notice or otherwise, require the person to pay, in such manner as the Registrar may require, the road-user charge payable under rule 11 by him and an administrative charge of \$10; and

(b) if the person complies with the requirement under subparagraph (a), he shall not be guilty of the offence.

(3) In any proceedings for an offence under paragraph (1)(b), it shall be a defence for the defendant to prove —

(a) that the road-user charge, or any road-user charge that cannot be deducted from the stored value of the vehicle entry card under rule 12(1), was not incurred by him; or

(b) that he did not know and could not reasonably have discovered that the stored value of the vehicle entry card was insufficient.

(4) In this rule, “authorised officer” means an officer authorised by the Registrar to administer and enforce this Part.

Revocation

14. The Road Traffic (Electronic Road Pricing System) Rules 2007 (G.N. No. S 738/2007) are revoked.
