- (a) an amount equal to the lump sum calculated for the permanent total incapacity of an employee under the Third Schedule to the Work Injury Compensation Act (Cap. 354), as if the member was an employee under that Act; and
- (b) such of the following as may be applicable:
 - (i) in any case where he was in the pensionable service immediately before his conversion to the Premium Plan, the greatest in quantum of the following:
 - (A) all moneys standing to his credit in his CARE Account and CPF Top-Up Account, together with an amount equal to the benefits that would have been payable to him under the MDES, at the date of his retirement;
 - (B) an amount equal to the benefits that would have been payable to him under the Singapore Armed Forces (Pensions) Regulations (Rg 9) if he had remained in the pensionable service at the date of his retirement; or
 - (C) 12 months of his compensation salary at the date of his retirement; or
 - (ii) in any other case, the greater in quantum of the following:
 - (A) all moneys standing to his credit in his CARE Account and CPF Top-Up Account, together with an amount equal to the benefits that would have been payable to him under the MDES, at the date of his retirement; or
 - (B) 12 months of his compensation salary at the date of his retirement.

(4) For the purposes of an award in respect of disablement (which may be made provisionally or upon any other basis), the degree of such disablement shall be assessed on an interim basis unless the member's condition permits a final determination of the extent, if any, of such disablement.

Award of compensation where disablement does not result in retirement

15.—(1) Subject to regulation 31, where a member is disabled from an injury received in and which is attributable to service, not being a minor injury specified in the First Schedule, and the member does not qualify for an award under regulation 14 because the disablement does not result in his retirement, he shall be awarded such a proportion of the compensation equivalent to the lump sum calculated for the permanent total incapacity of an employee under the Third Schedule to the Work Injury Compensation Act (Cap. 354), as if the member was an employee under that Act, as the degree of disablement bears to total disablement.

(2) For the purposes of an award in respect of disablement (which may be made provisionally or upon any other basis), the degree of such disablement shall be assessed on an interim basis unless the member's condition permits a final determination of the extent, if any, of such disablement.

Determination of degrees of disablement

16.—(1) Subject to these Regulations, the degree of the disablement of a member that is attributable to service shall be assessed by making a comparison between the condition of the member as so disabled and the condition of a normal healthy person of the same age, without taking into account the earning capacity of the member in his disabled condition in his own or any other specific trade or occupation, and without taking into account the effect of any individual factors or extraneous circumstances.

(2) Where such disablement is due to more than one injury, a composite assessment of the degree of disablement shall be made by reference to the combined effect of all such injuries.

(3) Except in a case to which the First Schedule applies, the degree of disablement assessed in accordance with paragraphs (1) and (2) shall be certified by way of a percentage, total disablement being represented by 100% (which shall be the maximum assessment) and a lesser degree or partial disablement being represented by such percentage as bears to 100% the same proportion as the lesser degree of disablement bears to total disablement.

(4) Where a disablement of a member who joined the Singapore Armed Forces before 15th March 1991 is due to any injury specified in the Second Schedule or is a disablement so specified, and, in either case, has reached a settled condition, the degree of such disablement shall, in the absence of any special features, be certified for the purposes of these Regulations at the percentage specified in that Schedule as appropriate to that injury or to that disablement.

(5) Where a disablement of a member who joins the Singapore Armed Forces on or after 15th March 1991 is due to any injury specified in the First Schedule to the Work Injury Compensation Act (Cap. 354) or is a disablement so specified, and, in either case, has reached a settled condition, the degree of such disablement shall, in the absence of any special features, be certified for the purposes of these Regulations at the percentage equivalent to the percentage of loss of earning capacity specified in that Schedule as appropriate to that injury or to that disablement.

(6) Where a member has sustained a minor injury specified in the First Schedule, he may be granted an award in accordance with that Schedule, whether his service is terminated or not.

(7) If a member has sustained an injury referred to in paragraph (6) as well as other disablement attributable to service, the degree of which is less than 100%, and a composite assessment of the degree of the disablement from both causes is no higher than the assessment for the other disablement alone, this regulation shall have effect so as to authorise an award under paragraph (6) in respect of the minor injury as well as an award under regulation 14 or 15 in respect of the other disablement.

(8) The degree of disablement certified under this regulation shall be the degree of disablement for the purpose of any award in respect of this Part.

Award for constant attention

17. Where a member is in receipt of an award under regulation 14 and it is shown to the satisfaction of the Armed Forces Council that constant attendance on him is necessary on account of disablement, he may be awarded an additional amount equivalent to 25% of the lump sum calculated for the permanent total incapacity of an employee under the Third Schedule to the Work Injury Compensation Act (Cap. 354), as if he was an employee under that Act.

Chapter 2 — Treatment and Rehabilitation

Application of this Chapter

18. Under this Chapter —

- (a) awards may be made where the disablement of a member is attributable to service; and
- (b) any condition applicable to an award under Chapter 1 shall, where appropriate, be applicable to an award under this Chapter.

Treatment allowance

19.—(1) A member may be awarded a treatment allowance in respect of any period during which he receives approved treatment.

(2) Subject to paragraph (3), a treatment allowance so awarded may be payable in addition to any disability award payable in accordance with Chapter 1.

(3) The aggregate rate of the award under Chapter 1 together with the treatment allowance under this regulation shall not exceed the rate of award which would be appropriate under these Regulations if the degree of such member's disablement had been 100%.

Allowance where prolonged abstention from work is necessary following approved institutional treatment

20. Where it is certified that a member should, on completion of a course of approved institutional treatment, abstain from work for a prolonged period in consequence of the condition which necessitated such treatment, he may be treated as if he were eligible throughout such period for a treatment allowance under regulation 19.

Allowance for part-time treatment

21. Where a member receives treatment which would be approved treatment but for the fact that it involves only occasional interruptions of the member's normal employment, a treatment allowance may be awarded to the member at such rate as the Armed Forces Council may think appropriate having regard to any loss of remunerative time by the member as the result of those interruptions.

Medical expenses

22. Any necessary expenses in respect of the medical, surgical or rehabilitative treatment of a member not otherwise provided for may be defrayed by the Armed Forces Council under such conditions and up to such amount as the Council may determine.

*Chapter 3 — Miscellaneous***Special award in respect of total disability arising from military operations or training**

23. Where a member who is eligible for an award under regulation 14 has, in the opinion of the Armed Forces Council, suffered total disability as a result of an injury received in the course of military operations or training, the member may be granted a special award of a sum to be determined by the Armed Forces Council, in addition to the award granted to him under that regulation.

Additional award in respect of total disability arising from exceptional circumstances or service beyond call of duty

24. Where a member who is eligible for an award under regulation 14 has, in the opinion of the Armed Forces Council,

suffered total disability as a result of an injury received under exceptional circumstances or while rendering service beyond the call of duty, the member may be granted an additional award to be determined by the Armed Forces Council having regard to the principles on which a claim for damages would be determined in the civil courts, in addition to the award granted to him under regulation 14 and, where applicable, regulation 23.

Award in respect of total disability caused by aggravation of condition

25. Where a member suffers a disability which is determined by the Armed Forces Council to be total disability caused as a result of the aggravation by service of an adverse medical condition that existed in him before service, or that had arisen during but which was not attributable to service, and such total disability occurs within 7 years after the aggravation of such medical condition, the member may be granted compensation equal to —

- (a) 50% of the lump sum calculated for the permanent total incapacity of an employee under the Third Schedule to the Work Injury Compensation Act (Cap. 354), as if he was an employee under that Act; and
- (b) 50% of any award he would have been eligible for under regulation 23 or 24, had his total disability occurred as a result of an injury (not being a minor injury specified in the First Schedule) received in and which was attributable to service.

Award in respect of partial disability

26. Any member who would have been eligible in the case of total disability for any award under regulation 14, 23 or 24 may, if he suffers partial disability, be awarded —

- (a) such a proportion of the compensation equivalent to the lump sum calculated for the permanent total incapacity of an employee under the Third Schedule to the Work Injury Compensation Act (Cap. 354), as if the member was an

employee under that Act, as the degree of disablement bears to total disablement; and

- (b) such a proportion of any award he would have been eligible for under regulation 23 or 24 as the degree of disablement bears to total disablement.

Award in respect of partial disability caused by aggravation of condition

27. Notwithstanding regulation 26, where a member suffers such partial disability which is determined by the Armed Forces Council to be partial disability caused by aggravation by service of an adverse medical condition that existed in him before service, or that had arisen during but which was not attributable to service, and such partial disability occurs within 7 years after the aggravation of such medical condition, the member shall be eligible for an award equal to 50% of the award he would have been eligible for under regulation 26 had his partial disability occurred as a result of an injury received in and which is attributable to service.

Meaning of “earnings”

28.—(1) For the purposes of calculating under this Part or Part IV any sum equivalent to the lump sum applicable under the Third Schedule to the Work Injury Compensation Act (Cap. 354), as if a member was an employee under that Act —

- (a) “earnings” means any salary paid and includes —
- (i) any overtime payment or other special remuneration for work done, whether by way of bonus, allowance or otherwise, if of constant character or for work habitually performed; and
 - (ii) any reimbursement or pay to which the member is entitled or which is payable to him by his employer under section 24 of the Enlistment Act (Cap. 93),
- but excludes the sums specified in paragraph (2);
- (b) the earnings of a member shall be computed in such a manner as is best calculated to give his true monthly

earnings at the date of the injury, subject to sub-paragraphs (c), (d) and (e);

- (c) where the member has been exclusively employed during a continuous period of 12 months or any shorter period immediately preceding the injury, his monthly earnings shall be deemed to be the average amount of his earnings during those 12 months or that shorter period, as the case may be;
- (d) where the member has been exclusively employed for any period which is less than a month, his monthly earnings shall be deemed to be the earnings he would have received for that month for the work in which he was employed if the injury had not happened; and
- (e) where the earnings of a member determined in accordance with sub-paragraphs (a) and (b) are less than —
 - (i) \$120 a month, in the case of a member who is 18 years of age or above;
 - (ii) \$105 a month, in the case of a member who is below the age of 18 years but is 16 years of age or above; or
 - (iii) \$90 a month, in the case of a member below the age of 16 years,

then in any such case, the monthly earnings of a member who is 18 years of age or above shall be deemed to be \$120, the monthly earnings of a member below the age of 18 years but who is 16 years of age or above shall be deemed to be \$105, and the monthly earnings of a member below the age of 16 years shall be deemed to be \$90.

(2) The following sums shall not be regarded as “earnings” for the purposes of calculating under this Part or Part IV any sum equivalent to the lump sum applicable under the Third Schedule to the Work Injury Compensation Act (Cap. 354), as if a member was an employee under that Act:

- (a) any benefit in kind given to a member by the Singapore Armed Forces;

Refusal of treatment

29.—(1) Where it is certified that a member should in his own interest receive medical, surgical or rehabilitative treatment for a disablement in respect of which an award may be or has been awarded to him under this Part, and such member refuses or neglects to receive the treatment, the Armed Forces Council may, if it considers that such refusal or neglect is unreasonable, reduce any award in respect of the member's disablement by such an amount not exceeding one-half of any such award, as it may think fit.

(2) For the purposes of this regulation, any misconduct on the part of the member which, in the opinion of the Armed Forces Council, renders it necessary for any treatment that he is receiving to be discontinued, may be treated as a refusal of the member to receive the treatment.

Review of awards, etc.

30.—(1) Where an Awards Officer makes a final assessment of the degree or nature of the disablement of a member, or a final decision that there is no disablement or that the disablement has come to an end, any award under this Part made on the basis of that final assessment or final decision shall not be reviewed unless —

- (a) in the case of a final assessment, there is a substantial increase in the degree of disablement which is attributable to service;
- (b) in the case of a final decision, there is a substantial degree of disablement which is attributable to service;
- (c) the rate of the award or other grant has been fixed in error at a figure which is not appropriate under these Regulations

to the assessment of the degree or nature of the disablement;

- (d) the award of the pension or other grant has been made in error; or
- (e) the Awards Officer has reason to believe that the award has been obtained by improper means.

(2) Any award under these Regulations (other than an award made on the basis of a final assessment referred to in paragraph (1)) may, subject to any decision given by the Compensation Board under regulation 5, be reviewed at any time on any of the grounds specified in paragraph (1) or on any other ground which, in the opinion of an Awards Officer, having regard to these Regulations, necessitates its review.

- (3) On any review under this regulation, an Awards Officer may —
- (a) continue or vary the award;
 - (b) make a fresh award in place of it;
 - (c) cancel the award; or
 - (d) in the case of a final decision referred to in paragraph (1), make such award as may be appropriate having regard to these Regulations.

Withholding, cancelling or reducing award or compensation

31.—(1) Where the injuries of a member that were received in and which were attributable to service have been caused by or contributed to by any gross negligence or misconduct of the member, the Armed Forces Council may withhold, cancel or reduce any award or compensation which may be or has been made under this Part or Part IV.

(2) The Armed Forces Council may withhold or reduce an award or compensation which may be or has been made under this Part in respect of the disablement of a member —

- (a) if the service of the member is terminated voluntarily; or

- (b) where the disablement is partly or wholly attributable to the default or negligence of the member, or is due to reasons within his control.

TRANSFER TO MILITARY DOMAIN EXPERTS SERVICE

Application of this Part

32. This Part shall apply to every serviceman (other than a non-uniformed serviceman) who —

- (a) is serving under a contract and is eligible for a gratuity under the Singapore Armed Forces (Pensions) Regulations (Rg 9); or
- (b) is a member of the SAVER Plan or the Premium Plan.

be given an option to be transferred to the military domain experts service or to remain in his existing scheme of service.

(2) Where a serviceman exercises an option to be transferred to the military domain experts service, that option shall be irrevocable, but nothing in this paragraph shall prohibit or prevent the proper authority from subsequently transferring the serviceman to any other uniformed service for the purposes of his liability to render national service.

Preserved benefits for servicemen on contract service

35. Where a serviceman who is serving under a contract, and is eligible for a gratuity under the Singapore Armed Forces (Pensions) Regulations (Rg 9), exercises an option to be transferred to the military domain experts service, he shall continue to be eligible for the gratuity, in accordance with the contract and Chapter 3 of Part III of those Regulations, on and after his transfer to the military domain experts service.

Preserved benefits for servicemen on SAVER Plan

36.—(1) This regulation applies to a serviceman who is a member of the SAVER Plan and who exercises an option to be transferred to the military domain experts service.

(2) All contributions to the serviceman's CPF Top-Up Account, Retirement Account and Savings Account under regulation 13(1)(a), (b) and (c), respectively, of the Singapore Armed Forces (SAVER Plan) Regulations (Rg 19) shall cease with effect from the date of his transfer to the military domain experts service.

(3) The Board may, during any financial year, cause to be credited, to the serviceman's accounts in the SAVER-Premium Fund, a dividend out of the net income (as defined in regulation 13(5) of the Singapore Armed Forces (SAVER Plan) Regulations (Rg 19)) and net unrealised profits of the SAVER-Premium Fund for that financial year.

(4) Where the serviceman retires or is required to retire from the Singapore Armed Forces on any ground specified in regulation 11(1), resigns from the Singapore Armed Forces or dies in regular service,

the following sums shall vest in him and may be awarded in respect of him:

- (a) such portion of the money standing to his credit in his Savings Account as is prescribed in the Third Schedule in relation to his length of reckonable service at the date of his retirement, resignation or death, as the case may be; and
 - (b) such portion of the money standing to his credit in his Retirement Account as is prescribed in the Fourth Schedule in relation to his age at the date of his retirement, resignation or death, as the case may be.
- (5) Notwithstanding paragraph (4) —
- (a) where the serviceman retires from the Singapore Armed Forces on the ground specified in regulation 11(1)(b) or (d), the sum vested in the serviceman under paragraph (4) may be reduced to the extent determined by the Armed Forces Council; and
 - (b) where the serviceman retires from the Singapore Armed Forces on the ground specified in regulation 11(1)(c), (e), (g) or (h), the sum vested in the serviceman under paragraph (4) may be increased to the extent and paid in such manner as determined by the Armed Forces Council.
- (6) Notwithstanding paragraph (4), where the serviceman retires from the Singapore Armed Forces on any ground specified in regulation 11(1)(a) to (g), no sum in his Retirement Account shall vest in him unless he has completed not less than 11 years of reckonable service.
- (7) The Board may, on the application of the serviceman or any other person eligible under regulation 38, authorise the payment to the applicant of the sums vested in the serviceman in accordance with paragraphs (4), (5) and (6).

- (a) retires or is required to retire from the Singapore Armed Forces on any of the grounds specified in regulation 11(1);

-
-
- (b) resigns from the Singapore Armed Forces; or
 - (c) dies in regular service.

(9) The Armed Forces Council may, on the application of the serviceman, authorise him to withdraw in advance all or any part of the vested sum in his Savings Account or Retirement Account while he is still in the regular service of the Singapore Armed Forces:

- (a) such portion of the money standing to his credit in his Savings Account as is prescribed in the Third Schedule in relation to his length of reckonable service at the date of the application; and
- (b) such portion of the money standing to his credit in his Retirement Account as is prescribed in the Fourth Schedule in relation to his age at the date of the application.

(10) The Armed Forces Council may, in authorising the serviceman to make any withdrawal in advance under paragraph (9), impose such conditions as it thinks fit, including the interest payable on recovery or refund under paragraph (11) or (12) of the sum so withdrawn.

(11) Without prejudice to paragraph (10), it shall be a condition of every authorisation under paragraph (9) for the serviceman to withdraw in advance all or any part of the vested sum in his Savings Account or Retirement Account that the Armed Forces Council can recover all or part of the vested sum so withdrawn (together with interest), if it is shown that the authorisation was obtained by wilful suppression of material facts or in ignorance of facts which, had they been known before the serviceman retired or resigned or was dismissed or before the granting of such authorisation, would have justified —

- (a) his discharge on any ground specified in regulation 17 or 18 of the Enlistment Regulations (Cap. 93, Rg 1); or
- (b) his conviction of any offence by a subordinate military court or the Military Court of Appeal on appeal or by any civil court.

the serviceman may be required by the Armed Forces Council to first refund all or part of the vested sum so withdrawn together with interest.

(13) Any sum that is recoverable under paragraph (11) or is to be refunded under paragraph (12), together with the interest thereon, shall be recoverable as a debt due to the Government and may be offset against any other sum payable by the Government to the serviceman under these Regulations.

(14) Notwithstanding paragraph (4), where the serviceman is —

- (a) discharged on any ground specified in regulation 17 or 18 of the Enlistment Regulations (Cap. 93, Rg 1);

his Savings Account and Retirement Account shall be closed with effect from the date of his retirement, resignation, death, discharge or dismissal, as the case may be.

(16) The Board shall credit to the Forfeiture Account of the SAVER-Premium Fund any balance of the moneys in the serviceman's closed Savings Account and Retirement Account after the sums allowed to be withdrawn under this regulation have been paid.

(18) Where the total amount standing to the credit of the serviceman in his account in the Central Provident Fund after the transfer of the money under paragraph (17) is less than the minimum sum referred to in section 15(6)(a) of the Central Provident Fund Act (Cap. 36), the deficiency in his account in the Central Provident Fund shall be met out of the vested sum in his Retirement Account in the SAVER-Premium Fund.

(19) The serviceman may be granted post-retirement benefits based on the medical schemes applicable to him prior to his retirement on

such terms and conditions as the Armed Forces Council may, by General Order, decide —

- (a) where the serviceman is transferred to the military domain experts service on 1st April 2010, if he —
