PART II

LICENSING OF DEALERS

Dealer's Class Licence

3.—(1) Subject to regulation 7, a dealer who manufactures, imports, lets for hire, sells, or offers or possesses for sale any registered equipment or telecommunication equipment set out in the First Schedule shall be deemed to have been granted a Dealer's Class Licence under section 5 of the Act for that purpose.

[S 478/2005 wef 21/07/2005]

(2) The holder of a Dealer's Class Licence shall, in addition to any requirement imposed under these Regulations, comply with the conditions of that licence set out in the Second Schedule.

(3) The Authority may impose any condition in addition to those referred to in paragraph (2) and may vary or waive all or any of such conditions.

(4) The holder of a Dealer's Class Licence shall, at his own expense, comply with the varied or additional conditions referred to in paragraph (3).

(5) Any holder of a Dealer's Class Licence who is carrying on any business or trade as a dealer shall register with the Authority in such form and manner as the Authority may determine each of the premises under his control or occupation where he manufactures, imports, lets for hire, sells, or offers or possesses for sale any registered equipment or telecommunication equipment set out in the First Schedule.

[S 478/2005 wef 21/07/2005]

(6) The Authority shall acknowledge the registration under paragraph (5) to the licensee and the acknowledgment shall be in such form as the Authority may determine.

(7) For the purposes of paragraph (5), the holder of a Dealer's Class Licence shall submit in writing to the Authority such information as the Authority may require relating to his particulars and the description and scope of his dealings in telecommunication equipment.

(8) The holder of a Dealer's Class Licence shall furnish the Authority with such specifications and information as the Authority may require on the types of telecommunication equipment manufactured, sold or to be manufactured or sold by him.

(9) [*Deleted by S 210/2010 wef 15/04/2010*]

(10) No person shall furnish any false, misleading or inaccurate information to the Authority under this regulation.

(11) A Dealer's Class Licence shall remain valid unless it is cancelled in accordance with the provisions of the Act or these Regulations.

[*S 478/2005 wef 21/07/2005*]

(12) The Authority may cancel a Dealer's Class Licence where the holder of such licence —

- (a) gives notice to the Authority in such form and manner as the Authority may determine that he has ceased to carry on any business or trade as a dealer;
- (b) has ceased to carry on any business or trade as a dealer and the registration of the business under the Business Registration Act (Cap. 32) is cancelled; or
- (c) being a company incorporated under the Companies Act 1967 or a limited liability partnership registered under the Limited Liability Partnerships Act 2005, has gone into liquidation other than for the purpose of amalgamation or reconstruction.

[*S 478/2005 wef 21/07/2005*]

[*S 589/2023 wef 31/12/2021*]

(13) A Dealer's Class Licence held by a person who is not carrying on any business or trade as a dealer shall be deemed to be cancelled upon the expiry of 30 days after the day on which he ceases to sell or offer or possess for sale any registered equipment or telecommunication equipment set out in the First Schedule.

[*S 478/2005 wef 21/07/2005*]

(14) A cancellation of a Dealer's Class Licence of a person shall not operate so as to —

- (a) prejudice any liability incurred by such person under these Regulations and any such liability may be enforced against him as if the cancellation had not taken place; or
- (b) prevent such person from subsequently being deemed a holder of such licence under these Regulations.

[S 478/2005 wef 21/07/2005]

Dealer's Individual Licence

4.—(1) A dealer who wishes to manufacture, import, let for hire, sell, or offer or possess for sale any telecommunication equipment that is not —

- (a) [*Deleted by S 478/2005 wef 21/07/2005*]
- (b) registered equipment; or
- (c) telecommunication equipment set out in the First Schedule,

shall obtain a Dealer's Individual Licence.

(2) Every application for a Dealer's Individual Licence shall be made in such form and manner as the Authority may, from time to time, determine and shall be supported by such information as the Authority may require.

(3) No person shall furnish any false, misleading or inaccurate information for the purpose of obtaining a Dealer's Individual Licence.

(4) The Authority shall notify the applicant as to whether his application is successful and the notification shall be in such form as the Authority may determine.

(5) Upon notification that his application is successful, the applicant shall pay to the Authority the fee referred to in regulation 10(1)(a) and the Authority shall, subject to regulation 7, grant a Dealer's Individual Licence under section 5 of the Act to the applicant upon receipt of such payment.

(6) When granting a Dealer's Individual Licence, the Authority shall specify the types of telecommunication equipment which the

holder may manufacture, import, let for hire, sell, or offer or possess for sale.

(7) It shall be a condition of a Dealer's Individual Licence that the holder of a Dealer's Individual Licence may only sell telecommunication equipment that is not registered equipment or telecommunication equipment set out in the First Schedule —

- (a) to another holder of a Dealer's Individual Licence; or
- (b) to a person, other than the holder of a Dealer's Class Licence, for re-export and not for use in Singapore.

[S 478/2005 wef 21/07/2005]

(8) A dealer shall obtain a Dealer's Individual Licence for each of the premises under his control or occupation where he manufactures, imports, lets for hire, sells, or offers or possesses for sale any telecommunication equipment referred to in paragraph (1).

(9) It shall be a condition of a Dealer's Individual Licence that the holder of the licence shall notify the Authority of any change in his personal particulars specified in that licence within 14 days of such change.

[S 210/2010 wef 15/04/2010]

(10) A Dealer's Individual Licence shall be valid for such period as the Authority may determine unless revoked or suspended in accordance with the provisions of the Act and shall be subject to such conditions as the Authority thinks fit.

(11) The Authority may add to, vary or waive all or any of, the conditions referred to in paragraph (10) and the holder of a Dealer's Individual Licence shall, at his own expense, comply with the varied or additional conditions.

When holder of Dealer's Individual Licence is holder of Dealer's Class Licence

5.—(1) The holder of a Dealer's Individual Licence who manufactures, imports, lets for hire, sells, or offers or possesses for sale any registered equipment or telecommunication equipment set out in the First Schedule at premises other than those in respect of which he has obtained a Dealer's Individual Licence shall be deemed

to have been granted a Dealer's Class Licence in respect of those other premises.

[S 478/2005 wef 21/07/2005]

(2) The holder of a Dealer's Individual Licence who manufactures, imports, lets for hire, sells, or offers or possesses for sale any registered equipment or telecommunication equipment set out in the First Schedule at the premises in respect of which he has obtained a Dealer's Individual Licence shall not be deemed to be a holder of a Dealer's Class Licence for such purpose in respect of those premises.

[S 478/2005 wef 21/07/2005]

Operation for demonstration purpose

6.—(1) No person shall operate any telecommunication equipment for demonstration purposes unless he has obtained the prior approval of the Authority.

(2) It shall be a condition of every licence that a licensee shall not, except with the prior approval of the Authority, operate any telecommunication equipment for demonstration purposes.

Restriction on grant of licence

7. No person shall be granted a Dealer's Individual Licence or be deemed to have been granted a Dealer's Class Licence unless that person is —

(a) a citizen of Singapore;

(b) a company incorporated under the Companies Act 1967;

[S 589/2023 wef 31/12/2021]

(ba) a limited liability partnership registered under the Limited Liability Partnerships Act 2005;

[S 478/2005 wef 21/07/2005]

[S 589/2023 wef 31/12/2021]

(c) a person who carries on a business registered under the Business Registration Act (Cap. 32); or

(d) such other person as the Authority may, in its discretion, consider appropriate to hold such licence.

Replacement of Dealer's Individual Licence

8. If the Authority is satisfied that any Dealer's Individual Licence issued by it has been lost, destroyed or defaced, the Authority may, upon payment of a fee of \$5 by the person whose Dealer's Individual Licence is lost, destroyed or defaced, issue a replacement licence to such person.

Renewal of Dealer's Individual Licence

9. Every application for the renewal of a Dealer's Individual Licence shall be in such form and manner as the Authority may require and accompanied by a renewal fee of \$250.

Fees

10.—(1) The fee payable for a Dealer's Individual Licence shall be as follows:

(a) \$250 for the first 5 years or part thereof of that licence; and

[S 210/2010 wef 15/04/2010]

(b) \$250 for every subsequent period of 5 years or part thereof for the duration of that licence.

[S 210/2010 wef 15/04/2010]

(2) The fee payable for a Dealer's Class Licence held by any person who is carrying on any business or trade as a dealer shall be \$50.

[S 478/2005 wef 21/07/2005]

(3) Payment of fees in respect of a Dealer's Individual Licence shall be made —

(a) in respect of a fee referred to in paragraph (1)(a), within 90 days of the notification under regulation 4(4) that the application for a Dealer's Individual Licence is successful; and

(b) in respect of a fee referred to in paragraph (1)(b), on or before the commencement of the subsequent period of 5 years.

[S 210/2010 wef 15/04/2010]

(4) Payment of fees in respect of a Dealer's Class Licence shall be made within 90 days of the date of the registration under regulation 3(5).

[S 478/2005 wef 21/07/2005]

(5) If any fee remains unpaid after the date by which such fee should have been paid as referred to in paragraph (3)(b), the following late payment fee shall be charged:

- (a) where the fee is paid after 7 days but before 15 days following the date by which such fee should have been paid, \$10;
- (b) where the fee is paid after 14 days but before 31 days following the date by which such fee should have been paid, \$20; and
- (c) where the fee is paid after 30 days following the date by which such fee should have been paid, \$50.

[S 478/2005 wef 21/07/2005]

(6) It shall be a condition of a licence that the fee referred to in paragraph (1)(b) or (2), as the case may be, shall be paid in accordance with this regulation.

PART III

CONDUCT OF DEALERS

Prohibited equipment

11. It shall be a condition of a licence that the licensee shall not manufacture, import, let for hire, sell, or offer or possess for sale any telecommunication equipment set out in the Third Schedule except where approved by the Authority and in accordance with such terms and conditions as the Authority may impose.

Equipment to be used for lawful purpose, safe manner, etc.

12. A licensee shall ensure that any telecommunication equipment in his possession is not used for any unlawful purpose and shall operate it in a manner which is safe and which does not impair or interfere with the efficient and convenient working or maintenance of

any other telecommunication system or service authorised by the Authority.

Secrecy

13.—(1) Except as otherwise provided in these Regulations or by the terms and conditions of a licence, every dealer having access to any telecommunication —

- (a) shall hold strictly secret all such telecommunication, other than a telecommunication transmitted or sent for general information;
- (b) shall not, directly or indirectly, disclose the contents of the telecommunication except —
 - (i) to a person entitled to become acquainted with the telecommunication; or
 - (ii) to an authorised officer,or except where the disclosure is otherwise authorised or required by law; and
- (c) shall not make any use of such telecommunication.

(2) No dealer having access to any telecommunication shall print or publish or cause to be printed or published in any newspaper, pamphlet, book or other document, that telecommunication, whether such telecommunication is for private or general reception.

Restrictions on transmission

14.—(1) No dealer shall transmit or permit the transmission of superfluous signals.

(2) No person shall test any transmission, or allow or conduct any trial or practical transmission, except in such circumstances as to preclude the possibility of interference with any other telecommunication.

(3) No person shall conduct any test transmission other than on dummy load without the prior approval of the Authority.

- (4) No dealer shall transmit or permit the transmission of —
- (a) any message containing indecent, obscene or offensive language;
 - (b) any message for an illegal purpose;
 - (c) any message which interferes with the operation of any registered equipment or telecommunication equipment set out in the First Schedule; or
- [S 478/2005 wef 21/07/2005]*
- (d) any message which to his knowledge is false or misleading and likely to prejudice the efficiency of any emergency service or endanger the safety of any person, place, premises, vessel, aircraft or vehicle.

PART IV

INSPECTION

Inspection of Dealer's Individual Licence

15.—(1) The holder of a Dealer's Individual Licence shall permit an authorised officer or a police officer not below the rank of sergeant, upon production of proof of identity, to inspect his licence.

(2) Where his licence is not immediately available, the holder of a Dealer's Individual Licence shall produce his licence at the office of the Authority or a police station named by the police officer within a reasonable period.

Inspection of equipment

16.—(1) The Authority may appoint authorised officers as inspection officers for the inspection and examination of any equipment approved under these Regulations, any premises owned or occupied by a dealer where he manufactures, imports, lets for hire, sells, or offers or possesses for sale any telecommunication equipment, and any telecommunication equipment found therein.

(2) For the purpose of ensuring that the Act, these Regulations and any condition of a licence are complied with, an inspection officer shall be entitled, at any time and upon production of proof of identity,

to enter any land, building, vessel, aircraft or vehicle where any telecommunication equipment is kept or stored and to inspect, examine or test such equipment.

Duty to give access

17. No person shall —

- (a) refuse entry to an authorised officer to any land, building, vessel, aircraft or vehicle to inspect, examine or test any telecommunication equipment contained or stored therein; or
- (b) in any way obstruct or hinder an authorised officer in the execution of a duty imposed or power conferred upon that officer by the Act, these Regulations or any other written law.

PART V

**IMPORT, MANUFACTURE AND SALE OF
TELECOMMUNICATION EQUIPMENT**

Importation of telecommunication equipment

18.—(1) Any person who imports any telecommunication equipment shall, before such equipment is imported, notify the Authority of the intended import and furnish such particulars in such form as may be determined by the Authority.

[S 210/2010 wef 15/04/2010]

(2) No person shall import any telecommunication equipment set out in the Third Schedule without the prior approval of the Authority.

[S 210/2010 wef 15/04/2010]

(3) A person applying for approval under paragraph (2) shall obtain a permit under the Regulation of Imports and Exports Regulations (Rg 1) for the import of the telecommunication equipment before such equipment is imported.

[S 210/2010 wef 15/04/2010]

[S 589/2023 wef 31/12/2021]

(4) No person shall —

(a) furnish any false or misleading information to the Authority —

(i) under paragraph (1); or

(ii) for the purpose of obtaining the approval of the Authority under paragraph (2); or

(b) falsify or fabricate any decision that the Authority may make upon the application for approval under paragraph (2).

[S 210/2010 wef 15/04/2010]

(5) Where any person contravenes paragraph (4)(a)(ii) or (b), any approval issued to that person under this regulation shall be null and void.

[S 210/2010 wef 15/04/2010]

Power of Authority to order production of equipment

19. The Authority may direct a person who imports any telecommunication equipment to produce it for testing or inspection by the Authority and that person shall comply with such direction at his own expense.

Approval for sale

20.—(1) Subject to paragraph (2) and regulation 4(7), it shall be a condition of a licence that the licensee shall not sell —

(a) any type of telecommunication equipment to be used for connection to any telecommunication system or equipment belonging to a telecommunication system licensee; or

(b) any type of radio-communication equipment to be used in Singapore,

unless the type of equipment has been approved for sale by way of registration with the Authority.

(2) No approval for sale under paragraph (1) is required for any telecommunication equipment which is —

- (a) set out in the First Schedule; and
- (b) designed and constructed in accordance with such standards and specifications as may be published by the Authority.

(3) An application for registration of any equipment referred to in paragraph (1) shall be made to the Authority in such form and manner as the Authority may determine and shall be accompanied by —

- (a) the appropriate fee as specified in the Fourth Schedule; and
- (b) a declaration of conformity stating that the equipment is designed and constructed in accordance with such standards and specifications as may be published by the Authority.

(4) The declaration of conformity under paragraph (3) shall be based on a certification or tests of the equipment by any local or foreign body specified by the Authority.

(5) The Authority may require the applicant to submit or the applicant may voluntarily submit any result of the certification or tests referred to in paragraph (4) for evaluation by the Authority or any local or foreign certification body recognised by the Authority.

[S 210/2010 wef 15/04/2010]

(6) The Authority may register any telecommunication equipment where the applicant satisfies the requirements set out in this regulation and such registration shall be valid for a period of 5 years.

(6A) A licensee's registration of any telecommunication equipment may, with the approval of the Authority, be transferred to another licensee.

[S 251/2013 wef 25/04/2013]

(6B) An application for the Authority's approval of the transfer of the registration of any telecommunication equipment shall be made to the Authority, by the licensee from or to whom the registration is to be transferred, in such form or manner as the Authority may determine.

[S 251/2013 wef 25/04/2013]

(6C) On the receipt of an application under paragraph (6B), the Authority may —

- (a) approve the transfer, subject to such conditions as the Authority thinks fit to impose; or
- (b) reject the application.

[S 251/2013 wef 25/04/2013]

(7) The Authority may renew a registration for a period not exceeding 5 years upon an application being made to the Authority in such form and manner as the Authority may determine, except as otherwise provided in paragraph (7A), and upon payment of a renewal fee of \$50.

[S 396/2007 wef 23/07/2007]

(7A) No renewal fee is payable in respect of an application for the renewal of the registration of any telecommunication equipment which is set out in the Fifth Schedule, and which registration did not require or involve an evaluation of the declaration of conformity.

[S 396/2007 wef 23/07/2007]

[S 210/2010 wef 15/04/2010]

(8) Where any equipment registered under paragraph (6) has been modified, the Authority may —

- (a) require the applicant of that equipment, or the transferee of the registration of that equipment, to re-submit an application for registration under paragraph (3) where the modification is likely to affect the equipment's compliance with such standards and specifications as may be published by the Authority; or

[S 251/2013 wef 25/04/2013]

- (b) amend the existing registration to include the modified equipment upon an application being made to the Authority in such form and manner as the Authority may determine and upon payment of an amendment fee of \$100.

[S 478/2005 wef 21/07/2005]

Confirmation of conformity of telecommunication equipment

20A.—(1) A licensee intending to sell telecommunication equipment for which no approval for sale is required under

regulation 20(1), may make an application for confirmation by the Authority that the equipment is designed and constructed in accordance with standards and specifications published by the Authority under regulation 20(2)(b).

(2) The application for a confirmation of conformity referred to in paragraph (1) shall be made to the Authority in such form and manner as the Authority may determine, and shall be accompanied by —

- (a) the appropriate fee as specified in the Fourth Schedule; and
- (b) a declaration of conformity stating that the equipment is designed and constructed in accordance with such standards and specifications as may be published by the Authority.

(3) The declaration of conformity under paragraph (2)(b) shall be based on a certification or tests of the equipment by any local or foreign body specified by the Authority.

(4) The Authority may require the applicant to submit or the applicant may voluntarily submit any result of the certification or tests referred to in paragraph (3) for evaluation by the Authority or any local or foreign certification body recognised by the Authority.

(5) The Authority may provide a confirmation of conformity of any telecommunication equipment where the applicant satisfies the requirements set out in this regulation.

(6) Where any telecommunication equipment to which a confirmation of conformity under paragraph (5) refers has been modified, the Authority may —

- (a) require the applicant of that equipment to re-submit an application for confirmation of conformity under paragraph (2) where the modification is likely to affect the equipment's compliance with such standards and specifications as may be published by the Authority; or
- (b) amend the existing confirmation of conformity to include the modified equipment upon an application being made to the Authority in such form and manner as the Authority

may determine and upon payment of an amendment fee of \$100.

[S 210/2010 wef 15/04/2010]

False or misleading information

21.—(1) No applicant shall furnish any false or misleading information to the Authority for the purpose of obtaining any registration, renewal of registration or amendment of registration under regulation 20 or any confirmation of conformity or amendment of confirmation of conformity under regulation 20A.

(2) Where any applicant contravenes paragraph (1), any registration, renewal of registration or amendment of registration by the Authority under regulation 20 or any confirmation of conformity or amendment of confirmation of conformity under regulation 20A as a result of the submission of false or misleading information shall be null and void.

[S 478/2005 wef 21/07/2005]

[S 210/2010 wef 15/04/2010]

PART VI

TELECOMMUNICATION EQUIPMENT FOR PERSONAL USE

Telecommunication equipment for personal use

22.—(1) Any person intending to use any telecommunication equipment for personal purposes shall not be required to obtain the approval of the Authority provided that such equipment is designed, constructed, installed, established, maintained and operated in accordance with such standards and specifications as may be published by the Authority.

(2) Notwithstanding paragraph (1), the Authority may, in its discretion, require any such person —

- (a) to cease operating any such telecommunication equipment;
- or

- (b) to send, at his own expense, any such telecommunication equipment for certification or testing by any local or foreign body specified by the Authority.

[S 478/2005 wef 21/07/2005]

PART VII

MISCELLANEOUS

Power to order disposal of equipment

23. Where any person —

- (a) imports any telecommunication equipment set out in the Third Schedule without the approval of the Authority; or

[S 210/2010 wef 15/04/2010]

- (b) manufactures, lets for hire, sells, or offers or possesses for sale any telecommunication equipment which does not meet the standards or specifications published by the Authority from time to time,

the Authority may direct that person to dispose of the equipment in any manner which the Authority thinks fit and that person shall comply with such direction at his own expense.

Re-labeling of telecommunication equipment

23A.—(1) For a period of one year from 21st July 2005, no dealer shall be required to remove from or replace on any telecommunication equipment any label which has been affixed in accordance with regulation 8(a) or (b) of the Second Schedule to the principal Regulations in force immediately before that date.

(2) A dealer may, until the expiry of the one year period referred to in paragraph (1), continue to sell any telecommunication equipment referred to in that paragraph in compliance with the principal Regulations in force before 21st July 2005, as if these Regulations have not been enacted.

(3) Upon the expiry of the one year period referred to in paragraph (1), no dealer shall display or offer for sale any telecommunication equipment referred to in that paragraph unless

regulation 8(a), (b) and (d) of the Second Schedule to the principal Regulations in force on 21st July 2005 have been complied with.

[S 478/2005 wef 21/07/2005]

Offence

24. Any person who contravenes regulation 3(5), (7), (8) or (10), 4(3) or (8), 6(1), 12, 13, 14, 15, 17, 18(1), (2), (3) or (4), 19, 21(1) or 23 shall be guilty of an offence.

[S 478/2005 wef 21/07/2005]

[S 210/2010 wef 15/04/2010]

Waiver and exemption

25.—(1) The Minister, or the Authority with the approval of the Minister, may —

- (a) waive any or all fees payable under these Regulations; or
- (b) exempt any person from any or all provisions of these Regulations.

(2) A waiver or an exemption granted under paragraph (1) may be notified in writing to the person concerned, and need not be published in the *Gazette*.
